CONTRACTOR shall maintain an access log for each OUSD student's pupil record which lists all persons, agencies, or organizations requesting or receiving information with respect to such pupil record. Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from the OUSD student's pupil record. Such log need not record access to the OUSD student's pupil records by: (a) the OUSD student's parent; (b) an individual to whom written consent has been executed by the OUSD student's parent; or (c) employees of OUSD or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the pupil record. For purposes of clause (c) above, "employees of OUSD or CONTRACTOR" do not include subcontractors.

8.8 CONTRACTOR shall grant access to pupil records, and comply with all requests for copies of pupil records, as required by state and federal laws and regulations.

8.9 CONTRACTOR'S obligation under this Section 8 shall survive cancellation, termination, or expiration of this Contract.

9. Severability Clause

If any provision of this Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Contract shall be severable and remain in effect.

10. Successors in Interest

This Contract binds CONTRACTOR'S successors and assignees.

11. Venue and Governing Law

All questions concerning the validity, interpretation and performance of this Contract shall be governed by and decided in accordance with the laws of the State of California without regard to choice of law principles. The parties hereby submit and consent to venue and the exclusive jurisdiction of any state or federal courts located within the City of Oakland, California and irrevocably agree that all actions or proceedings relating to this Contract shall be litigated in such courts.

12. Termination for Convenience

12.1 The OUSD may, by written notice to the CONTRACTOR, terminate this Contract in whole or in part at any time, for the OUSD's convenience and without cause. Upon receipt of such notice, the CONTRACTOR shall:

(a) Immediately discontinue all services affected (unless the notice directs otherwise) and

(b) Deliver to the OUSD all information and material as may have been involved in the provision of services whether provided by the OUSD or generated by the CONTRACTOR in the performance of this Contract, whether completed or in process. Termination of this Contract shall be as of the date of receipt by the CONTRACTOR of such notice.

12.2 If the termination is for the convenience of the OUSD, CONTRACTOR shall submit a final invoice within 60 days of termination, and the OUSD shall pay the CONTRACTOR the sums earned for services actually performed prior to the effective date of termination and other reasonable costs incurred by the CONTRACTOR to implement the termination in accordance with the provisions of this Contract.

12.3 The CONTRACTOR shall not be entitled to anticipatory, lost profits, or consequential damages as a result of any termination under this section. Payment to the CONTRACTOR in accordance with this section shall constitute the CONTRACTOR'S exclusive remedy for any termination hereunder.

12.4 Either party may terminate this Agreement with or without cause by providing Thirty (30) days' notice, in writing, to the other party. Upon the expiration of said notice, this Agreement shall become of no further force or effect whatsoever and each of the parties hereto shall be relieved and discharged here from.

12.5 Services to an individual student may be terminated by CONTRACTOR with consent of the OUSD if the student fails to attend 3 or more sessions, per written parental request, the student's dis-enrollment from the District, if this MOU is terminated, or if the student's conduct or behavior threatens the safety or well-being of that student, other students or staff members, or substantially detracts from the learning environment.

13. Termination for Default

13.1 The OUSD may, by written notice to the CONTRACTOR, terminate this Contract in whole or in part at any time because of the failure of the CONTRACTOR to fulfill its contractual obligations and the District may, in its sole discretion, provide CONTRACTOR with a reasonable period within which to cure the default. Upon receipt of such notice, the CONTRACTOR shall:

(a) Immediately discontinue all services affected (unless the notice directs otherwise) and

(b) Deliver to the OUSD all information and material as may have been involved in the provision of services whether provided by the OUSD or generated by the CONTRACTOR in the performance of this Contract, whether completed or in process (unless the notice directs otherwise). Termination of this Contract shall be as of the date of receipt by the CONTRACTOR of such notice.

