African American Student Excellence Celebrated

On Monday evening, May 15, Oakland came together to celebrate our young people at the 22nd Annual Oscar Wright Celebration of African American Academic Excellence Awards Ceremony, formerly called the African American Honor Roll.

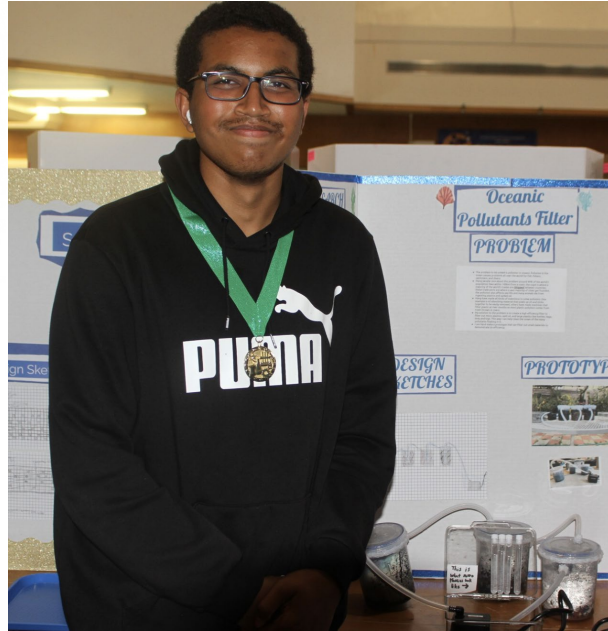

This year, a record breaking crowd at Acts Full Gospel Church celebrated the 1,960 African American middle and high school students from across the district for making it on the Honor Roll with a GPA of 3.0 or higher the first semester of the 2022-23 school year.

The crowd included many of our Board of Education Directors, City Council members, officials from the Mayor's Office, and Oscar Wright, who shared the history of the event with the audience, as he approaches his 100th birthday.

OUSD Students Excel in STEM Programming

Initiative: Empowered Graduates

www.ousd.org/strategicplan

Our vision of powerful Oakland graduates is one in which students are empowered with the skills and knowledge they need to be successful, along with having a clear vision for themselves. This requires strengthening high school preparation and providing more opportunities for students to participate in hands-on learning and real world problem solving. Nothing exemplifies this concept more than our STEM programming.

Building on the rich 63-year tradition of the OUSD Science Fair, the inaugural **OUSD STEM Fair** was held on May 3. The event showcased some of the best science projects from students across our district, and dozens of families and community members engaged in hands-on activities with local STEM partners and enjoyed free food and music. We celebrate all participants and their achievement in math, computer science, engineering, environmental science & sustainable design, data science, robotics, and more.

The applications counts represent the number of applications submitted to OUSD Districtwide. This does **NOT represent that OUSD has met its enrollment projections for 23-24. Application counts are a critical enrollment health benchmark. Once a family has accepted, enrolled, and attended school on the first day of class, the student will show up in OUSD's Fall enrollment counts. At this time, some schools have much fewer applications than projected seats offered at the school.*
