SUBJECT: Approval by Board of Education of Resolution No. 1011-0028 - Consolidation or Merger of the Explore Middle School Attendance Boundary into the Elmhurst, Frick and Montera Middle Schools Attendance Boundaries

---

**ACTION REQUESTED**

Approval by Board of Education of Resolution No. 1011-0028 - Consolidation or Merger of the Explore Middle School Attendance Boundary Into the Elmhurst, Frick and Montera Middle Schools Attendance Boundaries.

**DISCUSSION**

On December 16<sup>th</sup>, 2009, the Board of Education made the decision to close Explore Middle School, effective June 30, 2010. The Board also directed staff to “work closely with impacted families, students and staff ... to ensure that all affected students are enrolled in a quality program for the 2010-2011 school year.”

Staff found that there were 398 6-8<sup>th</sup> grade OUSD residents living in the Explore Middle School attendance area. Historically, students living in the Explore Middle School attendance area have either attended their neighborhood school or attended Frick MS (0.5 mi), Elmhurst Community/Alliance MS (2.6 mi), or Montera MS (4.1 mi). These patterns vary depending on the Elementary attendance areas contained within the Explore MS boundary. Students living in the Carl Munck ES attendance area choose to attend Montera MS more than any other school. Students living in the Burckhalter, Howard, or Parker ES attendance areas often choose Frick. Finally, students living in the Grass Valley and Marshall ES attendance areas choose to attend Montera MS and Elmhurst Community/Alliance MS.

Staff further found that there was sufficient capacity at neighboring Frick MS, Montera MS, and Elmhurst Middle Schools to serve the students living in the Explore Middle School attendance boundary and successfully made 2010-2011 school assignments/placements accordingly.

It is recommended that the Board now formally and officially adjust the schools attendance boundaries, ratifying actions taken by staff pursuant to Board Resolution No. 0910-0125, by moving the Explore Middle School boundary addresses identified in Exhibit "A" to the attendance boundaries as noted. The Board, as with any attendance boundary, may be asked to amend said boundaries, as conditions warrant, such as new residential development, overcrowding of schools, or other circumstances.

**RECOMMENDATION**

Approval by Board of Education of Resolution No. 1011-0028 - Consolidation or Merger of the Explore Middle School Attendance Boundary Into the Elmhurst, Frick and Montera Middle Schools Attendance Boundaries.
