OAKLAND UNIFIED SCHOOL DISTRICT Office of the Superintendent

June 27, 2012

To: Board of Education

From: Tony Smith, Superintendent

Maria Santos, Deputy Superintendent

Susana Ramirez Director, State and Federal Compliance

Re: 2012/2013 CSSSP – McClymonds High School

Action Requested:

The Board of Education is requested to approve the 2012-2013 Community Schools Strategic Site Plan for Student Achievement for McClymonds High School.

Background:

In accordance with Education Code 64001, the Single Plan for Student Achievement shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the Consolidated Application, by the school council. The plans shall also be annually reviewed and approved by the governing board of the local education agency at a regularly scheduled meeting. The purpose of the Single Plan for Student Achievement is to coordinate all educational services at the school. The site plan shall address how funds provided to the school will be used to improve the academic performance of all pupils to the level of the performance goals, as established by the Academic Performance Index. (API).

Discussion:

The Single Plan for Student Achievement builds on a premise that students are capable of learning with effective instruction, includes school goals aligned with activities, provides analysis of student performance data, focuses on student achievement and academic intervention, implements high leverage school improvement actions, directs resources where they will most directly improve student achievement, ensures that all resources are aligned to serve identified student needs, and identifies parent involvement activities associated to student success.

Fiscal Impact:

The Programs listed below are reported in the Consolidated Application and allocated to school sites through the Single Plan for Student Achievement.

State Programs

- ➤ Economic Impact Aid/School Compensatory Education
- Economic Impact Aid/Limited English Proficient
- Quality Education Improvement Act (QEIA)
- School Improvement Grant (SIG)

Federal Programs

> Title I, Part A

Recommendation:

The Board of Education is requested to approve the 2012-2013 Community Strategic Site Plan application for McClymonds High School.

COMMUNITY SCHOOLS STRATEGIC SITE PLAN

Superintendent's Letter

Our efforts in the Oakland Unified School District (OUSD) are now clearly focused on serving all of our children in every neighborhood by providing high quality community schools where children, adults, and community thrive. We are committed to creating and sustaining a district of community schools capable of supporting the unique needs of each child while creating school communities that link every Oakland Neighborhood. We believe that each child in Oakland must be ready to succeed in college and careers that lead them to healthy and happy lives.

It is with these beliefs that we engage in creating a Full Service Community School District filled with Full Service Community Schools, in which schools act as resource and service hubs that connect with local partners to help build healthy and vibrant schools and communities.

In this spirit, we are launching a new Community Schools Strategic Site Plan. The Community School (CS) Strategic Site Plan is closely aligned with the larger organizational strategic plan, *Community Schools, Thriving Students*. In addition to satisfying compliance requirements and guiding the allocation of categorical funds, the CS Strategic Site Plan will be a multi-year road map for each school to become actualized as a Full Service Community School. This new school site plan has been developed by a team of cross-departmental leaders in OUSD under the advisement of principals and community leaders. All school communities will complete the CS Strategic Site Plan in 2011-2012 to contribute to the development of site priorities for the 2012-2015 school years.

The CS Strategic Site Plan will continue to be annually approved by School Site Councils and the OUSD Board of Directors.

To lead these efforts, each site will create a Community School Leadership Team, whose body will incorporate members of each site's School Site Council (including the principal, parents, teachers, staff), and in secondary schools, the team will also include a student member. Additionally, each school will recruit their afterschool partner, as well as another key community partner, to become members of the Community School Leadership Team. This leadership team will drive the development of the CS Strategic Site Plan for their school and will be supported through a collaborative engagement process. In addition to existing School Site Council meetings, the Community School Leadership Teams will attend district-wide retreat days and collaboratively engage the broader community.

We are excited about supporting every school community to collaborate in service of building Full Service Community Schools across Oakland. As leaders of a Full Service Community District, we are committed to providing the conditions for this critical work to happen. I thank you for your engagement, leadership, and commitment to supporting the development of community schools and thriving students across Oakland.

COMMUNITY SCHOOLS STRATEGIC SITE PLAN

Context & Vision

OUSD

<u>VISION</u>: All students will graduate from high school. As a result, they are caring, competent and critical thinkers, fully-informed, engaged and contributing citizens and prepare to succeed in college and career.

MISSION: Oakland Unified School District is becoming a Full Service Community District that serves the whole child, eliminates inequity, and provides each child with excellent teachers for every day.

GOAL AREAS:

Every student in the Oakland Unified School District will:

- Attend a SAFE, HEALTHY, and SUPPORTIVE SCHOOL Oakland will become a full-service community district that will collaborate with civic
 and community partners to reduce violence in the community and schools thereby creating secure campuses where a culture of calm
 prevails.
- Learn the knowledge, skills, and abilities to be PREPARED for SUCCESS in COLLEGE and CAREERS when they graduate from high school, to ensure that they can read, write, speak, think critically and reason mathematically for post-secondary success.
- Have HIGH QUALITY and EFFFECTIVE INSTRUCTION with excellent teachers for every day of the school year.

The Oakland Unified School District will:

- Become a FULL SERVICE COMMUNITY DISTRICT that is in service of and fully supporting the success of community schools and thriving students.
- Be ACCOUNTABLE for HIGH QUALITY for its schools and in its work across the organization.

SCHOOL SITE

CONTEXT

McClymonds High School is located in West Oakland, an area growing in diversity and experiencing mass gentrification. The outlying area is a mix of residential with small and large businesses including the Port of Oakland. Over 80% of our students, who come from almost exclusively West Oakland, receive free and reduced lunch. Many of our families are challenged by these difficult economic times and require more wrap around services than ever before. McClymonds High's population for special needs students is 6%. Our students range from Resource Specialist Program (RSP) to multiple-handicapped. Many of our special needs students are able to take some or all of their classes in the regular program.

VISION

McClymonds High School is committed to building a network of empowered graduates that affect positive change through success in college, career, and community involvement. Students can graduate in four years with solid a-g course work fully qualified for the college of their choice. In addition, staff is also focused on providing focused interventions, an engaging community, relevant professional development that continues to focus on rigor and scaffolding. Staff is also committed to examining ways to transition toward common core standards in all subject areas and strengthing academies and pathways for multiple career options. McClymonds staff is determined to ensure that all students are college ready and prepared for the work place. McClymonds Students will be: 1. Effective Communicators a. Molding a presentation to fit their audience b. Code-switching in speech and writing c. Being self-assured and effective in oral communication 2. Academic Achievers a. Succeeding in rigorous college-prep courses b. Thinking critically in all subject areas c. Developing computer expertise through coursework d. Improving and showing proficiency on stadardized tests e. Master assignments and revise work when needed 3. Active Learners a. Connecting class-work to real world experience b. Identifying and pursuing topics of interest independently c. Recognizing personal experience as a resource 4. College Ready a. Being ready to perform academically in college b. Matching a college to his/her needs or interests c. Independently finding college and scholarship

information d. Knowing and completing A-G requirements e. Reading and reacting to his/her transcript 5. Empowered Leaders in the Community a. Striving to give back to the community b. Working to build a positive school environment c. Imporving their community d. Identifying and using their power as civic participants e. Overcoming impediments in order to wield their power

Accountable for Quality: Ensuring Thriving Students and Healthy Communities

Strategic Priority: The Accountability Plan

In June 2011, the OUSD Board of Education adopted our School Quality Standards. These standards include outcome standards that define for OUSD what "good" performance is. These are the standards we use to measure the extent to which our schools are ensuring that all of our students are thriving and likely to contribute to the health of our communities.

