Memo

To Board of Education

From Kyla Johnson-Trammell, Superintendent
Curtiss Sarikey, Chief of Staff
Susan Beltz, Chief Technology Officer

Board Meeting Date

Subject Approval by the Board of Education of the Fiscal Year 2018-19 E-Rate Application and MOU for ISP Services with Alameda County Office of Education

Action Requested Approval by the Board of Education of Fiscal Year 2018-19 E-Rate Application and Memorandum of Understanding between Alameda County Office of Education and Oakland Unified School District for ISP Services for the term of 7/1/2018-6/30/2019 for the cost of \$100,950.

Background The Schools and Libraries Program of the Universal Service Fund, commonly known as "Erate," is administered by the federal Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) under the direction of the Federal Communications Commission (FCC), and provides discounts to assist most schools and libraries in the United States in obtaining affordable telecommunications and Internet access services. Erate supports connectivity - the conduit or pipeline for communications using telecommunications services and/ or the Internet under two categories of service: Category 1 - data communications services/Internet access, and Category 2 - internal connections and basic maintenance; and provides discounts for communications support depending on the level of poverty and the urban/rural status of the population served, ranging from 20% to 90% of the costs of eligible services to schools, school districts, and libraries. In Erate 2.0 funding, all district schools are eligible at the 80% level for data communications and Internet access. As of 2018, the Erate program has removed all support for telecommunications (phone) services.

Districts are provided a fixed amount of Category 2 funding based upon enrollment. At OUSD's funding level, schools are eligible for \$120.00 per student within a five year period. In the 2016-17 school year, the district requested proposals for upgrading the

networks at 78 schools. The 2017-18 funding request and contract was awarded by the Board of Education on April 12, 2017 Enactment #17-0433 to Digital Design Communications for these upgrades pending funding approval. In January 2018, the Category 2 funding for this project was approved for 68 of these sites and will proceed to be upgraded in Spring/Summer 2018.

The District's 2018-19 Erate 470 application requested proposals for an Internet access bundle for ISP services as our current contract with the Alameda Office of Education (ACOE) expires on June 30, 2018. ACOE is a node site for the K12HSN/Cenic networks with is a state program funded by the California Department of Education to provide the K-12 community with network connectivity. Oakland Unified School District is a member of the K12HSN Consortium and is able to purchase the most cost effective ISP services through this avenue.

Comcast and AT&T provide wide area network and digital transport lines throughout the district and continue to be under contract approved by the Board of Education, Resolution No. 1315-1053 in 2014. These contracts expire on June 30, 2019.

Discussion

Internet Service Provider (ISP) services are necessary to meet both the educational and business goals of the district. After reviewing the proposals for the 2018-19 Erate cycle, we have chosen the Alameda County Office of Education (ACOE) to provide these services from July 1, 2018 to June 30, 2019 with two optional annual extensions. The annual cost of services is \$100,950 (a \$4,050 reduction over our 2017-18 cost) with 80% funded by Erate for a total district expenditure of \$20,190 in 2018-19.

The District's 471 application includes the following funding requests.

Service Provider	Estimated Annual Pre-discount Amount	% Discount	Estimated Funding Commitment Request	Estimated Cost to District
Comcast Phone, LLC	\$ 1,927,617.48	80%	\$ 1,542,093.98	\$ 385,523.50
AT&T Corp	\$ 221,805.12	80%	\$ 177,444.10	\$ 44,361.02
Alameda County Office of Education	\$ 100,950.00	80%	\$ 80,760.00	\$ 20,190.00
	\$ 2,250,372.60		\$ 1,800,298.08	\$ 450,074.52

Our current annual pre-discounted services are estimated to be \$2,250,372.60 with a total estimated cost to the district of \$450,074.52 for 2018-19.

Recommendation

Approval of the MOU stated herein for bundled ISP services with the Alameda County Office of Education, acceptance of this report to the Board of Education of Erate Year 21 2018-19 471 application to the Federal Schools and Libraries Division of the Universal Service Administrative Company seeking \$1,800,298.08 in E-Rate Year 21 funding, and appropriation of up to \$450,074.52 in District matching funds, as specified herein, by the Board of Education in the Fiscal Year 2018-19 District Budget for telecommunication services.

