**Memorandum of Understanding 2013-2014
Between Oakland Unified School District and
Youth Uprising**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with Youth Uprising ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 301/Castlemont High School under the following grants:
 - California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
 - California Department of Education ("CDE") 21st Century Direct Access Grant ("Direct Access")
 - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")
2. **Term of MOU.** The term of this MOU shall be July 1, 2013 to August 29, 2014 and may be extended by written agreement of both parties.
3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
4. **Compensation.** The 21st Century ASSETS Core Grant, Family Literacy, and Direct Access grant award amount for 301/Castlemont High School is \$182,326.00. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
 - 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
 - 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A - Attendance Reporting Schedule 2013-2014**).
 - 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial

adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

4.2.2. Administrative Charges and Reconciliation. Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).

4.3. OUSD Administrative Fees. OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.

4.4. AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.

4.5. Program Budget. Due to result-based budgeting, the grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2013-2014 and will not exceed \$182,326.00 in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").

4.6. Modifications to Budget. Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. Program Fees. The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee

structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

5. **Scope of Work.** AGENCY will serve as lead agency at 301/Castlemont High School, will be responsible for operations and management of the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant contracted to AGENCY by OUSD for fiscal year 2013-2014. AGENCY may retain a copy of all materials produced under this MOU for its use in its general business activities.

10. Changes

- 10.1. **Agency Changes.** AGENCY may, at any time, by written order, make changes consistent with Section 5 Scope of Work of this MOU. If such changes cause an increase or decrease in the budgeted cost of or the time required for performance of the agreed upon work, an equitable adjustment as mutually agreed shall be made in the limit on compensation as set forth in Section 4 or in the time of required performance as set forth in Section 5.4, or both. In the event that AGENCY encounters any unanticipated conditions or contingencies that may affect the scope of work or

The written notice shall explain the circumstances giving rise to the unforeseen condition or contingency and shall set forth the proposed adjustment in compensation. Such notice shall be given to OUSD prior to the time that AGENCY performs work or services related to the proposed adjustment in compensation. Any and all pertinent changes shall be expressed in a written amendment to this MOU and signed by OUSD prior to AGENCY's implementation of such changes.

- 10.2. **Changing Legislation.** AGENCY understands that changes in Federal, or state legislation or District policy may impact funding levels, grant requirements, and responsibilities of AGENCY during an academic school year. 2. The freshman class and student athletes will receive academic support through a one-stop shop model.
3. Students at risk of being chronically truant will be engaged in the after-school program offerings.
4. The after school program will connect Castlemont students to employment training and subsidized job opportunities in a career that they are interested in pursuing.

SECTION 3: OUSD Strategic Questions

Complete the matrix for *at least two* of the following four OUSD Strategic questions.

Strategic Questions/Desired Outcomes <i>As a result of our ASP efforts...</i>	Strategic Activities <i>What after school strategic activities will support the desired outcomes?</i>	Outcomes of Strategic Activities <i>What short-term outcomes will you expect from your efforts by the end of the school year?</i>	Data used to assess the strategic activities <i>What data will be collected to measure these outcomes?</i>
High School Graduation: How many more Oakland children are graduating from high school?	The after-school program will target outreach to students who are credit deficient and provide incentive to participate in the credit recovery offerings in addition to providing a daily homework assistance and tutoring services. The after-school participants will be surveyed regarding their use of CHO resources.

SECTION 4: Program Model and Lead Agency Selection

For 2013-2014, my site will operate the following program model:

- ☐ **Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
- ☐ **Extended School Day:** *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*
- ☒ **Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

Youth UpRising will communicate on a weekly basis with the Principal and the Director of Full Service Community Schools to discuss the needs of the school's plans. YU will also remain a strong member of the One Land, One People Collaborative that is a strong component of the school's plan for Full Service Community School development.

SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm on every regular school day for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

Program Schedule

Submit program schedule as an attachment, using the standard program schedule template.

* CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates.

SECTION 6: Academics

Your site should plan to offer a range of academic supports and MUST include:

1) CAHSEE Prep 2) Credit Recovery 3) Tutoring

Other possible supports may include computer lab, STEM Programs, Academic Intervention, project-based learning, and coordination with SES tutoring.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services, and increase their ability to support their student's learning and development. All high school programs will fund a Parent Liaison position to support family literacy programming.

