#### **EAST BAY ASIAN YOUTH CENTER**

The East Bay Asian Youth Center's mission is to inspire young people to be life-long builders of a just and compassionate multicultural society. EBAYC serves a racially and ethnically diverse membership of 1,000 children, youth, and their families who live in Oakland's San Antonio neighborhood. We believe that if a neighborhood is a place that fosters the healthy development of children, youth and families, young people will grow to be safe, smart, and socially responsible. We work to make our neighborhood a great place for families to raise their children by providing young people a seamless continuum of support services and engaging their families to make positive change in their community.

#### **EBAYC Service Strategies**

#### Violence Prevention

EBAYC helps young people who are on probation, parole, or are gang-involved move toward a healthy and productive life pathway. We provide young people intensive mentoring, case management, and transitional employment services. Recidivism among young people is reduced by over 50% when they participate in EBAYC.

#### **High Quality Schools**

EBAYC partners with eight neighborhood schools to provide summer and after school education, work-based learning, attendance case management, and medical and mental health services. We help parents collaborate with their child's teachers, and to be leader in school governance. We support high school students to graduate and enter higher education. EBAYC consistently demonstrates high standards of program quality and performance as indicated by city, county, and school district evaluation.

#### **Economic Opportunities**

EBAYC is the founding member of the Oak-to-Ninth Community Benefits Coalition that successfully established a partnership with Oakland Harbor Partners and the City of Oakland to build 465 new affordable family housing units, and to create new construction apprenticeships opportunities for 300 residents. In partnership with the Oakland Unified School District — Nutrition Services Department, EBAYC created "Oakland Fresh", a network of produce market and wrap-around nutrition education services at 25 schools.