Client wishes to contract with ACOENet for connection service to the K12 High-speed Network ("K12 HSN") and ACOENet is willing to supply the connection to Client. ACOENet and Client agree as follows:

1. SERVICES

Client agrees to be billed and pay annually for Internet access and miscellaneous access-related service fees according to the rates established by this agreement. Client agrees to pay invoices 30 days from the date of receipt. Late payment will be grounds for termination of service. If this agreement is terminated, the Client is still responsible for any charges incurred on the Client's account up through the effective date of termination.

3. TERM

The services outlined above shall be provided from July 1, 2018 to June 30, 2019. This agreement may be renewed by a written mutual agreement, signed by both parties, for two additional one-year terms. **Deadline for signed contracts is March 30, 2018. If contract is not received by this deadline, service may be terminated effective July 1, 2018.**

4. ALTERATION OF AGREEMENT

This agreement may be modified or terminated only by mutual agreement of the parties where the changes or termination are in a writing that is signed by both parties.

5. ASSIGNABILITY

Any product or service provided to the Client may not be assigned, transferred or resold without written authorization from ACOENet. ACOENet may not assign or transfer under this agreement to any other person or entity without written authorization from Client.

6. INDEMNIFICATION

Client shall ensure that personnel and students abide by the policies and regulations of ACOENet (See Appendix B). Client shall indemnify and hold harmless ACOENet, its officers, elected Board, employees, and agents against any losses, claims, damages, judgments, liabilities or expenses (including reasonable legal counsel fees and expenses) resulting from use of ACOENet which may occur to persons or property as a result of its use of ACOENet or permitted by ACOENet, in good faith with due care and without negligence in reliance upon instructions or orders received from Client as to anything arising in connection with this agreement. ACOENet specifically disclaims all warranties, expressed or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose. In no event shall ACOENet be liable for any loss or other commercial damage, including, but not limited to, special, incidental, consequential or other damages.

Client agrees to protect and indemnify ACOENet against any and all liability, loss, or expense arising from claims including, but not limited to, financial liability for commercial use of the Internet, libel, unfair competition, unfair trademarks, trade names or patents, violations of constitutional rights or rights of privacy and infringement of copyrights and property rights resulting from Client's use of ACOENet.

ACOENet shall indemnify and hold harmless Client, its officers, elected Board, employees, and agents against any losses, claims, damages, judgments, liabilities or expenses (including reasonable legal counsel fees and expenses) resulting from action taken or permitted by Client in good faith with due care and without negligence in reliance upon instructions or orders received from ACOENet as to anything arising in connection with its performance under this agreement. Client shall be without liability to ACOENet with respect to anything done or omitted to be done, in accordance with the terms of this agreement or instructions properly received pursuant hereto, if done in good faith and without negligence or willful or wanton misconduct.

The Parties agree that the Laws of the State of California govern this agreement. The Parties agree that the County of Alameda, in which ACOENet and Client are located, shall be the forum for any legal action relating to this agreement and the services provided by ACOENet to Client thereunder.

Certifications

I certify that the entities listed in this application are eligible for support because they are schools under the statutory definitions of elementary and secondary schools found in the No Child Left Behind Act of 2001, 20 U.S.C. §§ 7801(18) and (38), that do not operate as for-profit businesses and do not have endowments exceeding \$50 million.

I certify that the entity I represent or the entities listed on this application have secured access, separately or through this program, to all of the resources, including computers, training, software, internal connections, maintenance, and electrical capacity, necessary to use the services purchased effectively. I certify that the entities I represent or the entities listed on this application have secured access to all of the resources to pay the discounted charges for eligible services from funds to which access has been secured in the current funding year. I certify that the Billed Entity will pay the non-discount portion of the cost of the goods and services to the service provider(s).

I certify an FCC Form 470 was posted and that any related RFP was made available for at least 28 days before considering all bids received and selecting a service provider. I certify that all bids submitted were carefully considered and the most cost-effective service offering was selected, with price being the primary factor considered, and is the most cost-effective means of meeting educational needs and technology goals.

