EXHIBIT A2

REVISED PROGRAM DESCRIPTION AND REQUIREMENTS

1. Background and Program Description

The California Children and Families First Act of 1998 (Proposition 10) created a program in the state for the purposes of promoting, supporting, and improving the early development of children from the prenatal stage to five years of age. The intent of this act is to enable counties to create and implement an integrated, comprehensive and collaborative system of information and services to enhance optimal early childhood development.

First 5 has approved a Strategic Plan for a comprehensive system of early intervention services for children birth to 5 years of age and families in Alameda County. A key component of the First 5 Strategic Plan is the Neighborhoods Ready for School Strategy, which promotes and strengthens individual, family and neighborhood protective factors through increasing social connections, community capacity building and access to needed services (2017-2022 Strategic Plan, page 26). The services of the Contractor have been retained to support Summer Pre-K (SPK) programs and provide Early Childhood Education (ECE) and K-12 teachers with professional development and orientation to the SPK model; a School Readiness Coordinator (Program Manager) to develop and implement year round school readiness and transition programming including a student passport/snapshot form, and a variety of family/child learning activities; and to provide financial relief to families with children 0-5 through the Oakland Educational Fund for the highest need families residing in the highest need neighborhoods in the City of Oakland.

2. Prohibition on Supplantation

By law, First 5 funding may not be used to supplant other funds. First 5 funding may only be used to expand or enhance existing programs or to initiate new services or programs benefiting children prenatal to age five.

3. Performance Requirements

Contractor's approved performance requirements are included as Attachment 2.0A: Revised Results Based Accountability Plan.

4. Reporting Requirements

Contractor will submit program progress reports, expense reports and a final report as outlined on the payment schedule in Exhibit B2: Revised Terms and Conditions of Payment and Accountability Requirements. Depending on the type of service provided, Contractor may be required to collect and report on specific measures as identified in the First 5 2017-2022 Strategic Plan.

5. Fiscal Requirements

Contractor's approved budget is included as Attachment 1A: Approved Revised Budget.

Contractor may be required to submit general ledger expense reports and salaries and benefits documentation supporting expenses to be reimbursed during the funded term. First 5 will identify which reporting period(s) Contractor will be required to submit this information and provide prior notice to the Contractor.

6. ECChange, HIGH5, ECC Online, or Pathways Database Requirements

Contractor will report in HIGH 5.

7. Budget and/or Scope Revisions

Contractor may submit one budget and/or scope revision per year no later than April 15th of the fiscal year and may be granted or denied per the review and assessment of First 5 staff. For all budget line item adjustments over 10%, a written justification for each line item should be submitted for approval. Budget line item adjustments under 10% are not subject to a formal revision and may be shifted to existing line items (not including administrative/indirect fees) at the Contractor's discretion once per year. All significant revisions to approved scope must be submitted in writing and may be granted or denied per the review and assessment of First 5 staff. Ineligible and previously unapproved contract expenses may be disallowed per First 5 review and assessment.

8. Federal Office of Management & Budget (OMB) Circular Requirements

Contractor is required to comply with all current OMB Circular requirements during the funded term, including but not limited to conflict of interest, internal controls, procurement and subcontractor monitoring if applicable. First 5 reserves the right to audit and collect from Contractor documentation demonstrating allowable activities and costs, eligibility, reporting, subcontractor monitoring and other special tests as identified.

9. Tuberculosis Testing

The Contractor shall require and ensure that staff who have direct and consistent contact with children through the First 5 funded activities undergo standard tuberculosis testing. Contractor will maintain records and documentation of current tuberculosis clearance and retest as appropriate.

10. Filing reports with Child Protective Services (CPS) / Child Care Licensing (CCL)

If a First 5 Contractor has knowledge of or observes a child who they suspect has been the victim of child abuse or neglect within the course of First 5 funded work, it is expected that they will file a report of the situation to CPS. In accordance with CPS guidelines, the report should be filed by phone within 24 hours of the incident, and in writing within 36 hours of the incident. If the abuse or neglect occurs in a licensed child care facility, it is expected that the Contractor will also file a report immediately to CCL.

Reporting suspected child abuse or neglect to First 5 or other persons is not a substitute for making a report to CPS or CCL. Reporting duties are individual and cannot be delegated to another person.

If First 5 staff become aware of suspected child abuse or neglect while providing consultation and/or contract support, and a report is not filed within the legal timeframe by the contractor, First 5 staff will file a report by phone and in writing within 24 hours.

Failing to report abuse or neglect to the appropriate agencies is not consistent with the mandates of First 5 Alameda County to improve health and development of children ages 0-5. Failure to report may result in termination of contract funding.

11. Cultural Access Services Requirements

- A. Contractor shall make a good faith effort to ensure that clients receive from all staff members effective, understandable, and respectful care that is provided in a manner compatible with their cultural health beliefs and practices, and preferred language.
- B. Contractor shall make a good faith effort to ensure that communication among staff and with the clients/population served promotes cultural responsiveness and respect of difference.
- C. Contractor shall make a good faith effort to implement strategies to recruit, retain, and promote at all levels of the organization a diverse, culturally responsive staff and leadership that are representative of the demographic characteristics of the service area.
- D. Contractor shall make a good faith effort to ensure that staff at ALL levels and across all disciplines receive ongoing education and training in culturally and linguistically appropriate service delivery.
- E. Contractor shall make a good faith effort to have a clearly articulated written policy on cultural responsiveness.
- F. Contractor shall make a good faith effort to allocate resources to ensure the delivery of culturally responsive services.