13.2 If the termination is due to the failure of the CONTRACTOR to fulfill its contractual obligations, the CONTRACTOR shall be liable to the District for any reasonable costs or

damages occasioned to the District thereby. The expense of completing the Services, or any other costs or damages otherwise resulting from the failure of the CONTRACTOR to fulfill its obligations, will be charged to the CONTRACTOR and will be deducted by the District out of such payments as may be due or may at any time thereafter become due to the CONTRACTOR. If such costs and expenses are in excess of the sum which otherwise would have been payable to the CONTRACTOR, then the CONTRACTOR shall promptly pay the amount of such excess to the OUSD upon notice of the excess so due.

13.3 If, after the notice of termination for failure to fulfill contract obligations, it is determined that the CONTRACTOR has not so failed, the termination shall be deemed to have been effected for the convenience of the OUSD subject to Section 12.

13.4 The CONTRACTOR shall not be entitled to any anticipatory, lost profits, or consequential damages as a result of any termination under this section. Payment to the CONTRACTOR in accordance with this section shall constitute the CONTRACTOR'S exclusive remedy for any termination hereunder. The rights and remedies of the OUSD provided in this section are in addition to any other rights and remedies provided by law or under this Contract.

14. Termination for Change of Control

In the event that CONTRACTOR undergoes a change in control where voting or other control of CONTRACTOR is acquired, directly or indirectly, in a single transaction or series of related transactions, or all or substantially all of CONTRACTOR'S assets are acquired, by any entity (other than an Affiliate), or CONTRACTOR is merged with or into another entity (other than an Affiliate) to form a new entity, then, at any time within nine (9) months after the last to occur of these events, OUSD may terminate this Agreement by (a) giving CONTRACTOR ninety (90) calendar days' prior written notice and (b) designating a date upon which the termination(s) will be effective.

15. Termination for Insolvency

OUSD may terminate this Agreement in its entirety if CONTRACTOR (a) becomes insolvent or is unable to meet its debts as they mature, (b) files a voluntary petition in bankruptcy or seeks reorganization or to effect a plan or other arrangement with creditors, (c) files an answer or other pleading admitting, or fails to deny or contest, the material allegations of an involuntary petition filed against it pursuant to any applicable statute relating to bankruptcy, arrangement or reorganization, (d) is adjudicated a bankrupt or makes an assignment for the benefit of its creditors generally, (e) applies for, consents to or acquiesces in the appointment of any receiver or trustee for all or a substantial part of its property, or (f) any such receiver or trustee is appointed and not discharged within thirty (30) calendar days after the date of such appointment.

16. Insurance

16.1 CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed insurer with an A minus (A-), VII, or better rating from A.M. Best, sufficient to cover any claims, damages, liabilities, costs and expenses (including counsel fees) arising out of or in connection with CONTRACTOR'S fulfillment of any of its

obligations under this Contract or either party's use of the Work or any component or part thereof:

- (a) COMMERCIAL GENERAL LIABILITY insurance which shall include contractual, products and completed operations, corporal punishment and sexual misconduct and harassment coverage, and bodily injury and property damage liability insurance with combined single limits of not less than \$1,000,000 per occurrence.
- (b) WORKERS COMPENSATION insurance, as required by the California Labor Code, with not less than the statutory limits.

16.2 CONTRACTOR, no later than the date that this Contract is signed, and periodically thereafter upon request, shall furnish the District with certificates of insurance evidencing such coverage. Satisfactory evidence of insurance shall include standard insurance company Certificate of Liability Insurance form ACORD 25-S or the Marsh, Inc. insurance certificate form. The certificate of insurance shall include a thirty (30) day non-renewal notice provision. The policies of insurance providing the coverages referred to above shall name the Oakland Unified School District as an additional insured with respect to any potential tort liability, irrespective of whether such potential liability might be predicated on theories of negligence, strict liability or products liability. Premiums on all insurance policies shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR'S obligations under this contract at no additional charge. Failure to maintain the above mentioned insurance coverage shall be cause for termination of this Contract.

