**No Child Left Behind, Supplemental Educational Services, Title I, Section 1116(e).**

It is understood that this Contract does not commit OUSD to pay for Supplemental Educational Services, unless and until the OUSD SES Department approves the provision of Supplemental Educational Services to any particular student by CONTRACTOR.

**2. Terms of Contract**

The term of this Contract shall begin on December 14, 2011, and end on June 16, 2012 (“Term”).

**3. Individual Learning Plan**

3.1 Before CONTRACTOR begins Supplemental Educational Services to any particular student, CONTRACTOR shall submit to OUSD an executed Individual Learning Plan (hereinafter referred to as “ILP”) as specified by the OUSD SES Department for said OUSD student. CONTRACTOR shall use OUSD ILP. This form shall acknowledge CONTRACTOR’S intent to provide all services specified in the student’s ILP.

3.2 This Contract shall include an ILP developed for each OUSD student to whom CONTRACTOR is to provide Supplemental Educational Services. The CONTRACTOR will complete, on behalf of OUSD, the ILP for each student the CONTRACTOR serves. An ILP shall only be issued for OUSD students enrolled with the approval of the OUSD SES Department and shall outline specific achievement goals as determined by individual student assessment.

3.3 Any and all changes to an OUSD student’s educational program shall be made solely on the basis of a revision to the OUSD student’s ILP. At any time during the term of this Contract, an OUSD student’s parent, CONTRACTOR, or OUSD may request a review of an OUSD student’s ILP.

#### 4. Scope of Work

4.1 OUSD and CONTRACTOR shall also enter into an Individual Services Agreement (hereinafter referred to as "ISA"), in the form of Exhibit A, which is attached hereto and made a part hereof and generally describes CONTRACTOR'S program.

Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from the OUSD student's pupil record. Such log need not record access to the OUSD student's pupil records by: (a) the OUSD student's parent; (b) an individual to whom written consent has been executed by the OUSD student's parent; or (c) employees of OUSD or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the pupil record. ## **12. Termination for Convenience**

12.1 The OUSD may, by written notice to the CONTRACTOR, terminate this Contract in whole or in part at any time, for the OUSD's convenience and without cause. Upon receipt of such notice, the CONTRACTOR shall:

(a) Immediately discontinue all services affected (unless the notice directs otherwise) and

(b) Deliver to the OUSD all information and material as may have been involved in the provision of services whether provided by the OUSD or generated by the CONTRACTOR in the performance of this Contract, whether completed or in process. Termination of this Contract shall be as of the date of receipt by the CONTRACTOR of such notice.

12.2 If the termination is for the convenience of the OUSD, CONTRACTOR shall submit a final invoice within 60 days of termination, and the OUSD shall pay the CONTRACTOR the sums earned for services actually performed prior to the effective date of termination and other reasonable costs incurred by the CONTRACTOR to implement the termination in accordance with the provisions of this Contract.

12.3 The CONTRACTOR shall not be entitled to anticipatory, lost profits, or consequential damages as a result of any termination under this section. Payment to the CONTRACTOR in accordance with this section shall constitute the CONTRACTOR'S exclusive remedy for any termination hereunder.

12.4 Either party may terminate this Agreement with or without cause by providing Thirty (30) days' notice, in writing, to the other party. Upon the expiration of said notice, this Agreement shall become of no further force or effect whatsoever and each of the parties hereto shall be relieved and discharged here from.

12.5 Services to an individual student may be terminated by CONTRACTOR with consent of the OUSD if the student fails to attend 3 or more sessions, per written parental request, the student's dis-enrollment from the District, if this MOU is terminated, or if the student's conduct or behavior threatens the safety or well-being of that student, other students or staff members, or substantially detracts from the learning environment.

