Subject: Professional Services Contract -
 Donna Gaarder San Francisco CA (contractor, City State)
 High School Network (SLC Program) (site/department)

Action Requested: Ratification of a professional services contract between Oakland Unified School District and Donna Gaarder. Services to be primarily provided to High School Network (SLC Program) for the period of 09/05/2011 through 06/30/2012.

Background: A one paragraph explanation of why the consultant's services are needed. There is an urgent need to improve teaching and learning in high schools, and in particular 9th grade algebra. Algebra failure rates at our three largest high schools range from 44% to 62%, and are even higher for our African American and Latino students. Algebra is a gatekeeper to other math courses required for college acceptance. Failing a single 9th grade course places students at a high risk of dropping out of high school. To meet the goals set forth in our strategic plan for increased graduation rates and A-G completion rates, we must promptly address instructional quality and student success in 9th grade mathematics.

Discussion: One paragraph summary of the scope of work. Donna Gaarder will provide professional coaching services to Oakland Technical High School for substantially improving instruction and student achievement in mathematics with a focus on the 9th grade. She will assess the status quo and provide a plan for advancing competency, practice, and performance of all math teachers at the school. As a prior WestEd mathematics leader, Gaarder's work will align with Academic Language and Literacy professional development currently provided by the district, and will include other coaching customized to teacher needs. Gaarder's work at Oakland Tech will be studied by district and school instructional leaders and will serve as a model of improving mathematics instruction in all high schools in Oakland.

Recommendation: Ratification of professional services contract between Oakland Unified School District and Donna Gaarder. Services to be primarily provided to High School Network (SLC Program) for the period of 09/05/2011 through 06/30/2012.

Fiscal Impact: Funding resource name (please spell out) SLC Program not to exceed \$78,500.00
