PLAYWORKS

Playworks Direct Service Scope of Work

Playworks provides elementary schools with a full time coach who facilitates positive play at recess, throughout the school day, and after school. An expert coach, a quality program, and a healthy school partnership provide the framework needed to create a high functioning recess and a positive school culture.

- WITH THE DIRECT SERVICE PROGRAM, the Playworks coach focuses on implementing four key areas:

1. Recess - The coach creates a safe, fun, and inclusive playground by developing and modelling standard agreements for behavior and conflict resolution skills, teaching kids the rules and strategies of the games, and recruiting disengaged students to participate.

2. Junior Coach Leadership Program - Junior Coaches are a mix of 4th through 6th grade students who participate in regular trainings that focus on teaching valuable skills like leadership, conflict resolution, inclusion and community action, successfully improving their self-esteem, self-advocacy, leadership ability, and desire to improve academically.

3. Class Game Time - The coach leads instructional time with individual classes throughout the year. During this time, the coach teaches foundational skills and activities that will prepare students so they can confidently engage in and enjoy recess.

4. Interscholastic Leagues - The coach leads non-competitive teams designed to develop skills, provide a positive team experience, and teach good sporting behavior to students.

- A HEALTHY SCHOOL PARTNERSHIP with Playworks is achieved through open communication, an understanding of play's importance in childhood development, and the shared belief that every child should have access to play every day. This ensures that expectations of positive behavior spill into the classroom and community.