## **13. Termination for Default**

13.1 The OUSD may, by written notice to the CONTRACTOR, terminate this Contract in whole or in part at any time because of the failure of the CONTRACTOR to fulfill its contractual obligations and the District may, in its sole discretion, provide CONTRACTOR with a reasonable period within which to cure the default. Upon receipt of such notice, the CONTRACTOR shall:

(a) Immediately discontinue all services affected (unless the notice directs otherwise) and

(b) Deliver to the OUSD all information and material as may have been involved in the provision of services whether provided by the OUSD or generated by the CONTRACTOR in the performance of this Contract, whether completed or in process (unless the notice directs otherwise). Termination of this Contract shall be as of the date of receipt by the CONTRACTOR of such notice.

13.2 If the termination is due to the failure of the CONTRACTOR to fulfill its contractual obligations, the CONTRACTOR shall be liable to the District for any reasonable costs or

damages occasioned to the District thereby. The expense of completing the Services, or any other costs or damages otherwise resulting from the failure of the CONTRACTOR to fulfill its obligations, will be charged to the CONTRACTOR and will be deducted by the District out of such payments as may be due or may at any time thereafter become due to the CONTRACTOR. If such costs and expenses are in excess of the sum which otherwise would have been payable to the CONTRACTOR, then the CONTRACTOR shall promptly pay the amount of such excess to the OUSD upon notice of the excess so due.

13.3 If, after the notice of termination for failure to fulfill contract obligations, it is determined that the CONTRACTOR has not so failed, the termination shall be deemed to have been effected for the convenience of the OUSD subject to Section 12.

13.4 The CONTRACTOR shall not be entitled to any anticipatory, lost profits, or consequential damages as a result of any termination under this section. Payment to the CONTRACTOR in accordance with this section shall constitute the CONTRACTOR'S exclusive remedy for any termination hereunder. The rights and remedies of the OUSD provided in this section are in addition to any other rights and remedies provided by law or under this Contract.

#### **14. Termination for Change of Control**

In the event that CONTRACTOR undergoes a change in control where voting or other control of CONTRACTOR is acquired, directly or indirectly, in a single transaction or series of related transactions, or all or substantially all of CONTRACTOR'S assets are acquired, by any entity (other than an Affiliate), or CONTRACTOR is merged with or into another entity (other than an Affiliate) to form a new entity, then, at any time within nine (9) months after the last to occur of these events, OUSD may terminate this Agreement by (a) giving CONTRACTOR ninety (90) calendar days' prior written notice and (b) designating a date upon which the termination(s) will be effective.

#### **15. Termination for Insolvency**

OUSD may terminate this Agreement in its entirety if CONTRACTOR (a) becomes insolvent or is unable to meet its debts as they mature, (b) files a voluntary petition in bankruptcy or seeks reorganization or to effect a plan or other arrangement with creditors, (c) files an answer or other pleading admitting, or fails to deny or contest, the material allegations of an involuntary petition filed against it pursuant to any applicable statute relating to bankruptcy, arrangement or reorganization, (d) is adjudicated a bankrupt or makes an assignment for the benefit of its creditors generally, (e) applies for, consents to or acquiesces in the appointment of any receiver or trustee for all or a substantial part of its property, or (f) any such receiver or trustee is appointed and not discharged within thirty (30) calendar days after the date of such appointment.

#### **16. Insurance**

16.1 CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed insurer with an A minus (A-), VII, or better rating from A.M. Best, sufficient to cover any claims, damages, liabilities, costs and expenses (including counsel fees) arising out of or in connection with CONTRACTOR'S fulfillment of any of its

obligations under this Contract or either party's use of the Work or any component or part thereof:

- (a) COMMERCIAL GENERAL LIABILITY insurance which shall include contractual, products and completed operations, corporal punishment and sexual misconduct and harassment coverage, and bodily injury and property damage liability insurance with combined single limits of not less than \$1,000,000 per occurrence.
- (b) WORKERS COMPENSATION insurance, as required by the California Labor Code, with not less than the statutory limits.