12. Tobacco Control and Education Requirements

The 1998 passage of Proposition 10 added a 50-cent-per-pack increase in the state surtax on cigarettes and tobacco products to fund anti-smoking and early childhood programs. In addition, the 2016 passage of Proposition 56 increased the cigarette tax by \$2.00 per pack, with equivalent increases on tobacco products and electronic cigarettes containing nicotine. In September 2000, the Commission adopted a Comprehensive Tobacco Control Policy to reinforce the message that tobacco products and involvement with the tobacco industry in any manner constitutes a serious health hazard for young children, their families, and the community. Based on this policy, all contractors are expected to make a good faith effort to:

- A. Create and/or maintain a comprehensive smoke-free environment; including adherence to applicable secondhand smoke laws and ordinances
- B. Disclose and divest from tobacco related investments

- C. Educate clients and staff about the harmful effects of secondhand smoke on children as appropriate
- D. Provide smoking cessation resources to staff and clients as appropriate

13. Acknowledgement of Funds

The Contractor shall acknowledge the funds received in statements or printed materials as outlined in the guidelines listed below.

- A. The Contractor will announce funding awards *only after* 1) the contract has been signed and returned and 2) after any announcement strategies are discussed with First 5 staff.
- B. The Contractor agrees to use official attribution tools and logos provided by First 5 for promotional materials, public awareness campaigns or special events connected with funding.
- C. First 5 funding will be acknowledged in all materials produced for the purpose of public education and outreach regarding the Contractor's funded project. These materials would include, but are not limited to brochures, flyers, media ads or public service announcements, presentations and handouts and outdoor ads. All printed materials and promotional products will include the following language:

Funded by First 5 Alameda County

- D. Materials produced with First 5 funding may be reproduced only if no changes are made to the content or design of the material, it contains the appropriate acknowledgement of funding from First 5, and the Contractor will not be additionally reimbursed for use or reproduction.

No party shall, on the basis of this Agreement, in any way contract on behalf of, or in the name of, the other party to the Agreement, and any attempted violation of the provisions of this sentence shall confer no rights, and shall be void.

XI. INDEPENDENT CONTRACTOR STATUS

Neither the Contractor nor any of its employees shall by virtue of this Agreement be an employee of First 5 for any purpose whatsoever, nor shall it or they be entitled to any of the rights, privileges, or benefits of First 5 employees. Contractor shall be deemed at all times an independent contractor and shall be wholly responsible for the manner in which it performs the services required of it by the terms of this Agreement. Contractor assumes exclusively the responsibility for the acts of its employees and subcontractors as they relate to the services to be provided during the course and scope of their employment or service. Contractor will not represent itself (or any of its employees) as an employee or agent of First 5. First 5 will not treat Contractor as an employee of First 5 for purposes of federal or state income tax withholding, FICA withholding, or any other taxation purpose of law, including the Internal Revenue Code of 1986, as amended.

No partnership, employment, or agency has been or is intended to be formed by this Agreement. Accordingly, Contractor understands that First 5 is not required to provide Contractor with worker's

compensation, and Contractor acknowledges and understands that Contractor is solely responsible for payment of federal and state income tax, social security, and unemployment and disability taxes, if any.

XII. CONFIDENTIALITY

Pursuant to Health and Safety Code 130140.1(e), any individually identifiable information collected by First 5 California Commissions must be protected from disclosure to unauthorized entities unless written consent was obtained from the client, parent or legal guardian. Contractor agrees to maintain the confidentiality of any patient information which may be obtained as a result of work performed pursuant to this Agreement unless required by law. Patients are defined as children and families who receive services by First 5 or children and families who receive services from the Contractor as outlined in Exhibit A1 to this Agreement. First 5 shall respect, to the extent permitted by law, the confidentiality of information furnished by Contractor to First 5 as specified in Exhibit A1.

All information that is maintained by First 5 and Contractor may be subject to inspection by any person pursuant to a request under the California Public Records Act. The information shared under California Public Records Acts refers only to agencies, organizations or partners, not individuals or patients who are recipients of child health or family services.

Confidential information is defined as all information disclosed to Contractor which relates to First 5's past, present and future activities, as well as activities under this Agreement. Contractor will hold all such information in trust and confidence. Upon cancellation or expiration of this Agreement, Contractor will return to First 5 all written or descriptive matter which contain any such confidential information.

XIII. TERMINATION PROVISIONS

Termination for Cause – If First 5 determines that Contractor has failed, or will fail, through any cause, to fulfill in a timely and proper manner its obligations under the Agreement, or if First 5 determines that Contractor has violated or will violate any of the covenants, agreements, provisions, or stipulations of the Agreement, First 5 shall thereupon have the right to terminate the Agreement by giving written notice to Contractor of such termination and specifying the effective date of such termination.

Without prejudice to the foregoing, Contractor agrees that if prior to or subsequent to the termination or expiration of the Agreement upon any final or interim audit by First 5, Contractor shall have failed in any way to comply with any requirements of this Agreement, then Contractor shall pay to First 5 forthwith whatever sums are so disclosed to be due to First 5 (or shall, at First 5's election, permit First 5 to deduct such sums from whatever amounts remain undisbursed by First 5 to Contractor pursuant to this Agreement or from whatever remains due Contractor by First 5 from any other contract between Contractor and First 5).

In the event that the funding allocation or the funds available to First 5 changes, First 5 may determine, in its sole discretion, that it is necessary to reduce, eliminate or otherwise modify the funding to Contractor under this Agreement due to the unavailability of funds or First 5's assessment of its funding priorities. If First 5 elects to reduce or eliminate funding pursuant this provision, it will provide 30 days advance written notice to Contractor.

Termination Without Cause – Either party may terminate this Agreement upon 30 days advance written notice to the other party. In the event of termination, Contractor shall return any unspent funds and shall not be entitled to any further funds under this Agreement.

Termination By Mutual Agreement – First 5 and Contractor may otherwise agree in writing to terminate this Agreement in a manner consistent with mutually agreed upon specific terms and conditions.

XIV. COMPLIANCE WITH LAWS

Contractor shall observe and comply with all applicable laws, ordinances, codes and regulations of governmental agencies, including federal, state, municipal and local governing bodies, having jurisdiction over the scope of services or any part hereof, including Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), all provisions of the Occupational Safety and Health Act of 1970 and all amendments thereto, and all applicable federal, state, municipal and local health and safety regulations, including but not limited to directives pertaining to the COVID-19 pandemic. All services performed by Contractor must be in accordance with these laws, ordinances, codes and regulations. Contractor shall indemnify and save First 5 and County harmless from any and all liability, fines, penalties and consequences from any noncompliance or violations of such laws, ordinances, codes and regulations. A violation of such laws, ordinances, codes and regulations shall constitute a material breach of this Agreement and may serve as a basis for termination of this Agreement under Article XIII (“Termination for Cause”) and the initiation of appropriate legal proceedings by First 5.

