 Re: Measure N Commission Report - Probationary Status Schools
 and Assessments To Date/Grant Awards - 2018-2019 School
 Year

ACTION REQUESTED:

Adoption by the Board of Education of Resolution No. 1718-0146 - Measure N - College and Career Readiness Commission Report - Education Improvement Plan (Linked Learning) - Probationary Status Schools Findings and Assessment To Date/Funding Recommendations - 2018-2019 School Year.

BACKGROUND:

The Measure N Commission over the last year made selected visits to school sites, received monthly reports from its staff and held hearings on December 5, and 19, with schools, to determine progress made over the last five months in implementing Measure N. Consequently, based on established criteria applied fairly and equitably to each school site, progress made and status during the last year-two years and five months incorporated in each school sites assessment report, the Commission, as of January 16, 2018, designated a school as either Probationary Fully Implemented or Probationary Planning and Piloting regarding implementation of Measure N. **A link to each school’s Assessment is embedded in the Resolution.**

Consequently, the Commission **unanimously** adopted and recommends the Board of Education approve, for 2018-2019, the “High School Education Improvement Plan Implementation Assessment Awards,” approved by the Measure N Commission on January 16, 2018, as follows:

Legislative File Id No. (Click Link embedded In No. To View School’s Report)	School	Current Education Improvement Plan Implementation Findings and Assessment To Date Status	2018-2019 Funding Award
17-2514	Aspire Golden State Preparatory Academy	Probationary Full Implementation	\$850 per student

17-2515	Lighthouse Community High School	Probationary Full Implementation	\$850 per student
17-2517	McClymonds High School	Probationary Full Implementation	\$850 per student
17-2512	ARISE High School	Probationary Planning and Piloting	\$525 per student
17-2516	Aspire Lionel Wilson Preparatory Academy	Probationary Planning and Piloting	\$525 per student
17-2513	East Bay Innovation Academy	Probationary Planning and Piloting	\$525 per student
17-2518	Oakland Unity High School	Probationary Planning and Piloting	\$525 per student

The Measure N Commission finds that a majority of the schools have made or are making significant progress with required steps to implement Measure N. The Commission also finds that Probationary school are either beginning implementation or require stronger support toward full implementation, including, remaining under Probationary status.

RECOMMENDATION:

Adoption by the Board of Education of Resolution No. 1718-0146 - Measure N - College and Career Readiness Commission Report - Education Improvement Plan (Linked Learning) - Probationary Status Schools Findings and Assessment To Date/Funding Recommendations - 2018-2019 School Year.
