OAKLAND UNIFIED SCHOOL DISTRICT GENERAL SERVICES AGREEMENT

This general services agreement (“Agreement”) is made and entered into effective **June 11, 2026** (the “Effective Date”), by and between the Oakland Unified School District (“District”) and **A-Tech Consulting** (“Contractor” and together with District, the “Parties”).

1. **Contractor Services.** Contractor agrees to provide the following services to District (collectively, the “Basic Services”): provide water sampling coordination and certified laboratory testing services in support of the Oakland Unified School District (“District”) at various District school sites. All services shall comply with the U.S. Environmental Protection Agency (EPA) 3Ts for reducing lead in drinking water in schools and childcare facilities (2021) and all applicable federal and State of California regulations in connection with the Lead Abatement Group 1 Project (“Project”), (as further described in **Exhibit A** to this Agreement). Contractor shall provide services related to the Project other than Basic Services (i.e., “Additional Services”) if directed in writing by District to perform specific Additional Services and if sufficient contract funds for Additional Services remain to pay for the directed Additional Services (see Section 5, below). “Services” shall mean Basic and Additional Services. Contractor agrees to perform such Services as expeditiously as is consistent with professional skill and care and the orderly progress of the Services and the Project. All services performed by the Contractor under this Agreement shall be conducted in a manner consistent with the level of care and skill ordinarily exercised by **A-Tech Consulting**, specially qualified to provide the services required by the District.

2. **Contractor Qualifications.** Contractor represents and warrants to District that Contractor, and all of Contractor’s employees, agents or volunteers (the “Contractor Parties”), have in effect and shall maintain in full force throughout the Term of this Agreement all licenses, credentials, permits and any other qualifications required by law to perform the Services and to fully and faithfully satisfy all of the terms set forth in this Agreement. Contractor and any Contractor Parties performing Services shall be competent to perform those Services.

3. **Term.** The term for performance of the Services shall be the duration of the Project (“Term”), except as otherwise stated in Section 4 below, and Contractor shall complete the Services within the Term. There shall be no extension of the Term without an amendment signed by all Parties and approved by the District’s governing board. Written notice by the District Superintendent or designee shall be sufficient to stop further performance of the Services by Contractor or the Contractor Parties. In the event of early termination, Contractor shall be paid for satisfactory Services performed to the date of termination. Upon payment by District, District shall be under no further obligation to Contractor, monetarily or otherwise, and District may proceed with the work in any manner District deems proper.

4. **Termination.** District may terminate this Agreement at any time by giving thirty (30) days advance written notice to Contractor. Notwithstanding the foregoing, District may terminate this Agreement at any time by giving written notice to Contractor if (1) Contractor materially breaches any of the terms of this Agreement; (2) any act or omission of Contractor or the Contractor Parties exposes District to potential liability or may cause an increase in District’s insurance premiums; (3) Contractor is adjudged a bankrupt; (4) Contractor makes a general assignment for the benefit of creditors; (5) a receiver is appointed because of Contractor’s insolvency; or (6) Contractor or Contractor Parties fail to

comply with or make material representations as to the fingerprinting, criminal background check, and/or tuberculosis certification sections of this Agreement. Such termination shall be effective immediately upon Contractor's receipt of the notice.

5. **Payment of Fees for Services.** District agrees to pay Contractor based on the hourly rates listed in **Exhibit B** for Services satisfactorily performed. Contractor shall not increase these hourly rates over the course of this Agreement. Total fees paid by District to Contractor for Services under the Agreement shall not exceed **Four Hundred Thirty Thousand Three Hundred Twenty Dollars (\$430,320.00)**, which consists of a not-to-exceed amount of **Three Hundred Ninety-One Thousand Two Hundred Dollars (\$391,200)** for performance of the Basic Services, and a not-to-exceed contingency amount of **Thirty-Nine Thousand One Hundred Twenty Dollars (\$39,120.00)** for performance of any Additional Services. Contractor acknowledges that the not-to-exceed fee for Basic Services, above, includes contingency compensation in the foreseeable event that more time and costs may be necessary to complete the Basic Services. Contractor shall perform all Basic Services required by the Agreement even if the not-to-exceed amount for performance of the Services has already been paid and no more payments will be forthcoming. District agrees to make payment within sixty (60) days of receipt of a detailed invoice from Contractor based on hours worked and hourly rates, including any additional supporting documentation that District reasonably requests. Contractor shall not submit its invoices to District more frequently than monthly. Contractor will not be compensated for any Basic or Additional Services required as a result of wrongful acts or omissions.