- 1. A quality school sets and achieves clear and measurable program goals and student learning objectives.
- 2. All students demonstrate progress on academic and social goals each year and across years.
- 3. All students achieve at similarly high rates and any gaps in achievement are substantially narrowing.
- 4. All students achieve at levels that compare positively with state and national averages and with similar schools.
- 5. All students demonstrate critical thinking skills and apply those skills towards solving complex tasks.
- 6. All students demonstrate skills in and knowledge of the arts and literature.
- 7. All students demonstrate an ability to understand and interact with people from different backgrounds.
- 8. All students achieve and maintain satisfactory physical health including diet, nutrition, exercise, and rest.
- 9. All students demonstrate the attributes and skills of emotional health and well-being.
- 10. All students demonstrate the skills, knowledge, and dispositions needed in the world of work.
- 11. All students demonstrate the skills, knowledge, and dispositions of engaged citizens.

OUSD schools will use these outcome standards to define and assess how they are developing toward quality Full Service Community Schools. School- level goals and metrics in the following sections should explicitly refer to these outcomes standards.

The School Accountability Plan

The Instructional leadership team comprised of the principal, after-school director, and representatives from each of the A-G subject areas, will regularly gather and analyze achievement data to strategically plan programming. In addition, in 2012-2013, McClymonds will create a full service advisory committee that will assist in monitoring and designing our next steps as a full service community school.

School Quality Indicator 1: Quality Learning Experiences for All Students

Strategic Priority A. Balanced Literacy & Literacy Across the Curriculum

School: McClymonds High School Principal: KEVIN TAYLOR

School Quality Standards relevant to this Strategic Priority A quality school...

- provides students with curriculum that is meaningful and challenging to them
- ensures that students know what they're learning, why they're learning it and how it can be applied
- ensures that all teaching is grounded in a clear, shared set of beliefs about how students learn best.
- provides and ensures equitable access to curriculum and courses that prepare all students for college

From OUSD Strategic Plan:

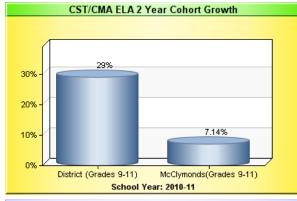

We want OUSD students to read, write, speak, and think critically for success in college and careers. We want Oakland students to relish reading, writing, and speaking and to become joyful, as well as competent, around literacy. To reach that goal, we need to develop a clear and common OUSD Literacy Framework. The beginning of our work will ensure that we assess reading levels of all students across the system. Additionally, we will approach literacy from a Response to Intervention Framework, ensuring that students have access to high-quality instruction and that higher tiers of support are provided when needed. OUSD must develop a PreK-12 core curriculum aligned to college and career ready standards and to the Common Core State Standards as they develop.

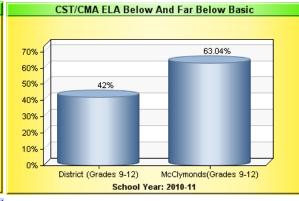

District-level Goals

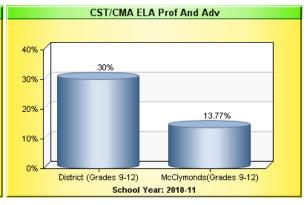

- 1. Reach double digit growth, as measured by CST, for all students- with a focus on historically underserved students.
- 2. Move CST FBB students to Basic in one year (in two years for MS and HS)
- 3. Move/maintain CST Proficient and Advanced students
- 4. Accelerate reading by 1.5 additional grade levels for 3rd through 5th graders as measure by SRI to reach grade level standard (2 additional grade levels starting with 6th graders for MS, 3 additional grade levels starting with 9th graders for HS)
- 5. Student use of academic language and engagement with grade level content aligned to the Common Core Sate Standard will be increased from fall to spring as evidenced by principal observations.

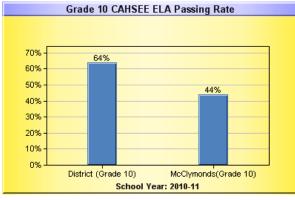

School Federal and State Academic Achievement Goals:

School goal is to meet or surpass all Title I Part A Adequate Yearly Progress and California Department of Education Academic Performance Index targets.

School Data

• ELA passing rates for the 2010-2011 school year do not meet the standard established by the District nor the goals set forth by McClymonds.

Data Analysis

- McClymonds serves students with a wide array of abilities; students who are taking AP English 4 and students who are several years below grade level. All need to attain mastery level in English Language Arts.
- We must create a plan to address and support the extreme diversity in student ability and skill level in ELA.

- School Target: at least 50% of 10th graders will pass ELA CAHSEE, 75% of 11th graders, 100% of 12th graders
- To accomplish these goals, McClymonds will implement: intervention ELA courses that include and utilize our ELA intervention specialist support, summer school, and tutoring by stipened teachers and volunteers.
- To accomplish these goals the staff will engage in rigorous professional development in the form of retreats, extended planning hours, conferences, and intense coaching.

School Quality Indicator 1: Quality Learning Experiences for All Students

Strategic Priority B. Science, Technology, Engineering, Mathematics (STEM)

School: McClymonds High School

Principal: KEVIN TAYLOR

School Quality Standards relevant to this Strategic Priority A quality school...

- provides students with curriculum that is meaningful and challenging to them
- ensures that students know what they're learning, why they're learning it and how it can be applied
- ensures that all teaching is grounded in a clear, shared set of beliefs about how students learn best.
- provides and ensures equitable access to curriculum and courses that prepare all students for college

From OUSD Strategic Plan:

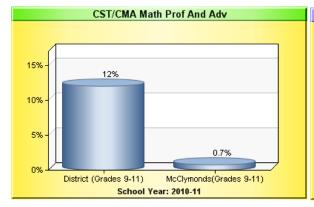

In the past three years, students exhibited steady achievement gains in science and mathematics. More elementary teachers have scheduled science and math instruction into students' school day and are using the district-adopted materials with integrity. While we celebrate the academic gains in science and mathematics, we also recognize their inadequacy and unevenness when we delve deeper into the results for various student populations (e.g., African-American, Latino, English Language Learners), grade spans (middle and high school students) and schools. We are committed to accelerating science and mathematics gains and supporting robust teaching and learning. We plan not only to dramatically improve science and mathematics learning but also to create a deep understanding of Science, Technology, Engineering and Mathematics (STEM) careers and opportunities for linked learning, both in school and the workforce.

