14. FEDERAL OR STATE REGULATIONS. The Bidder's proposal and any contract entered into are subject to all applicable statutes of the United States or of the State and all applicable regulations and orders of the Federal or State government now in effect or which shall be in effect during the period of such contract.

15. PATENT RIGHTS, COPYRIGHTS, AND TRADEMARKS. The Bidder shall save, keep, bear harmless, and fully indemnify the District and any of its officers or agents from all damages, or claims for damages, costs or expenses in law or equity that may at any time arise or be set up for any infringement of the patent rights, copyright, or trademarks of any person in consequence of the use by the District, or by any of its officers or agents of items to be supplied by the Bidder.

16. WARRANTY-PRODUCT. Seller warrants that all articles furnished shall be free from all defects of material and workmanship, that all articles shall be fit and sufficient for the purpose intended, and shall save, keep, bear harmless and fully indemnify the Buyer and any of its officers, employees or agent from all damages, or claims for damages, costs of expenses in law or equity that may at any time arise from Buyer's normal use.
17. NON-COLLUSION. In accordance with California law, bidders must complete the attached Non-Collusion Affidavit and submit it with their bid.
18. LOCAL/SMALL LOCAL/ SMALL LOCAL RESIDENT POLICY PARTICIPATION REQUIREMENT

In 2008 the District instituted a local business policy, the Local/Small Local/ Small Local Resident Business Enterprise program ("L/SL/SLRBE"). The S/SL/SLRBE provides economic opportunity to local residents and businesses by supporting local economic development while paying competitive prices for goods and services.

The S/SL/SLRBE establishes a 20% minimum local participation requirement on all contracts and professional service agreements between OUSD and outside vendors. In addition, the program provides for preference points in negotiated professional services contracts and bid discounts in competitively bid contracts, up to 5 points or 5 % as the level of local, small local and small local resident business participation increases. (A copy of the District's S/SL/SLRBE may be found at www.ousd.k12.ca.us).

Prior to the issuance of a formal invitation for bid, the District determines that there are at least three certified businesses listed in the industry, trade or profession that constitutes a major category of work. If at least three L/SL/SLRBEs are not certified, then the requirement may, subject to the discretion of the District, be waived, or the 20% requirement may be re-set from 19% to 0%, depending on the particular circumstances at time of bid.

For the present Frozen Food and Groceries Proposal, the District's awarding authority has reason to believe that the availability of certified firms will not satisfy the 20% requirement. Thus, the District shall exercise its discretion to modify the requirement, as follows:

The *mandatory* 20% requirement is waived.

However, a proposer who demonstrates a minimum 20% small business or local resident employee participation will earn a bid discount 5% off its total bid, affording an advantage over a low bidder with no small business or local resident participation. (Public Contract Code section 2002).

 - a) The material or service you are bidding for.
 - b) Bid number.