XV. COMPLIANCE WITH LAWS (CONTRACTS WITH A VALUE OF \$100,000 OR MORE)*

By signing this Agreement, Contractor certifies, under penalty of perjury, that at the time of entering into this Agreement all of the following are true:

- (a) That Contractor is in compliance with the Unruh Civil Rights Act (Section 51 of the Civil Code).
- (b) That Contractor is in compliance with the California Fair Employment and Housing Act (Chapter 7 (commencing with Section 12960) of Part 2.8 of Division 3 of Title 2 of the Government Code).

- (2) Any policy adopted by Contractor or actions taken thereunder that are reasonably necessary to comply with federal or state sanctions or laws affecting sovereign nations or their nationals shall not be construed as unlawful discrimination in violation of the Unruh Civil Rights Act (Section 51 of the Civil Code) or the California Fair Employment and Housing Act (Chapter 7 (commencing with Section 12960) of Part 2.8 of Division 3 of Title 2 of the Government Code).

*Not applicable to contracts with a value of less than \$100,000

XVI. ACCIDENT REPORTING

If a death, serious personal injury, or substantial property damage occurs in connection with the performance of this Agreement, Contractor shall immediately notify First 5 by telephone. Contractor shall promptly submit a written report, in such form as may be required by First 5, of all accidents which occur in connection with this Agreement. This report must include the following information: 1. name and address of the injured or deceased person(s); 2. name and address of Contractor's subcontractor, if any; 3. name and address of Contractor's liability insurance carrier; 4. a detailed description of the circumstances surrounding the accident, whether any of First 5's equipment, tools or materials were involved and the extent of the damage to First 5 and/or other property; 5. Whether any clients or recipients of services or other persons were witnesses to the accident; and 6. determination of what effect, if any, the accident will have upon Contractor's ability to perform services.

XVII. NON-DISCRIMINATION

Contractor assures that it will comply with applicable state and federal laws and regulations that govern discrimination, including, but not limited to, the Americans with Disabilities Act and Title VII of the Civil Rights Act of 1964. Contractor further agrees that no person shall, on the grounds of race, creed, color, disability, sex, sexual orientation, national origin, age, religion, Vietnam Era Veteran's status, political affiliation, or any other non-merit factors protected by applicable law, be excluded from participation in, be denied associated benefits, or be otherwise subjected to discrimination under activities covered in this Agreement.

XVIII. GOVERNING BOARD LIMITATIONS; CONFLICT OF INTEREST

Contractor shall observe and comply with all applicable laws, ordinances, codes and regulations of governmental agencies, including federal, state, municipal and local governing bodies regarding conflicts of interest.

Contractor shall not make governmental decisions, as defined in section 18700(c)(4) of Title 2 of the California Code of Regulations, and Contractor's work shall be subject to intervening substantive review by staff of First 5.

If Contractor has entered into this Agreement as a not-for-profit organization as defined by state and federal law, and is in receipt of funds from First 5 based on such status, Contractor shall at all times conduct its business in a manner consistent with that required of a not-for-profit organization by applicable laws.

XIX. DRUG-FREE WORKPLACE

Contractor and Contractor's employees shall comply with the County's policy of maintaining a drug-free workplace. Neither Contractor nor Contractor's employees shall unlawfully manufacture, distribute, dispense, possess or use controlled substances, as defined in 21 U.S. Code Section 812, including marijuana, heroin, cocaine, and amphetamines, at any County facility or work site. If Contractor or any employee of Contractor is convicted or pleads nolo contendere to a criminal drug statute violation occurring within Alameda County, the Contractor, within five days thereafter, shall notify First 5. Violation

of this provision shall constitute a material breach of this Agreement subject to termination by First 5 under Article XIII ("Termination for Cause") of this Agreement.

XX. MODIFICATIONS TO AGREEMENT

First 5 shall assign a liaison to Contractor with respect to the performance of this Agreement. Unless otherwise provided in Exhibit A1 and/or B to this Agreement, any adjustments requested by the Contractor to line items of a budget or to the program description included as an Exhibit to this Agreement shall not alter (1) services or other performance to be provided under this Agreement, (2) the time of performance of any act hereunder, or (3) the total amount of money allocated hereunder. Only one budget revision is allowed per year and may be granted or denied per the assessment of First 5 staff. For all budget line item adjustments over 10%, a written justification for each line item should be submitted for approval. Budget line item adjustments under 10% are not subject to a formal revision and may be shifted at the Contractor's discretion once per year. This Agreement can be amended only by written agreement of the parties hereto.

XXI. OWNERSHIP OF WORK PRODUCT / INTELLECTUAL PROPERTY

Any work product developed by Contractor in performance of this Agreement shall be considered the work product of First 5 and upon termination of the Agreement, Contractor shall provide those materials to First 5 to the extent requested. In addition, it is the express intention of the parties that First 5 shall at all times be and shall remain the sole and exclusive owner of all rights of any kind whatsoever in and to the results and proceeds of First 5's and/or Contractor's services hereunder (the "Results"). The Contractor shall, however, retain any rights to materials used in the performance of this Agreement to the extent the Contractor possessed, owned, or developed such materials prior to entering into this Agreement.