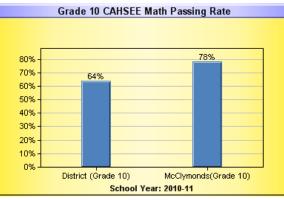

District-level Goals

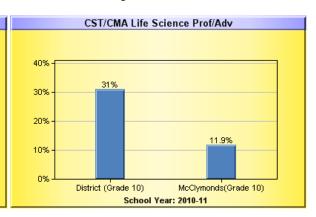

- 1. Reach double digit growth, as measured by CST, for all students- with a focus on historically underserved students.
- 2. Move CST FBB students to Basic in one year.
- 3. Move/maintain CST Proficient and Advanced students
- 4. Increase by 10% the number of proficient and advanced students in CST science and by 15% English Language Learners and African American Males

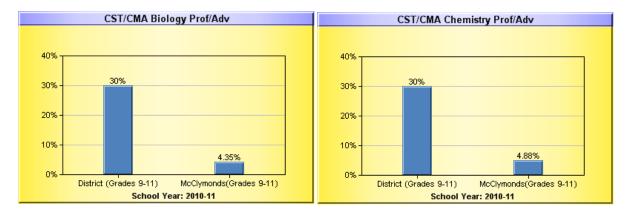

School Federal and State Academic Achievement Goals:

School goal is to meet or surpass all Title I Part A Adequate Yearly Progress and California Department of Education Academic Performance Index targets.

School Data

- 93% of our students scored far below and below basic in Math
- over 60% of our students scored far below and below basic in English

Data Analysis

- Students are enrolling 3-4 years below grade level
- Our science scores are extremely low for a school focusing on science, technology and math?
- Our before and after school rap around services compliment support in place to improve student outcomes

- Interventions are necessary in both Math & English in order to support student achievement
- We need to address other areas that impede student outcomes in health and social emotional wellness that prevent students from performing at their peek level
- Teacher professional development related to stem is critical for successful implementation
- Continued relationship building with McClymonds parents, alumni association, the NEW McClymonds committee and other community based organizations are critical for significant progress in the area of community relations

School Quality Indicator 1: Quality Learning Experiences for All Students

Strategic Priority C. Transitions & Pathways PreK-12

School: McClymonds High School

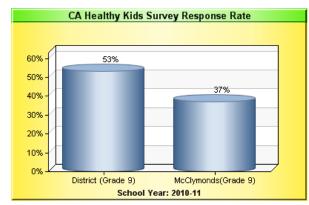

Principal: KEVIN TAYLOR

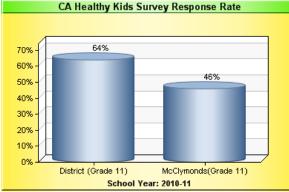

School Quality Standards relevant to this Strategic Priority A quality School...

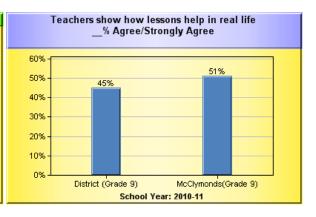

- provides students with curriculum that is meaningful and challenging to them
- provides and ensures equitable access to curriculum and courses that prepare all students for college
- provides opportunities for students to learn career-related skills and to develop 21st century work habits.

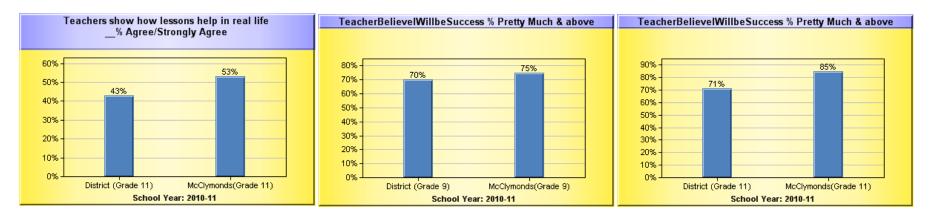

From OUSD Strategic Plan:

Too many of OUSD's schools work in isolation and focus little attention on where students have been and where they are going. Early childhood programs need to be aligned to the K-5 continuum and expanded to serve more students. Principals at K-5 schools with early childhood programs will supervise the programs and help to integrate them into the school culture. We must develop transitional kindergarten programming to include curriculum and professional development. College and career readiness doesn't begin in high school. In OUSD, the elementary and middle school academic core must be aligned to what students must know, understand, and be able to do to succeed in college-preparatory courses in high school. Elementary and middle school communities in regions will collaborate to share best practices and to develop robust feeder options. Building on existing programs, OUSD will also seek additional funds to develop a comprehensive "Career Pathways" approach to preparing our young people to be successful in college and careers. In order to attract and hold students and families, we will use the FSCS model to create corridors, networking Pre-K through 12 schools in targeted areas in new and innovative ways.

- All students will participate in at least two college trips each year. 11/12th graders will attend UC, CSU and community college trips prior to their college application process.
- All students will participate in some type of internship in preparation for career exploration.

School Quality Indicator 1: Quality Learning Experiences for All Students

Strategic Priority D. College, Career & Workforce

School: McClymonds High School

Principal: KEVIN TAYLOR

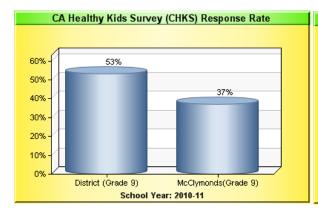

School Quality Standards relevant to this Strategic Priority A quality school...

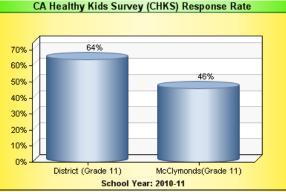

- provides students with curriculum that is meaningful and challenging to them
- ensures that students know what they're learning, why they're learning it and how it can be applied
- provides and ensures equitable access to curriculum and courses that prepare all students for college
- provides opportunities for students to learn career-related skills and to develop 21st century work habits.

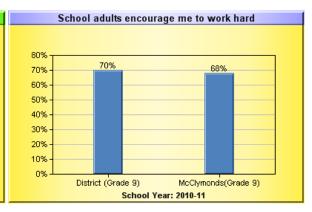

From OUSD Strategic Plan:

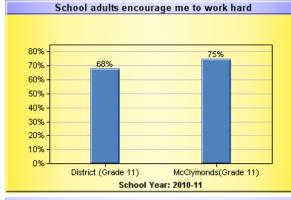

In order to make sure that more students graduate, and our graduates are ready for college and career, OUSD will make a significant investment in strategies, structures, and resources to implement core elements of the secondary reform. Career pathways will connect strong academics, Career Technical Education (CTE), work-based learning experiences and support services so that students are prepared for college and career success within the context of a specific, high demand industry sector. Building on the number of career pathways that exist in high schools now, we will increase the number of well-developed and effectively-implemented pathways, which include certificates linked to occupations. OUSD's "Career Pathways" approach will lead to a full range of postsecondary and career opportunities and keep all options open after high school.