PARENT LIAISON:

Describe the anticipated duties of the Parent Liaison in your program. Also identify what supports your school site will provide the Parent Liaison, including training and materials.

The Parent Liaison will be responsible for communicating all aspects of the after school program with the families of all of the participants. This will include program schedules and calendars and providing outreach to ensure participation in the activities that are targeted for the parents of the students. The Parent Liaison will ensure that feedback and communication with the families is a strong component of the program.

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help

keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	We will target outreach to students who were at risk of chronic absenteeism during 2012-13 to engage them in the after-school program.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	The After-School Program will organize field trips that can be attended by program participants who have exemplary attendance.

SECTION 10: Transforming School Culture and Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

The after school program will have a weekly Man Up and Sister Circle group that is targeted to providing social-emotional support to African American students. In addition, YU holds a GED program that is targeted to African American students who are extremely credit deficient to give them an opportunity to continue to meaningfully attend school and walk with their classmates at graduation. Lastly, YU is also the lead in facilitating the in-school suspension program that takes a restorative justice approach to working with students to improve their behavior and engage them in their learning as opposed to sending the student home.

SECTION 11: Coordination with Other Service Providers

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?

2013-14 After School Enrollment Policy for _____ School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Credit Deficient Students	Students who are credit-deficient.	Optional
Freshman Students	School drop-out rate	Optional
20 SUDA students	Enrollment in SUDA	Mandatory
Student Athletes	Team Rosters	Mandatory

Grade levels prioritized for programming: 9th, 12th, 11th, 10th _____

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students.

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: Summarize your enrollment timeline below. Describe ongoing program outreach and recruitment efforts, beginning in Spring 2013.

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
May-June	Hire Site Director; complete program planning; early outreach and recruitment for 2013-14	Susan Han
August-September	Staff Professional Development; Continue outreach and Enrollment	Susan Han and Site Director
August 26	School Assembly to promote enrollment; First Day of After School Program	Site Director
September 2	Parent Orientation	Family Liaison

Important dates to include in your timeline:

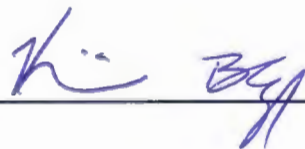

- May – June: Early outreach and recruitment for summer program and 2013-14 school year program.
- August – September: New school year enrollment of students for remaining program slots.
- After school programs begin on 1st Day of school.
- Parents are notified about their student's participation in program at beginning of school year (specify date).
- All programs must maintain waitlists after program slots are filled.

School Support for Program Recruitment

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

All teachers will receive program guides that detail program offerings to encourage their students to enroll. We will also hold a school assembly in the first week of school to promote the various activities of the after-school program in addition to making regular announcements that will be made to remind students of the after-school activities for that day. Throughout the first 2 weeks of school, each program offering will have table in the courtyard during lunch to engage students to register for their program.

Organizational Description

About Youth UpRising

Our mission is to transform East Oakland into a healthy and economically robust community by developing the leadership of youth and young adults and improving the systems that impact them.

Located in the heart of East Oakland, YU transforms young people by increasing the physical and mental wellbeing, community connection, educational attainment, and career achievement among youth members while transforming the systems and community through policy and community economic development.

More About Youth UpRising

Living in East Oakland can take 10 years off your life. We've got to transform the community, and we owe it to the young people to start with them. We work with young people who are at risk -- murder is the number one cause of death among our clients. And our young people struggle to navigate the barriers thrown up by years of disinvestment in our community and a system that funnels them down a school to prison pipeline. Youth UpRising recognizes that young people are the key that will unlock our community's future. Youth UpRising changes how these systems label and treat young people, so that those labeled as problems are instead recognized as opportunities. Every year, Youth UpRising moves 2,000 young people towards stability, self-sufficiency, self leadership, and community leadership. Through career & education, health & wellness, arts & expression and civic engagement programming, Youth UpRising grows the leaders we need to transform East Oakland into a healthy, economically robust community.

...But delivering services is not our only goal.

Youth UpRising (YU) envisions a healthy and economically robust East Oakland powered by the leadership of youth and young adults as well as improvements in systems and environments that impact them. Our primary focus is building a systems change and community economic development platform that supports and strengthens our personal transformation work.

Our goal is for people to get jobs, become economically viable and to stay here to raise their families.