Contractor warrants that, to the best of its knowledge and control, the Results are and will be original with Contractor in all respects (except to the extent based on material supplied by First 5), have not been and will not be exploited in any manner and/or medium, and do not or will not infringe upon the copyright, patent or any other right of any person or entity and properly attribute the use of any other sources from any person or entity. Contractor agrees to execute any and all other documents consistent herewith, which may be required to effectuate the purpose and intent of this Agreement, and agrees that First 5 shall have the sole and exclusive right to register in its own name the copyrights and any other rights in and to the Results. In addition, or alternatively, Contractor hereby irrevocably appoints First 5 as Contractor's attorney-in-fact to take such actions and make, sign, execute, acknowledge, and deliver all such documents as may from time to time be necessary to convey to First 5, its successors and assigns, all rights granted in this section. This provision is of the essence of this Agreement and shall survive termination of this Agreement.

XXII. PUBLIC EMPLOYEES' PENSION REFORM ACT

First 5 as a Participating Employer in ACERA (the Alameda County Employees' Retirement Association) is restricted by law in retaining the services of a Contractor who has retired previously under ACERA (unless the Contractor reinstates in the ACERA system). If Contractor has not previously retired under ACERA, the law does not affect his/her ability to provide services to First 5 Alameda County. If Contractor has previously retired under ACERA, the law permits the ACERA retiree to provide services to

First 5 Alameda County without reinstatement from retirement under limited circumstances. Applicable Contractors will be required to complete and submit a self-certification form of ACERA retirement status prior to execution of contract.

EXHIBIT A1

REVISED PROGRAM DESCRIPTION AND REQUIREMENTS

1. Background and Program Description

The California Children and Families First Act of 1998 (Proposition 10) created a program in the state for the purposes of promoting, supporting, and improving the early development of children from the prenatal stage to five years of age. The intent of this act is to enable counties to create and implement an integrated, comprehensive and collaborative system of information and services to enhance optimal early childhood development.

First 5 has approved a Strategic Plan for a comprehensive system of early intervention services for children birth to 5 years of age and families in Alameda County. A key component of the First 5 Strategic Plan is the Neighborhoods Ready for School Strategy, which promotes and strengthens individual, family and neighborhood protective factors through increasing social connections, community capacity building and access to needed services (2017-2022 Strategic Plan, page 26). The services of the Contractor have been retained to support Summer Pre-K (SPK) programs and provide Early Childhood Education (ECE) and K-12 teachers with professional development and orientation to the SPK model; a School Readiness Coordinator (Program Manager) to develop and implement year round school readiness and transition programming including a student passport/snapshot form, and a variety of family/child learning activities; and to provide financial relief to families with children 0-5 through the Oakland Educational Fund for the highest need families residing in the highest need neighborhoods in the City of Oakland.

2. Prohibition on Supplantation

By law, First 5 funding may not be used to supplant other funds. First 5 funding may only be used to expand or enhance existing programs or to initiate new services or programs benefiting children prenatal to age five.

3. Performance Requirements

Contractor's approved performance requirements are included as Attachment 2.0A: Revised Results Based Accountability Plan.

4. Reporting Requirements

Contractor will submit program progress reports, expense reports and a final report as outlined on the payment schedule in Exhibit B1: Revised Terms and Conditions of Payment and Accountability Requirements. Depending on the type of service provided, Contractor may be required to collect and report on specific measures as identified in the First 5 2017-2022 Strategic Plan.

5. Fiscal Requirements

Contractor's approved budget is included as Attachment 1A: Approved Revised Budget.

Contractor may be required to submit general ledger expense reports and salaries and benefits documentation supporting expenses to be reimbursed during the funded term. First 5 will identify which reporting period(s) Contractor will be required to submit this information and provide prior notice to the Contractor.

6. ECChange, HIGH5, ECC Online, or Pathways Database Requirements

Contractor will report in HIGH 5.

7. Budget and/or Scope Revisions

Contractor may submit one budget and/or scope revision per year no later than April 15th of the fiscal year and may be granted or denied per the review and assessment of First 5 staff. For all budget line item adjustments over 10%, a written justification for each line item should be submitted for approval. Budget line item adjustments under 10% are not subject to a formal revision and may be shifted to existing line items (not including administrative/indirect fees) at the Contractor's discretion once per year. All significant revisions to approved scope must be submitted in writing and may be granted or denied per the review and assessment of First 5 staff. Ineligible and previously unapproved contract expenses may be disallowed per First 5 review and assessment.

8. Federal Office of Management & Budget (OMB) Circular Requirements

Contractor is required to comply with all current OMB Circular requirements during the funded term, including but not limited to conflict of interest, internal controls, procurement and subcontractor monitoring if applicable. First 5 reserves the right to audit and collect from Contractor documentation demonstrating allowable activities and costs, eligibility, reporting, subcontractor monitoring and other special tests as identified.

9. Tuberculosis Testing

The Contractor shall require and ensure that staff who have direct and consistent contact with children through the First 5 funded activities undergo standard tuberculosis testing. Contractor will maintain records and documentation of current tuberculosis clearance and retest as appropriate.

10. Filing reports with Child Protective Services (CPS) / Child Care Licensing (CCL)

If a First 5 Contractor has knowledge of or observes a child who they suspect has been the victim of child abuse or neglect within the course of First 5 funded work, it is expected that they will file a report of the situation to CPS. In accordance with CPS guidelines, the report should be filed by phone within 24 hours of the incident, and in writing within 36 hours of the incident. If the abuse or neglect occurs in a licensed child care facility, it is expected that the Contractor will also file a report immediately to CCL.

Reporting suspected child abuse or neglect to First 5 or other persons is not a substitute for making a report to CPS or CCL. Reporting duties are individual and cannot be delegated to another person.

If First 5 staff become aware of suspected child abuse or neglect while providing consultation and/or contract support, and a report is not filed within the legal timeframe by the contractor, First 5 staff will file a report by phone and in writing within 24 hours.

Failing to report abuse or neglect to the appropriate agencies is not consistent with the mandates of First 5 Alameda County to improve health and development of children ages 0-5. Failure to report may result in termination of contract funding.

