2. Specific Outcomes: What are the expected outcomes from the services of this Contract? Be specific. Provide details of program participation (Students will...) and measurable outcomes (Participants will be able to...). NOT THE GOALS OF THE SITE OR DEPARTMENT.

As a result of participation in the HERO program, students will be more able to resolve minor conflicts peacefully, learn anger management techniques and increase self-accountability skills. These improved social skills will decrease student office referrals; thus increasing instructional time for students, leading to improved student achievement. As a result of learning these self-regulation techniques, students will be more successful in the classroom and have fewer suspensions. Motivation for attending school will increase, as students will be better prepared to handle any conflicts that arise. Students will experience lower cortisol levels in the brain as a result of fewer conflicts. Since they will be acting out less, any learning difficulties that exist will be identified earlier and not misidentified as behavior issues. Students will gain the interpersonal skills to successfully negotiate the workplace.

3. Alignment with District Strategic Plan: Indicate the goals and visions supported by the services of this contract: (Check all that apply.)
