Memo

To Board of Education
From Kyla Johnson-Trammell, Superintendent
 Andrea Bustamante, Executive Director, Community Schools & Student Services
 Martha Pena, Coordinator, After School Programs

Board Meeting Date June 26, 2019

Subject Memorandum of Understanding
 Contractor: East Bay Asian Youth Center
 Services For: Bella Vista Elementary School

Action Requested and Recommendation Approval by the Board of Education of Memorandum of Understanding between the District and East Bay Asian Youth Center, Oakland, CA, for the latter to serve as lead agency for program coordination, math intervention, homework support, student supervision and a variety of enrichment services, as described in the MOU, for Bella Vista Elementary School's comprehensive After School Program, for the period of August 1, 2019 through July 31, 2020, in an amount not to exceed \$102,567.00.

Background

(Why do we need these services? Why have you selected this vendor?)

The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

This organization has demonstrated experience and capacity in serving in the after school lead agency role. This organization successfully met all of the requirements of OUSD's Request for Qualifications process and has been approved as a qualified lead agency partner by the OUSD Expanded Learning Office.

**After School Template for Elementary and Middle Schools
Memorandum of Understanding 2019-2020
Between Oakland Unified School District and
East Bay Asian Youth Center**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with East Bay Asian Youth Center ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 102/Bella Vista Elementary School under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants

2. **Term of MOU.** The term of this MOU shall be August 1, 2019 through July 31, 2020. The term may be extended by written agreement of both parties.

3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
 - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
 - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.

4. **Compensation. Contingent on OUSD receipt of California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASES and 21st CCLC grant award amount for East Bay Asian Youth Center is \$ 102,567.00.** AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASESP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASESP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2019-2020")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASESP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASESP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASESP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASESP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASESP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2019-2020 and will not exceed \$ 102,567.00 in accordance with Exhibit B. Exhibit B ("ASESP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2019-2020").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. **Program Fees.** The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. Average Daily Attendance, Program Dates, Minimum Days & Enrollment

To be compliant with grant requirements, the after-school program must commence immediately upon the conclusion of the regular day, operate a minimum of 15 hours/week, and be open until at least 6:00 pm on every school day for elementary and middle schools (EC 8483). Programs are required to operate all 180 days of the school year.

Program Operations for the 2019-2020 school year.
First Day: August 12, 2019 Last Day: Thursday, May 22, 2020

CDE allows programs to close for a maximum of 3 days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain and upload documentation of professional development activities offered on these dates, including training agenda and staff sign-in sheets.

Minimum Days. When a school holds minimum days, the after-school program is required to begin as soon as the school day ends, and execute programming until 6:00 pm. Minimum days have a significant impact on after-school staff and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming.

Projected Number of Minimum Days for School Year 2019-2020:
**School should provide lead agency with a calendar of minimum days before the 1st day of school.*

School-day bell schedule attached

Please note that the grants from CDE do not increase funding for minimum days. If the school adds additional minimum days beyond the projected number above, what school-site funds will be utilized to fund these additional hours of programs?

EBAYC has budgeted for the 36 regular minimum days in the school year. However, any additional minimum day(s) that exceed and are not accounted for in our budget will be covered by the school day. If there are no school-site funds available to fund these additional hours (\$52.50/day/mentor), school leadership understands that EBAYC program will operate and remain opened until 6:00 p.m., however not at maximum capacity serving all students enrolled. We will make sure all students have access to programming and meet the 15 hours/week to ensure grant compliance. This was discussed with school leadership who understood and agreed.

****This may look different for High School and Continuation schools based on alternative schedules and intersession. Please include the items above that are applicable to you schedule and recruitment process.**

Describe how your school will identify and recruit students beginning of Spring 2019. Indicate how families will be notified of 2019-2020 enrollment before the last day of school.

EBAYC's practice in regards to planning for enrollment/timeline starts early January. We collaborate with the principal to confirm our plans for our enrollment process/timeline by starting with identifying target populations and then working backwards to finalize our timeline. Steps in the process include communication of the process/timeline to the whole school community, release of applications, notification to families (letters, calls and/or in person confirmations), intake and orientation. We use this process to enroll 80% of students and leave the remaining slots for Fall registration and for students who transition throughout the year.

Who can receive the Golden Ticket?