16.2 CONTRACTOR, no later than the date that this Contract is signed, and periodically thereafter upon request, shall furnish the District with certificates of insurance evidencing such coverage. Satisfactory evidence of insurance shall include standard insurance company Certificate of Liability Insurance form ACORD 25-S or the Marsh, Inc. insurance certificate form. The certificate of insurance shall include a thirty (30) day non-renewal notice provision. The policies of insurance providing the coverages referred to above shall name the Oakland Unified School District as an additional insured with respect to any potential tort liability, irrespective of whether such potential liability might be predicated on theories of negligence, strict liability or products liability. Premiums on all insurance policies shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR'S obligations under this contract at no additional charge. Failure to maintain the above mentioned insurance coverage shall be cause for termination of this Contract.

16.3 If at any time said policies of insurance lapse or become canceled, this Contract shall become void. The acceptance by OUSD of the above-required insurance does not serve to limit the liability or responsibility of the insurer or CONTRACTOR to OUSD.

16.4 If OUSD determines that change in insurance coverage obligations under this section is necessary, OUSD may reopen negotiations to modify the insurance obligations.

## **17. Indemnification and Hold Harmless**

17.1 CONTRACTOR shall indemnify, hold harmless and defend the Oakland Unified School District and each of its officers, officials, employees, volunteers and agents from any loss, liability, fines, penalties, forfeitures, costs or damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by the District, CONTRACTOR or any other person and from any claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly out of performance of this Agreement.

17.2 CONTRACTOR'S obligations under the preceding sentence shall apply jointly and severally regardless of whether OUSD or any of its officers, officials, employees, volunteers or agents are actively or passively negligent, but shall not apply to any loss or liability, fines, penalties, forfeitures, costs or damages caused solely by the active negligence or by the willful misconduct of OUSD.

17.3 If CONTRACTOR should subcontract all or any portion of the work or activities to be performed under this agreement, CONTRACTOR shall require each subcontractor to

indemnify, hold harmless and defend OUSD, its officers, officials, employees, volunteers or agents in accordance with the terms of paragraphs 17.1 and 17.2.

## **18. Independent Contractor and Conflict of Interest**

18.1 CONTRACTOR shall provide all services under this Contract as an independent CONTRACTOR, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the OUSD and any individual assigned by CONTRACTOR to perform any services for the OUSD. If the OUSD is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR or any person performing services on CONTRACTOR'S behalf, CONTRACTOR shall defend, indemnify and hold harmless the OUSD from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by the OUSD as a result of that holding.

18.2 CONTRACTOR shall abide by and be subject to all applicable OUSD policies, regulations, statutes or other laws regarding conflict of interest. CONTRACTOR affirms to the best of his/her/its knowledge, there exists no actual or potential conflict of interest between CONTRACTOR's family, business or financial interest and the services provided under this Agreement, and in the event of change in either private interest or services under this Agreement, any question regarding possible conflict of interest which may arise as a result of such change will be brought to OUSD's attention in writing. Through its execution of this Agreement, CONTRACTOR acknowledges that it is familiar with the provisions of section 1090 et seq. and Section 87100 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provisions. In the event CONTRACTOR receives any information subsequent to execution of this Agreement, which might constitute a violation of said provisions, CONTRACTOR agrees it shall notify OUSD of this information.

## **19. Subcontracting**

19.1 CONTRACTOR shall provide written notification to OUSD before subcontracting for Supplemental Educational Services pursuant to this Contract. In any event, the Contractor shall be paid in accordance with the Contract for Services performed through the date of termination, amendment (as more particularly set forth in the amendment) or suspension of payments. (If the per-pupil rate for services increases or decreases, the OUSD will allow providers to amend their number of hours to reflect the changes) Where will services be delivered? (List all sites if individual franchises/clubs/centers, etc. are involved)
  - Students will receive services 2 days per week.
  - Students will receive a total of 25 hours of services.
  - Each session is 2 hours per day.
- What is the absolute maximum number of students provider is able to service?
  - Extreme Learning can provide services to an unlimited number of students.

