OAKLAND PUBLIC EDUCATION FUND

STATEMENT OF QUALIFICATIONS, 2014-15

ABOUT THE OAKLAND PUBLIC EDUCATION FUND

The **Oakland Public Education Fund (the Ed Fund)** is a registered 501(c)(3) non-profit founded in 2003 by Oakland principals and community leaders. To reflect its evolving, city-wide focus, in 2014 the organization changed its name from the Oakland Schools Foundation to the Oakland Public Education Fund.

MISSION AND VISION

The Ed Fund's mission is to lead the development and investment of community resources in Oakland public schools so that all students can learn, grow, and thrive.

OUR SERVICES

The Ed Fund offers the following services and support to Oakland public schools and other organizations:

Fiscal Sponsorship and Management

As a 501(c)(3), the Oakland Public Education fund provides fiscal sponsorship for grants, donations, and in-kind contributions. We help our partner schools and organizations remain accountable to their supporters through rigorous budget management and consistent donor follow-up supported by thank-you letters and mailing list management. We also offer accounts payable and receivable as part of our Fiscal Sponsorship and Management services.

Human Resource Management

As a fiscal sponsor for our partners, OSF provides contractor and employee administration services for programs funded by grants and donations.

Resource Development

California currently spends close to \$3,000 less per student than the national average. The resource and opportunity gaps in public education require that we look for resources beyond public funding to support our students. To this end, the Ed Fund offers grant writing, donor cultivation, and partnership

development services to help our partners generate resources that support the development and sustainability of programs critical to student learning and success.

Communications and Outreach

In order to boost student enrollment, community and family engagement, and resource development it is important that we share what is happening in our schools and across OUSD. The Ed Fund provides partners and the District with communications and outreach services that include branding, website development, social media management, storytelling, mailings, photography, and the development of communications materials such as newsletters and brochures.

RESULTS AND IMPACT

The Oakland Public Education Fund has helped schools raise more than **\$25 million** for essential programs since 2003, supporting schools and OUSD to build new partnerships along the way. Through our communications work, we've consistently championed Oakland schools to shift the narrative about public education in Oakland.

The organization fiscally sponsors roughly 40 Oakland public schools, and as it widens its scope as the Ed Fund, has begun fiscally sponsoring District efforts such as the African American Male Achievement Initiative (AAMA).

In its role as the education fund for Oakland, the Ed Fund works closely with OUSD to support District-wide fundraising, partnership building, and championing of Oakland public schools. Here are a few recent examples:

- Its first annual School Supply Drive in Fall 2013 raised \$35,000 in supplies for more than 20 Oakland schools in need.
- The Ed Fund partnered with OUSD to create brochures for all 20 Oakland public middle schools, supporting the District's effort to boost enrollment at the middle-school level.
- The Ed Fund hosted its inaugural Thank an Oakland Teacher Night in May 2014, honoring close to 200 teachers from schools across Oakland.
