School Site: Hoover Elementary School	Lead Agency: Bay Area Community Resources
Principal Signature: 	Lead Agency Signature: 
After School Site Coordinator Name (if known at this time): Diana Magaña Bolaños	Date: April 7, 2014

**SECTION 2: After School Alignment with Community School Strategic Site Plan (CSSSP)**

Mark the following Strategic Priority areas of the school's CSSSP where this after school program is identified as a high leverage strategy.

- Balanced Literacy and Literacy Across the Curriculum
- Science, Technology, Engineering, and Mathematics (STEM)
- Transitions and Pathways Pre-K to 12
- College, Career and Workforce
- Accelerating Students through Targeted Approaches
- Extended Learning Time
- School Culture (including Meaningful Student Engagement)
- Health and Wellness
- Interrupting Chronic Absence (Attendance)
- Building Capacity and Leadership
- Family and Student Engagement
- Strategic Operational Practices

State 3 – 4 primary goals of the After School Program and intended impacts for participating students.

1. Continue our focus on Literacy through a strong partnership with the school day. Our Academic Liaison will be selected as early as

possible and will provide support through observations and professional development. We will continue to work closely with school day to design skill building activities that support literacy.

2. STEM academic focus: Seek out curriculum (such as kidz science) that will support alignment to these two academic areas. Continue participating in the Science learning community to receive additional professional development and support for staff.
3. Continue our focus on health and wellness through intentional, well organized activities such as cooking/nutrition, sustainability of the garden and continued development of our sports league activities.

### SECTION 3: OUSD Strategic Questions

Complete the matrix for *at least two* of the following four OUSD Strategic questions.

<b>Strategic Questions/Desired Outcomes</b>	<b>Strategic Activities</b>	<b>Outcomes of Strategic Activities</b>	<b>Data used to assess the strategic activities</b>
<i>As a result of our ASP efforts...</i>	<i>What after school strategic activities will support the desired outcomes?</i>	<i>What short-term outcomes will you expect from your efforts by the end of the school year?</i>	<i>What data will be collected to measure these outcomes?</i>
<b>High School Graduation:</b> How many more Oakland children are graduating from high school?	Our program mainly supports High School Graduation by providing activities that support academic success. We monitor academic progress closely with our Academic Liaison (AL).	All students will participate in structured guided practice in homework and academic skill building activities, as well as a new science enrichment activity on a weekly basis.	School day will share data on academic progress such as dibbles, CST's and other benchmarks.
<b>Satisfactory School Day Attendance:</b> How many more Oakland children are attending school 95% or more?	Our program provides recognition and awards for good attendance and intervenes when a student is showing a pattern of poor attendance. We communicate directly with families and the school day in these cases.	Satisfactory attendance will be supported through our reinforcement of good attendance behaviors.	School day will share attendance data with after school and this data will be compared to note any possible patterns of attendance behavior.
<b>Job Skills/Career readiness:</b> How many more students have meaningful internships and/or paying jobs?	Our program supports students to develop their ability to work within a diverse environment, appreciate differences and collaborate successfully with others. These skills are specifically reinforced in our leadership class and team building activities. These are	Students will focus on general goal setting, visioning and working collaboratively to solve problems/conflicts, while learning to appreciate diversity.	Data will come from our daily reflection and debriefing activities.

	skills we believe are necessary to be successful in any job/career.		
<b>Health and Well-being:</b> How many more Oakland children have access to, and use, the health services they need?	Activities such as cooking/nutrition, team sports, and garden have been a strong aspect of our program in past school years. Students enjoy these activities and health/wellness is discussed and learned in hands-on activities.	We will continue to run health and wellness activities that have been successful in the past.	Focus groups are typically done at the end of the school year for data in this area.

**SECTION 4: Program Model and Lead Agency Selection**

For 2014-2015, my site will operate the following program model:

- Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
- Extended School Day:** *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*
- Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

**Description and Rationale for Selection of Lead Agency**

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

The BACR philosophy about after school programs extends far beyond keeping children safe. We believe in providing a nurturing and enjoyable environment where students can improve their academic and life skills. We believe in integrating the principles and practices of youth development into all activities. Just as important, we see the schools, students, and parents as our customers, and we believe it is our responsibility to understand and meet their needs.