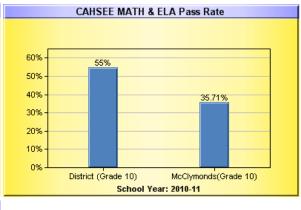

- 1. Combined 4-& 5- year graduation rate will increase by 10%- with graduation rate based on 9th grade enrollment (HS only)
- 2. Increase by 15% the number of African-American Males and Latino Males who pass CAHSEE on the first attempt (HS only)
- 3. 80% of the ninth graders will complete 60 credits (HS only)

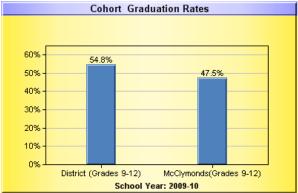

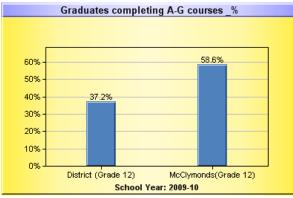

School Data

• McClymonds data displays that 47.5% of the students in the 2009-2010 graduation cohort were able to matriculate.

Data Analysis

• Obtaining proficiency in English is a 5-7 year proces according to research. In order for students to display improved results McClymonds staff must adhere to a strict and robost intervention program that includes but is not limited to: tutoring, in

- By 11th grade, all students will have recieved 1:1 college counseling, and transcript analysis. (!2th grade they will be reviewed again)
- By 12th grade all students will have visited a minimum of 6 college campuses.
- By 12th grade, all students will have participated in some sort of internship.

School Quality Indicator 1: Quality Learning Experiences for All Students

Strategic Priority E. Accelerating Students through Targeted Approaches* (Collaborative Teacher Inquiry/African American Male Achievement/Academic Language & Literacy/Focal 15/English Learners/Students with Disabilities/GATE)

School: McClymonds High School Principal: KEVIN TAYLOR

School Quality Standards relevant to this Strategic Priority A quality school...

• provides academic intervention and broader enrichment supports before, during, and after school

From OUSD Strategic Plan:

We need to close the achievement gap through targeted approaches, focusing on literacy development, African American Male Achievement, targeted inquiry, English Language Learners, Students with Disabilities, and Programs for Exceptional Children. The patterns of academic performance we see in our district, schools, and classrooms are evidence of a system that is horribly inadequate. We need to differentiate supports and strategies in order to accelerate achievement and address the disparities in educational and social outcomes for populations of students.

1. Increase the number of African American Male students on the honor roll by 15%

School Data

• Over 90% of the population at McClymonds is African-American with the slight majority of that population being African-American males.

- McClymonds will increase the size of our Manhood development class and increase access to the class to include students from multiple grade levels.
- African-American male students will participate in intervention courses, as well as, summer school in order to address any issue which may impede their successful academic progress.

Strategies Ind	dicators	ST Group	Timeline	Owner	Date	Item#	Strategic Action	Budget Res.	Obj. Code	Position	FTE	Budget Amount
There is considerable work going on at this school to expand Adv. Placement offerings for all students. The AP Achievement Institute will be held in June to support teachers to better scaffold for all students who wish to take an AP class. Professional Development will also be held through the 12-13 school year to support the training of AP teachers to best support the success of students	PA, A/P	GATE	2012-2013	Principal	5/17/2012	351SQI1E4599	GATE PROGRAM SERVICES	N/A			0	\$0.00

School Quality Indicator 1: Quality Learning Experiences for All Students

Strategic Priority F. Extending Learning Time

School: McClymonds High School

Principal: KEVIN TAYLOR

School Quality Standards relevant to this Strategic Priority A quality school...

• provides academic intervention and broader enrichment supports before, during, and after school

From OUSD Strategic Plan:

We want each student to attend a school that offers a comprehensive and integrated approach to education in which the school acts as a hub of partnerships that organizes the resources within the community. We need to build extended learning opportunities whereby the school and community work together to break down barriers to learning and foster true, authentic collaborations in service of thriving students. We envision a system in which schools extend beyond the traditional school day? offering students and families learning opportunities before and after school, on weekends, and during the summer.

School Data

- Afterschool programming includes: Tutoring, Homework club, SPAAT, STEM activities, and youth leadership in the McClymonds Youth and Family Center.
- McClymonds hosted a 6 week summer program that included: Step Up- for incoming 9th grade students, academic and organization support courses, and after-program enrichment courses in the summer of 2011 for students which were already enrolled.

Data Analysis

- Summer school is critical in order to address areas in which students are entering academically deficient
- Student request additional investment in elective and enrichment courses.
- Additional after-school classes in Revolution Prep algebra and literacy support are needed.

Theory Action

Arrange after-school programming to address areas of academic need while making engaging enrichment activities available.

• Host summer school in the summer of 2012.

School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

Strategic Priority A. School Culture (including Meaningful Student Engagement)

School: McClymonds High School Principal: KEVIN TAYLOR

School Quality Standards relevant to this Strategic Priority A quality school...

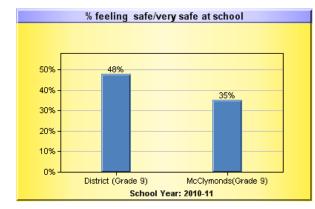

- 1. is a safe and healthy center of the community, open to community use before, during, and after the school day.
- 2. offers a coordinated and integrated system of academic and learning support services, provided by adults and youth.
- 3. identifies at-risk students and intervenes early, to help students and their parents develop concrete plans for the future.
- 4. creates an inclusive, welcoming and caring community, fostering communication that values individual/cultural differences.
- 5. defines learning standards for social and emotional development and implements strategies to teach those standards

From OUSD Strategic Plan:

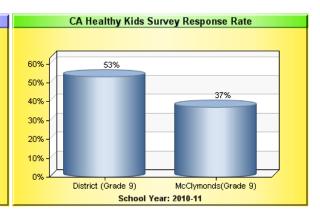

Full Service Community Schools create a safe and supportive environment where students can thrive academically, socially, and emotionally. Schools offer a comprehensive and integrated approach to education that is founded on caring relationships and high expectations. Healthy school cultures include preventative, early intervention, and intensive services and supports accessible to all students. School-wide positive behavioral and academic supports are augmented by Tier 2 targeted intervention and Tier 3 individualized supports, which are monitored and coordinated through COST and SST. Schools create professional learning structures to support adults to learn the science and practice of teaching Social Emotional Learning (SEL) skills to increase the capacities of students to manage emotions, develop empathy and concern for others, establish positive relationships, make responsible decisions, and handle challenging situations effectively. A thriving school culture also encourages student leadership and motivational programs, such as expanded celebrations of student achievements.

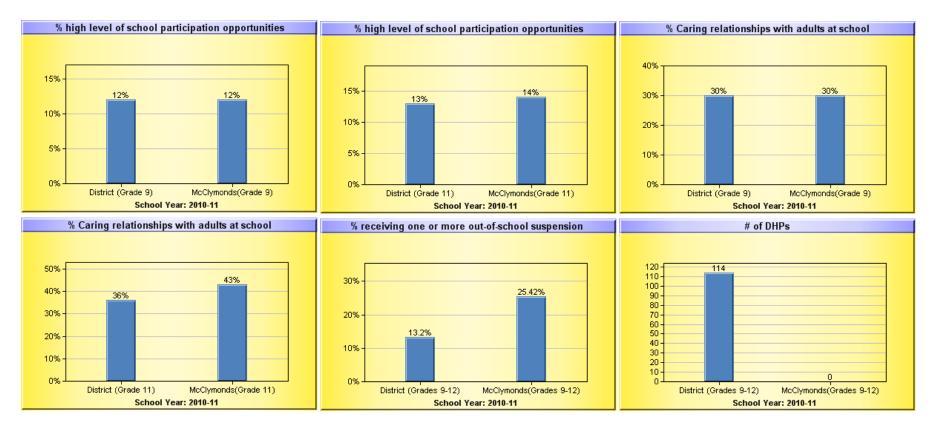

District-level Goals

• Reduce Disciplinary Hearing Process referrals by 20%

Data Analysis

- There were no DHP's for the 2011-2012 school year.
- Male students are more likely to be suspended than female students.