Per federal statute, California Education Code and Oakland Unified School District policy, any students identified by the OUSD Transitional Student and Family Unit can receive a *Golden Ticket*. Transitional students are by definition:

- Any OUSD student who is a homeless youth, as defined by the federal ****McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 1143a)***, who is in foster care, or is designated as an unaccompanied minor.
- Any OUSD student who identifies as a newcomer, refugee or as an asylee. ****Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. § 11431 et seq.)***
 - *Establishes the definition of homeless used by schools*
 - *Ensures that children and youth experiencing homelessness have immediate and equal access to public education*
 - *Provides for educational access, stability, and support to promote school success*
 - *Needed to address the unique barriers faced by many homeless students*

How does your program support students and their families who submit a “Golden Ticket?”

EBAYC supports students and families who submit a “Golden Ticket” by being a partner who participates in leadership bodies/committees at school. We make sure we are ready to enroll students to the after school program and we work with other staff and partners at the school to help identify and connect students/families to other resources that would benefit them. Students with a “Golden Ticket” are waived from having to pay a registration and tuition fee.

How will you modify your enrollment and attendance policies to ensure compliance with the “Golden Ticket” policy, in order to make your program accessible for foster, homeless, and newcomer students who transition into the program during enrollment and/or mid-year?

By August of 2019, EBAYC @ Bella Vista will have enrolled 95% of students and hold 5% of after school program slots for transitional students with high needs who transfer throughout the remainder of the school year. Students with a “Golden Ticket” are waived from having to pay a registration and tuition fee.

Please provide a short narrative that identifies how you will support school goals aligned with district priorities.

- Collaborate with your school administrator and consult the School Site Plan to align with the school day.
- Consult the descriptions below for the District's priorities for elementary, middle and high school.

Elementary OUSD Strategic Strategies

*In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to make sure **students are reading at or above grade level and English learners are reaching English fluency.***

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.

The EBAYC @ Bella Vista After School Program implements Literacy Instruction through Reading with Relevance. Students will focus on skill building through language arts. Students will learn to problem solve, utilize critical thinking, develop creative expression, etc... Building healthy relationships also help students succeed in academically.

Daily restorative justice circles are held in every classroom to help promote positive school culture and

climate.

The school day currently practices some aspects of restorative justice to address SEL. The after school program are aligned with these same practices by having opening circles during the beginning of every session. An additional practice that the after school program has established is using the Building Intentional Communities (BIC) curriculum on a daily basis. Students participate in BIC activities daily to allow for community building, social awareness, and many more skills to address SEL. These activities are done to help promote positive school culture and climate.

In addition, The After School Program is aligned with the school day. The site coordinator is invited to participate in school day staff professional development, monthly SSC meetings, and meet on a regular basis with school principal. Program line staff have weekly check-ins with school day teachers to support individual students. Also, during the planning processes for an upcoming school year, site coordinator, line staff, and principal work on the after school program planning tool to develop a full service community school.

MIDDLE_ OUSD Strategic Targets

In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to prepare all students to be college, career, and community ready. To meet this strategic goal, middle schools must prepare their students to be high school ready by the time they graduate from the 8th grade.

Indicate how your after-school program will work collaboratively with your school partner to make progress toward achieving this target for the 2019-20 school year.

High School OUSD Strategic Strategies

Academic activities should be aligned with school goals. Your after-school program should plan to offer a range of academic supports to support students to learn and practice skills and knowledge related to core academic content. There should also be an intentional learning space which allows students to work independently with support.

Please include the following OUSD High School After-School requirements:

For Comprehensive high schools:

- Academic mentoring for 9th graders at risk of failing classes
- Academic supports and mentoring for 10th–12th grade students taking credit recovery

For Alternative Ed. high schools:

- College and career readiness activities

SECTION 5a: CONTINUOUS QUALITY ASSESSMENT (Alignment with CDE and OUSD)

An effective program improvement process is ongoing and involves a continuous cycle of assessment, planning, and improvement. While the process should be carried out at the site level, documentation of this process should be submitted by the grantee.

This cycle of improvement revolves around twelve critical standards—the Quality Standards for Expanded Learning in California—which were developed in partnership between the California Department of Education’s (CDE) After School Division and the California After School Network (CAN) Quality Committee.

Name 2-3 Quality Action Plan (QAP) practices that will be implemented in 2019-2020

1. Establish an environment for students to be able to participate in meaningful reflections to address what they are learning.
2. Establish an environment for students to have opportunities to show student choice.

PROGRAM SELF-ASSESSMENT

Name the stakeholders who participated in the Program Self-Assessment in 2018-2019?
Please check which stakeholders were involved in your CQI process.

