Subject Services Agreement – Corinthian Transportation & Parking –
Transportation SPAB Vendor for Field Trips – Talent/Human Resources
Department

Ask of the Board Approval by the Board of Education of a Services Agreement by and between the Oakland Unified School District and Corinthian Transportation & Parking for School Pupil Activity Bus (“SPAB”) transportation services for field trips, local/short-distance trips, and longer-distance and overnight trips. The District intends to establish a pool of pre-approved SPAB providers operating under District master agreements and to authorize District school sites and programs requiring student transportation services to select from the approved vendor list, for the period of July 1, 2026 through June 30, 2029, in an amount not to exceed \$150,000 annually.

Background

During the 2025–2026 fiscal year, the District expended approximately \$2.75 million on student transportation services related to field trips, athletics, outdoor education, and expanded learning programs. Major program expenditures included:

- Oakland Goes Outdoors: approximately \$424,000
- Expanded Learning/Summer Programs: approximately \$200,000 annually
- Oakland Athletic League (“OAL”) Athletics Transportation: approximately \$1.2 million

Given the substantial annual transportation expenditures and the operational need for ongoing transportation services throughout the school year, the District determined that establishing a formal competitively procured vendor pool was in the best interest of the District and aligned with public procurement requirements and fiscal stewardship responsibilities.

Following the RFP evaluation process, the District identified and selected qualified SPAB providers based on criteria including: safety and regulatory compliance,

- safety and regulatory compliance, operational capacity,

- experience serving K–12 educational agencies,
- pricing,
- responsiveness,
- insurance and risk compliance,
- fleet availability,
- and demonstrated ability to support District transportation needs.

The District selected the following vendors for athletics transportation services:

- BusLoop
- Bay Area Transport Services
- D. Harris Tours

The District selected the following vendors for field trip transportation services:

- American Stage Tours
- Bauer's Intelligent Transportation
- Bay Area Transport Services
- Black Tie Transportation
- BusLoop
- Corinthian Transportation
- D. Harris Tours
- Delta Charter Service
- Transportation

- Professional Charter Services
- Pronto Corp.
- Royal Coach Tours
- Storer SF

The District intends to enter into an initial three (3) year agreement with the selected SPAB providers, with the option to extend the agreements for up to two (2) additional one-year terms based upon satisfactory vendor performance, operational needs, safety compliance, pricing, and continued alignment with District transportation requirements.

The multi-year contract structure provides several operational and fiscal benefits to the District, including:

- continuity of transportation services,
- improved transportation planning,
- stable vendor partnerships,
- streamlined procurement processes,
- reduced administrative burden on school sites,
- improved vendor accountability, and
- increased responsiveness for time-sensitive student transportation needs.

Additionally, establishing master agreements with multiple approved vendors creates flexibility and redundancy in transportation capacity, ensuring the District can continue supporting athletics, outdoor education, expanded learning, and field trip programming even during periods of high transportation demand or vendor shortages.

The District will continue monitoring vendor performance, compliance, safety records, pricing, and service quality throughout the contract term to ensure transportation services remain safe, reliable, fiscally responsible, and aligned with District operational expectations.

Discussion

The proposed agreement with Corinthian Transportation & Parking establishes a formal contractual relationship with an approved SPAB transportation provider capable of supporting the District’s student transportation needs for field trips, educational programming, athletics, and other student activities. The agreement includes operational, safety, insurance, and compliance requirements designed to ensure safe and reliable transportation services for Oakland Unified School District students and staff

In such an event the District shall have the right to contract with any non-bidding contractor on a per trip basis provided the non-bidding contractor meets all requirements of the bid specifications as determined by the Director of Transportation. 9 A. The District reserves the right to assess the contractor damages should the Contractors fail to provide equal notice of cancellation of equipment and/or trip. The amount of the damages which may be assessed to the contractors shall be equal to the charges to be paid by Oakland Unified School District for cancellation, plus any costs incurred by District in obtaining an alternate carrier to include the difference in trip fees. On and after any event of default, the District shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate the Agreement for cause pursuant to the "Termination of Contract" Section or to seek specific performance of all or any part of the Agreement. In addition, the District shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any event of default, in which event Contractor shall pay to the District on demand all costs and expenses incurred by the District in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. The District shall have the right to offset from any amounts due to Contractor under the Agreement or any other agreement between the District and Contractor all damages, losses, costs, or expenses incurred by the District as a result of such event of default and any liquidated damages due from Contractor pursuant to the terms of the Agreement. Any such offset by the District will not constitute a waiver of any other remedies the District may have against Contractor for financial injury or otherwise.

All remedies provided for in the Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude, or in any way be deemed to waive, any other remedy.

