## **12. Termination for Convenience**

12.1 The OUSD may, by written notice to the CONTRACTOR, terminate this Contract in whole or in part at any time, for the OUSD's convenience and without cause. Upon receipt of such notice, the CONTRACTOR shall:

(a) Immediately discontinue all services affected (unless the notice directs otherwise) and

(b) Deliver to the OUSD all information and material as may have been involved in the provision of services whether provided by the OUSD or generated by the CONTRACTOR in the performance of this Contract, whether completed or in process. Termination of this Contract shall be as of the date of receipt by the CONTRACTOR of such notice.

12.2 If the termination is for the convenience of the OUSD, CONTRACTOR shall submit a final invoice within 60 days of termination, and the OUSD shall pay the CONTRACTOR the sums earned for services actually performed prior to the effective date of termination and other reasonable costs incurred by the CONTRACTOR to implement the termination in accordance with the provisions of this Contract.

12.3 The CONTRACTOR shall not be entitled to anticipatory, lost profits, or consequential damages as a result of any termination under this section. Payment to the CONTRACTOR in accordance with this section shall constitute the CONTRACTOR'S exclusive remedy for any termination hereunder.

12.4 Either party may terminate this Agreement with or without cause by providing Thirty (30) days' notice, in writing, to the other party. Upon the expiration of said notice, this Agreement shall become of no further force or effect whatsoever and each of the parties hereto shall be relieved and discharged here from.

12.5 Services to an individual student may be terminated by CONTRACTOR with consent of the OUSD if the student fails to attend 3 or more sessions, per written parental request, the student's dis-enrollment from the District, if this MOU is terminated, or if the student's conduct or behavior threatens the safety or well-being of that student, other students or staff members, or substantially detracts from the learning environment.

## **13. Termination for Default**

13.1 The OUSD may, by written notice to the CONTRACTOR, terminate this Contract in whole or in part at any time because of the failure of the CONTRACTOR to fulfill its contractual obligations and the District may, in its sole discretion, provide CONTRACTOR with a reasonable period within which to cure the default. Upon receipt of such notice, the CONTRACTOR shall:

(a) Immediately discontinue all services affected (unless the notice directs otherwise) and

(b) Deliver to the OUSD all information and material as may have been involved in the provision of services whether provided by the OUSD or generated by the CONTRACTOR in the performance of this Contract, whether completed or in process (unless the notice directs otherwise). Termination of this Contract shall be as of the date of receipt by the CONTRACTOR of such notice.

13.2 If the termination is due to the failure of the CONTRACTOR to fulfill its contractual obligations, the CONTRACTOR shall be liable to the District for any reasonable costs or

damages occasioned to the District thereby. The expense of completing the Services, or any other costs or damages otherwise resulting from the failure of the CONTRACTOR to fulfill its obligations, will be charged to the CONTRACTOR and will be deducted by the District out of such payments as may be due or may at any time thereafter become due to the CONTRACTOR. If such costs and expenses are in excess of the sum which otherwise would have been payable to the CONTRACTOR, then the CONTRACTOR shall promptly pay the amount of such excess to the OUSD upon notice of the excess so due.

13.3 If, after the notice of termination for failure to fulfill contract obligations, it is determined that the CONTRACTOR has not so failed, the termination shall be deemed to have been effected for the convenience of the OUSD subject to Section 12.

13.4 The CONTRACTOR shall not be entitled to any anticipatory, lost profits, or consequential damages as a result of any termination under this section. Payment to the CONTRACTOR in accordance with this section shall constitute the CONTRACTOR'S exclusive remedy for any termination hereunder. The rights and remedies of the OUSD provided in this section are in addition to any other rights and remedies provided by law or under this Contract.

#### **14. Termination for Change of Control**

In the event that CONTRACTOR undergoes a change in control where voting or other control of CONTRACTOR is acquired, directly or indirectly, in a single transaction or series of related transactions, or all or substantially all of CONTRACTOR'S assets are acquired, by any entity (other than an Affiliate), or CONTRACTOR is merged with or into another entity (other than an Affiliate) to form a new entity, then, at any time within nine (9) months after the last to occur of these events, OUSD may terminate this Agreement by (a) giving CONTRACTOR ninety (90) calendar days' prior written notice and (b) designating a date upon which the termination(s) will be effective.