- Implement 180 mentor program to support male and female students.
- Expand Manhood Academy classes for male students to incorporate 9-11 grade levels.
- Evaluate student progress with on-site case manager and Instructional Leadership Team.

School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

Strategic Priority B. Health & Wellness

School: McClymonds High School

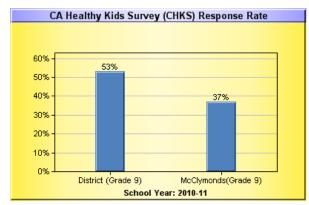

Principal: KEVIN TAYLOR

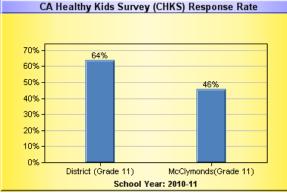

School Quality Standards relevant to this Strategic Priority A quality school...

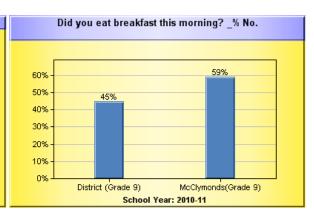

- 1. offers a coordinated and integrated system of academic and learning support services, provided by adults and youth.
- 2. ensures that the physical environment of classrooms and the broader school campus supports teaching and learning.

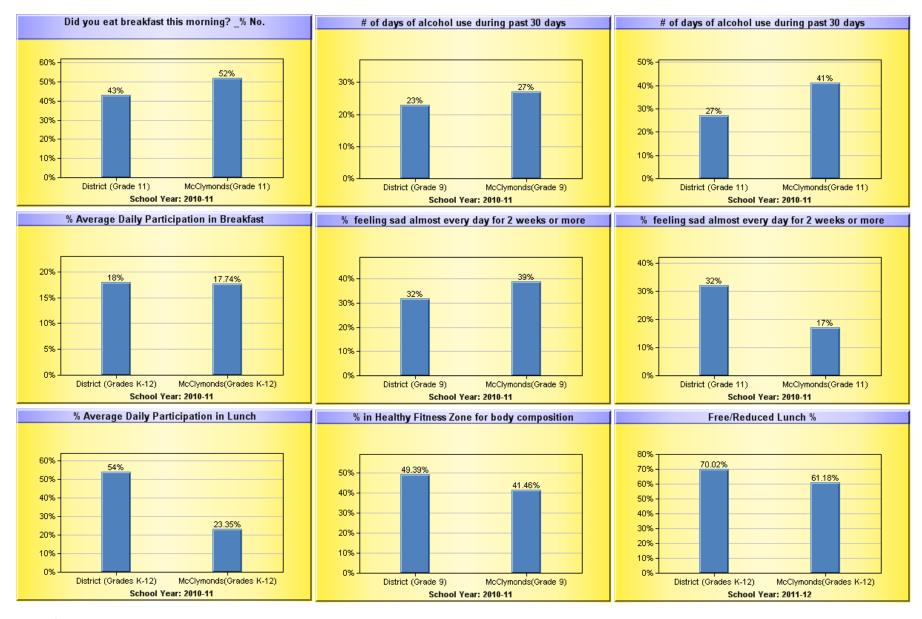

From OUSD Strategic Plan:

A Full Service Community School serves the needs of the whole child, providing a range of Health & Wellness programs and services along a continuum from prevention to intervention. OUSD's Wellness Policy provides a framework for creating a physically healthy school environment where students have access to nutritious food, free drinking water, opportunities to be physically active and good indoor air quality. Quality physical education is provided for the required amount of time to all students. In addition, students' health and mental health needs are met on-site or through a robust referral system that connects students and families to community providers. A FSCS also provides health education (e.g., nutrition, gardening, reproductive health) and social-emotional learning (SEL) that is aligned with and supports the core curriculum. Families are engaged around supporting their children's health as well as their own. Staff wellness is seen as integral and is actively fostered.

Data Analysis

- Poverty is a chronic problem atMcClymonds. Finding healthy meals and ways to exercise for our non-athletes is needed in our community.
- Our community needs a tremendous amount of general health and mental health services. Even with the accessibility provided on campus many students

require much more.

- After school programming.
- Intergrating wellness and health in the STEM initiative.
- Expanding the use of the McClymonds Youth and Family Center.

School Quality Indicator 2: Safe, Healthy & Supportive Learning Environments

Strategic Priority C. Interrupting Chronic Absence (Attendance)

School: McClymonds High School

Principal: KEVIN TAYLOR

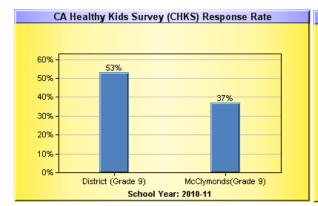

School Quality Standards relevant to this Strategic Priority A quality school...

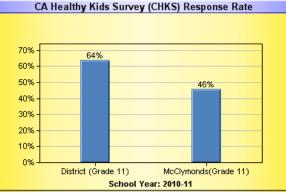

- offers a coordinated and integrated system of academic and learning support services, provided by adults and youth
- identifies at-risk students and intervenes early, to help students and their parents develop concrete plans for the future

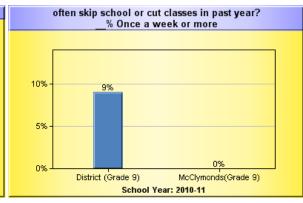

From OUSD Strategic Plan:

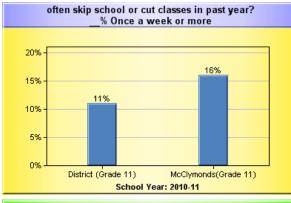

Full Service Community Schools support attendance improvements as part of transforming educational outcomes for students. Chronic absence, defined as missing 10% or more school days for any reason, is a key indicator and area of focus in Full Service Community Schools. Chronic absence, which impacts one in seven Oakland students, is correlated with lowered reading outcomes and graduation rates. If our system begins addressing chronic absence at the Pre-K and K levels, we would see marked differences in student learning by 3rd grade.

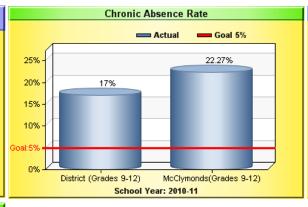

- 1. Reduce Chronic Absence (students missing 10% or more of the school year) to 5% or less
- 2. Increase Satisfactory Attendance (percentage of students attending 95% or more of school days) to 85%
- 3. Interrupt patterns of chronic absences and suspensions to reach a 98% attendance rate (ADA)

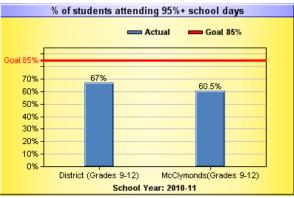

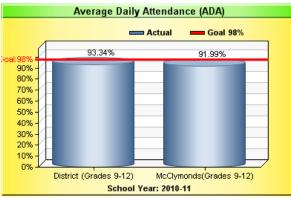

- Issue 2 monthly attendance reports that list action items for advisors.
- Advisors can refer students for additional attendance interventions.
- Expand input to address student attandance to the students leadership accompanied with the ILT in order to better address the issue.

