Strategic Alignment Among the key purposes of the District's Facilities Master Plan is to provide an academic environment for the Oakland community that will give every student, educator, and community member using our facilities the best possible opportunity for learning.

Through implementation of the Facilities Master Plan, the District intends to improve the District's facilities in terms of structural integrity, safety, reliability of operating (mechanical) systems, access to modern resources, number and type of appropriate laboratories and specialized instruction rooms, opportunities for physical education, and attractiveness, such that the Oakland

Public Schools are second to none. Operation of the District schools under the planned approach is intended to ensure safety, cleanliness, and orderliness for all individuals participating in the learning process.

The basic facility needs of students such as proper lighting, functional roofs, noise control and well maintained buildings, not only convey the message that we value our students and teachers but may foster a sense of school pride and community ownership which may improve attitudes towards learning. The implementation of the Facilities Master Plan is our first step in that direction.

If the project is canceled prior to completion of Aon FPE's services, Aon FPE's charges will be based upon the actual time expended at the Billing Rates in effect at the time of project cancellation not to exceed the quoted fee, plus Reimbursable Expenses.

Reimbursable Expenses

Reimbursable Expenses are included in the fee for Basic Services.

Assumptions

Client shall provide Aon FPE with all drawings of the buildings.

Additional Services

This proposal contemplates a scope of service based upon one project scheme. Major project revisions outside of Aon FPE's control or responsibility that will require rework of completed work or more extensive work than originally agreed upon will be considered Additional Services.

Additional Services also include all work (such as additional consultation, meetings, or revisions) not outlined in Basic Services including, but not limited to:

- Additional site visits.

Client may request or it may become necessary for Aon FPE to perform Additional Services in order to further the objectives of the Project. Whenever reasonably possible, Aon FPE will notify Client in advance of Aon FPE's intention to perform the particular Additional Service, and Client's failure to instruct Aon FPE not to perform the Additional Service shall be considered Client's acquiescence in Aon FPE's performance of the Additional Service and agreement to pay for it. Notwithstanding any other description of Basic or Additional Services, any services which Client requests Aon FPE to perform after final payment has been made to the contractor(s) or more than 60 days after the project has been certified to be substantially complete shall be considered Additional Services. Any modifications or changes requested by Client inconsistent with Client's prior approval(s) shall be considered Additional Services. Aon FPE's fees for authorized or requested Additional Services will be based upon Billing Rates in effect at the time services are performed.

Reimbursable Expenses associated with authorized or requested Additional Services will be based upon the schedule in effect at the time services are performed.

Client's Responsibilities

Your office shall:

- Provide Aon FPE with all drawings, including existing intrusion system, architectural, electrical and other information pertaining to design of the project. It is understood that Aon FPE may rely upon the accuracy of all documents furnished.
- Provide Aon FPE access to all areas of the building for the purpose of conducting the site visit.
- Provide staff familiar with the location and operation of the existing intrusion system.
- Provide personnel to assist in the testing of the intrusion system.
- Arrange all meetings and tests with the local authorities.
- Pay for all fees for securing approval of authorities having jurisdiction.

Terms and Conditions

This proposal is valid for 60 days.

This proposal is based upon a mutually agreeable work schedule.

Surveys and reviews to be performed by Aon FPE are fully defined by the scope of services of this proposal.

All drawings, specifications, reports, and electronic media are copyright by Aon FPE. Copies retained by the Client shall be utilized only for this project, not for the purpose of construction of any other projects.

Aon FPE and its consultants shall have no responsibility for the discovery, presence, handling, removal or disposal of or exposure of persons to hazardous materials in any form at the Project site(s), including but not limited to asbestos, asbestos products, polychlorinated biphenyl (PCB) or other toxic substances.

Aon FPE invoices are due upon receipt. Accounts unpaid for 45 days from the date of invoice are subject to a 1.5 percent per month service charge. Accounts unpaid for 75 days from the date of invoice will be cause for Aon FPE to suspend all performance under this Agreement upon a 14-day written notice, unless payment in full is received within 14 days from the date of the written notice. In the event of a suspension of services, Aon FPE shall have no liability for any delay or other damage, contractual or otherwise, caused by or arising out of the suspension of services for nonpayment. Acceptance by Aon FPE of any payment more than 75 days old shall not serve as a waiver of Aon FPE's contractual right to suspend services for nonpayment.

In the event the Client fails to pay within 45 days from the date of the invoice, Aon FPE reserves the right to retain counsel and/or commence litigation to collect the account. In the event Aon FPE retains counsel and/or commences litigation to collect the account, the Client agrees to indemnify and hold Aon FPE harmless from any and all loss, liability costs and expenses including, but not limited to, reasonable attorney fees and other litigation expenses arising out of Aon FPE's efforts to collect the invoice. The Client consents to and agrees to submit to jurisdiction and venue in the courts of the State of Illinois for any litigation commenced by Aon FPE to collect the account. This Agreement shall be construed and interpreted according to the laws of the State of Illinois.

Any representations, recommendations, opinions, or conclusions relating to the work performed by Aon FPE must be made in writing by duly authorized Aon FPE representatives. Aon FPE will not be bound by any oral representations, recommendations, opinions, or conclusions.

The Client agrees to indemnify Aon FPE for any expenses which Aon FPE may incur as a result of the Client's negligence or of negligence of any contractor hired by the Client.

In recognition of the relative risks and benefits of the project to both Aon FPE and the Client, the risks have been allocated such that the Client agrees, to the fullest extent permitted by law, to limit the liability of Aon FPE and Aon FPE's parent, affiliated and subsidiary companies (Aon's companies) for any and all claims, losses, costs, damages of any nature whatsoever or claims expenses from any cause or causes, including attorneys' fees and costs and expert witness fees and costs, so that the aggregate liability of Aon FPE and Aon's companies shall not exceed \$25,000 or five times Aon FPE's fee for services rendered on this project (whichever is greater). It is intended that this limitation apply to any and all liability or cause of action however alleged or arising, unless otherwise prohibited by law.

By executing this proposal, the Client has read all of the terms and conditions of this proposal and fully understands their contents. The execution of this proposal confirms the Client's understanding and acceptance of those terms.
