It is understood that this Master Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR pursuant to an Individualized Education Program (hereinafter referred to as "IEP"), and/or Individual Family Service Plan (hereinafter referred to as IFSP)

- b) The Collaborative: The Bay Area Collaborative represents fourteen (14) SELPAs and member nonpublic schools (NPS) and nonpublic agencies (NPA (Collectively NPS/A) (see <https://www.solanocountyselpa.net/governance/bac> for a complete listing and contact information). NPS/A that are contracting within one of the participating SELPAs agree to participate in this collaborative process to establish a uniform contract for identified services and standards. The established system provides NPS/As with an opportunity to have input to the development of the process, contract issues, etc., and a simplified, standard process for rate negotiation with the participating SELPAs. Issues listed on the Rate Schedule portion of this Master Contract may be reviewed on an annual basis upon request of the CONTRACTOR using the established Bay Area SELPA Collaborative system. CONTRACTOR agrees that the rates set forth in this

Master Contract will remain unchanged from July 1 through June 30 of the term of contract, with no changes in the services provided, unless changed in a duly executed amendment to this Master Contract signed by both parties. Increases in rates will be considered on an annual basis and remain unchanged for the term of the contract from July 1 through June 30, with no changes in level of service provided without written approval by both parties.

- c) NPA/Ss that are not a member of the Bay Area Collaborative should negotiate rates with their geographically corresponding SELPA(s). - d) Any CONTRACTOR not participating as a member of the Bay Area SELPA Collaborative shall individually negotiate rates following local SELPA and/or LEA procedures. Those CONTRACTORS shall notify the SELPA with whom they contract of any proposed rate changes effective July 1 by March 1 of the preceding year.
- e) The Bay Area SELPA Collaborative Chair shall maintain, annually update and disseminate to all LEAs, NPS/As who are members of the Collaborative, a master rate schedule reflecting such NPS/A rates.

- a) CONTRACTOR shall comply with the requirements of Education Code section 56521.5 regarding positive behavior interventions. LEA students who exhibit serious behavioral challenges must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the IEP team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a BIP, the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

NPS site based staff and relevant NPA staff will be trained in positive behavior strategies prior to working with students.

- b) CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and BERs. CONTRACTOR shall ensure that all of its staff members are trained annually in crisis intervention and emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population as related to appropriate behavior management strategies. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the schoolday, and annually to all staff who have any contact or interaction with pupils during the schoolday. Evidence of training in a SELPA approved crisis intervention program to staff working in a staffing ratio of 1:1 with students with severe behavioral needs shall be submitted to the LEA at the beginning of the school year and within thirty (30) days of any new hire as referenced above. If the training is not able to be provided within 30 days, the non-public school or agency will notify the LEA to determine a plan to provide the training in a timely manner.
- d) Pursuant to Education Code section 56521.1 emergency interventions shall not be used as a substitute for a Behavior Intervention Plan (BIP), and instead may only be used to control behavior that is unpredictable and spontaneous. For an emergency intervention to be used, the behavior must pose a clear and present danger of serious physical harm to the individual with exceptional needs, or others. Before emergency interventions may be applied, the behavior must be of the kind that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. Emergency intervention shall not be employed longer than necessary to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.
- e) CONTRACTOR shall complete a BER when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present

danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies **require** a BER form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student does not have a BIP, an IEP team shall schedule a meeting to review the BER, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

- f) Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

 - vi) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
 - vii) An intervention that precludes adequate supervision of the individual.
 - viii) An intervention that deprives the individual of one or more of his or her senses.

 - d) Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil's face.
 - e) Place a pupil in a facedown position with the pupil's hands held or restrained behind the pupil's back.
 - f) Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.
- ii) CONTRACTOR shall:
- a) Keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.
 - b) Afford to pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.
 - c) If prone restraint techniques are used, a staff member shall observe the pupil for any signs of physical distress throughout the use of prone restraint. Whenever possible, the staff member monitoring the pupil shall not be involved in restraining the pupil.

- i) In the case of a child whose behavior impedes the child's learning or that of others, the IEP team shall consider the use of positive behavioral interventions and supports, and

other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

- a) CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include, in this monthly report, incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.
- b) When NPS CONTRACTOR seeks to remove a LEA student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the LEA student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP/IFSP meeting no later than the tenth (10th) day of suspension. LEA shall notify and invite CONTRACTOR representatives to the IEP/IFSP team meeting where the manifestation determination will be made.

33) IEP / IFSP TEAM MEETINGS

- a) Upon referral of an LEA student to CONTRACTOR, the LEA shall provide CONTRACTOR with a copy of that student's IEP/IFSP, as well as available assessment information, and facilitate, if requested, an observation of the student. With parent and LEA concurrence, an IEP team may excuse a required IEP team member either from the entire meeting or after the member's report.

- c) Each LEA student shall be allowed to provide confidential input to any representative of his or her IEP/IFSP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP/IFSP team meetings regarding LEA students for whom ISAs have been or may be executed. A CONTRACTOR who is providing NPA services may request payment for services for attending any meeting that occurs after the Annual Review of the IEP/IFSP. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP/IFSP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP/IFSP team meetings at a time and place that is mutually convenient to parents, CONTRACTOR and LEA.  - vii) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the LEA pupil.

Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment, submit a written request for extension of time to correct the deficiencies, or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.
- d) If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR shall invoke the following escalation policy.
- i) Persons involved after forty-one (41) business days: If CONTRACTOR notifies LEA that the dispute has not been resolved by the LEA Specialist, LEA's Administrator will become involved and shall attempt to resolve the dispute. The

- ii) Persons involved after fifty-one (51) business days: If CONTRACTOR notifies LEA that the dispute has not been resolved by the LEA Administrator, the SELPA Director shall become involved. The SELPA Director shall respond to the CONTRACTOR in writing within ten (10) business days. This shall be the final LEA determination regarding the withholding of payment.
 - iii) Persons involved after sixty-one (61) business days: Dispute Resolution, as defined in the SELPA's Local Plan, shall be followed.
- e) If the dispute has not been resolved through the SELPA's Dispute Resolution process, the party claiming injury may seek legal or CDE redress, or may submit, if mutually agreed to in writing by the parties, the matter to binding arbitration by an arbitrator or arbitration service agreed upon by the parties. Each party shall be responsible for their own fees for arbitration, if applicable. The parties agree that this Master Contract provision dealing with Master Contract disputes does not alter the parties' right to bring action in accordance with the applicable statute of limitations under state or federal law.

60) PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services covered by this Master Contract or the ISA to LEA pupils.
