COVID Amendment

This Amendment modifies the attached Agreement, incorporated herein by reference, between the Oakland Unified School District ("OUSD") and **Baayan Bakari** ("CONTRACTOR", together with OUSD, "PARTIES").

- A. **Recitals.** Both OUSD and CONTRACTOR agree to the following recitals:
- On Friday, March 13, 2020 at 6:00pm, OUSD ceased in-person instruction at all OUSD school sites. Subsequently, OUSD cancelled in-person instruction for the remainder of the school year.
 - The Alameda County Public Health Officer issued a number of shelter-in-place orders that prohibited non-essential work and travel. These effectively prohibited, among other things, non-essential work and travel as well as in-person instruction at all OUSD school sites.
 - The Governor issued a series of Executive Orders that directed "all individuals living in the State of California to stay home or at their place of residence." As with the orders by the Alameda County Public Health Officer, these Executive Orders also prohibited non-essential work and travel as well as in-person instruction at all OUSD school sites.
- B. **Term.** Unless the term of the Agreement ends on or after August 15, 2020, the Agreement is hereby modified to authorize OUSD, at its sole discretion, to extend the term to any date up to and including August 15, 2020; provided that OUSD may only extend the term if CONTRACTOR is unable to perform under the Agreement, as modified herein, for all or part of the time that in-person instruction is prohibited. OUSD may only extend the term for the length of time that CONTRACTOR was unable to perform due to the effective prohibition against in-person instruction.
- C. **Scope of Work.** The scope of work described in the Agreement is hereby modified to enable CONTRACTOR to provide the services described in the Agreement by any means that are consistent with COVID-19-related local, state, and federal orders (including, but limited to, those referenced above in the Recitals), provided that OUSD agrees, in writing, that doing so will provide a meaningful benefit to OUSD. Only a site administrator or central office OUSD employee may give such written permission.
- D. **Invoicing.** The Agreement is modified such that, for services performed on or after March 14, 2020 and that are permitted by Paragraph C above, CONTRACTOR must first receive written permission from OUSD to invoice OUSD for such services. Only a central office OUSD employee may give such written permission; an OUSD employee assigned to a school site may not give such written permission. Any invoice submitted pursuant to this paragraph must, at a minimum, include the following for each date (on or after March 14, 2020) on which an invoiced service was performed: the date and the length of time; a description of the service performed; a description of the individual(s) who performed the service; the medium by which the service was performed (e.g., virtually); and whom

at OUSD received and benefited from the service. At its discretion, OUSD may require additional information included in an invoice.

E. **Electronic Signatures.** This Amendment and all future amendments and supplements to the Agreement may be executed in one or more counterparts, all of which shall constitute one and the same amendment. Any counterpart may be executed and delivered by facsimile or other electronic signature (including portable document format) by either of the parties and, notwithstanding any statute or regulations to the contrary (including, but not limited to, Government Code section 16.5 and the regulations promulgated therefrom), the counterpart shall legally bind the signing party and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received. This section constitutes a waiver by each party of the requirements and constraints on electronic signatures found in statute and regulations including, but not limited to, Government Code section 16.5 and the regulations promulgated therefrom.

Cross-Age Mentoring Program Curriculum Development

Scope of Work

OVERVIEW

Cross-Age Mentoring Program (CAMP) is a school-based peer mentoring model through which high school students provide one-on-one mentoring to middle school students. The program is designed to foster high school students' leadership and relational skills, interest in serving their communities, and academic connectedness while simultaneously promoting middle school mentees' self-esteem, academic achievement, and connectedness to school, family, and the future. For both groups of students, we expect to see improvements in attendance, academic performance, and behavior at school as a result of the program.

IMPLEMENTATION IN THE OAKLAND UNIFIED SCHOOL DISTRICT (OUSD)

Implementation of CAMP in OUSD during the 2020-2021 school year will involve three schools: Oakland High School, Westlake Middle School, and Roosevelt Middle School. Forty students from Oakland High School will be enrolled in one of two regular period classes (20 students each) that is designed to train students to be mentors to middle school students. From August through December 2020, high school mentors will receive classroom instruction in mentoring and leadership skills delivered by two CAMP instructors. In January 2021, high school students will be matched with middle school mentees from Westlake Middle School and Roosevelt Middle School (1:1 ratio) and begin meeting once a week. In April, mentoring sessions will increase to twice a week through the end of the school year. All mentoring sessions will take place during the school day, during the typical CAMP class period. High school students will be transported to their respective middle schools for mentoring sessions. The program will involve occasional excursions and service projects that are designed to expand youths' view of the world and expectations of self, as well as foster connectedness between mentors and mentees.

All CAMP students (mentors and mentees) will be identified for participation in CAMP based on several indicators of disengagement from school, including total number of F grades, disciplinary actions, and absences during the 2019-2020 school year. High school students who participate in CAMP will receive up to \$1,000 over the course of the school year based on their completion of program milestones. Furthermore, students who successfully complete the program will receive a Chromebook in May 2021 to support their continued education. Middle school students will receive up to \$100 in monetary incentives for their participation in the program.