16.3 If at any time said policies of insurance lapse or become canceled, this Contract shall become void. The acceptance by OUSD of the above-required insurance does not serve to limit the liability or responsibility of the insurer or CONTRACTOR to OUSD.

16.4 If OUSD determines that change in insurance coverage obligations under this section is necessary, OUSD may reopen negotiations to modify the insurance obligations.

Exhibit B - Insurance Certificates

17. Indemnification and Hold Harmless

17.1 CONTRACTOR shall indemnify, hold harmless and defend the Oakland Unified School District and each of its officers, officials, employees, volunteers and agents from any loss, liability, fines, penalties, forfeitures, costs or damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by the District, CONTRACTOR or any other person and from any claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly out of performance of this Agreement.

17.2 CONTRACTOR'S obligations under the preceding sentence shall apply jointly and severally regardless of whether OUSD or any of its officers, officials, employees, volunteers or agents are actively or passively negligent, but shall not apply to any loss or liability, fines, penalties, forfeitures, costs or damages caused solely by the active negligence or by the willful misconduct of OUSD.

17.3 If CONTRACTOR should subcontract all or any portion of the work or activities to be performed under this agreement, CONTRACTOR shall require each subcontractor to

indemnify, hold harmless and defend OUSD, its officers, officials, employees, volunteers or agents in accordance with the terms of paragraphs 17.1 and 17.2.

18. Independent Contractor and Conflict of Interest

18.1 CONTRACTOR shall provide all services under this Contract as an independent CONTRACTOR, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the OUSD and any individual assigned by CONTRACTOR to perform any services for the OUSD. If the OUSD is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR or any person performing services on CONTRACTOR'S behalf, CONTRACTOR shall defend, indemnify and hold harmless the OUSD from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by the OUSD as a result of that holding.

18.2 CONTRACTOR shall abide by and be subject to all applicable OUSD policies, regulations, statutes or other laws regarding conflict of interest. CONTRACTOR shall not hire any officer or employee of OUSD to perform any service by this Agreement, with the exception of OUSD teachers hired to tutor students in the SES program. CONTRACTOR affirms to the best of his/her/its knowledge, there exists no actual or potential conflict of interest between CONTRACTOR's family, business or financial interest and the services provided under this Agreement, and in the event of change in either private interest or services under this Agreement, any question regarding possible conflict of interest which may arise as a result of such change will be brought to OUSD's attention in writing. Through its execution of this Agreement, CONTRACTOR acknowledges that it is familiar with the provisions of section 1090 et seq. and Section 87100 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provisions. In the event CONTRACTOR receives any information subsequent to execution of this Agreement, which might constitute a violation of said provisions, CONTRACTOR agrees it shall notify OUSD of this information.

19. Subcontracting

19.1 CONTRACTOR shall provide written notification to OUSD before subcontracting for Supplemental Educational Services pursuant to this Contract. CONTRACTOR shall subcontract only with Supplemental Educational Service providers that have received state certification or approval or independent contractors paid under IRS 1099 rules and only after receiving OUSD's prior written consent. CONTRACTOR shall incorporate all of the provisions of this Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of Supplemental Educational Services for any OUSD student, CONTRACTOR shall ensure that such subcontract shall require the subcontractor to keep in effect appropriate policies of liability insurance including, but not limited to, general liability and professional liability policies acceptable to OUSD with the limits stated in Section 16. CONTRACTOR shall ensure that such subcontract shall require the subcontractor's insurance provider to send written notice of cancellation to OUSD at least thirty (30) days prior to cancellation or material change in coverage or terms of policy.

19.2 If the CONTRACTOR hires independent contractors paid under IRS 1099 rules to perform services under this Contract, CONTRACTOR must demonstrate compliance with the insurance requirements of Section 16, with respect to each such independent contractor by either:

- (a) Covering each such independent contractor under CONTRACTOR'S own insurance, as evidenced by submitting complete copies of all relevant insurance policies of CONTRACTOR; or
- (b) Submitting insurance certificates evidencing that each such independent contractor has its own insurance and has coverage which complies with the insurance requirements of Section 16.

