# Memo

**To** Board of Education

**From** Kyla Johnson-Trammell, Superintendent  
Sondra Aguilera, Chief Academic Officer  
Jennifer Blake, Executive Director, Special Education Department

**Board Meeting Date** June 24, 2020

**Subject** Resolution - SELPA Local Plan Update - Instructional Materials for Students with Visual Impairments - Special Education Department

**Action Requested** Approval by the Board of Education of Resolution No. 1920-0234 Adopting and Complying With Requirements for Specific Resolutions that are Necessary for the Special Education Local Plan Area's ("SELPA") Policy Regarding the Provision of Instructional Materials For Students With Visual Impairments.

**Background and Discussion** This Resolution is required as a provision of the SELPA Local Plan for Oakland Unified School District SELPA. The OUSD SELPA, pursuant to section 56195 of the California Education Code, has the responsibility to adopt a plan (in accordance with California Education Code 56200) to assure that special education and services for all eligible individuals with disabilities residing in the geographic area served by OUSD SELPA are delivered. Specific resolutions are called for as a part of that plan that do not currently exist within OUSD Board Policy. SELPA policy requires that the body governing OUSD SELPA is the Oakland Unified Board of Education, which must adopt SELPA policies when additions or adaptations become necessary.

The District seeks to ensure access to instructional materials for all students, including those with visual impairments, and to provide instructional materials to blind students or other students with print disabilities in a timely manner according to the state-adopted National Instructional Materials Accessibility Standard.

**Fiscal Impact** No fiscal impact.
