OSF SERVICES

FISCAL SPONSORSHIP AND MANAGEMENT

Fiscal management and accountability are key to resource development. As a 501(c)(3), OSF provides schools fiscal sponsorship for grants, donations, and in-kind contributions. We help our partner schools be accountable to their supporters through rigorous budget management and consistent donor follow-up.

HUMAN RESOURCES MANAGEMENT

As a fiscal sponsor for schools, OSF provides contractor and employee administration services for school programs funded by private grants and donations. OSF also employs its own program managers and coaches at schools sites to support school program development and implementation.

RESOURCE DEVELOPMENT

Per-student funding is on a national decline, and California currently spends close to \$3,000 less per student than the national average. The growing resource and opportunity gaps in public education require that we look for resources beyond public funding to support our students. OSF provides grant writing, donor cultivation, and partnership development services to help partner schools generate diverse resource portfolios that support programs critical to student learning and success.

COMMUNICATIONS AND OUTREACH

In order to cultivate student enrollment, community and family engagement, and resource development it is important that we share what is happening in our schools. To this end, OSF provides partner schools with communications and outreach services that include branding, website development, social media management, storytelling, mass mailings, photography, videography, and the development of communications materials such as newsletters, brochures, flyers, postcards, fact sheets, and PowerPoint presentations.

PROFESSIONAL LEARNING AND PROGRAM DEVELOPMENT

OSF provides inquiry-based, participant-led, and student-centered professional learning services that convene leaders across schools to share and develop strategies, practices, and resources that cultivate program improvement and, ultimately, student learning and success. OSF currently hosts three professional learning communities: Family Engagement and Leadership Initiative (FamELI), Elementary Literacy Collaborative (ELC), and Wellness Initiative. 25 schools participate in these programs.

DISTRICT AND CITY-WIDE SERVICES

OSF partners closely with the Oakland Unified School District to provide services that have a systemic impact across Oakland schools.

OUR PARTNER SCHOOLS

In 2011-12, OSF worked with 36 public schools serving more than 12,000 students.
