Board Meeting Date September 11, 2013

Subject Resolution No. 1314-0018 for Temporary Borrowing between Funds—Fiscal Year 2013-2014

Action Requested Adoption by the Board of Education of Resolution No. 1314-0018 requesting Temporary Borrowing between funds for Fiscal Year 2013-2014.

Background The cash flow of revenues during a fiscal year does not always match the cash flow of expenditures during that year. This creates cash shortages in some months and in some funds, while other funds have excess cash. Education Code 42603 provides that the governing board of any school district may direct those moneys held in any fund or account may be temporarily transferred to another fund or account of the district for payment of obligations. This tool allows the District to meet the cash needs of each fund, within legal parameters.

Further analysis of the District’s cash flow projections shows cash fluctuations throughout the fiscal year that could lead to temporary insufficient amounts of cash for the Adult Education, Early Childhood and Nutrition Services programs. This is due to State deferral of cash and the cost reimbursement nature of certain Federal and State contracts.

Discussion The resolution should give staff the authority to temporarily transfer cash between funds (interfund borrowing) and allow staff to continue to effectively manage cash flows.

Recommendation Adoption by the Board of Education of Resolution No. 1314-0018 requesting Temporary Borrowing between funds for Fiscal Year 2013-2014.