#### **15. Termination for Insolvency**

OUSD may terminate this Agreement in its entirety if CONTRACTOR (a) becomes insolvent or is unable to meet its debts as they mature, (b) files a voluntary petition in bankruptcy or seeks reorganization or to effect a plan or other arrangement with creditors, (c) files an answer or other pleading admitting, or fails to deny or contest, the material allegations of an involuntary petition filed against it pursuant to any applicable statute relating to bankruptcy, arrangement or reorganization, (d) is adjudicated a bankrupt or makes an assignment for the benefit of its creditors generally, (e) applies for, consents to or acquiesces in the appointment of any receiver or trustee for all or a substantial part of its property, or (f) any such receiver or trustee is appointed and not discharged within thirty (30) calendar days after the date of such appointment.

#### **16. Insurance**

16.1 CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed insurer with an A minus (A-), VII, or better rating from A.M. Best, sufficient to cover any claims, damages, liabilities, costs and expenses (including counsel fees) arising out of or in connection with CONTRACTOR'S fulfillment of any of its

obligations under this Contract or either party's use of the Work or any component or part thereof:

(a) COMMERCIAL GENERAL LIABILITY insurance which shall include contractual, products and completed operations, corporal punishment and sexual misconduct and harassment coverage, and bodily injury and property damage liability insurance with combined single limits of not less than \$1,000,000 per occurrence.

(b) WORKERS COMPENSATION insurance, as required by the California Labor Code, with not less than the statutory limits.

16.2 CONTRACTOR, no later than the date that this Contract is signed, and periodically thereafter upon request, shall furnish the District with certificates of insurance evidencing such coverage. Satisfactory evidence of insurance shall include standard insurance company Certificate of Liability Insurance form ACORD 25-S or the Marsh, Inc. insurance certificate form. The certificate of insurance shall include a thirty (30) day non-renewal notice provision. The policies of insurance providing the coverages referred to above shall name the Oakland Unified School District as an additional insured with respect to any potential tort liability, irrespective of whether such potential liability might be predicated on theories of negligence, strict liability or products liability. Premiums on all insurance policies shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR'S obligations under this contract at no additional charge. Failure to maintain the above mentioned insurance coverage shall be cause for termination of this Contract.

16.3 If at any time said policies of insurance lapse or become canceled, this Contract shall become void. The acceptance by OUSD of the above-required insurance does not serve to limit the liability or responsibility of the insurer or CONTRACTOR to OUSD.

16.4 If OUSD determines that change in insurance coverage obligations under this section is necessary, OUSD may reopen negotiations to modify the insurance obligations.

### **17. Indemnification and Hold Harmless**

17.1 CONTRACTOR shall indemnify, hold harmless and defend the Oakland Unified School District and each of its officers, officials, employees, volunteers and agents from any loss, liability, fines, penalties, forfeitures, costs or damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by the District, CONTRACTOR or any other person and from any claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly out of performance of this Agreement.

17.2 CONTRACTOR'S obligations under the preceding sentence shall apply jointly and severally regardless of whether OUSD or any of its officers, officials, employees, volunteers or agents are actively or passively negligent, but shall not apply to any loss or liability, fines, penalties, forfeitures, costs or damages caused solely by the active negligence or by the willful misconduct of OUSD.

17.3 If CONTRACTOR should subcontract all or any portion of the work or activities to be performed under this agreement, CONTRACTOR shall require each subcontractor to

indemnify, hold harmless and defend OUSD, its officers, officials, employees, volunteers or agents in accordance with the terms of paragraphs 17.1 and 17.2.

### **18. Independent Contractor and Conflict of Interest**

18.1 CONTRACTOR shall provide all services under this Contract as an independent CONTRACTOR, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the OUSD and any individual assigned by CONTRACTOR to perform any services for the OUSD. If the OUSD is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR or any person performing services on CONTRACTOR'S behalf, CONTRACTOR shall defend, indemnify and hold harmless the OUSD from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by the OUSD as a result of that holding.

