**SECTION 4: Program Model and Lead Agency Selection**

For 2014-2015, my site will operate the following program model:  
 **Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*  
 **Extended School Day:** *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*  
 **Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

**Description and Rationale for Selection of Lead Agency**

**Describe how the selected Lead Agency partner will support the school’s plans for Full Service Community School development.**

The BACR philosophy about after school programs extends far beyond keeping children safe. We believe in providing a nurturing and enjoyable environment where students can improve their academic and life skills. We believe in integrating the principles and practices of youth development into all activities. Just as important, we see the schools, students, and parents as our customers, and we believe it is our responsibility to understand and meet their needs. This approach to after school programs is consistent with the BACR mission of serving youth and families, fostering volunteerism, and building community. As a large diverse community agency, BACR has the organizational capacity and infrastructure to maintain high quality while expanding our services.

**SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE**

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483) High school programs are required to operate a minimum of 15 hours per week.

Required # of Program Days your program will operate during School Year 2014-2015:	<b>180 days required*</b> <b>We will be using 3PD days</b>
--	---

Projected Daily Attendance during School Year 2014-2015:	110
--	-----

**Program Schedule Submit program schedule as an attachment, using the standard program schedule template.**

*\* CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates.*

## SECTION 6: Academics

Your site should plan to offer a range of academic supports including:

1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

*Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.*

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school.

Activities should be based on sound instructional strategies aligned with the regular school day program.

**SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION**  
 Enrichment activities and physical activity/recreation are required components of the ASES and 21<sup>st</sup> Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.

### SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and

share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21<sup>st</sup> Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21<sup>st</sup> Century grantees who receive Family Literacy funding: ***The activities listed below must align to your 21<sup>st</sup> Century Family Literacy budget plan.***

Type of Activity	CSSSP goal(s) or school need supported by activity	Brief Description	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources
Parent orientations	Access to information regarding ASP	Required informational meeting for parents and assistance in filling enrollment forms	Full enrollment and waiting list	Access to Afterschool Program for all families
Involvement and attendance in special events	Parent/Student Engagement	-Attendance and assistance in production of student showcases and other events.	-Increased parent interest and involvement in student performances.	Parent involvement in school events and support of student achievement.
Family Literacy night	Parent/Student Engagement	Family Reading night	80% of ASP families attend this event	Parent involvement in school events and support of student achievement.
Science Fair	Parent/Student Engagement	Students get to show their science/STEM skills	100% of ASP students will present a Science/STEM project	Parent involvement in school events and support of student achievement.

### **SECTION 9: Chronic Absence Action Plan**

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

*In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.*

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	Utilize school-day attendance data to target students at risk of chronic absenteeism for enrollment.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Parents are informed in parent orientations, by reminder notices and through phone calls home when their students are absent or picked up early from program that student attendance is important and that the program has attendance requirements in order to maintain enrollment.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Student attendance is monitored daily and tracked over time. All parents of absent students are called daily and required to provide excuse for absence. ASP absence and early-release policy are enforced and utilized to remind parents that regular attendance is important for student learning and to maintain their child's enrollment in the ASP.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Honor students with perfect and improved attendance monthly

#### **SECTION 10: Transforming School Culture and Climate**

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

- PBIS (Positive Behavioral Interventions and Support)
- Restorative Justice
- Social and Emotional Learning
- Bullying Prevention
- Other: (please specify) \_\_\_\_\_

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate? (ie. shared professional development, curriculum, coaching, planning meetings, COST meetings, etc.) Academic Liaison will train ASP staff in school culture and climate.

BACR is committed to making every effort to train staff, observe staff support their on-going development around school climate and culture. We are also making a targeted effort to identify, reflect on and improve on our areas of growth when it comes to program improvement in order to engage students in their own social development.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.): Boy talk/Girl talk is a course in which students choose topics to discuss in an open and structured environment.

The Extended Day Program will support in the development of a manhood development circle provided the after school program's Leadership and Gender based enrichment classes, and occasional events and assemblies provided by Black professionals.

**SECTION 11: Coordination with Other Service Providers**

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?

- COST team (Coordination of Services Team)

**2014-15 After School Enrollment Policy for Horace Mann School**

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21<sup>st</sup> Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

**Target Population:** (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Students in need of academic support and intervention to improve or sustain academic performance-	Teacher and academic liaison recommendation	
Students in need of being engaged in learning	Teacher and academic liaison recommendation	
Students with siblings already enrolled in the afterschool program	Enrollment applications, siblings listed by parents	
New students to school, including Kindergarteners	List from Administrative assistant	
ASP students with great attendance in ASP and school day	List from Administrative assistant and ASP records	

**Grade levels prioritized for programming:** 3<sup>rd</sup> grade

*Note: The ASES and 21<sup>st</sup> CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)*

**Additional Notes:**

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

**Enrollment Process and Timeline:** (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2014. Indicate how families will be notified of 2014-15 enrollment before the last day of school, June 12, 2014.)