What are some key discoveries you made doing the program self-assessment? (Strengths, areas of improvement)

Some key discoveries I made during the program self-assessment is that the more people on the team, the more data you will receive regarding program. This past year, it was only myself and my quality support coach that conducted observations and self assessed the program. In the future, it would be a great practice to include line staff and older students (5th graders) to assist with the CQI process.

Which Quality Standards will the program focus on for improvement in the 2019 - 2020 school

During the 2019-2020 school year, the EBAYC @ Bella Vista After School Program wants to focus on Youth Voice and Leadership and Active and engaged learning.

<i>year?</i>	
<i>Describe how the program will address the improvement in this area? (please include program structures, staffing practices and partnerships.)</i>	Program site coordinator will train staff on how to engage students in an intentional reflection process after every program session offered. Program site coordinator will train staff on strategies to create opportunities for students to practice leadership skills and provide active and engaging learning. Staff take what they have learned from training and practice group process skills such as contribute ideas or actions to the group, perform task with others, or simply allowing students to participate in youth lead activities.
<i>What is one key data point from your program profile that will be a focus for the upcoming school year? (Please include a summary of the data you are responding to.)</i>	A key data point the Site Coordinator will use is information gathered when observing staff to see if Youth Voice and Leadership and Active and engaged learning is happening in the classroom. Also student attendance data. When Youth Voice and Leadership and Active and engaged learning is being implemented, it is important to celebrate and acknowledge staff for implementing strategies learned in weekly staff development trainings.

SECTION 5b: Continuous Quality Assessment (CQI): POINT OF SERVICES Quality Standards & PROGRAMMATIC Quality Standards

CQI Phase Key:

- 0 equals limited awareness of the Quality Standard and the CQI process.

SECTION 7a: PROGRAM FEES

Will this after-school program charge program fees for 2019-2020 Yes No

If, "YES, program fees will be charged," please complete the following assurances. Both the Principal and Lead Agency partner must initial.

Principal	Lead Agency	ASSURANCES
	B.S	Our program will not turn away any eligible student from program participation due to the inability to pay program fees. We understand that the California Education Code prohibits program fees from being a barrier to program participation.
	B.S	Our program will communicate in writing and verbally to parents/guardians that an eligible child will not be turned away from program participation due to inability to pay.
	B.S	Our program will publicize the program fee structure in written program materials for school leaders, parents/guardians, and/or communities members (i.e. communication letter, meetings agenda, etc.)
	B.S	Our program shall not charge a fee to a family for a child if the program knows that the child is a homeless youth , as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 1143.a), or for a child who the program knows is in foster care.
	B.S	Our program will provide receipts to parents/guardians for each payment made.
	B.S	The lead agency will manage funds raised by program fees according to standard accounting practices, and will provide quarterly Income Statements to the Principal and OUSD Expanded Learning Office detailing amount collected from program fees and expenditures. (DUE DATES: October 31st, February 28th, June 28th)
	B.S	The lead agency will establish a letter of agreement directly with the school site, indicating that all program fees collected will be expended only at this school site for after-school expenditures; will be carried over the following fiscal year if funds for after-school expenditures; will be carried over to the following fiscal year if funds remain; and will remain at the school site if there is a change in lead agency partner.

SECTION 7b: PROGRAM FEES (Continued)

<p>Describe how your school/program plans to collect program fee and who will be exempt from paying fees or received a reduced fee?</p>	<p>EBAYC has an established Tuition Policy that explains program fees, payment methods, discounts, tuition reductions, refunds and students who are exempt from paying programs fees. Please see attached documents regarding our Tuition Program.</p>
<p>Describe how all fees collected will be used on site for direct service in your after-school program.</p>	<p>A majority of after school program funding is restrictive so fees collected are used to cover program's operation cost such as personnel, activities and supplies. For example, our program is funded through ASES to serve 85 students. At Bella Vista, our school community (Principal, parents, and staff) requests to increase program enrollment to serve 140 students. This requires EBAYC to find funding to hire and retain 3 additional staff. Fees are also used to cover program field trips and supplies that are not ASES funded.</p>
<p>Describe how fees will be communicated to school leaders/school community.</p>	<p>Schools leaders and community are consulted and a part of planning of program tuition. We hold various meetings and focus groups to discuss tuition options. We also survey the broader school community as we continue our research before finalizing a tuition program for each school community. We communicate with families in the Spring of the current school year prior to implementing a new tuition program in the Fall.</p>
<p><input checked="" type="checkbox"/> Attach a copy of written evidence of your program fee materials/process (i.e. parent letters, parent handbook, etc. meeting with agenda/minutes)?</p>	

EBAYC Tuition Policy 2019-2020
Elementary and Middle School - Summer and After School Programs
@ Cleveland, Bella Vista and SEED

Program Registration and Tuition:

The sole purpose of the registration fees and/or tuition collection is to ensure sufficient funding to operate EBAYC's after school and summer programming. The registration fee and tuition amounts are determined by the need of each individual program.