- What will be needed for students to access the services (i.e.: transportation to a site - where, how far from schools? Computer access - what kind, hook ups, internet access, specialized equipment, etc.)?
  - Extreme Learning utilizes laptop computers and provides all set-up and technical support, and requires only a single Internet drop per classroom.

## PROVIDER SERVICES

- How will the provider ensure that content and instruction are consistent with the content used by and instruction provided by the OUSD and aligned with California state standards?
  - Students take both a pre- and post-test correlated to the California standards. Pre-test results, along with input from the parent, and student data from the District help us to determine which standards students are struggling with and where they need remediation. We create a Student Learning Plan that Academic Coaches use to develop individualized instruction in both Focused Instruction and Orchard Educational Software. The post-test is generated from the same bank of questions and is correlated to the same grade-level standards, thus enabling us to measure educational gains.
- How do you ensure that the ILP is individually tailored to each student's needs?
  - Each student begins the program with a California standards based assessment appropriate for their grade level. The test results are used to identify key goals and generate an ILP. The ILP is reviewed with parents for their input and any modifications. Once tutoring begins, the ILP is used to determine needed remediation for the student. Each tutor has the ILP with him at all times he is tutoring. Tutors take daily notes on student progress on the learning goals listed on the ILP. All progress on ILP goals is described in the Progress Report.
- In what content areas are providers prepared and qualified to provide support services to students as per the proposal approved by the state of California?
  - Extreme Learning is prepared and qualified to provide services in Reading, Language Arts, Mathematics and English Language Development (ELD).
- What are the qualifications of the employees used to provide SES services to students?
  - The majority of our Academic Coaches have a Bachelor's Degree. The minimum for our Academic Coaches is 48 college units, the same as the requirement for highly qualified para professionals.
- What training, guidelines, and support do employees providing service receive? (Describe completely the content of the training received by employees providing service.)

- Our Training Department develops and provides printed manuals, video/online-based training, face-to-face training, follow-up training, and then tests prospective Academic Coaches on the content of their training. The managers also provides ongoing support to coaches in the field. Each Academic Coach has a minimum of 8 hours of training before they begin tutoring and one hour per week of ongoing training throughout the school year. New Academic Coaches shadow experienced Academic Coaches to learn best practices.
  
- How does the provider guarantee that all provider employees are aware of child abuse reporting procedures?
  - Child abuse awareness is included in both the video/online-based and the face-to-face training.
  
- What is the delivery mode for the service and what is the maximum tutor student ratio (i.e.: 1 to 1 tutoring, small group instruction, computer-based lessons with or without a live tutor, etc.)?
  - Academic Coaches work with students in a 5:1 ratio as well as monitor students as they work on computer-based lessons. For half the program, students work on computerized academic assessments and skill building. For the other half of the program students focus on homework and Focused Instruction standards-based curriculum, based on the CST blueprint.
  
- Describe the general program of instruction to be provided to students including the materials to be used with the students as per the proposal approved by the state of California.
  - We work with kindergarten through 12<sup>th</sup> grade students to help them successfully complete their homework, and build their academic skills in reading, writing and math using laptop computers and exciting, standards-based academic content. Academic Coaches work with small groups of students, 5 students to 1 tutor, on the school site in two-hour sessions two days per week. Each student works at his/her own pace, based on their individual learning needs. We also teach students basic computer, productivity, and study skills.
  
- For Special Education students, how will the provider ensure that supplemental services provided for the student are consistent with the student's Individualized Education Plan (IEP), there is disability access and that any accommodations necessary are made?
  - Extreme Learning provides pacing adjustments, multi-sensory lessons, and mastery-based learning for Special Education students, in coordination with their IEP requirements.
  
