Memo

To Board of Education

From Devin Dillon, Ph.D., Interim Superintendent

Board Meeting Date February 22, 2017
(To be completed by Procurement)

Subject Professional Services Contract Amendment No. 1 - Catholic Charities of the East Bay (contractor) - 922/Community School and Student Services Department (site/department)

Action Requested Approval by the Board of Education of Amendment No. 1 to the Professional Services Contract between Oakland Unified School District and Catholic Charities of the East Bay. Services to be primarily provided to 922/Community Schools and Student Services Department for the period of July 1, 2016 through June 30, 2017.

Background
A one paragraph explanation of why the consultant's services are needed.

The District received a multi-year grant from the U.S. Department of Education's Project Prevent to build capacity and develop a trauma-informed lens to OUSD's three-tiered model of student behavioral supports. The Board of Education approved the original contract which partially funded this work. However, additional services were needed in order for the contract terms to be fulfilled. The District received the federal grant carryover funds in October 2016 to be applied to this year's services. This amendment is to apply those funds to this year's contract. The project targets six comprehensive high schools in OUSD: Castlemont, McClymonds, Oakland High, Oakland Technical High, Fremont, and Skyline where the consultant will support the implementation of trauma screening, the expansion of mental health services and social emotional supports to students suspended for violence-related incidents within these six comprehensive Oakland high schools. Catholic Charities of the East Bay (CCEB) has been selected to deliver these services utilizing Restorative & Trauma Informed Practices for Schools/Teens (RTIPs). The primary goals of the RTIPs program are to strengthen emotional regulation skills, especially skills needed to manage individual reactivity to trauma, and improve the adolescents' ability to problem-solve. RTIPs for Teens provide evidenced-based trauma treatment to adolescents with complex trauma - that is, multiple, ongoing exposure to community, family, and dating violence. Clinicians will deliver trauma treatment using restorative justice techniques that support rapid and deep client engagement and allows for students to heal from their trauma while promoting personal accountability. Students receiving these mental health services have shown improved academic outcomes, attendance and reduced disciplinary referrals.

Discussion
One paragraph summary of the scope of work.

Approval by the Board of Education of a Professional Services Contract between the District and Catholic Charities of the East Bay, Oakland, CA, for the latter to provide CCEB will provide additional hours of service to train and support 3.0 FTE Clinical Case Managers to serve the 6 high school sites who, with the 6 site-based high school Restorative Practices Facilitators, will provide 10-12 weeks of RTIPs, Trauma and Grief Component Therapy for Adolescents (TGCTA) targeted group interventions open for students screened as meeting requirements for group entry, and to provide more intensive, long-term Tier3 confidential group treatment interventions with a school-site based therapist based at each high school. All groups are gender-specific; collect data on student outcomes, reducing recidivism and violent incidents, reduce expulsions and suspensions for violence related occurrences, and provide training on TGCTA and Integrative Treatment of Complex Trauma for Adolescents (ITCT-A) interventions for the OUSD Behavioral Health Restorative Practices Facilitators, High School Behavioral Health Program managers and community partner agency school-site based clinical case managers and therapists for the period of July 1, 2016 through June 30, 2017, in the amount of \$203,907.52, increasing the contract from \$86,000.00 to an amount not to exceed \$289,907.52. All other terms and conditions of the contract remain in full force and effect.

Recommendation

Approval by the Board of Education of Amendment No. 1 to the Professional Services Contract between the Oakland Unified School District and Catholic Charities of the East Bay. Is Vendor a local Oakland business? Yes No

Why was this Vendor selected?

Catholic Charities of the East Bay (CCEB) is a local and national expert in Restorative Trauma Informed Practices. CCEB holds The Substance Abuse and Mental Health Services Administration (SAMHSA) grant to provide Research-tested Intervention Programs (RTIPs) in West Contra Costa County (Richmond) Schools and has developed a model for clinical case management that reflects a national best practice. OUSD seeks to partner with CCEB for technical assistance and for direct clinical case management services to provide trauma informed restorative practices in our six comprehensive high schools served under the Project Prevent (P2) grant. CCEB brings specialized skills and knowledge gleaned from a decade of providing crisis response to all homicides in Oakland in partnership with the City of Oakland and as a trainer and consultant in restorative practices for youth. CCEB also hosts a culturally responsive model for clinical services that support healing and empowerment with our African American and Latino students who have historically been underserved by community mental health providers.

Summarize the services this Vendor will be providing.

This amendment will allow CCEB to train and support 3.0 FTE Clinical Case Managers to serve the 6 high school sites who, with the 6 site-based high school Restorative Practices Facilitators, will provide 10-12 weeks of RTIPs, TGCTA targeted group interventions open for students screened as meeting requirements for group entry, and to provide more intensive, long-term Tier 3 confidential group treatment interventions with a school-site based therapist based at each high school. All groups are gender-specific. CCEB will also collect data on student outcomes, reducing recidivism and violent incidents, reduce expulsions and suspensions for violence related occurrences, and provide training on TGCTA and ITCT-A interventions for the OUSD Behavioral Health Restorative Practices Facilitators, High School Behavioral Health Program managers and community partner agency school-site based clinical case managers and therapists.

Was this contract competitively bid? Yes No

If No, answer the following:

1) How did you determine the price is competitive?

We have used the services of Catholic Charities of the East Bay in previous years and their services are competitively priced with other vendors. For this particular work, CCEB has unique expertise in Trauma and Grief Component Therapy for Adolescents (TGCTA). This is a trauma informed restorative practice for students who have been through suspended for violence related occurrences. CCEB is the regional technical assistance provider for TGCTA which is a necessary component of fulfilling the District's grant obligation. Therefore, there is no other source available for providing these specific services.

2) Please check the competitive bid exception relied upon:

- Educational Materials**
- Special Services** contracts for financial, economic, accounting, legal or administrative services
- CUPCCAA exception** (Uniform Public Construction Cost Accounting Act)
- Professional Service Agreements** of less than \$87,800 (increases a small amount on January 1 of each year)

- Emergency** contracts [requires Board resolution declaring an emergency]
- Technology** contracts
 - electronic data-processing systems, supporting software and/or services (including copiers/printers) over the \$87,800 bid limit, must be competitively advertised, but any one of the three lowest responsible bidders may be selected