School Quality Indicator 3: Learning Communities Focused on Continuous Improvement

Strategic Priority A. Building Capacity & Leadership (Professional Development/Learning Communities/Coaching/Staff Induction)

School: McClymonds High School Principal: KEVIN TAYLOR

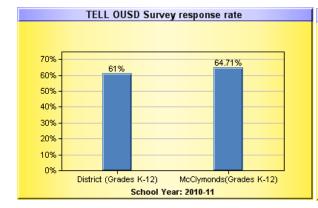

School Quality Standards relevant to this Strategic Priority A quality school...

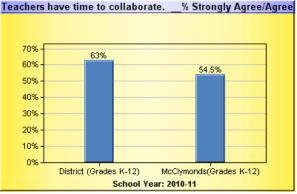

- makes sure that teachers work together in professional learning communities focused on student progress.
- ensures that staff regularly analyze multiple kinds of data about student performance and their experience of learning.
- provides professional development that models effective practices, promotes teacher leadership, and supports teachers to continuously improve their classroom practice.
- provides learning opportunities that build capacity of all stakeholders to give input, participate in, or lead key decisions.

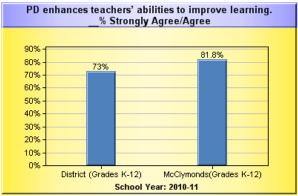

From OUSD Strategic Plan:

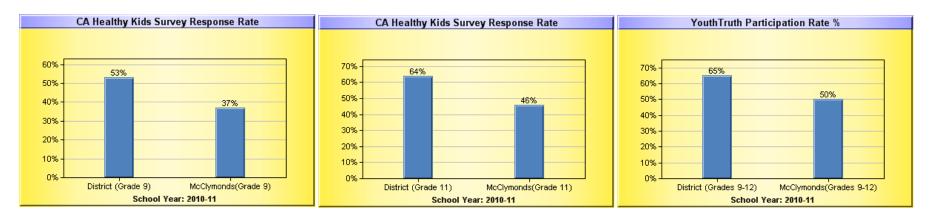

We want to recruit, retain, and reward high-quality teachers, principals, and other leaders to ensure that all students learn to the best of their abilities. OUSD must become a highly-sought-after place of employment where educational leaders know they will be challenged and supported by colleagues, supervisors, and community members with high expectations. We need to develop aggressive strategies to recruit and retain the best and brightest talent in OUSD. Building on our developing frameworks for effective teaching and school leadership, and furthering the development and capacity of our teachers and principals through various forms of professional development will allow us to sustain effective teachers and leaders committed to Oakland's children.

1. Improve the conditions in schools to retain 80% of effective teachers

School Data

- All staff participated in additional days of PD, during and aafter the school year.
- Staff meet regularly to collaborate, create curriculum, evaluate lessons, and develop and assess "cycles of inquiry".

Data Analysis

- 2012 WASC visit showed weakness in the area of PD tanslating to higher CST scores.
- mcClymonds staff must focus on literacy and address failure rate in mathematics.

- ILT is set up with a representative from each A-G subject area in order to ensure that every segment of the McClymonds voice is heard.
- All staff participate in addional PD

School Quality Indicator 4: Meaningful Student, Family, and Community Engagement/Partnerships

Strategic Priority A. Family & Community Engagement

School: McClymonds High School

Principal: KEVIN TAYLOR

School Quality Standards relevant to this Strategic Priority A quality school...

- shares decision-making with its students, their families, and the community, as part of working together in partnership
- provides opportunities for families to understand what their child is learning; why they're learning it; what it looks like to perform well
- builds effective partnerships by using principles of student and family/community engagement

From OUSD Strategic Plan:

A quality Full Service Community School (FSCS) involves students, families, and the community in the decision-making process as a way to develop collaborative partnerships. A FSCS works with families as partners to understand how the student is progressing and participating in school. Additionally, a Full Service Community School establishes and aligns partnerships with community-based organizations, civic and business partners to strengthen the academic, social-emotional and health outcomes for students and families.

1. 75% or more of parents and guardians are regularly offered trainings and opportunities to actively participate in the academic and social development of their student(s).

School Data

- Regular parent meeting are held in which teachers are able to speak specifically about individual students to their parents/guardians.
- Monthly community/parent meetings are held with the principal to address current and future plans, and community concerns.

Data Analysis

- Working with focus groups of the community and parents, we have established priorities for family engagement.
- Regular communication in the form of standing meetings outside of ptsa and s.s.c., parenting groups every other monday, conferences, progress reports
- Classes for parents via the McClymonds Youth and Family Center

- Throughly question new hire applicants to determine competancy in working with our community.
- Continue to expand teacher's cultural competancy by engaging in home visits, neighborhood walks, and other forms of PD.
- Expand relationship with after-school coordinator in lieu of full service community school coordinator

School Quality Indicator 5: Effective School Leadership & Resource Management

Strategic Priority A. Strategic Operational Practices

School: McClymonds High School

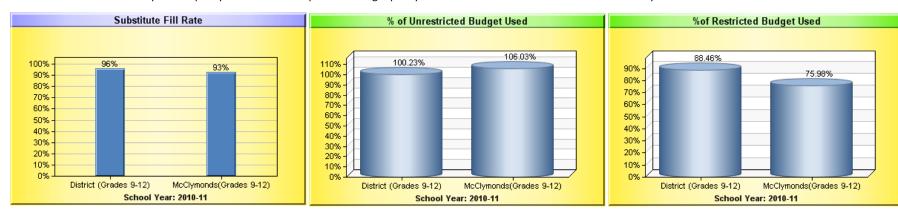

Principal: KEVIN TAYLOR

School Quality Standards relevant to this Strategic Priority A quality school...

- creates and sustains equitable conditions for learning and advocates for interrupting patterns of inequities.
- guides and supports the development of quality instruction across the school.
- collaboratively develops outcomes, monitors progress, and fosters a culture of accountability.
- develops systems and allocates resources in support of the school's vision.
- is distributed, through professional learning communities, collaborative planning teams, and select individuals.

From OUSD Strategic Plan:

We need Full Service Community Leaders for OUSD classrooms, schools, regions and the central office. These leaders have to juggle many tasks: they need to manage operations effectively, they need to become highly effective instructional leaders, and they need to build relationships and strategic collaborations with parents and community members. Leaders will need to assess their own levels of expertise with leadership practices, operations, instruction and community engagement and work together to share tools, knowledge and strategies in these areas to accelerate everyone's capacity to deliver on the promise of high quality effective instruction and Full Service Community Schools.

- Allocate staff time to write large and small grants.
- Partner with CBOs to provide free on-site services.
- Identify additional funders and organizations and cultivate relationships.