19.3 CONTRACTOR shall not provide transportation or subcontract for transportation services for OUSD students unless OUSD and CONTRACTOR agree otherwise in writing.

Any such amendment shall require the mutual agreement of the parties. Further, if the Board of Education suspends payments to contractors due to budget cutbacks by the State of California, District shall have the option to suspend performance of the Contract and suspend payments to the CONTRACTOR until the State of California rescinds the suspension. In any event, the Contractor shall be paid in accordance with the Contract for Services performed through the date of termination, amendment (as more particularly set forth in the amendment) or suspension of payments. Any consent by the District to, or waiver of, a breach by the CONTRACTOR, whether express or implied, will not constitute consent to, a waiver of, or excuse for any other different or subsequent breach. The failure by the District to exercise any right provided for under this Contract will not be deemed a waiver of that right or of any other right hereunder.

PROVIDER SERVICES

- How will the provider ensure that content and instruction are consistent with the content used by and instruction provided by the OUSD and aligned with California state standards?
Tutors will create an Individual Learning Plan (ILP) based on STAR results, report card grades, and a pre-assessment test. ILP enumerates three specific academic goals derived from the California State Standards necessary to achieve grade level proficiency. For students with an Individual Education Program (IEP), or section 504 plan, tutors will integrate the information into the ILP to ensure consistency between the SES and school programs. Additionally, when applicable, the tutors adapt lessons to meet the needs of students with disabilities. The curriculum materials utilized from Houghton Mifflin are further aligned with California State Standards.
- How do you ensure that the ILP is individually tailored to each student's needs?
Upon receiving student information from the district/school regarding student's academic achievement, each tutor administers a pre-assessment test which results in the creation of an Individual Learning Plan (ILP) to reflect the areas within a subject that will be targeted during instruction to meet proficiency. The plan includes three academic goals developed from the results of the pre-assessment conducted during the initial meeting. These goals are

developed to align with the state content standards and build upon each other, beginning with the most basic of achievable goals and progressing incrementally toward the third academic goal and completion of the ILP. The tutor develops an individual ILP for each student and that plan is the outline for the tutorial's progression. The ILP lists the goals that must be mastered, the materials that will be utilized, and how progress will be measured by the tutor.

- In what content areas are providers prepared and qualified to provide support services to students as per the proposal approved by the state of California?
Language Arts and Mathematics

- What are the qualifications of the employees used to provide SES services to students?

CCF requires tutors to have a minimum 15 college units completed, 2.5 cumulative GPA, and previous teaching/tutoring experience. Tutors are to successfully pass a thorough background check with CDOJ and FBI, and Tuberculosis testing. Tutors are further mandated to attend six (6) hours of training before commencing tutoring instruction.

- What training, guidelines, and support do employees providing service receive? (Describe completely the content of the training received by employees providing service.)

Upon employment, all tutors are mandated to attend a six hour training meeting before commencing tutoring services with a student. The tutor training focuses on the background and general information about CCF's tutoring program, including information about NCLB and SES. The tutors receive our organization's a guide to the structure of tutoring sessions, understanding and completing tutoring paperwork (i.e. individual learning plan, session summary sheets, Attendance/Progress Reports, closeout forms), to administering the Wide Range Achievement Test 4 (WRAT4) assessment, to developing and utilizing the ILP, to utilizing Houghton Mifflin Language Arts and Mathematics curricula, to including parents/guardians in the tutoring progress, tutorial protocol, CCF company policies and procedures, mandated reporting procedures, and dismissal and cancellation policies.