The registration and tuition payment applies to all students enrolled in the program, with the exception of those identified by funding guidelines (e.g. homeless, foster youth, etc.)

Registration fee is due upon submission of program enrollment application for the following: \$150 for Bella Vista, \$250 for Cleveland, and \$275 for SEED.

A monthly program tuition payment is due on the stated date on the monthly invoice.

EBAYC will continue to accept students under each program's existing enrollment guidelines. A family's ability to pay tuition is not a factor in the acceptance of a student to a program. No student will be denied of services due to inability to pay.

Full Year Payment Discount: A 5% discount is applied if a full year (lump sum) payment is made in one installment upon the due date of the first invoice during the regular school year. This discount does not apply in the Summer Program.

Sibling Discount: A 25% discount is applied for each additional sibling enrolled the program. The first student pays the full tuition amount. A sibling is defined as each of two or more children or offspring having one or both parents/guardians in common - a brother or sister, or any child(ren) a parent or guardian is financially liable for. Guardians must show proof of students listed as dependent on the most recent tax return form.

Tuition Reduction: Tuition reduction is considered upon completion and submission of the Tuition Reduction Form and all required documentations. Families will be notified within fifteen (15) business days of submission. Reduction is applied when application is formally approved.

Payment Method: Families have the choice of paying quarterly, each semester, or for the whole year in cash, check, money order, or credit card. A bounced check will be assessed a \$25 penalty fee. After three bounced checks, families will be required to make payments in cash, money order, or credit card.

Refunds: Prorated refunds will be made as a result of withdrawal or dismissal from the program. A prorated refund will be provided upon receipt of thirty (30) day advance written notice for program withdrawal from parents or guardians.

A student dismissed from program per program's enrollment policy will receive a prorated refund within fifteen thirty (15) business days of dismissal.

By signing below, I am stating that I have read, understood, and will comply with the above tuition policy of EBAYC.

**EBAYC Tuition Frequently Asked Questions (FAQs) 2019-2020
Bella Vista Elementary**

Please note this FAQ only applies Bella Vista Elementary After School Program Only.

Are there fees to join this program?

Yes, a registration fee of \$150 is due by **April 12, 2019**. Thereafter a monthly tuition payment of \$80 is due on the date stated in your invoice statement. The combined total registration fee and annual tuition is \$910 for 9.5 month of service.

Why do we have a registration fee and an increase in the tuition amount?

EBAYC is implementing a registration fee and the new tuition amount to accommodate more students in response to community's need and input.

Will an increase in my tuition payment mean that I will receive more or higher quality of services?

EBAYC is *always* striving to provide the highest quality of services regardless of the tuition amount. However, this tuition collection will only serve the purpose of filling our budget gap and DOES NOT directly support any program enhancements. We do not provide any special treatment to those who can pay tuition and/ or provide additional donations.

What if I cannot afford to pay the tuition?

You can fill out EBAYC's Tuition Reduction form. Please ask your Program Director for a copy of the form. You will get a response within 15 business days upon submission of your fully completed form. Upon approval of the Tuition Reduction form, parents may either accept the discount or appeal the decision, please see your Program Director for the Tuition Reduction Appeal Form. No student is denied services because of their inability to make tuition payment.

When should I fill out a Tuition Reduction form?

Tuition Reduction forms are due once every school year within 30 days of your child's first day of program.

How often should I fill out the Tuition Reduction forms?

If you believe you qualify for a tuition reduction, it must be filled out at the start of every After School Program year as financial conditions may change from year to year.

If I paid in advance for the entire year, then I applied for a tuition reduction, can I still receive a refund?

No, tuition reductions can only be applied to current open balances and cannot be applied retroactively.

Will tuition affect my child's enrollment in the After School Program?

No, tuition does not affect your child's enrollment in EBAYC's summer and after school program. Students are accepted into EBAYC summer and after school based on existing program enrollment guidelines.

Is there a discount if I have more than one child enrolled in the EBAYC After School Program?

