### **COVID Amendment**

This Amendment modifies the attached Agreement, incorporated herein by reference, between the Oakland Unified School District ("OUSD") and [Public Health Institute] ("CONTRACTOR", together with OUSD, "PARTIES").

- A. **Recitals.** Both OUSD and CONTRACTOR agree to the following recitals:
- On Friday, March 13, 2020 at 6:00pm, OUSD ceased in-person instruction at all OUSD school sites. Subsequently, OUSD cancelled in-person instruction for the remainder of the school year.
  - The Alameda County Public Health Officer issued a number of shelter-in-place orders that prohibited non-essential work and travel. These effectively prohibited, among other things, non-essential work and travel as well as in-person instruction at all OUSD school sites.
  - The Governor issued a series of Executive Orders that directed "all individuals living in the State of California to stay home or at their place of residence." As with the orders by the Alameda County Public Health Officer, these Executive Orders also prohibited non-essential work and travel as well as in-person instruction at all OUSD school sites.
- B. **Term.** Unless the term of the Agreement ends on or after August 15, 2020, the Agreement is hereby modified to authorize OUSD, at its sole discretion, to extend the term to any date up to and including August 15, 2020; provided that OUSD may only extend the term if CONTRACTOR is unable to perform under the Agreement, as modified herein, for all or part of the time that in-person instruction is prohibited. OUSD may only extend the term for the length of time that CONTRACTOR was unable to perform due to the effective prohibition against in-person instruction.
- C. **Scope of Work.** The scope of work described in the Agreement is hereby modified to enable CONTRACTOR to provide the services described in the Agreement by any means that are consistent with COVID-19-related local, state, and federal orders (including, but limited to, those referenced above in the Recitals), provided that OUSD agrees, in writing, that doing so will provide a meaningful benefit to OUSD. Only a site administrator or central office OUSD employee may give such written permission.
- D. **Invoicing.** The Agreement is modified such that, for services performed on or after March 14, 2020 and that are permitted by Paragraph C above, CONTRACTOR must first receive written permission from OUSD to invoice OUSD for such services. Only a central office OUSD employee may give such written permission; an OUSD employee assigned to a school site may not give such written permission. Any invoice submitted pursuant to this paragraph must, at a minimum, include the following for each date (on or after March 14, 2020) on which an invoiced service was performed: the date and the length of time; a description of the service performed; a description of the individual(s) who performed the service; the medium by which the service was performed (e.g., virtually); and whom at OUSD received and benefited from the service. At its discretion, OUSD may require additional information included in an invoice.

E. **Electronic Signatures.** This Amendment and all future amendments and supplements to the Agreement may be executed in one or more counterparts, all of which shall constitute one and the same amendment. Any counterpart may be executed and delivered by facsimile or other electronic signature (including portable document format) by either of the parties and, notwithstanding any statute or regulations to the contrary (including, but not limited to, Government Code section 16.5 and the regulations promulgated therefrom), the counterpart shall legally bind the signing party and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received. This section constitutes a waiver by each party of the requirements and constraints on electronic signatures found in statute and regulations including, but not limited to, Government Code section 16.5 and the regulations promulgated therefrom.

This scope of work has been developed in consultation with Castlemont/OUSD staff and was updated from “Design and Pilot Support for Oakland Unified School District’s Castlemont Health Equity Academy (CHEA)”. (November 8, 2015) This scope of work will be conducted from February 1, 2020 through June 30, 2020. The goal of these tasks is to continue the work with students, teachers, district staff, the CHEA Leads, CHEA Staff, and other community stakeholders in the implementation of an academy that provides a pathway for Oakland students into public health careers and careers that support health equity through other sectors impacting the social determinants of health. (CHEA will make available a point person, such as a CHEA Lead, for direct communication in the execution of all tasks.) The specific tasks are as follows:

## **Task 1: Experiential Learning Trips (ELTs) (February 2020 – May 2020)**

The Experiential Learning Trip (ELT) is the opportunity for Castlemont CHEA students to learn about a community health topic by visiting sites, visiting with professionals, and people in the field. This opportunity will allow the students to engage a community health topic as it happens, where it happens, and people who are working on it.

Historically, there has been an average of 1 ELT per semester, per grade (for 10th and 11th). The ELTs are designed to strategically coincide with the six (6) CHEA selected Social Determinants of Health that CHEA students are learning in their CTE Health Course. CAHC will support the development and assist in the implementation of the ELTs.

Student objectives of ELT could include:

- Students will travel off-campus to clinics, non-profits, or other occupational areas.
- Students will learn of a community health topic by visually seeing a process.
- Students will engage with people and professionals about the community health topic, process, and be introduced to careers in community health.
- Students will apply a pre-established CHEA research technique (Photovoice, Key Informant Interview, Survey) in the field to gather data about the community health topic.
- Students will be able to synthesize their experience and apply learning to their lives, home, school, and community.

## **Task 2: Student Leadership Development through Youth Advisory Council (February 2020 – May 2020)**

The Youth Advisory Council was developed and implemented (Fall 2018), and will continue meeting during Lunchtime, twice a week (Tuesday and Thursday), for the duration of the school year (approximately 35 meetings). Specific responsibilities for this task include:

- Conduct/Assist Facilitation of Meetings (with Teacher Advisor Support)
- Transition Planning for Teacher Advisor(s) to Facilitate Meetings
- Creating Agendas and Tracking Student Attendance
- Organizing Compensation for Youth Attendance
- Maintaining Documents

## Outcomes of the YAC:

- Develop youth leadership capacity for leadership opportunities at CHEA events, Castlemont food bank, and CHEA Days of Service.
- Provide Youth Feedback to CHEA Staff meetings (routinely, but not frequently).
- Strengthen CHEA Academy Structure (Stance, Scholar Code, etc.)
  - Continue designing, branding, and promoting CHEA.
  - Encourage participation in Community Service activities that will support Self Improvement Opportunities (SIOs) and positive CHEA recognition from the community.
- Peer Leadership to 9<sup>th</sup> Graders (less urgent) and other CHEA Students (more urgent).
  - Instill Culture Keeping mindset for YAC members so that they maintain a strong CHEA culture all year long and during times of transitions.
  - Provide opportunities for YAC to teach back to other CHEA students.
- Potentially facilitate cross-academy (CHEA/SUDA) youth leadership collaboration (1 per semester).

### **Task 3: CHEA Staff Member Support** (February 2020 – June 2020)

Provide one-on-one support to new CHEA Staff members on community health equity, the history of the CHEA Academy, and curriculum support on how to incorporate CHEA principles/knowledge into their subject-based curriculum. Allocated time for this Task is extremely limited and will need to schedule in advanced, but support activities may include the following:

- One-on-one training sessions with new CHEA Staff members.
- Extended support before and after CHEA Staff Meetings to frame agenda items, discussion topics, and CHEA projects into the community health equity context.
- Support 9<sup>th</sup> grade elective teacher instructing about community health equity concepts by ensuring concepts align with CHEA academic objectives. Also ensuring connections to CHEA pathway, principles, and future CHEA courses (vertical alignment).

### **Task 4: CHEA Event(s) Support** (February 2020 – June 2020)

Continue providing support (as necessary and agreed upon) to CHEA Staff at CHEA sponsored events on and off campus. (Past examples include Community Presentations, CHEA Team Building Field Days, and CHEA End-of-Year Celebration Days.)

- Encourage community health stakeholders (industry partners) to attend any open-to-the-community events.
- Provide logistical and/or operational support (as directed) to ensure event success.

**Task 5: CHEA Curriculum/Academy Support** (February 2020 – May 2020, June 2020 if needed)