18.2 CONTRACTOR shall abide by and be subject to all applicable OUSD policies, regulations, statutes or other laws regarding conflict of interest. CONTRACTOR shall not hire any officer or employee of OUSD to perform any service by this Agreement, with the exception of OUSD teachers hired to tutor students in the SES program. CONTRACTOR affirms to the best of his/her/its knowledge, there exists no actual or potential conflict of interest between CONTRACTOR's family, business or financial interest and the services provided under this Agreement, and in the event of change in either private interest or services under this Agreement, any question regarding possible conflict of interest which may arise as a result of such change will be brought to OUSD's attention in writing. Through its execution of this Agreement, CONTRACTOR acknowledges that it is familiar with the provisions of section 1090 et seq. and Section 87100 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provisions. In the event CONTRACTOR receives any information subsequent to execution of this Agreement, which might constitute a violation of said provisions, CONTRACTOR agrees it shall notify OUSD of this information.

### **19. Subcontracting**

19.1 CONTRACTOR shall provide written notification to OUSD before subcontracting for Supplemental Educational Services pursuant to this Contract. CONTRACTOR shall subcontract only with Supplemental Educational Service providers that have received state certification or approval or independent contractors paid under IRS 1099 rules and only after receiving OUSD's prior written consent. CONTRACTOR shall incorporate all of the provisions of this Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of Supplemental Educational Services for any OUSD student, CONTRACTOR shall ensure that such subcontract shall require the subcontractor to keep in effect appropriate policies of liability insurance including, but not limited to, general liability and professional liability policies acceptable to OUSD with the limits stated in Section 16. CONTRACTOR shall ensure that such subcontract shall require the subcontractor's insurance provider to send written notice of cancellation to OUSD at least thirty (30) days prior to cancellation or material change in coverage or terms of policy.

19.2 If the CONTRACTOR hires independent contractors paid under IRS 1099 rules to perform services under this Contract, CONTRACTOR must demonstrate compliance with the insurance requirements of Section 16, with respect to each such independent contractor by either:

- (a) Covering each such independent contractor under CONTRACTOR'S own insurance, as evidenced by submitting complete copies of all relevant insurance policies of CONTRACTOR; or
- (b) Submitting insurance certificates evidencing that each such independent contractor has its own insurance and has coverage which complies with the insurance requirements of Section 16.

19.3 CONTRACTOR shall not provide transportation or subcontract for transportation services for OUSD students unless OUSD and CONTRACTOR agree otherwise in writing.

19.4 Failure of the CONTRACTOR to require its subcontractor(s) to obtain and maintain the same minimum limits and coverages and to provide the required certificates, endorsements and policies as described in Section 16 shall also constitute a material breach of, and may result in, termination of the Contract.

## **20. Appropriate Educational Services**

Training entails how to engage students in learning process, using meta-cognitive strategies to increase reading comprehension, using manipulatives to improve student understanding of mathematical concepts, how to

address student progress with parents/guardians and teachers, using Scantron ED Performance, and completing student progress reports with state standards and learning objectives. Tutors working with ELs and SWDs will receive further training and development specific to ELLs and SWDs that prepares them for creating a healthy learning environment for academic progress. Tutors are required to attend these training and development sessions once every 12 months. Tutors receive 6 hours of training (with more training specific for ELL and SWD tutors), and also take a quiz at the completion of training. We provide the tutors with access to Scantron ED Performance for pre and post tests, and Scantron Skills Connection curriculum which delivers California State Standards content with study guides and worksheets.

- How does the provider guarantee that all provider employees are aware of child abuse reporting procedures?

All employees are trained in child abuse reporting procedures before being assigned student contact information. Employees also receive specific protocol in child abuse guidelines during their training.

- What is the delivery mode for the service and what is the maximum tutor student ratio (i.e.: 1 to 1 tutoring, small group instruction, computer-based lessons with or without a live tutor, etc.)?

1:1, small group 1:10

- Describe the general program of instruction to be provided to students including the materials to be used with the students as per the proposal approved by the state of California.