This approach to after school programs is consistent with the BACR mission of serving youth and families, fostering volunteerism, and building community. As a large diverse community agency, BACR has the organizational capacity and infrastructure to maintain high quality while expanding our services.

**SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE**

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

Required # of Program Days your program will operate during School Year 2014-2015: **180 days required\***

Projected Daily Attendance during School Year 2014-2015: 150

**Program Schedule**

Submit program schedule as an attachment, using the standard program schedule template.

*\* CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates.*

**SECTION 6: Academics**  
 Your site should plan to offer a range of academic supports including:  
 1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring  
*Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.*

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

### SECTION 7: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION

Enrichment activities and physical activity/recreation are required components of the ASES and 21<sup>st</sup> Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.

**SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY**

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21<sup>st</sup> Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21<sup>st</sup> Century grantees who receive Family Literacy funding: *The activities listed below must align to your 21<sup>st</sup> Century Family Literacy budget plan.*

### SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

*In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.*

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

#### Strategies to Support Attendance

#### Action Steps

a) Recruit and address the needs of students who are at risk of chronic absenteeism.	ASP staff will recruit students who have a risk of chronic absenteeism to help improve their overall attendance for both ASP and day school.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	ASP staff will hold a mid-year meeting to remind parents about the importance of good attendance, cover attendance policies, and help parents understand why attendance is so important.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	ASP will help communicate with families of students who have been identified as at risk of being chronically absent.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	ASP staff will continue to publically acknowledge good attendance with certificates and recognition during special events.

### SECTION 10: Transforming School Culture and Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

- PBIS (Positive Behavioral Interventions and Support)
- Restorative Justice
- Social and Emotional Learning
- Bullying Prevention
- Other: (please specify) Building Intentional Communities (BIC)

b) How will the school and lead agency partner work together to ensure that the after school program is aligned and supporting these efforts, and helping to transform school culture and climate? (ie. shared professional development, curriculum, coaching, planning meetings, COST meetings, etc.)

Program Coordinator and Line Staff will receive coaching and professional development to ensure that the BIC curriculum is used throughout all grades and classes.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any

special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development circles, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

Students will participate in recognition ceremonies for their accomplishments in different areas such as advancement in benchmark testing, attendance, and outstanding leadership/citizenship.

**SECTION 11: Coordination with Other Service Providers**

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

<p>The after school Site Coordinator or Director will actively participate in which of the following school group(s), in order to increase alignment between after school and school day efforts?</p>	<p><input checked="" type="checkbox"/> COST team (Coordination of Services Team)  <input checked="" type="checkbox"/> SST (Student Study Team)  <input checked="" type="checkbox"/> SSC (School Site Council)  <input type="checkbox"/> ELT (Educational Leadership Team)  <input type="checkbox"/> PTA  <input checked="" type="checkbox"/> Attendance Team/Workgroup  <input checked="" type="checkbox"/> CSSSP (Community School Strategic Site Planning) team  <input checked="" type="checkbox"/> School Culture/Climate Committee  <input type="checkbox"/> Other (specify)</p>

**2014-15 After School Enrollment Policy for Hoover Elementary School**

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21<sup>st</sup> Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

**Target Population:** (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Students in need of academic support and intervention to improve or sustain academic performance.	Data from DRA, SRI testing and other online programs will be used to identify students who need additional academic support. Referrals and recommendations made by teachers, counselors and other school staff.	
Students in need of being engaged in learning (including students who have already learned regular school day content and need additional academic enrichment).	Data from DRA, SRI testing and other online programs will be used to identify students who need additional academic support. Referrals and recommendations made by teachers, counselors and other school staff.	
Students with siblings already enrolled in after school program based on above priorities.	Referrals and recommendations made by teachers and other school staff. Parents will also provide this information.	
Students in need of social-emotional support.	Referrals and recommendations made by teachers and other school staff.	
Students from socio-economically disadvantaged families/backgrounds	Referrals and recommendations made by teachers and other school staff. Parents will also provide this information.	

**Grade levels prioritized for programming:** K-5<sup>th</sup> Grades

*Note: The ASES and 21<sup>st</sup> CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)*

**Additional Notes:**

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

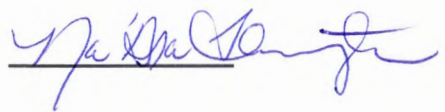

**Enrollment Process and Timeline:** (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2014. Indicate how families will be notified of 2014-15 enrollment before the last day of school, June 12, 2014.)

