P. Adoption of General Consent Report - General Obligation Bonds - Measures B, J and Y

"Adoption of the General Consent Report - General Obligation Bonds" means that all items appearing on the Agenda under this topic are approved in one motion per consent report unless a Board or committee member requests that an item be removed and voted on separately or otherwise acted upon. Items so removed from a named Consent Report shall be considered separately in the Agenda immediately after that named Consent Report (unless otherwise moved with other items by a Board member) is adopted or otherwise acted upon and there shall be no additional or separate public comment on those items. Generally, these items are routine in nature, and are acted upon in one motion to conserve time and permit focus on other than routine items on the Agenda. An item on a General Consent Report which a member has requested be removed, shall be removed, without debate for separate consideration and vote or other disposition. All items remaining on the named Consent Report(s), thereafter, shall be adopted in a single motion per consent report.

Public Comment on this section of the Agenda shall not exceed ten (10) minutes.