Using assessment testing results and STAR test results, A Tree of Knowledge organizes and coordinates specifically designed instructional lesson plans, using Scantron Skills Connections worksheets, specific to appropriate California State Standards calculated to meet the specific achievement goals of the students. Skills Connection materials are designed with goal specific content aligned to California State Standards. Skills Connection materials for math, science, reading, and language arts are fully comprised of activities for students to learn and master the concept(s) being taught.

The vehicle for presentation of such instruction is one-on-one or small group tutoring, providing more individual attention to students than normally afforded during the regular class day, allowing them to maximize their time with the lesson plan, concept, and tutor. Tutors present materials in engaging formats, ie. manipulatives, flash cards, posters, diagrams, and scaffolding, that allow students more hands-on time to participate, employ, and achieve their learning outcomes

through effective applications on worksheets and curriculum-structured activities aligned to state standards.

In presenting the instructions, A Tree of Knowledge acknowledges that English-Language Arts involves reading, writing, speaking, and listening. A Tree of Knowledge abides by the National Reading Panel Report's findings for successful instruction in reading by helping students achieve phonemic awareness, phonics, fluency, vocabulary, and text comprehension, as well as grade level mastery of parts of speech, grammar, sentence structure, and writing. We use explicit reading instruction to help students understand how they think when they read, and the scaffolding approach which engages students at the beginning, during, and after the reading allowing them to develop stronger strategies for successful learning. In math, tutors adhere to the principals and standards of the National Council of Teachers of Mathematics by emphasizing the importance of understanding mathematical concepts along with skills. We not only explain the "how," but the "why" of math. Tutors engage students in proper mathematical vocabulary, formulas, disciplines in solving equations in a step by step process, use of graphs, charts, and manipulatives. In science, ATOK acknowledges the National Science Education Standards and implements reinforcement activities that allow students to explore, observe, and understand the scientific realm of life.

Instruction is continuously coordinated with parents and teachers through the use of regular weekly written Progress Reports and personal conferences. Accordingly, a record of progression is created, and synergy is achieved between what is being taught in the classroom, and subsequently reinforced by A Tree of Knowledge. Through the use of individualized, and often customized and updated lesson plans, or IEPs and 504 plans, where applicable, we never lose sight of our target of achieving academic growth.

- For Special Education students, how will the provider ensure that supplemental services provided for the student are consistent with the student's Individualized Education Plan (IEP), there is disability access and that any accommodations necessary are made?

ATOK ensures a quality and sensitive tutoring experience for students with disabilities. ATOK will consult with the parent and special education tutor to obtain help in understanding the specific nature of the learning disability for each student. Specific strategies for disabled students all build upon an initial interview/meeting between the tutor, parent, and child to foster rapport and gauge compatibility. Once that level of connection and confidence in the tutor is successfully established, the tutor will present information using a variety of methods such as: lecture, hand-outs, demonstrations and discussion. ATOK's research based

program also involves reviewing key concepts periodically to ensure that they are understood, highlighting important information by telling students that it is important or that it is a major point, minimizing room distractions, allowing students some extra time to process questions in a discussion, and presenting a general overview of the material/theory being presented (Brock University, 1995).

Specific accommodations for disabled students include assistance reading instructions out loud on assignments and assessment tests, allowing extended time to accommodate for the student's decreased speed of information processing, language retrieval, thought organization or reading comprehension, (extra time can improve the results of students with disabilities), and using the same vocabulary or phrases as used in class to help the student retrieve information (Brock University, 1995; West Virginia University, 2005). Approved state standards curriculum Scantron ED Performance and Skills Connection will be used in addition to visual supplemental materials such as flash cards, posters, and diagrams.

Students with disabilities may receive services in home for a more comfortable learning environment, and also for the convenience of family. If meeting at a library, ATOK shall make certain that the facility is ADA compliant.

- For English Learner students, how will the provider ensure that there is primary language support provided for the student?