During the training, tutors are asked to act out scenarios in order to practice with teaching methods and situations that come up with students. Tutors take the Tutor Handbook with them to reference at any time. The handbook contains everything from the training to samples of all the paperwork that needs to be completed. At the training, and in weekly tutoring updates, tutors receive information about general guidelines that they must follow as a tutor for CCF. This includes being prompt and reliable for scheduled sessions, tutoring students on-on-one, meeting consistently with parents, completing paperwork completely, staying in constant communication with parents and being focused and attentive to the student during the tutoring sessions. Tutors are given information about the tutor warning policy and discipline procedures should they fail to meet guidelines. Once they have begun tutoring, all tutors are provided all the curriculum materials that are needed in order to meet the goals outlined on the ILP. They receive the core curriculum from the Houghton Mifflin series for either Language Arts or Mathematics, depending on what subject and grade level they are tutoring in. In addition to the Houghton Mifflin books, they are also given supplemental materials such as worksheets, the Science Research Associated (SRA)

Reading laboratory, flash cards, index cards, lined paper, notebooks, pens, and white boards with markers depending on what they have observed would be most effective to use with the student. In addition, tutors meet with their direct supervisor on a weekly basis in order to submit paperwork and to discuss any questions, concerns, and problems that may arise throughout the course of service. Tutors are also given all the pertinent contact information for their supervisor, as well as the office staff so that they are able to contact them on a daily basis when any issues or questions arise.

- How does the provider guarantee that all provider employees are aware of child abuse reporting procedures?

At the hiring training, tutors are given a comprehensive tutor handbook that they can take with them and reference at any time. The handbook contains everything from the training, along with samples of all polices and producers including missing/abused children.

- What is the delivery mode for the service and what is the maximum tutor student ratio (i.e.: 1 to 1 tutoring, small group instruction, computer-based lessons with or without a live tutor, etc.)?

1 to 1 tutoring

- Describe the general program of instruction to be provided to students including the materials to be used with the students as per the proposal approved by the state of California.

Community College Foundation (CCF) provides SES tutoring aligned with the California Academic Content Standards and designed to provide students with personalized instruction to help them achieve grade level proficiency. During the first visit with the student and parent, the tutor administers a pre-assessment to determine the student's skill level in Language Arts or Math. Information obtained from this assessment and information provided by the district and parent are used to develop a personalized Individual Learning Plan (ILP) that contains three academic goals derived from the California State Standards. CCF utilizes Houghton-Mifflin Spelling and Vocabulary and Houghton-Mifflin Math Steps for grades K-8. For grades 9-12, CCF utilizes the Great Source Vocabulary for Achievement series and McDougal Littell, a division of Houghton-Mifflin High School Math Series. The Science Research Associated (SRA) reading labs are also utilized for grades K-12 to serve as supplements to the textbooks. CCF also encourages tutors to incorporate manipulative tools / materials (e.g. flashcards, picture, play money, whiteboards, audio media, etc.) to help address the different learning styles a student may have. Each session begins with a warm-up exercise to provide the tutor with an indication of the student's skill level or understanding for a particular idea/concept. The session progresses to the core curricula which incorporate supplements and manipulative tools as needed. Once a student has demonstrated mastery of a goal, they will continue to the next goal and so on until completion of services.

- For Special Education students, how will the provider ensure that supplemental services provided for the student are consistent with the student's Individualized Education Plan (IEP), there is disability access and that any accommodations

necessary are made?

The specific needs of special education students will be addressed, and instruction will be aligned with IEP goals as applicable. Students are taught at their level of instruction regardless of their grade level. Depending on the disability, each student's strengths are utilized to teach them. For example, if they have auditory processing disabilities then the tutor will focus on using visual processing and vice versa. If the student has low receptive language, the tutor will use expressive language and vice versa. Accommodations include: distraction free area for tutoring sessions, providing outlines of lessons and handouts, written and oral lessons, distinct instruction in slow speech, writing legibly and in large type on white boards, use of props to make narrative situations clearer, extended time for assessments, use of visual aids and dialog between tutor and student. When necessary, CCF's tutoring program will go to great lengths to identify a tutor with special qualifications to fit the student's individual needs.