- For English Learner students, how will the provider ensure that there is primary

### language support provided for the student?

- As with Special Education students, Extreme Learning provides pacing adjustments, multi-sensory lessons, and mastery-based learning to English Language Learners. The entire program is offered in English. Spanish and Vietnamese language support is available to both students and parents as needed, via phone.
- Fully explain any “incentive” program used within your program to encourage students to reach achievement and/or attendance levels. List the levels to be reached by the student and the specific incentive and the monetary value of each incentive (a limit of no more than \$50.00 in aggregate) for each level attained. This includes pizza parties, material items, gift certificates, field trips, etc.
  - Extreme Learning utilizes both an attendance and an assessment-based incentive program. As students attend and take assessments, they earn points to redeem items from the Extreme store. Each prize is no more than \$5.00 and includes such items as pencils, wristbands, bookmarks, and other academic-focused items. Each student’s incentives add up to no more than \$50.00 in aggregate, per requirement of the district.
- What is your organization’s student behavior policy and what behavior intervention strategies does your organization use?
  - Behavior expectations are explained before the program begins and are in the parent/student handbook. If there is a behavior problem, coaches talk with the student and then contact the parent, if necessary. Managers are alerted if the problem continues. A severe problem could result in removal from the program but the school would be notified before that occurred.

### ASSESSMENT AND ACCOUNTABILITY

- What instrument does the provider currently use as a pretest and as a posttest and to monitor and assess student progress during services?
  - Extreme Learning conducts initial and final summative assessments in reading, language arts and mathematics. This test is a summative CA Standards-based, test from Siboney Learning Groups Orchard Gold Instructional Software program. We conduct frequent formative tests using quizzes and assessments embedded in our licensed academic content software. This allows us to provide results on tests to parents.
- To what degree do current assessment measures used by the provider reflect California state content standards?
  - All tests administered are correlated to the California State Standards.
- Local education agencies are required to develop contracts that provide for the termination of agreements with supplemental service providers if the provider is unable to meet the goals or timelines of the agreement. How will the provider ensure that timelines are being met and that students are making sufficient progress toward learning goals? What does the provider currently include as a “guarantee” to consumers of the effectiveness of their service?

- We conduct initial and final summative assessments in reading, language arts and mathematics. We conduct frequent formative tests using quizzes and assessments embedded in our licensed academic content software. All students have individual accounts with their own logins and passwords. The test data are presented to teachers and parents and also district administrators at regular meetings. The results of these tests inform the creation and ongoing modification of Individual Learning Plans for each student. We also collect initial placement data from the school—including CST, CAT6 and CELDT scores— from teachers and parents. Extreme Learning is aiming for an 8 point gain from the pre test to the post test for students who complete all their hours and portions of the program.

## COMMUNICATION

- In addition to the required Attendance/Progress Reports after each 15 hours of service, how will the provider regularly evaluate student progress and report student progress to the parent?
  - Academic Coaches provide reports to parents and teachers about what students are studying, their progress, difficulties, attendance and behavior. We also provide bi-weekly progress reports for teachers and administrators, which are translated into Spanish for parents. We meet monthly with principals and district administrators to share achievement data and ensure smooth operation of the program.
- How does the provider monitor and report student attendance? What is the planned parent outreach if students fail to attend or participate in services? What procedures will be in place to notify parents, the school, and the OUSD SES Office if students fail to attend?
  - Academic coaches take daily attendance through an online student information system, as well as on paper attendance sheets. Additionally, our staff contacts the parents of every absent student the evening of the absence. This process ensures that student attendance is tracked and accurately monitored. Attendance is then additionally monitored by the Area Manager. Extreme Learning is responsible for reporting attendance to the District on a monthly basis in the form preferred or mandated by the District for the monthly invoice.
- How will provider communicate the required complaint procedures to parents? **(Copies of these procedures as well as Child Abuse and Missing Children Reporting Procedures were to be submitted to OUSD during contract process.)**
  - Extreme Learning provides copies of Inquiry/Complaint procedures and forms at each school site and will communicate complaint procedures with parents.
