**RESOLUTION OF THE
BOARD OF EDUCATION
OAKLAND UNIFIED SCHOOL DISTRICT
RESOLUTION NO. 1718-0064**

WITHDRAWN 9/13/17

**ALLOCATION METHODOLOGY FOR COUNTY CHARTER SCHOOLS TO RECEIVE MEASURE G1
PARCEL TAX REVENUE**

WHEREAS, the Oakland Unified School District (“District”) Board of Education on January 25, 2017, adopted Resolution No. 1617-0119 (Legislative File No. 17-0127, Enactment No. 17-0155) creating the Measure G1 – Districtwide Teacher Retention and Middle School Improvement Act Oversight Commission (“G1 Commission”),

WHEREAS, the G1 Commission on May 18, 2017 recommended an allocation methodology for the distribution of Measure G1 parcel tax revenue,

WHEREAS, the G1 Commission on August 14, 2017 recommended to amend administrative guidelines to permit District-authorized charter schools to receive parcel tax revenue per the same allocation methodology as District schools, and

WHEREAS, the G1 Commission on August 14, 2017 sought further guidance on the eligibility of county-authorized charter schools located in Oakland to receive G1 parcel tax funds.

NOW, THEREFORE, BE IT RESOLVED, any county-authorized charter school that is in operation on or before November 4, 2016 is eligible to receive G1 parcel tax funds (pursuant to the same allocation methodology stated for other charter schools), provided that the county-authorized charter school: (i) complies with the same G1 oversight and application requirements as the District-authorized charters and (ii) makes a good faith effort to convert to a District-authorized charter school within a reasonable period of time from the date its application for G1 funding.

BE IT FURTHER RESOLVED, a county-authorized charter school shall show “good faith effort” by undertaking the following actions:

1. Obtain legal advice on necessary steps to become District-authorized charter school(s) within twelve months of the effective date of this resolution;
2. Complete an MOU with OUSD to memorialize their intent to achieve district-authorized status and receive approval via resolution by their county-authorized charter school governing board;
3. Petition the California Department of Education (or the appropriate authority) to waive the reassignment of a new CDS Code during the conversion process or to complete an alternative process with a similar outcome;

4. Provide at least two periodic updates to the Board of Education on the status and progress of its conversion efforts;
5. Submit an application to OUSD District to convert to a District-authorized charter school; and
6. Collaborate on an ongoing basis with Measure G1 Commission, OUSD staff and the Board of Education to ensure that all implementation and oversight standards are satisfied.

In the event of non-compliance with the above, G1 funds will discontinue with effect in the following budget cycle until such time as the above requirements have been satisfied.