- For English Learner students, how will the provider ensure that there is primary language support provided for the student?

Tutors working with English Language Students (ELs) apply Specially Designed Academic Instruction in English (SDAIE) which is a teaching approach intended for teaching various academic content (i.e. social studies, science or literature) using the English language for students who are still learning English. SDAIE requires the student possess intermediate fluency in English as well as mastery of their native language. The instruction is carefully prepared so the student can access the English language content supported by material in their primary language and carefully planned instruction that strives for comprehensible input. SDAIE is a method of teaching students in English in a manner that the student gains skills in both the subject material and in using English. Lessons include both content goals and language goals for the students. Tutors utilize clear and slow speech along with simple vocabulary in simple sentences, the use of repetition, regalia, and visuals to support instruction.

Total Physical Response (TPR) is used as a process of code breaking by having the ELs respond physically to the information being tutored by giving a pragmatic reference point to memorizing vocabulary and facts. A bilingual tutor is used to offer support in the native language, to point out familiar cognates and to make "bridges" in understanding. Tutors are encouraged to find a common language while tutoring in math. Tutors incorporate manipulative tools and models such as counters, flashcards, fraction bars, whiteboards, journals, and other objects and images that directly teach math vocabulary. CCF's tutors are trained to use multiple instructional approaches based on the diverse needs of our students.

CCF's tutoring instruction in math is to focus on fewer problems that get the essential concepts and skills without overwhelming the student. Tutors can also apply SDAIE in creating lesson plans for students needing support in math. The math curriculum utilized is aligned with California State Standards and further aligned with No Child Left Behind (NCLB) standards. The textbook not only explains mathematical concepts through practice work but provides vocabulary lessons that allow the student to improve their knowledge of the English language. CCF's tutoring program's goal is to lessen the learning barriers so that each student can have full participation in a rich mathematical experience.

- What is your organization's student behavior policy and what behavior intervention strategies does your organization use?

Discipline Policy: Any necessary discipline of the student shall be the responsibility of the parent.

Step 1: Student/Parent is given a verbal warning.

Step 2: Student/Parent receives a written warning

Step 3: A conference with the student, the student's parents, and supervisor is set up.

Step 4: The student is removed from the program.

The in home preference allows for the parent to discipline the student. When tutoring takes place at a local public library, the tutor practices positive reinforcement, inquires about any issues as to why the student is resisting tutoring, and will change subject or methods of tutoring to get the student back on track.

ASSESSMENT AND ACCOUNTABILITY

- What instrument does the provider currently use as a pretest and as a posttest and to monitor and assess student progress during services?

CCF uses the Wide Range Achievement Test 4 (WRAT 4) as a pretest and as a posttest.

The tutor will be able to determine the progress throughout the tutoring sessions by comparing scores from the beginning and end of the sessions. In addition, the tutor will be using short written quizzes, chapter reviews, worksheets, student observation, oral quizzes and portfolios of student work in order to informally assess the student throughout the tutoring.

- To what degree do current assessment measures used by the provider reflect California state content standards?

To the fullest degree possible. The Wide Ranging Achievement Test 4 (WRAT4) assessment was chosen as CCF's assessment tool because it provides a grade level breakdown for each component. Language Arts is assessed through word reading, sentence comprehension, and spelling. A student will receive a grade level breakdown for each of the three components.

The math assessment provides one overall grade level. The tutor develops academic goals that align with the state content standards and measures the areas shown lacking in the assessment results. The WRAT4 allows tutors to select academic goals that are appropriate for a particular student.

- Local education agencies are required to develop contracts that provide for the termination of agreements with supplemental service providers if the provider is unable to meet the goals or timelines of the agreement. How will the provider ensure that timelines are being met and that students are making sufficient progress toward learning goals? What does the provider currently include as a "guarantee" to consumers of the effectiveness of their service?