11. Cultural Access Services Requirements

- A. Contractor shall make a good faith effort to ensure that clients receive from all staff members effective, understandable, and respectful care that is provided in a manner compatible with their cultural health beliefs and practices, and preferred language.
- B. Contractor shall make a good faith effort to ensure that communication among staff and with the clients/population served promotes cultural responsiveness and respect of difference.
- C. Contractor shall make a good faith effort to implement strategies to recruit, retain, and promote at all levels of the organization a diverse, culturally responsive staff and leadership that are representative of the demographic characteristics of the service area.
- D. Contractor shall make a good faith effort to ensure that staff at ALL levels and across all disciplines receive ongoing education and training in culturally and linguistically appropriate service delivery.
- E. Contractor shall make a good faith effort to have a clearly articulated written policy on cultural responsiveness.
- F. Contractor shall make a good faith effort to allocate resources to ensure the delivery of culturally responsive services.

12. Tobacco Control and Education Requirements

The 1998 passage of Proposition 10 added a 50-cent-per-pack increase in the state surtax on cigarettes and tobacco products to fund anti-smoking and early childhood programs. In addition, the 2016 passage of Proposition 56 increased the cigarette tax by \$2.00 per pack, with equivalent increases on tobacco products and electronic cigarettes containing nicotine. In September 2000, the Commission adopted a Comprehensive Tobacco Control Policy to reinforce the message that tobacco products and involvement with the tobacco industry in any manner constitutes a serious health hazard for young children, their families, and the community. Based on this policy, all contractors are expected to make a good faith effort to:

- A. Create and/or maintain a comprehensive smoke-free environment; including adherence to applicable secondhand smoke laws and ordinances
- B. Disclose and divest from tobacco related investments

- C. Educate clients and staff about the harmful effects of secondhand smoke on children as appropriate
- D. Provide smoking cessation resources to staff and clients as appropriate

13. Acknowledgement of Funds

The Contractor shall acknowledge the funds received in statements or printed materials as outlined in the guidelines listed below.

- A. The Contractor will announce funding awards *only after* 1) the contract has been signed and returned and 2) after any announcement strategies are discussed with First 5 staff.
- B. The Contractor agrees to use official attribution tools and logos provided by First 5 for promotional materials, public awareness campaigns or special events connected with funding.
- C. First 5 funding will be acknowledged in all materials produced for the purpose of public education and outreach regarding the Contractor's funded project. These materials would include, but are not limited to brochures, flyers, media ads or public service announcements, presentations and handouts and outdoor ads. All printed materials and promotional products will include the following language:

Funded by First 5 Alameda County

- D. Materials produced with First 5 funding may be reproduced only if no changes are made to the content or design of the material, it contains the appropriate acknowledgement of funding from First 5, and the Contractor will not be additionally reimbursed for use or reproduction.

Information Needed	School or Department Response
How will this grant contribute to sustained student achievement or academic standards?	The Kindergarten Readiness grant is a part of First 5's Neighborhoods Ready for School strategy. The grant provides funding for the coordination of services to: (1) increase alignment between programs/systems to support children and families' readiness for school (kinder-transition plans, family engagement events, K/TK family orientations), (2) cross-department collaboration to nurture school readiness: joint PreK-TK.K teacher meetings/pds's and information sharing between ECE and elementary school. (3) position schools as a resource to 0-5 families, support school readiness and enrollment through FRC's and community schools strategies. (4) Four Summer Pre-K classrooms.
How will this grant be evaluated for impact upon student achievement? (Customized data design and technical support are provided at 1% of the grant award or at a negotiated fee for a community-based fiscal agent who is not including OUSD's indirect rate of 5.46% in the budget. The 1% or negotiated data fee will be charged according to an Agreement for Grant Administration Related Services payment schedule. This fee should be included in the grant's budget for evaluation.)	First 5 uses a combination of results based accountability family, teacher and provider surveys for program evaluation. Data collection and attendance sheets are used to measure the number of families attending engagement events and pre/post data assessment are administered during Summer PreK program.
Does the grant require any resources from the school(s) or district? If so, describe.	The district covers administration and custodial cost for the use of facilities after school hours and during the Summer Pre-K program.
Are services being supported by an OUSD funded grant or by a contractor paid through an OUSD contract or MOU? (If yes, include the district's indirect rate of 5.48% for all OUSD site services in the grant's budget for administrative support, evaluation data, or indirect services.)	No
Will the proposed program take students out of	No

the classroom for any portion of the school day? (OUSD reserves the right to limit service access to students during the school day to ensure academic attendance continuity.)	
Who is the contact managing and assuring grant compliance? (include contact's name, address, phone number, email address.)	Maria Sujo 1000 Broadway suite 150 Oak, Ca 94607 Maria.sujo@ousd.org/510-879-2760

V. ADDITIONAL FISCAL PROVISIONS

Contractor shall not claim reimbursement from First 5 for (or apply sums received from First 5 with respect to) that portion of its obligations which has been paid by another source of revenue. Sums received as a result of services provided to other public or private organizations shall be considered such revenue insofar as such sums are or can be applied to the work to be performed by Contractor pursuant to this Agreement.

If Contractor is a non-profit corporation, unrestricted or undesignated private charitable donations and contributions shall not be considered revenue applicable to this Agreement; Contractor has total freedom in planning for the usage of such resources in expanding and enriching programs, or in providing for such other operating contingencies as it may desire. Nothing herein shall be deemed to prohibit Contractor from contracting with more than one entity to perform additional work similar to or the same as that herein contracted for.

VII. AUDITS

Contractor shall not look to the County for satisfaction of obligations or liabilities.

Contractor agrees to indemnify, to defend at its sole expense, to save and hold harmless First 5, the individual members thereof, and all First 5 officers, agents, employees and volunteers, and the County of

Alameda, its officers, agents, and employees from any and all liability in addition to any and all losses, claims, actions, lawsuits, damages, judgments of any kind whatsoever arising out of the negligent acts, omissions or intentional misconduct of Contractor or Contractor's employees, agents, subcontractors or volunteers in performance of services or in the course of performing services rendered pursuant to this Agreement.