5.1 **Reimbursement for Certain Expenses.** Contractor shall not be reimbursed directly for any of its expenses, as the fees to be paid under this Agreement include compensation for any and all of Contractor's expenses.

6. **Indemnity.** Contractor shall defend, indemnify, and hold harmless District and its agents, representatives, officers, consultants, employees, Board of Trustees, members of the Board of Trustees (collectively, the "District Parties"), from and against any and all claims, demands, liabilities, damages, losses, suits and actions, and expenses (including, but not limited to attorney fees and costs including fees of consultants) of any kind, nature and description (collectively, the "Claims") directly or indirectly arising out of, connected with, or resulting from any act, error, omission, negligence, or willful misconduct of Contractor, the Contractor Parties or their respective agents, subcontractors, employees, material or equipment suppliers, invitees, or licensees in the performance of or failure to perform Contractor's obligations under this Agreement, including, but not limited to Contractor's or the Contractor Parties' use of the site, Contractor's or the Contractor Parties' performance of the Services, Contractor's or the Contractor Parties' breach of any of the representations or warranties contained in this Agreement, or for injury to or death of persons or damage to property or delay or damage to the District or the District Parties. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity, which would otherwise exist as to a party, person, or entity described in this paragraph. The indemnification provided for in this Section 6 includes, without limitation to the foregoing, claims that may be made against District by any taxing authority asserting that an employer-employee relationship exists by reason of this Agreement, and any claims made against District alleging civil rights violations by Contractor or Contractor Parties under the California Fair Employment and Housing Act ("FEHA").

7. **Equipment and Materials.** Contractor at its sole cost and expense shall provide and furnish all tools, labor, materials, equipment, transportation services and any other items (collectively,

“Equipment”) which are required or necessary to perform the Services in a manner which is consistent with generally accepted standards of the profession for similar services. Notwithstanding the foregoing, District shall not be responsible for any damages to persons or property as a result of the use, misuse or failure of any Equipment used by Contractor or the Contractor Parties, even if such Equipment is furnished, rented or loaned to Contractor or the Contractor Parties by District. Furthermore, District may reject any Equipment or workmanship that does not conform to the requirements of this Agreement and Contractor must then promptly remedy or replace it at no additional cost to District and subject to District’s reasonable satisfaction.

8. **Insurance.** Without in any way limiting Contractor’s liability, or indemnification obligations set forth in Section 6 above, Contractor shall secure and maintain throughout the Term of this Agreement the following insurance: (i) comprehensive general liability insurance with limits of not less than \$1,000,000 each occurrence and \$2,000,000 in the aggregate; (ii) commercial automobile liability insurance with a combined single limit not less than \$1,000,000 each occurrence; (iii) worker’s compensation insurance as required by Labor Code section 3200, et seq.; and (iv) professional liability insurance covering errors and omissions. Neither Contractor nor any of the Contractor Parties shall commence performing any portion of the Services until all required insurance has been obtained and certificates indicating the required coverages have been delivered to and approved by District. All insurance policies shall include an endorsement stating that District and District Parties are named additional insureds. All of the policies shall be amended to provide that the insurance shall not be suspended, voided, canceled, reduced in coverage or in limits except after thirty (30) days’ prior written notice has been given to District. If such a notice is not given or even if District receives a notice, District may, at its sole option, terminate this Agreement. All insurance policies shall include an endorsement stating that it is primary to any insurance or self-insurance maintained by District and shall waive all rights of subrogation against District and/or the District Parties. A copy of the declarations page of Contractor’s insurance policies shall be attached to this Agreement as proof of insurance.

9. **Independent Contractor Status.** The Parties agree that Contractor is free from the control and direction of District in connection with Contractor’s performance of the Services. Contractor is hereby retained to provide the specified Services for District, which are outside the usual course of District’s business. Contractor certifies that it is customarily engaged in an independently established trade, occupation, or business to provide the Services required by this Agreement. Contractor understands and agrees that Contractor and the Contractor Parties shall not be considered officers, employees, agents, partners, or joint venturers of District, and are not entitled to benefits of any kind or nature normally provided to employees of District and/or to which District’s employees are normally entitled.

10. **Taxes.** All payments made by District to Contractor pursuant to this Agreement shall be reported to the applicable federal and state taxing authorities as required. Unless required by law, District will not withhold any money from fees payable to Contractor, including FICA (social security), state or federal unemployment insurance contributions, or state or federal income tax or disability insurance. If applicable, Contractor shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor and the Contractor Parties and otherwise in connection with this Agreement.