Yes, there is a \$190 discount for each additional sibling(s) enrolled in EBAYC's elementary or middle after school after school programs. Summer discounts are not available.

Please note a sibling is defined as each of two or more children or offspring having one or both parents/guardians in common; a brother or sister. Cousin(s) are also eligible for sibling discount if the same Parents/Guardians are financially responsible for him/her. If requested, guardians must show proof of students listed as dependent on their most recent tax return form.

Students	Quarterly Cost	Monthly Cost	Total Cost (9.5 months)	Early-Payment Discount (-\$40)
1 st child (w/ \$150 registration fee paid)	\$254/quarter	\$80/month	\$760	\$720
2 nd child (w/ \$150 registration fee paid)	\$190/quarter	\$60/month	\$570	n/a

All cost are rounded to the nearest dollar.

Is there a discount if I pay in full?

There is a \$40 discount per family for After School Programs if made by **Oct. 9, 2019**. Summer discounts are not available.

Can I combine sibling discount, full payment discount and tuition reduction?

Sibling discounts, \$40 Full-Year Payment discount *per family*, and approved tuition reductions **cannot** be combined. The greatest of the three discounts will be applied to your invoice. Summer discounts are not available.

What is the application deposit for?

The application registration is used to process your child's application for enrollment in the after school program. If accepted into the program, the deposit will be applied toward program tuition payment. Declined or waitlisted students will receive a full deposit refund upon 30 business days after program's start date.

When can I expect an invoice?

The first invoice will be sent no later than a week before program's start date for Summer Program and by mid/late September for the After School Program. Thereafter, invoices are distributed monthly.

When are payments due?

Payments are due on the **second WEDNESDAY of each month**. For those who wish to **make quarterly payment**, please see below payment schedule. Summer Payments are due by **TBD**.

AFTER SCHOOL PROGRAM Quarterly Payment Schedule	
Due Date	Amount Due*
April 12 th (Registration Fee)	\$150
October 9 th	\$254
January 8 th	\$253
April 8 th	\$253
TOTAL	\$910

*Amounts do not reflect sibling discounts and/or approved tuition reduction requests.

How do I make my payment for tuition? And who do I give it to?

Always enclose your invoice payment stub with any payment so we can identify the child you are paying for.

- a. Mailing in a check is preferred. Please make checks payable to **EBAYC**.
Mail to: Attn: EBAYC Development, 2025 East 12th Street, Oakland, CA 94606
- b. Pay in person with your Program Director at your school site. Office hours at your school sites will be announced by your Program Directors. Your invoice will provide more information.

What form of payment is acceptable?

Families have the choice of paying in cash, check, money order, or credit card.

Checks are preferred and considered the safest transaction. Please make checks payable to "EBAYC."

Are payments made tax deductible?

Yes, all payments received by EBAYC are tax deductible with a valid receipt. Our tax ID# is 94-2925799.

Why is there a \$25 fee charged for a bounced check?

Bank charges a fee for a bad check with insufficient money to make the check deposit. So, EBAYC cannot afford to pay the fee charged by our bank, therefore a fee is necessary to deter bounced checks. After the first bounced check, payments must be made in cash, money order, or credit card immediately after notification has been sent home.

Policy Change: Policies are subject to change. Policy change notifications will be mailed 15 business days prior to effective date.

Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis: (This process is in review and tools will be updated throughout the year)

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

CQI: Continuous quality improvement
QAP: Quality action plan
SAPQA: School Age Program Quality Assessment
YPQA: Youth Program Quality Assessment

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. Dear Ms. Pena:

This letter explains the East Bay Asian Youth Center (EBAYC) policy for tuberculosis testing, fingerprinting and child abuse and neglect reporting.

EBAYC conducts its own background check on all employees and volunteers. EBAYC employees are not permitted to come into contact with students at any OUSD school sites until EBAYC receives their negative TB test results, fingerprint clearance and re-arrest records from the State of California - Department of Justice, and from the Federal Bureau of Investigation pursuant to Section 11105.3 of the California Penal Code and Section 15660 of the California Welfare and Institutions Code. No EBAYC employees who have been convicted of a violent or serious felony may come into contact with students. EBAYC will include the employees' ATI numbers on the invoices to OUSD, and will make available to OUSD the TB test results upon demand.

EBAYC employees fully comply with the California Child Abuse and Neglect Reporting Act guidelines to report suspicions of possible child abuse and neglect to the appropriate reporting agencies.

Sincerely,

Gianna Tran, MSW