IX. SUBCONTRACTING

X. ASSIGNMENT

Contractor shall not transfer any interest in this Agreement (whether by assignment or novation) without prior written approval of First 5. However, Contractor may assign its rights to receive compensation from First 5 for performance of the Agreement to financial institutions for the purpose of securing financial resources, provided that written consent from First 5 shall have first been obtained. No party shall, on the basis of this Agreement, in any way contract on behalf of, or in the name of, the other party to the Agreement, and any attempted violation of the provisions of this sentence shall confer no rights, and shall be void.

XI. INDEPENDENT CONTRACTOR STATUS

Neither the Contractor nor any of its employees shall by virtue of this Agreement be an employee of First 5 for any purpose whatsoever, nor shall it or they be entitled to any of the rights, privileges, or benefits of First 5 employees. Contractor shall be deemed at all times an independent contractor and shall be wholly responsible for the manner in which it performs the services required of it by the terms of this Agreement. Contractor assumes exclusively the responsibility for the acts of its employees and subcontractors as they relate to the services to be provided during the course and scope of their employment or service. Contractor will not represent itself (or any of its employees) as an employee or agent of First 5. First 5 will not treat Contractor as an employee of First 5 for purposes of federal or state income tax withholding, FICA withholding, or any other taxation purpose of law, including the Internal Revenue Code of 1986, as amended.

No partnership, employment, or agency has been or is intended to be formed by this Agreement. Accordingly, Contractor understands that First 5 is not required to provide Contractor with worker's compensation, and Contractor acknowledges and understands that Contractor is solely responsible for payment of federal and state income tax, social security, and unemployment and disability taxes, if any.

XII. CONFIDENTIALITY

Pursuant to Health and Safety Code 130140.1(e), any individually identifiable information collected by First 5 California Commissions must be protected from disclosure to unauthorized entities unless written

Patients are defined as children and families who receive services by First 5 or children and families who receive services from the Contractor as outlined in Exhibit A to this Agreement. First 5 shall respect, to the extent permitted by law, the confidentiality of information furnished by Contractor to First 5 as specified in Exhibit A.

All information that is maintained by First 5 and Contractor may be subject to inspection by any person pursuant to a request under the California Public Records Act. The information shared under California Public Records Acts refers only to agencies, organizations or partners, not individuals or patients who are recipients of child health or family services.

Contractor will hold all such information in trust and confidence. Upon cancellation or expiration of this Agreement, Contractor will return to First 5 all written or descriptive matter which contain any such confidential information.

XIII. TERMINATION PROVISIONS

Termination for Cause – If First 5 determines that Contractor has failed, or will fail, through any cause, to fulfill in a timely and proper manner its obligations under the Agreement, or if First 5 determines that Contractor has violated or will violate any of the covenants, agreements, provisions, or stipulations of the Agreement, First 5 shall thereupon have the right to terminate the Agreement by giving written notice to Contractor of such termination and specifying the effective date of such termination.

Without prejudice to the foregoing, Contractor agrees that if prior to or subsequent to the termination or expiration of the Agreement upon any final or interim audit by First 5, Contractor shall have failed in any way to comply with any requirements of this Agreement, then Contractor shall pay to First 5 forthwith whatever sums are so disclosed to be due to First 5 (or shall, at First 5's election, permit First 5 to deduct such sums from whatever amounts remain undisbursed by First 5 to Contractor pursuant to this Agreement or from whatever remains due Contractor by First 5 from any other contract between Contractor and First 5).

In the event that the funding allocation or the funds available to First 5 changes, First 5 may determine, in its sole discretion, that it is necessary to reduce, eliminate or otherwise modify the funding to Contractor under this Agreement due to the unavailability of funds or First 5's assessment of its funding priorities. If First 5 elects to reduce or eliminate funding pursuant this provision, it will provide 30 days advance written notice to Contractor.

Termination Without Cause – Either party may terminate this Agreement upon 30 days advance written notice to the other party. In the event of termination, Contractor shall return any unspent funds and shall not be entitled to any further funds under this Agreement.

Termination By Mutual Agreement – First 5 and Contractor may otherwise agree in writing to terminate this Agreement in a manner consistent with mutually agreed upon specific terms and conditions.

XIV. COMPLIANCE WITH LAWS

Contractor shall observe and comply with all applicable laws, ordinances, codes and regulations of

governmental agencies, including federal, state, municipal and local governing bodies, having jurisdiction over the scope of services or any part hereof, including Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), all provisions of the Occupational Safety and Health Act of 1970 and all amendments thereto, and all applicable federal, state, municipal and local safety regulations. All services performed by Contractor must be in accordance with these laws, ordinances, codes and regulations. Contractor shall indemnify and save First 5 and County harmless from any and all liability, fines, penalties and consequences from any noncompliance or violations of such laws, ordinances, codes and regulations. A violation of such laws, ordinances, codes and regulations shall constitute a material breach of this Agreement and may serve as a basis for termination of this Agreement under Article XIII ("Termination for Cause") and the initiation of appropriate legal proceedings by First 5.

XV. COMPLIANCE WITH LAWS (CONTRACTS WITH A VALUE OF \$100,000 OR MORE)*

By signing this Agreement, Contractor certifies, under penalty of perjury, that at the time of entering into this Agreement all of the following are true:

- (a) That Contractor is in compliance with the Unruh Civil Rights Act (Section 51 of the Civil Code).
- (b) That Contractor is in compliance with the California Fair Employment and Housing Act (Chapter 7 (commencing with Section 12960) of Part 2.8 of Division 3 of Title 2 of the Government Code).

- (2) Any policy adopted by Contractor or actions taken thereunder that are reasonably necessary to comply with federal or state sanctions or laws affecting sovereign nations or their nationals shall not be construed as unlawful discrimination in violation of the Unruh Civil Rights Act (Section 51 of the Civil Code) or the California Fair Employment and Housing Act (Chapter 7 (commencing with Section 12960) of Part 2.8 of Division 3 of Title 2 of the Government Code).