11. **Fingerprinting/Criminal Background Investigation Certification.** Contractor and the Contractor Parties shall at all times comply with the fingerprinting and criminal background

investigation requirements of the California Education Code (“Education Code”) section 45125.1. Before performing any Services, Contractor shall execute and return the District’s Fingerprinting Notice and Acknowledgement form and the required certification (see *Exhibit C*).

Contractor further agrees and acknowledges that if at any time during the Term of this Agreement Contractor learns or becomes aware of additional information which differs in any way from the information learned or provided pursuant to Section 45125.1, or Contractor or Contractor Parties add personnel who will provide Services under this Agreement, Contractor shall immediately notify District and prohibit any new personnel from interacting with District students until the fingerprinting and background check requirements have been satisfied and District determines whether any interaction is permissible.

Testing will be conducted in accordance with the bid requirements set forth in the OUSD bid document: *Consulting Services for Certified Water Sampler and Certified Water Testing Laboratory at Various School Sites (Project #25079)* dated March 18, 2026.

Based on the client-provided information, the following professional services are proposed:

- Collection of potable water samples at various locations throughout the school sites to be submitted (under chain-of-custody procedures) for analysis of Lead by U.S. Environmental Protection Agency ("EPA") Method 200.8.
- Testing procedures will follow EPA 3Ts technical guidance, which may include first-draw and sequential sampling protocols where applicable, and labeled in accordance with the client's unique identification nomenclature. **A-Tech** is not liable for any testing procedures requested by the client that may fall outside of any applicable guidelines and recommended testing procedures.

DISCLAIMERS

- Testing procedures will follow EPA 3Ts technical guidance and any other applicable guidelines (e.g., California Assembly Bill [AB] 746 and 2370), which mandates a stagnation period of eight to eighteen (8-18) before sampling. If faculty staff and children are on-site prior to sampling activities, then stagnation period cannot be validated. As such, **A-Tech** will communicate any reschedules or get approval by the client if they would like to proceed with any sampling.
- **A-Tech** is not liable for any testing procedures requested by the client that may fall outside of any applicable guidelines and recommended testing procedures.
- Potable water samples may be subject to courier services to accommodate any sample volumes and/or expeditions. As a result, laboratory reporting may be delayed, and as such, will be communicated.

A-Tech Consulting, Inc.

- LIC Forms may be completed for Child Care Centers as applicable. Checklist information will need to be confirmed by the client and/or site contact.
- Children should not be present during testing activities as outlined in the written directives for Child Care Centers. Additionally, EPA 3T guidance strongly recommends careful planning to minimize stagnation disruption and exposure, which may imply limiting access during sampling activities. As such, *A-Tech* would strongly advise that testing be conducted when staff and/or children are not present for sites outside of Child Care Centers.
- *A-Tech* notes that potable water samples collected over the weekend will be processed the following business day (e.g. Monday) unless confirmed by analytical laboratory for accommodations. Any accommodation fees will be approved by written approval from the client before proceeding.
- Sample volumes may vary between sites and number of sites per day may differ. As such, *A-Tech* cannot provide a per unit rate for school sites and/or day rates.
- *A-Tech* will require schedules and anticipated sampling volumes one (1) week in advance to ensure that scheduling and sampling media logistics are met.

Subject: LBU Memo - Project #25048 - Various School Sites - Lead Abatement Project

As per the Oakland Unified School District's Local Business Policy Program Requirements - BP 7115: There is a fifty (50)% minimum participation requirement for all formally bid public works construction contracts over \$45,000 and formally solicited construction related professional services contracts, including, but not limited to, architects, construction managers, inspectors, testing labs and geotechnical engineers, over \$84,100. All informal construction contracts below \$45,000 and all informal construction related professional services contracts below \$84,100.00 will include outreach to certified local firms such that a minimum of three local certified firms are included in the solicitation.

The LBU Compliance Team has conducted a review of the Local Business Participation guidelines in conjunction with the following project(s):

Project: 25048 **Project Site(s):** Various School Sites

Name: Lead Abatement Project

Analysis:

It has been determined that the projected dollar amount for the above identified contract falls below the Local Business Policy determined threshold for construction related professional service contracts and/or construction contracts. Given this information, the above listed project/company shall be considered exempt from the 50% minimum Local Business Participation requirement. If the firm selected to provide services for the project outlined above is indeed a certified, local firm(s), then their work may count as an LBU value add for the District; however participation is not required.

LBU Recommendation:

EXEMPT (Threshold)

If you have any questions, please feel free to contact our team at any time.

Sincerely,

Tiffany Knuckles