English learners will have access to ATOK's program by providing them with tutors who are fluent in their native language, as well as English. Tutors of English Learners will apply research based instruction in English-language arts, science, and math to students that includes customizing instructions to create developmentally appropriate lessons for all learners, comprehensive vocabulary checklists for common English words and concepts, and helpful strategies for teaching spoken English, reading, and writing (Jesness, 2004). ATOK's goal for successful achievement of grade level proficiency in English Learners is accomplished when tutors connect students' prior knowledge, interests and life experiences to instruction, increase interaction through cooperative strategies and activities, clarify key concepts in the native language, if necessary, and by paraphrasing often and making sure directions are understood (Jones-Vo, 2005). Approved state standards curriculum Scantron ED Performance and Skills Connection will be used in addition to visual supplemental materials such as flash cards, posters, and diagrams.

- What is your organization's student behavior policy and what behavior intervention strategies does your organization use?

Students are expected to attend sessions on time, complete their work with their tutor, respect their peers, and behave appropriately in all tutoring sessions. If students are misbehaving in their sessions, a parent/guardian will be notified to

address the situation (a parent/guardian must be present at all in home sessions). On site school staff will be notified in the event behavior intervention is required on a school campus. If students are at a local library, their parent/guardian will be called to pick them up from their session. The LEA will be notified when students received behavior intervention so it can be noted in their file.

## ASSESSMENT AND ACCOUNTABILITY

- What instrument does the provider currently use as a pretest and as a posttest and to monitor and assess student progress during services?

Scantron ED Performance is used for pre and post tests for 2-12 grades. State standard aligned test questions are used to assess K-1 grades. Scantron Skills Connection is used for worksheets, and samples for each student are submitted by tutors every month. Student progress reports track student performance during each session. The work samples, progress reports, and assessment tests allow us to track student progress according to the goals listed on the SLP.

- To what degree do current assessment measures used by the provider reflect California state content standards?

Scantron is fully aligned to California State Standards.

- Local education agencies are required to develop contracts that provide for the termination of agreements with supplemental service providers if the provider is unable to meet the goals or timelines of the agreement. How will the provider ensure that timelines are being met and that students are making sufficient progress toward learning goals? What does the provider currently include as a “guarantee” to consumers of the effectiveness of their service?

A Tree of Knowledge will carefully track the allotted hours for all students to ensure we meet the timelines in GUSD’s contract. Any indication of students behind in hours will result in notification to the tutor and students parent/guardian. We will ask tutors to adjust schedule to bring student up to date on hours. Our guarantee to customers is increased academic and character growth. We thrive on praise and encouragement in youth and thoroughly believe students who achieve are a product of increased self confidence and motivation.

## COMMUNICATION

- In addition to the required Attendance/Progress Reports after each 15 hours of service, how will the provider regularly evaluate student progress and report student progress to the parent?

A Tree of Knowledge evaluates every student's daily tutoring log submitted by tutors on a weekly basis. All tutors are required to complete a progress comment on students after each session. These comments allow us to track student growth and performance. Tutors are required to share their comments with the parents after each session and have the parent sign our student progress report for our file.

- How does the provider monitor and report student attendance? What is the planned parent outreach if students fail to attend or participate in services? What procedures will be in place to notify parents, the school, and the OUSD SES Office if students fail to attend?

A Tree of Knowledge maintains our own student progress reports which tutors use to communicate with parents/guardians after each session. Tutors send original copies of these reports to our office on a monthly basis and our staff reviews these comments for effective growth in student performance. When students fail to attend or fail to participate in the program, our office will attempt to contact the parents by calling the home. Contact by telephone will be attempted on three (3) separate occasions. If we do not reach the parents by phone, we will send out a letter to the home address, requesting a reply by phone. Within seven (7) days, if no reply is received, we will send a TOK representative out to the home. A personal contact will be attempted on three separate occasions. A note will be left on the door of the family home, advising them that contact was attempted, with instructions on how to contact TOK. The date and time of each attempted contact will be recorded in the student's file. If contact is made, we will explain the importance of attendance/participation in the program, encourage same, and note the reason for failure to attend/participate. If all attempts to contact the parents fail, we will notify GUSD accordingly, and drop the student.

- How will provider communicate the required complaint procedures to parents? **(Copies of these procedures as well as Child Abuse and Missing Children Reporting Procedures were to be submitted to OUSD during contract process.)**

Upon the start of services, parents will be provided with a copy of the Uniform Complaint Procedures for Tree of Knowledge in the parents' native language.
