Re: Approval of Adult High School Diploma Program

Oakland Adult and Career Education (OACE) has a robust and continuous 149 year history of providing Adult Education services throughout the City of Oakland. Since July of 2015, ongoing dedicated Adult Education funding through the California Adult Education Program (CAEP) in the Governor's budget and the federal support of the Workforce Innovations and Opportunity Act, (WIOA) Title II funding, along with CalWORKs and other sources of funding, have been supporting OACE each year to provide Basic Skills, High School Equivalency, ESL College and Career Readiness, Family Literacy, Career Technical Education, and Pre-Apprenticeship Math instruction.

Because future funding is now ongoing, OACE will re-establish an Adult High School Diploma Program. This will be addition to OACE's High School Equivalency program. The Adult High School Diploma program was offered until 2011 when due to budget cuts it was eliminated. OACE is poised to provide a new Adult High School Diploma that provides the following:

- Alternative option for graduation as per Board Policy 6146.11
- Recovery program for high school students 18 and over to make up credits

Alternative option for graduation as per Board Policy 6146.11

Beginning July 1, 2019, OACE will offer an Adult High School Diploma program to adult learners. The program consists of all of the requirements for a diploma by the California Department of Education plus two additional courses. Students who earn an Adult High School Diploma from OACE will have completed the following A-G courses:

OACE will use curriculum developed by instructors and curriculum from contracted online providers following California State standards. OACE is WASC accredited

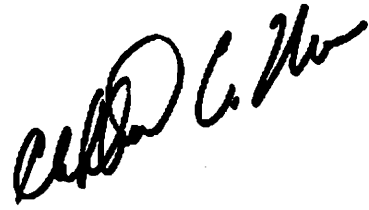

Recovery program for high school students 18 and over to make up credits

In addition, Oakland Adult and Career Education's Adult High School Diploma program will be available to OUSD high school students 18 and over. This program is designed to assist OUSD students who are deficient in credits to graduate from their high school an opportunity to make-up credits needed for graduation. Students will be able to register at any point in the school year including summer to make up credits they need in order to graduate and receive a diploma from their high school. OACE is working with OUSD high schools now and will make services available to all in 2019-20.