*Not applicable to contracts with a value of less than \$100,000

XVI. ACCIDENT REPORTING

If a death, serious personal injury, or substantial property damage occurs in connection with the performance of this Agreement, Contractor shall immediately notify First 5 by telephone. Contractor shall promptly submit a written report, in such form as may be required by First 5, of all accidents which occur in connection with this Agreement. This report must include the following information: 1. name and address of the injured or deceased person(s); 2. name and address of Contractor's subcontractor, if any; 3. name and address of Contractor's liability insurance carrier; 4. a detailed description of the circumstances surrounding the accident, whether any of First 5's equipment, tools or materials were involved and the extent of the damage to First 5 and/or other property; 5. Whether any clients or recipients of services or other persons were witnesses to the accident; and 6. determination of what effect, if any, the accident will have upon Contractor's ability to perform services.

XVII. NON-DISCRIMINATION

Contractor assures that it will comply with applicable state and federal laws and regulations that govern discrimination, including, but not limited to, the Americans with Disabilities Act and Title VII of the Civil Rights Act of 1964. Contractor further agrees that no person shall, on the grounds of race, creed, color, disability, sex, sexual orientation, national origin, age, religion, Vietnam Era Veteran's status, political affiliation, or any other non-merit factors protected by applicable law, be excluded from participation in, be denied associated benefits, or be otherwise subjected to discrimination under activities covered in this Agreement.

XVIII. GOVERNING BOARD LIMITATIONS; CONFLICT OF INTEREST

Contractor shall observe and comply with all applicable laws, ordinances, codes and regulations of governmental agencies, including federal, state, municipal and local governing bodies regarding conflicts of interest.

Contractor shall not make governmental decisions, as defined in section 18700(c)(4) of Title 2 of the California Code of Regulations, and Contractor's work shall be subject to intervening substantive review by staff of First 5.

If Contractor has entered into this Agreement as a not-for-profit organization as defined by state and federal law, and is in receipt of funds from First 5 based on such status, Contractor shall at all times conduct its business in a manner consistent with that required of a not-for-profit organization by applicable laws.

XIX. DRUG-FREE WORKPLACE

Contractor and Contractor's employees shall comply with the County's policy of maintaining a drug-free workplace. Neither Contractor nor Contractor's employees shall unlawfully manufacture, distribute, dispense, possess or use controlled substances, as defined in 21 U.S. Code Section 812, including marijuana, heroin, cocaine, and amphetamines, at any County facility or work site. If Contractor or any employee of Contractor is convicted or pleads nolo contendere to a criminal drug statute violation occurring within Alameda County, the Contractor, within five days thereafter, shall notify First 5. Violation of this provision shall constitute a material breach of this Agreement subject to termination by First 5 under Article XIII ("Termination for Cause") of this Agreement.

XX. MODIFICATIONS TO AGREEMENT

First 5 shall assign a liaison to Contractor with respect to the performance of this Agreement. Unless otherwise provided in Exhibit A and/or B to this Agreement, any adjustments requested by the Contractor to line items of a budget or to the program description included as an Exhibit to this Agreement shall not alter (1) services or other performance to be provided under this Agreement, (2) the time of performance of any act hereunder, or (3) the total amount of money allocated hereunder. Only one budget revision is allowed per year and may be granted or denied per the assessment of First 5 staff. For all budget line item adjustments over 10%, a written justification for each line item should be submitted for approval. Budget line item adjustments under 10% are not subject to a formal revision and may be shifted at the Contractor's discretion once per year. This Agreement can be amended only by written agreement of the parties hereto.

XXI. OWNERSHIP OF WORK PRODUCT / INTELLECTUAL PROPERTY

Any work product developed by Contractor in performance of this Agreement shall be considered the work product of First 5 and upon termination of the Agreement, Contractor shall provide those materials to First 5 to the extent requested. In addition, it is the express intention of the parties that First 5 shall at all times be and shall remain the sole and exclusive owner of all rights of any kind whatsoever in and to the results and proceeds of First 5's and/or Contractor's services hereunder (the "Results"). The Contractor shall, however, retain any rights to materials used in the performance of this Agreement to the extent the Contractor possessed, owned, or developed such materials prior to entering into this Agreement.

Contractor warrants that, to the best of its knowledge and control, the Results are and will be original with Contractor in all respects (except to the extent based on material supplied by First 5), have not been and will not be exploited in any manner and/or medium, and do not or will not infringe upon the copyright, patent or any other right of any person or entity and properly attribute the use of any other sources from any person or entity. Contractor agrees to execute any and all other documents consistent herewith, which may be required to effectuate the purpose and intent of this Agreement, and agrees that First 5 shall have the sole and exclusive right to register in its own name the copyrights and any other rights in and to the Results. In addition, or alternatively, Contractor hereby irrevocably appoints First 5 as Contractor's attorney-in-fact to take such actions and make, sign, execute, acknowledge, and deliver all such documents as may from time to time be necessary to convey to First 5, its successors and assigns, all rights granted in this section. This provision is of the essence of this Agreement and shall survive termination of this Agreement.

XXII. PUBLIC EMPLOYEES' PENSION REFORM ACT

First 5 as a Participating Employer in ACERA (the Alameda County Employees' Retirement Association) is restricted by law in retaining the services of a Contractor who has retired previously under ACERA (unless the Contractor reinstates in the ACERA system). If Contractor has not previously retired under ACERA, the law does not affect his/her ability to provide services to First 5 Alameda County. If Contractor has previously retired under ACERA, the law permits the ACERA retiree to provide services to First 5 Alameda County without reinstatement from retirement under limited circumstances. Applicable Contractors will be required to complete and submit a self-certification form of ACERA retirement status prior to execution of contract.

PROGRAM DESCRIPTION AND REQUIREMENTS

1. Background and Program Description

The California Children and Families First Act of 1998 (Proposition 10) created a program in the state for the purposes of promoting, supporting, and improving the early development of children from the prenatal stage to five years of age. The intent of this act is to enable counties to create and implement an integrated, comprehensive and collaborative system of information and services to enhance optimal early childhood development.

