The OUSD Peer RJ program supports the District's goal of reducing racially disproportionate discipline (DMC) by building community and resolving conflicts between students which may otherwise result in fights and subsequent suspensions. Restorative Justice has efficacy as an alternative to suspension and is a key component of the District's comprehensive violence prevention plan for middle schools. Board Meeting Date: 01/15/2014
Subject: Professional Service Contract
Contractor: Kyle McClerkins of Hayward, CA
Services for: 210-Edna Brewer

Board Action Requested and Recommendation: Ratification by the Board of Education of a Professional Services Contract between the District and Kyle McClerkins, Hayward, CA, for the latter to provide: 634.5 hours of service. As an OUSD Peer RJ Coordinator, the consultant will provide services at Edna Brewer Middle School-under the direction of the Program Manager for Restorative Justice and in coordination with the site administrators. The Peer RJ Coordinators will recruit, train and oversee a representative group of students reflective of the racial, ethnic, and academic diversity of the school. The Consultant will serve in the capacity of Peer RJ Coordinator for the period of 08/13/2013 through 06/30/2014 in an amount not to exceed \$19,035 00

Background:
 (A one paragraph explanation of why the consultant's services are needed.)

The Oakland Fund for Children and Youth (OFCY) Grant, provided by the City of Oakland, funds the District to implement a peer restorative justice program for eight participating OUSD middle schools- Bret Harte, Claremont, Edna Brewer, Elmhurst Community Prep, Frick, James Madison, Montera, and Westlake Middle Schools. The OUSD Peer RJ program supports the District's goal of reducing racially disproportionate discipline (DMC) by building community and resolving conflicts between students which may otherwise result in fights and subsequent suspensions. Restorative Justice has efficacy as an alternative to suspension and is a key component of the District's comprehensive violence prevention plan for middle schools. Specific grant activities include hiring Peer RJ Coordinators to train and coach students to use communication and problem-solving skills to assist their peers in managing and resolving interpersonal conflict.

The Consultant will organize, create, and design training materials that teach conflict resolution, effective communication, problem solving, and restorative practices, and expect to share them with other Peer RJ coordinators. Peer RJ leaders will work in pairs to help peers involved in a dispute to resolve their differences and repair their relationship. Provide details of program participation (Students will...) and measurable outcomes (Participants will be able to...). NOT THE GOALS OF THE SITE OR DEPARTMENT.

- The Consultant will provide support to 40-70 youth who are experiencing barriers to learning due to conflict and connect them to restorative justice services. In previous years, almost 100% of these students have graduated from high school. The Peer RJ program augments other efforts within OUSD to reduce truancy and foster academic achievement.
- 5-10 Youth RJ Leaders in the program will learn how to: be a peer leader, practice effective communication skills, express personal feelings and needs, listen without taking sides, problem-solve, improve school climate, and gain experience in civic participation within their school community. These efforts support students in the program to be prepared for success in college and future careers.
- Restorative Justice and Conflict Resolution education is part of the District's overall violence prevention strategy. The strategy also includes implementing the Second Step curriculum. This program will increase the feeling of safety and support in participating schools and aid in raising attendance and graduation rates.