Beginning with the initial meeting, student information is provided by the district and parent to use in concert with the pre-assessment results. The information provided is

incorporated in the IP and copies of the learning plan are provided to the parent, teacher/school, and district. After each tutoring session, the tutor completes a Session Summary Sheet outlining the lesson objective(s), curricula and/or mode of instruction utilized, and outcome comments. The form is explained to the parent and then signed by the tutor and parent. Progress data is entered into our database for monthly reporting to LEA. Tutors are required to submit Session Summary Sheets to their supervisor each week. The consistency in reporting provides an opportunity for management to review each student's progress and offer input/training to tutors as needed.

In addition to the Session Summary Sheet, tutors are required to complete an Attendance/Progress Report on either a monthly or fifteen (15) hour interval basis as requested by LEA/district. The Attendance/Progress Report lists the dates of service, the number of hours tutored and an analysis of the period's academic outcomes and recommendations for future sessions. The tutor will explain this form to the parent and provide them with a more thorough description of the student's progress for the tutoring period. A copy of the Attendance/Progress Report is provided to the parent, school/teacher, and district.

At the completion of tutoring services, the tutor completes a Close-Out Report detailing progress made, pre and post-assessment scores, IP academic goals, and any significant learning or attitudinal changes that may have occurred over the course of tutoring. The tutor reviews the report with the student and parent/guardian. The parent/guardian signs the report and adds any written comments. A copy of this report is then given to the parent/guardian, school/teacher, district and a copy remains in the CCF's tutoring files and database.

To ensure consistency and quality of the reporting process, CCF program management team reviews all reports. Each of these reports can be easily refined and adapted to meet the needs of the individual school and district. All CCF reports are produced in English and Spanish to accommodate the needs of the parent/guardian. Provisions are made to facilitate both verbal and written communication with parents/guardians that are not fluent in English.

CCF currently includes in its advertising that students gain an average of one grade level equivalent as a "guarantee" to consumers of the tutoring program's effectiveness.

COMMUNICATION

- In addition to the required Attendance/Progress Reports after each 15 hours of service, how will the provider regularly evaluate student progress and report student progress to the parent?

In addition to the Attendance/Progress report every 15 hours, tutors are required to complete a Session Summary Sheet outlining the lesson objective(s), curricula used, and outcome comments. The contents of the form are explained to the parent and then signed by both tutor and parent. Furthermore, the in-home nature of the program allows there to be

constant communication between the tutor and parent to discuss student progress and any difficulty.

- How does the provider monitor and report student attendance? What is the planned parent outreach if students fail to attend or participate in services? What procedures will be in place to notify parents, the school, and the OUSD SES Office if students fail to attend?

During the first session, parents are provided with CCF policies on discipline, participation, and attendance. The forms are provided to the parent in written form and discussed between the parent and tutor. When services are held in-home, parents are required to be present during services and asked to monitor the session and help ensure the student's participation and address discipline issues that may arise. In instances where participation and discipline continue to be an issue, a meeting between the parent, student, tutor, and the Area Manager will be coordinated to discuss possible solutions. Parents are also explained the importance of maintaining a consistent tutoring schedule, and providing proper notification should a postponement/cancellation be necessary. Conversely, the same is explained to all tutors. Session cancellations of 3 times or more without notification to the tutor or to CCF's office will result in removal from the program.

- How will provider communicate the required complaint procedures to parents? **(Copies of these procedures as well as Child Abuse and Missing Children Reporting Procedures were to be submitted to OUSD during contract process.)**

The tutor will provide the parent with the complaint form during the initial tutoring session along with a contact name, phone number, and address for his or her supervisor or program manager to contact in case of a complaint. The Area Manager will contact the parents by phone at times throughout the dates of tutoring services to ensure parents are satisfied with the tutor and services.