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
Mid April	Registration information goes out	ASP Coordinator
Mid May	Parent Orientations	ASP Coordinator
End of May	75% of ASP slots filled	ASP Coordinator
August	Fall Registration and Parent Orientation	ASP Coordinator
September	Rosters Solidified and waitlist created	ASP Coordinator

**Important dates to include in your timeline:**

- April – June: Spring enrollment for 2014-15 programs.
- Families will be notified of 2014-15 after school enrollment before the last day of school, June 12, 2014.
- After school programs begin on 1<sup>st</sup> Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2014.
- All programs must maintain waitlists after program slots are filled.

To Whom It May Concern:

It is the Bay Area Community Resources policy to ensure to the best of our abilities that everyone we bring into our BACR programs to work with our clients are properly screened so as to minimize any risk, either physical or emotional, to the children and other clients we serve. We achieve this through FBI and DOJ fingerprint background checks on all our employees, independent contractors, subcontractors and volunteers. We are set up to receive subsequent arrest records. In addition, all staff must turn in a negative TB clearance before they begin working with our students.

We certify that all staff meet our staff qualifications including TB clearance, and FBI/DOJ clearance before they begin working with the students. We can provide verification upon demand from OUSD.

Sincerely,

TO: Board of Education

FROM: Gary Yee, Ed.D., Superintendent

SUBJECT: Master Memorandum of Understanding between OUSD and Bay Area  
Community Resources

**ACTION REQUESTED**

Authorize the President and Secretary of the Board to enter into and execute a Memorandum of Understanding with Bay Area Community Resources, on behalf of the District to provide services to students. This establishes a one year relationship with Bay Area Community Resources, and a Not-To-Exceed amount of \$4,672,728.30. This amount is projected using historical cost data, known changes to the number of sites served and expected available grant funding allowable.

**BACKGROUND**

The Oakland Unified School District enters into contracts each year to provide professional services that support the District's academic mission. The Master MOU establishes all terms and conditions, a defined menu of services with negotiated rates, and allows for the gathering of necessary supporting documentation to further streamline the process of receiving necessary services, while keeping the integrity of checks and balances, as well as maintaining oversight by the Governing Board.

A Menu of Services was established that would allow a principal to "Order" from the Menu using the Individual Service Agreement (ISA). This is essential to promoting transparency of services, and the costs of those services, between like schools. Each Individual Service Agreement is submitted to the board for approval. In the event that this vendor receives more orders for service than anticipated, an amendment to this MOU will request a new not-to-exceed amount.

## DISCUSSION

Vendor: Bay Area Community Resources

Overview of Services: Bay Area Community Resources contracts with schools to be a lead agency to provide high quality after school programming consisting of academic enrichment and recreational physical activities, family literacy and targeted Equitable Access services to students that are high risk.

Not-To-Exceed Amount: \$4,672,728.30

Determination of the Not-to-Exceed Amount is based on historical data and projections for the coming school year, it is anticipated that Bay Area Community Resources will provide services to 28 school sites.

The District contracts with agencies to provide various activities and after school programs. Chosen by the number of sites served with District and the long standing relationship with the agencies, the Master Memorandum of Understanding establishes a relationship with Bay Area Community Resources, defining terms and conditions as well as setting a maximum not-to-exceed ceiling amount. This ceiling is derived from historical cost data, and known changes in sites to be served, as well as expected grant funding.

In addition, the District has been working with agencies to provide a Menu of Service, which delivers a clear and measurable scope of work. Analogous to ordering from a common table menu, each product is described and the price is clearly quoted, establishing and promoting a more perfect competition where the consumer, here the principal, is informed of the services offered, and the price for those services. This allows the principal to easily compare services and prices, and plan for programmatic needs.

## FISCAL IMPACT

There is no funding associated with the Master Memorandum of Understanding or the Amendment to the Master Memorandum of Understanding herewith. The Master Memorandum of Understanding establishes a relationship, as well as setting the terms and conditions with Bay Area Community Resources. The funding source for each Individual Service Agreement will be determined separately and individually. Funding for the Individual Service Agreement is verified through a review of the BDT budget process, and a review of State and Federal compliance funding when applicable.

**RECOMMENDATION**

Approval of the Master MOU between Bay Area Community Resources and the Oakland Unified School District authorizing the President and Secretary of the Board to enter into and execute the Master Memorandum of Understanding and Individual Service Agreement(s) with Bay Area Community Resources in an amount Not-To-Exceed \$4,672,728.30.

The Secretary of the Governing Board shall place said Individual Service Agreements on the Consent Calendar for Approval.
