Linked Learning Highlight: **Oakland Unity**

For their fall semester summative project, Unity sophomores simulated starting a business which leveraged artificial intelligence to solve a community need. In teams, the students:

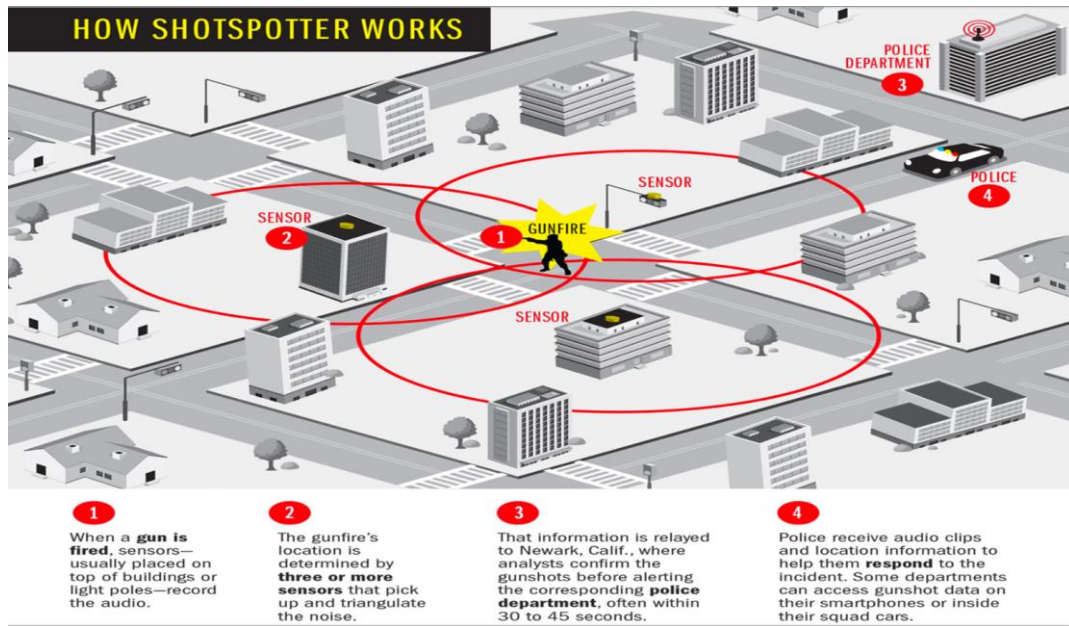

- Chose group roles to suit their competencies & career goals
- Utilized Design Thinking to identify a market need and develop a plan to address it
- Conducted research, gathered datasets and created a slide deck for their first investor pitch meeting

The KCG business pitched a bracelet watch to detect arrhythmia in patients with irregular heart beats.

Oakland Unity Charter School - *continued*

The Oakland Saifer business pitched the use of artificial intelligence cameras that detect gunfire and alert local law enforcement agencies.