ASSURANCES 2012-2013

School Site: 351 Site Number: McClymonds

The following state and federal categorical funding source(s) will be a part of the School-Based Coordinated Program at the school:

\mathbf{X}	Title I School-Wide Program
	Title I Targeted Assistance Program
X	EIA/State Compensatory Education
X	EIA/Limited English Proficient
	QEIA
	SIG

- 1. The council/committees have been formed and correctly constituted in accordance with the procedures established by the district governing board, federal or state law or regulations.
- 2. The school plan is based upon a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
- 3. It is the responsibility of the School Site Council to monitor the implementation and effectiveness of the actions outlined in the site plan throughout the 2012-2013 School Year.
- 4. The English Language Advisory Council (ELAC) reviewed English Learner data, priority needs, and suggested improvement strategies on
- 5. The School Site Council adopted the Single Plan for Student Achievement at a public meeting(s) on .
- 6. The signatures below verify that the chairpersons, teachers, students, and parents on behalf of their respective councils/committees, have participated in the planning process, reviewed the school plan for the appropriate special programs, and recommend the school plan and budget to the district governing board.

Title I School Parental Involvement Policy: 2012 – 2013

McClymonds High School 2607 Myrtle Ave Oakland, CA 94607 (510) 879-3036

Part 1. General Expectations: Involvement of Parents in the Title I Program

McClymonds High School agrees to implement the following statutory requirements:

- The school will jointly develop with parents, distribute to parents of participating children, a School Parent Involvement Policy that school and parents of participating children agree on.
- The school will notify parents about the School Parental Involvement Policy in an understandable and uniform format and, to the extent practicable, will distribute this policy to parents in a language the parents can understand.
- The school will make the School Parental Involvement Policy available to the local community.
- The school will periodically update the School Parental Involvement Policy to meet the changing needs of parents and the school
- The school will adopt the school's Home-School compact as a component of its School Parental Involvement Policy.
- The school agrees to be governed by the following statutory definition of parental involvement, and will carry out programs, activities and procedures in accordance with this definition:

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring

- That parents play an integral role in assisting their child's learning
- That parents are encouraged to be actively involved in their child's education at school
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child

Part 2. Description of how the School will implement required School Parental Involvement Policy components: Building Parent Capacity for Involvement

- 1) *McClymonds High School* will take the following actions to involve parents in the joint development and joint agreement of its School Parental involvement Policy and its schoolwide plan, if applicable, in an organized, ongoing, and timely way under section 1118(b) of the ESEA:
 - PTSA (Parent Teacher Student Association) announcement and invitation
 - Regular Announcements to students over the school intercom
 - School Bulletin
 - OUSD Parent Signature of Parent Guide Book
 - McClymonds High School Handbook
 - The student newsletter
- 2) *McClymonds High School* will take the following actions to distribute to parents of participating children and the local community, the School Parental Involvement Policy:
 - Posting in the school offices, classrooms, library, and McClymonds Youth and Family Center
 - School website
 - Weekly Warrior (School Newsletter)
 - PTSA (Parent Teacher Student Association)

- Fliers
- School Mailings
- 3) *McClymonds High School* will update periodically its School Parental Involvement Policy to meet the changing needs of parents and the school. These groups will complete the periodic reviews and suggest updates:
 - ELAC (English Language Advisory Committee) agenda every year for review
 - PTSA (Parent Teacher Student Association)
 - Student Council
 - Faculty Council
- 4) **Annual Title I Meeting.** *McClymonds High School* will convene an annual meeting to inform parents of the following:
 - That the school participates in the Title 1 Program
 - How the school implements the Title I Program
 - The requirements of the Title 1 Program
 - The parents' right to be involved
 - The parents' right to participate in the development of the District's Title 1 Plan
- 5) *McClymonds High School* will provide information about Title 1 programs to parents of participating children in a timely manner:
 - The information will be provided using the procedures described in Part 2, #2, above.
 - Information about the Annual Title I Meeting will be provided at fall registration.
 - An announcement about the Annual Title I Meeting will be sent to all parents/guardians using the district's School Messenger service.
 - Annual Title I Meeting
 - Community meetings
- 6) *McClymonds High School* will provide to parents of participating children a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure students progress, and the proficiency levels students are expected to meet:
 - High School Course Descriptions
 - Back to School Night
 - Grade Nights
- 7) *McClymonds High School* provides support, during regular meetings, for parental activities requested by Title I Program parents.
 - Opportunity to request items in advance to include on meeting agenda
- 8) *McClymonds High School* will provide parents of participating children if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible:
 - Back to School Night
 - Teacher Conferences
 - Teacher Syllabi
 - McClymonds High School Handbook
 - School Announcements
- 9) *McClymonds High School* will submit to the district any parent comments if the schoolwide plan (SWP) under section (1114)(b)(2) is not satisfactory to parents of the participating children:
 - Office of the Ombudsperson
 - Contact: Mr. Gabriel Valenzuela, Ombudsperson
 - Address: Paul Robeson Administration Building, Room 316, 1025 Second Avenue,

- Oakland, CA 94606
- Email: Gabriel.Valenzuela@ousd.k12.ca.us

Part 3. Shared Responsibilities for High Student Academic Achievement

- 1) *McClymondsHigh School* will build the school's and parents' capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, through the following activities specifically described below:
 - PTSA (Parent Teacher Student Association)
 - ELAC (English Learners Advisory Council)
 - The school district's Parent Options Program
 - Parent Patrol
 - Fliers
 - The school's website
 - McClymonds Youh and Family Center
 - The School Site Principal will be responsible for the overall program of parental involvement.

School-Home Compact. McClymonds High School has jointly developed with and distributed to parents of Title I students a School-Home Compact that outlines how parents, the school staff, and students will share the responsibility for improved student academic achievement. It also describes how the school and parents will develop a partnership to help children reach proficiency on the California content standards.

- 2) The school will, with the assistance of the district, provide assistance to parents of children served by the school in understanding topics such as the following, by undertaking the actions described in this paragraph
 - The State of California's academic content standards
 - The State of California's student academic achievement standards
 - The State of California's and Oakland Unified School District's academic assessments, including the alternate assessments
 - The requirements of Title 1
 - How to monitor their child's progress
 - How to work with educators

Information is listed and distributed in the following ways to provide assistance to parents in understanding how to work with their children, teachers, etc.:

- Parent Handbook
- Report Cards
- Information Nights
- Progress Reports (distributed every six weeks)
- Annual Title 1 Meeting
- McClymonds Youth and Family Center
- 3) The school will, with the assistance of the district, provide materials and training to help parents work with their children to improve their children's academic achievement, such as literacy training, and using technology, as appropriate, to foster parent involvement, by:
 - Providing information to parents on District trainings and information student improvements
 - College Nights
- 4) The school will, with the assistance of its district and parents, educate its teachers, pupil services personnel, principals and other staff, in how to reach out to, communicate with, and work with parents as equal partners, in the value and utility of contributions of parents, and in how to implement and coordinate parents programs and build ties between parents and school, by:
 - Staff Retreats
 - Staff Professional Developments