I certify that the entity responsible for selecting the service provider(s) has reviewed all applicable FCC, state, and local procurement/competitive bidding requirements and that the entity or entities listed on this application have complied with them.

I certify that the services the applicant purchases at discounts provided by 47 U.S.C. § 254 will be used primarily for educational purposes, see 47 C.F.R. § 54.500 and will not be sold, resold or transferred in consideration for money or any other thing of value, except as permitted by the Commission's rules at 47 C.F.R. § 54.513. Additionally, I certify that the entity or entities listed on this application have not received anything of value or a promise of anything of value, as prohibited by the Commission's rules at 47 C.F.R. § 54.503(d), other than services and equipment sought by means of this form, from the service provider, or any representative or agent thereof or any consultant in connection with this request for services.

I certify that I and the entity(ies) I represent have complied with all program rules and I acknowledge that failure to do so may result in denial of discount funding and/or cancellation of funding commitments. There are signed contracts or other legally binding agreements covering all of the services listed on this FCC Form 471 except for those services provided under non-contracted tariffed or month-to-month arrangements. I acknowledge that failure to comply with program rules could result in civil or criminal prosecution by the appropriate law enforcement authorities.

I acknowledge that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the service, receive an appropriate share of benefits from those services.

I certify that I will retain required documents for a period of at least 10 years (or whatever retention period is required by the rules in effect at the time of this certification) after the later of the last day of the applicable funding year or the service delivery deadline for the associated funding request. I acknowledge that I may be audited pursuant to participation in the schools and libraries program. I certify that I will retain all documents necessary to demonstrate compliance with the statute and Commission rules regarding the application for, receipt of, and delivery of services receiving schools and libraries discounts, and that if audited, I will make such records available to USAC.

I certify that I am authorized to order telecommunications and other supported services for the eligible entity(ies) listed on this application. I certify that I am authorized to submit this request on behalf of the eligible entity(ies) listed on this application, that I have examined this request, that all of the information on this form is true and correct to the best of my knowledge, that the entities that are receiving discounts pursuant to this application have complied with the terms, conditions and purposes of the program, that no kickbacks were paid to anyone and that false statements on this form can be punished by fine or forfeiture under the Communications Act, 47 U.S.C. §§ 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. § 1001 and civil violations of the False Claims Act.

I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program. I will institute reasonable measures to be informed, and will notify USAC should I be informed or become aware that I or any of the entities listed on this application, or any person associated in any way with my entity and/or the entities listed on this application, is convicted of a criminal violation or held civilly liable for acts arising from their participation in the schools and libraries support mechanism.

I certify that if any of the Funding Requests on this FCC Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the eligible and ineligible components as required by the Commission's rules at 47 C.F.R. § 54.504.

In certain cases, the information in your application for universal service discounts may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government is a party of a proceeding before the body or has an interest in the proceeding. In addition, consistent with the Communications Act of 1934, FCC regulations and orders, the Freedom of Information Act, 5 U.S.C. § 552, or other applicable law, information provided in or submitted with this form or in response to subsequent inquiries may be disclosed to the public. If you owe a past due debt to the Federal government, the information you provide may also be disclosed to the Department of the Treasury Financial Management Service, other Federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide the information to these agencies through the matching of computer records when authorized. If you do not provide the information we request on the form, the FCC or the Universal Service Administrator may delay processing of your application for universal service discounts or may return your application without action. I certify that the services the applicant purchases at discounts provided by 47 U.S.C. § 254 will be used primarily for educational purposes, see 47 C.F.R. § 54.500 and will not be sold, resold or transferred in consideration for money or any other thing of value, except as permitted by the Commission's rules at 47 C.F.R. § 54.513. I acknowledge that failure to comply with program rules could result in civil or criminal prosecution by the appropriate law enforcement authorities.

I certify that if any of the Funding Requests on this FCC Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the eligible and ineligible components as required by the Commission's rules at 47 C.F.R. § 54.504.