First 5 has approved a Strategic Plan for a comprehensive system of early intervention services for children birth to 5 years of age and families in Alameda County. A key component of the First 5 Strategic Plan is the Neighborhoods Ready for School Strategy, which promotes and strengthens individual, family and neighborhood protective factors through increasing social connections, community capacity building and access to needed services (2017-2021 Strategic Plan, page 26). The services of the Contractor have been retained to support Summer Pre-K (SPK) programs and provide Early Childhood Education (ECE) and K-12 teachers with professional development and orientation to the SPK model. Funding also supports a School Readiness Coordinator (Program Manager) to develop and implement year round school readiness and transition programming including a student passport/snapshot form, and a variety of family/child learning activities.

2. Prohibition on Supplantation

By law, First 5 funding may not be used to supplant other funds. First 5 funding may only be used to expand or enhance existing programs or to initiate new services or programs benefiting children prenatal to age five.

3. Performance Requirements

Contractor's approved performance requirements are included as Attachment 2.0: Results Based Accountability Plan.

4. Reporting Requirements

Contractor will submit program progress reports, expense reports and a final report as outlined on the payment schedule in Exhibit B: Terms and Conditions of Payment and Accountability Requirements. Depending on the type of service provided, Contractor may be required to collect and report on specific measures as identified in the First 5 2017-2021 Strategic Plan.

5. Fiscal Requirements

Contractor's approved budget is included as Attachment 1: Budget.

Contractor may be required to submit general ledger expense reports and salaries and benefits documentation supporting expenses to be reimbursed during the funded term. First 5 will identify which reporting period(s) Contractor will be required to submit this information and provide prior notice

to the Contractor.

6. ECChange, HIGH5, ECC Online, or Pathways Database Requirements

Contractor will report in HIGH 5.

7. Budget and/or Scope Revisions

Contractor may submit one budget and/or scope revision per year no later than April 15th of the fiscal year and may be granted or denied per the review and assessment of First 5 staff. For all budget line item adjustments over 10%, a written justification for each line item should be submitted for approval. Budget line item adjustments under 10% are not subject to a formal revision and may be shifted to existing line items (not including administrative/indirect fees) at the Contractor's discretion once per year. All significant revisions to approved scope must be submitted in writing and may be granted or denied per the review and assessment of First 5 staff. Ineligible and previously unapproved contract expenses may be disallowed per First 5 review and assessment.

8. Federal Office of Management & Budget (OMB) Circular Requirements

Contractor is required to comply with all current OMB Circular requirements during the funded term, including but not limited to conflict of interest, internal controls, procurement and subcontractor monitoring if applicable. First 5 reserves the right to audit and collect from Contractor documentation demonstrating allowable activities and costs, eligibility, reporting, subcontractor monitoring and other special tests as identified.

9. Tuberculosis Testing

The Contractor shall require and ensure that staff who have direct and consistent contact with children through the First 5 funded activities undergo standard tuberculosis testing. Contractor will maintain records and documentation of current tuberculosis clearance and retest as appropriate.

10. Filing reports with Child Protective Services (CPS) / Child Care Licensing (CCL)

If a First 5 Contractor has knowledge of or observes a child who they suspect has been the victim of child abuse or neglect within the course of First 5 funded work, it is expected that they will file a report of the situation to CPS. In accordance with CPS guidelines, the report should be filed by phone within 24 hours of the incident, and in writing within 36 hours of the incident. If the abuse or neglect occurs in a licensed child care facility, it is expected that the Contractor will also file a report immediately to CCL.

Reporting suspected child abuse or neglect to First 5 or other persons is not a substitute for making a report to CPS or CCL. Reporting duties are individual and cannot be delegated to another person.

If First 5 staff become aware of suspected child abuse or neglect while providing consultation and/or contract support, and a report is not filed within the legal timeframe by the contractor, First 5 staff will file a report by phone and in writing within 24 hours.

Failing to report abuse or neglect to the appropriate agencies is not consistent with the mandates of First 5 Alameda County to improve health and development of children ages 0-5. Failure to report may

result in termination of contract funding.

11. Cultural Access Services Requirements

- A. Contractor shall make a good faith effort to ensure that clients receive from all staff members effective, understandable, and respectful care that is provided in a manner compatible with their cultural health beliefs and practices, and preferred language.
- B. Contractor shall make a good faith effort to ensure that communication among staff and with the clients/population served promotes cultural responsiveness and respect of difference.

- E. Contractor shall make a good faith effort to have a clearly articulated written policy on cultural responsiveness.
- F. Contractor shall make a good faith effort to allocate resources to ensure the delivery of culturally responsive services.

12. Tobacco Control and Education Requirements

The 1998 passage of Proposition 10 added a 50-cent-per-pack increase in the state surtax on cigarettes and tobacco products to fund anti-smoking and early childhood programs. In addition, the 2016 passage of Proposition 56 increased the cigarette tax by \$2.00 per pack, with equivalent increases on tobacco products and electronic cigarettes containing nicotine. In September 2000, the Commission adopted a Comprehensive Tobacco Control Policy to reinforce the message that tobacco products and involvement with the tobacco industry in any manner constitutes a serious health hazard for young children, their families, and the community. Based on this policy, all contractors are expected to make a good faith effort to:

- A. Create and/or maintain a comprehensive smoke-free environment; including adherence to applicable secondhand smoke laws and ordinances
- B. Disclose and divest from tobacco related investments
- C. Educate clients and staff about the harmful effects of secondhand smoke on children as appropriate
- D. Provide smoking cessation resources to staff and clients as appropriate

13. Acknowledgement of Funds

The Contractor shall acknowledge the funds received in statements or printed materials as outlined in the guidelines listed below.

- A. The Contractor will announce funding awards *only after* 1) the contract has been signed and returned and 2) after any announcement strategies are discussed with First 5 staff.
- B. The Contractor agrees to use official attribution tools and logos provided by First 5 for promotional materials, public awareness campaigns or special events connected with funding.
- C. First 5 funding will be acknowledged in all materials produced for the purpose of public education and outreach regarding the Contractor's funded project.