- 5) The school will, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with Head Start, Reading First, and public pre-school and other programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children by:
 - College Nights
 - Back to School Nights
 - Information Nights
 - PTSA (Parent Teacher Student Association) to organize and facilitate activities
- 6) The school will, to the extent feasible and appropriate, take the following actions to ensure that information related to the school and parents-programs, meetings, and other activities, is sent to the parents of participating children in an understandable and uniform format, including alternative formats upon request, and to the extent practicable, in a language that parents can understand:
 - Sending vital information home in Spanish and English

Adoption

This School Parental Involvement Policy has been developed jointly with, and agreed upon with, parents of children participating in Title 1, Part A Programs, as evidenced by

This policy was adopted by the McClymonds Scho	ol Site Council on April 24 th , 2012 and
will be in effect for the 2012-13 School Year. The school	will distribute this policy to all parents
of participating Title 1, Part A, children. It will be made a	vailable to the local community. The
McClymonds High School's notification to parents of this	policy will be in an understandable
uniform format and, to the extent practicable, provided in a	a language the parents can understand.
(Principal's Signature)	(Date)

OAKLAND TECHNICAL HIGH SCHOOL SCHOOL-HOME COMPACT

Oakland Technical High School and the parents of its students agree to share the responsibility for improved student academic achievement. This compact outlines the means by which the school and parents will build and develop a partnership that will help children achieve the State of California's high academic standards.

This School-Parent Compact is in effect during the 2010-2011 school year.

We, the teachers, support staff, and administration of Oakland Technical High School:

- Agree to provide a safe, supportive, and effective learning environment for all students.
- We will do this by making clear our expectations for student performance both in and outside the classroom, and reviewing these expectations on a regular basis.
- We agree to provide curriculum and instruction that is of high quality and is designed to enable all students to meet the state's academic achievement standards.
- We agree to continually work on our teaching strategies so that we can successfully teach all students.
- We agree to hold a meeting with parents at least once each year (for example, on Back to School Night or at Registration or Parent Workshops) during which this compact will be discussed in relation to their students' achievement.
- We agree to notify parents or guardians promptly when attendance or academic problems arise for their students.
- We agree to provide reports on student progress no less than three times each semester.
- We agree to provide appropriate orientation and opportunities for parents who wish to volunteer or observe in their students' classrooms.
- We agree to follow school policies and show respect for every person at the school.

We, the parents and guardians of students at Oakland Technical High School:

- Accept responsibility for supporting our students' learning.
- We agree to monitor our students' attendance and assure attendance is maximized.
- We agree to monitor the study environment at home and assure that our students have at least 3 hours in a quiet environment to do homework each day.
- We agree to monitor the time our students spend with television or other electronic entertainment.
- We agree to encourage our students to make positive use of their extracurricular time.
- We agree to respond promptly to messages from the school.
- We agree to attend Back-to-School Night and other conferences that are arranged with our students' teachers or administrators.
- We agree to follow school policies and show respect for every person at the school.

We, the students of Oakland Technical High School:

- Agree to be on time for each of our classes every day.
- We agree to come to each class with completed homework and the required materials.
- We agree to write down each homework assignment and to set aside at least 3 hours each day to complete homework assignments.
- We agree to let our teachers, parents, or guardians know if we are having difficulty in a class and to ask for help if we need it.
- We agree to carry information between the school and our homes.
- We agree to follow school policies and show respect for every person at the school.

Signed:			

McClymonds School Compact

Our school philosophy is that families, students, and school staff should work in partnership to help each student reach his/her potential. As partners we agree to the following:

As a student I will:

- Believe that I can learn and will learn.
- Read for at least 30 minutes, five days a week.
- Come to class on time, ready to learn and with assignments completed.
- Set aside time every day to complete my homework.
- Know and follow the school and class rules.
- Follow the school's uniform dress code.
- Regularly talk to my parents and my teachers about my progress in school.
- Respect my school, classmates, staff, and family.
- Ask for help when I need it.

Student signature	
Student signature	

As a parent/guardian or family member I will:

- Talk to my child regularly about the value of education.
- Communicate with the school when I have a concern.
- Monitor TV viewing and make sure that my child reads every day.
- Make sure that my child attends school every day, on time, and with homework completed.
- Support the school's discipline and uniform dress code.
- Monitor my child's progress in school.
- Make every effort to attend school events, such as parent-teacher conferences, Open House and Back-to-School Night.
- Ensure that my child gets adequate sleep, regular medical attention, and proper nutrition.
- Participate in school, home, and community-sponsored activities to meet my agreed-upon responsibility of 40 hours a year.
- Participate in shared decision making with school staff and other families for the benefit of students.
- Respect the school, staff, students, and families.

Family m	ember sigi	nature	

As a teacher I will:

- Provide high-quality curriculum and instruction.
- Communicate high expectations for every student.
- Endeavor to motivate my students to learn.
- Teach and involve students in classes that are interesting and challenging.
- Participate in professional development opportunities that improve teaching and learning and support the formation of partnerships with families and the community.
- Enforce rules equitably and involve students in creating a warm and caring learning environment in the class.

- Communicate regularly with families about their child's progress in school through conferences, parent-teacher meetings, progress reports, and other available means.
- Provide reasonable opportunities for parents to volunteer and participate in their child's class, and to observe classroom activities.
- Provide assistance to families on what they can do to support their child's learning.
- Participate in shared decision making with other staff and families for the benefit of students.
- Respect the school, staff, students, and families.

Teacher signature
We make a commitment to work together to carry out this agreement.
Signed on this, 20

These ams are implemented signed and documented in daily use in all rooms for all students ed Algebra I. result of ABX4 2, the ERLA 2008 and ematics 2007 adoptions he previous SBE cions will meet the ard of "current".	 These materials are implemented daily as designed (with consideration for blocked periods and semester courses) to support the instructional needs of all students. Teachers use the adopted core Algebra I program and ancillary materials designed for universal access/differentiated instruction during core instruction to meet the assessed needs of students, including strategic learners. All SBE-adopted programs have been designed with additional ancillary materials that are to be used with and beyond the core grade-level program. The ancillary materials are used for universal access. Universal access is a term that describes differentiated instruction that meets the needs of all students, including ELs, students with mathematics difficulties, SWDs, and advanced learners. SWDs may be appropriately placed in Algebra I but may need special modifications and/or accommodations of curriculum or instruction, as specified in their IEP, to enable them to participate successfully in the core Algebra I classroom. 		 instructional needs of strategic students and the intensity of support offered to these students. This time is given priority and protected from interruptions. Students identified in need of strategic support are defined as students who demonstrate proficiency at or above the grade six ERLA standards but fail to master grade nine or ten standards and/or pass the English-language arts (ELA) portion of the CAHSEE. Strategic learners are assessed and need additional instructional time beyond the core to learn grade-level standards. For high-priority strategic students, the strategic support is a period in addition to the basic core program to pre/re-teach concepts and skills taught in the grade-level English nine and ten courses. Some strategic students may have occasional trouble within the day-to-day ELA instruction. These students may not need additional strategic support time beyond the core period. In this case, teachers are to provide these students additional targeted differentiated instruction using the core program, ancillary materials in their English nine and ten classrooms.
