**To** Board of Education

**From** Kyla Johnson-Trammell, Superintendent  
Sondra Aguilera, Chief Academic Officer  
Cynthia Bagby, Principal, Redwood Heights Elementary School

**Meeting Date** June 30, 2021

**Subject** Professional Services Agreement – CircleUp Education – Redwood Heights Elementary School

**Ask of the Board** Approval by the Board of Education of a Professional Services Agreement between the District and CircleUp Education, Oakland, CA, for the latter to provide 10-12, 1-hour coaching sessions to realign with the school's commitment to creating anti-racism and anti-discrimination school-wide climate/culture systems; coaching and consulting support related to school equity, and conflict resolution; CircleUp Ed's Institutionalization of Equity Values Program will design and facilitate Redwood Heights' school-wide Restorative Justice practices to help resolve conflicts related to staff, student, and parent relations, for the period of May 17, 2021 through June 30, 2021, in an amount not to exceed \$4,500.00.

**Background** At Redwood Heights we honor the uniqueness of each individual and embrace diverse backgrounds, values, and points of view to build a strong, inclusive community and to prepare students for lives in a 21st Century multicultural society. We have commitment to social justice to ensure all students are treated equitably so that they feel safe and secure—physically and psychologically. We made a commitment to do everything in our power to end discrimination based on race, gender identity, disability, or expression at our school. We know that the best education occurs in a school of students, teachers, and families drawn from diverse socio-economic backgrounds, cultures, races, religions, and sexual orientations. A diverse school community alone is not enough. While the work of diversity and community always has been a part of the Redwood Height's mission, we seek to build on this commitment by striving to create a truly inclusive school: one where students and adults are welcomed and supported, and where their faces, voices, and experiences are reflected and valued. We believe that the work of inclusion is a responsibility held by all and done for all, person to person. Redwood Heights is committed to providing every student an equal opportunity to participate and thrive in our academic program.

Circle Up Education's team will provide principal Cynthia Bagby and her staff with approximately 10-12, 1-hour coaching sessions to realign with the school's

commitment to creating anti-racism and anti-discrimination school-wide climate/culture systems. Circle Up Education will also provide coaching and consulting support related to school equity, and conflict resolution. Circle Up Ed's Institutionalization of Equity Values Program will design and facilitate Redwood Heights' school-wide Restorative Justice practices to help resolve conflicts related to staff, student, and parent relations.

**Discussion**

The pandemic has been hard on our students and families. We are placing equity at the center and are planning for a restorative restart. CircleUp Ed's Institutionalization of Equity Values Program will design and facilitate Redwood Heights' school-wide Restorative Justice practices to help resolve conflicts related to staff, student, and parent relations. This will support Redwood Height's commitment to:

1. Develop school environments where all students are actively and meaningfully engaged in rigorous instruction. We examine and revise our curriculum and teaching practices as necessary to ensure that we are effective in reaching every student.
2. Engage families as partners in meaningful ways
3. Build the capacity of diverse teams that are more reflective of our students.
4. Understand the significant difference between equity and equality. Every student deserves to receive what he/she needs to succeed (equity), not that every student receives the same amount of resources, instruction, attention, etc. (equality).
5. Teach individuals to question their cultural viewpoints and assumptions and to modify them when appropriate.
6. Nurture meaningful interaction and dialogue to honor our differences while embracing shared values. We encourage curiosity and inquiry so that we can learn from a diverse range of experiences and points of view.

**Fiscal Impact**

Fiscal Impact: Resource 9337/PTA Local Schools in the amount of \$4,500.00.