The Quality Support Coach is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.

- Bridge the after school program with school day goals, priorities, curriculum, pedagogy, and data.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards

The Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Quality Support Coach role from the OUSD After School Programs Office. To Whom It May Concern:

It is the Bay Area Community Resources policy to ensure to the best of our abilities that everyone we bring into our BACR programs to work with our clients are properly screened so as to minimize any risk, either physical or emotional, to the children and other clients we serve. We achieve this through FBI and DOJ fingerprint background checks on all our employees, independent contractors, subcontractors and volunteers. We are set up to receive subsequent arrest records. In addition, all staff must turn in a negative TB clearance before they begin working with our students.

We certify that all staff meet our staff qualifications including TB clearance, and FBI/DOJ clearance before they begin working with the students. We can provide verification upon demand from OUSD.

Sincerely,

OAKLAND UNIFIED SCHOOL DISTRICT  
Office of the Board of Education

June 25, 2014

TO: Board of Education

FROM: Gary Yee, Ed.D., Superintendent

SUBJECT: Master Memorandum of Understanding between OUSD and Bay Area  
Community Resources

**ACTION REQUESTED**

Authorize the President and Secretary of the Board to enter into and execute a Memorandum of Understanding with Bay Area Community Resources, on behalf of the District to provide services to students. This establishes a one year relationship with Bay Area Community Resources, and a Not-To-Exceed amount of \$4,672,728.30. This amount is projected using historical cost data, known changes to the number of sites served and expected available grant funding allowable.

**BACKGROUND**

The Oakland Unified School District enters into contracts each year to provide professional services that support the District's academic mission. The Master MOU establishes all terms and conditions, a defined menu of services with negotiated rates, and allows for the gathering of necessary supporting documentation to further streamline the process of receiving necessary services, while keeping the integrity of checks and balances, as well as maintaining oversight by the Governing Board.

A Menu of Services was established that would allow a principal to "Order" from the Menu using the Individual Service Agreement (ISA). This is essential to promoting transparency of services, and the costs of those services, between like schools. Each Individual Service Agreement is submitted to the board for approval. In the event that this vendor receives more orders for service than anticipated, an amendment to this MOU will request a new not-to-exceed amount.

## DISCUSSION

Vendor: Bay Area Community Resources

Overview of Services: Bay Area Community Resources contracts with schools to be a lead agency to provide high quality after school programming consisting of academic enrichment and recreational physical activities, family literacy and targeted Equitable Access services to students that are high risk.

Not-To-Exceed Amount: \$4,672,728.30

Determination of the Not-to-Exceed Amount is based on historical data and projections for the coming school year, it is anticipated that Bay Area Community Resources will provide services to 28 school sites.

The District contracts with agencies to provide various activities and after school programs. Chosen by the number of sites served with District and the long standing relationship with the agencies, the Master Memorandum of Understanding establishes a relationship with Bay Area Community Resources, defining terms and conditions as well as setting a maximum not-to-exceed ceiling amount. This ceiling is derived from historical cost data, and known changes in sites to be served, as well as expected grant funding.

In addition, the District has been working with agencies to provide a Menu of Service, which delivers a clear and measurable scope of work. Analogous to ordering from a common table menu, each product is described and the price is clearly quoted, establishing and promoting a more perfect competition where the consumer, here the principal, is informed of the services offered, and the price for those services. This allows the principal to easily compare services and prices, and plan for programmatic needs.

## FISCAL IMPACT

There is no funding associated with the Master Memorandum of Understanding or the Amendment to the Master Memorandum of Understanding herewith. The Master Memorandum of Understanding establishes a relationship, as well as setting the terms and conditions with Bay Area Community Resources. The funding source for each Individual Service Agreement will be determined separately and individually. Funding for the Individual Service Agreement is verified through a review of the BDT budget process, and a review of State and Federal compliance funding when applicable.

**RECOMMENDATION**

Approval of the Master MOU between Bay Area Community Resources and the Oakland Unified School District authorizing the President and Secretary of the Board to enter into and execute the Master Memorandum of Understanding and Individual Service Agreement(s) with Bay Area Community Resources in an amount Not-To-Exceed \$4,672,728.30.

The Secretary of the Governing Board shall place said Individual Service Agreements on the Consent Calendar for Approval.