30. Termination of Contract

- A. **TERMINATION.** The Agreement may be terminated by Contractor at any time with 90 days prior written notice. OUSD may at any time and without cause terminate this Agreement upon 30 days written notice to Contractor. In addition, OUSD may terminate this Agreement for cause immediately should Contractor fail to perform any part of this Agreement (See Section 29 Default; Remedies). In the event of Contractor default pursuant to the "Default; Remedies" Section of the Agreement, in addition to any other remedies available to the District, the District may terminate the Agreement, and all of the Contractor's rights hereunder ended. Termination shall be effective ten (10) days after Contractor's receipt of written notice of termination from the District, unless a later effective date of termination is provided by the District in such notice. As of the effective date of termination, no new work will be undertaken by Contractor with the exception of actions necessary to effectuate the termination as provided for in this Section.
- B. In the event of termination for cause, Contractor shall be paid for those services performed under the Agreement to the satisfaction of the District up to the effective date of the termination. However, pursuant to the "Default; Remedies" Section herein, the District may offset from any such amounts due Contractor any costs to District arising from Contractor's default and may otherwise demand payment from Contractor of such costs.
- C. The District may terminate the Agreement, in whole or in part, for the District's convenience and without cause at any time by giving Contractor at least thirty (30) days written notice of such termination. The notice shall specify the date on which termination shall become

In event of termination for convenience, Contractor will be paid for those services performed pursuant to the Agreement and to the satisfaction of the District up to the specified effective date of termination.

- D. Upon receipt of any notice of termination of the Agreement, Contractor shall commence and perform with diligence all actions necessary on the part of Contractor to effectuate the termination of the Agreement on the date specified by the District in a manner that minimizes the liability of Contractor and the District to third parties as a result of termination. All such actions shall be subject to prior approval by the District and shall include, without limitation: canceling orders; assigning interests to the District as applicable; settling outstanding liabilities and claims; securing and safe-guarding District property; and halting or completing services in the manner specified by the District.
- E. In no event shall District be liable for costs incurred by Contractor, or any of its subcontractors, after the effective date of termination, except for those costs specifically approved in writing by the District, if any, as necessary to effectuate the termination in a manner acceptable to the District. Such non-recoverable costs include, but are not limited to, anticipated profits on the Agreement; post-termination employee salaries; post-termination administrative expenses; post termination overhead or unabsorbed overhead; attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, including but not limited to prejudgment interest.
- F. Within thirty (30) days after the effective date of termination, the Contractor will submit an itemized invoice detailing the unpaid costs incurred for the services rendered pursuant to the Agreement up to the effective date of termination. The District's payment obligations specified under this Termination of Contract section shall survive the termination or expiration of the Agreement. Upon payment by the District of approved charges under such Contractor invoice, the District shall be under no further obligation to the Contractor, monetarily or otherwise.

31. Dispute Resolution

Other than the District's right to assess liquidated damages, notwithstanding anything in the Contract to the contrary, prior to the initiation of any litigation, disputes between the District and Contractor regarding the Agreement, including any alleged violation, misinterpretation, or misapplication of the Agreement, shall first be resolved using the following dispute resolution process.

In the event of a dispute, the parties first agree to meet and confer (informal meeting) in good faith on all matters and disputes under this Agreement. The party initiating the dispute resolution process shall prepare and send to the other party a notice of dispute that shall include the following information: (1) the name(s), address(es) and phone number(s) of designated representatives of the party (the designated representative(s) must be an employee(s) of Contractor's or the District); (2) a statement of the facts of the dispute, including information regarding the parties attempts to resolve the dispute; (3) the specific sections of the Agreement that are in dispute; and (4) the specific resolution sought by the party. Within ten (10) business days from receipt of the notice of dispute the representatives from the Contractor shall meet with representatives from the District in an informal setting to try to resolve the dispute.

If the informal meeting fails to resolve the dispute, or does not occur within the required time, the party initiating the dispute resolution process may proceed to exercise whatever rights it may have under the Agreement and the law. In addition, if Contractor is the party that initiated the

dispute resolution process, it shall proceed with the claims presentation process under California Government Code section 900 et. seq. as a prerequisite to initiating litigation.

Either party may file litigation for equitable remedies such as injunctive relief while proceeding through the dispute resolution process in order to preserve the status quo. All reasonable costs and expenses, including attorneys' fees, associated with any litigation between the Parties arising from this Agreement, including any and all applicable rights and obligations under this Agreement, shall be borne entirely by the non-prevailing party.

In all cases of disciplinary ejection, the bus/vehicle shall remain at the approximate area of student discharge until authorities arrive on site and authorize it to proceed on route. All discipline problems shall be reported in writing by the next school day following completion of the route. The District and Contractor will, in the event it determines that a pupil poses a danger to himself/herself or other passengers, cooperate to provide a safe transportation environment prior to Contractor being required to transport such pupil. Further procedures and regulations for the administration of discipline shall be established cooperatively between the District and Contractor.

Special Instructions

- A. The Oakland Unified School District will contract with one or more contractors for transportation services by private owned carriers for both intrastate and interstate travel. Note that interstate travel is limited to adjoining states only. Further, the District expects that all bidders by the act of their bidding shall be certified in accordance with all applicable laws

of the State of California as a **SCHOOL PUPIL ACTIVITY BUS (SPAB)** and that all drivers of such vehicles will likewise have a valid SPAB license. The District understands that SPAB requirements are invalid outside of California, but upon-re-entering California, SPAB regulations are in effect and the responsible contractor shall notify his terminal closest to the point of re-entry as soon as is possible after re-entry to California. **Bidders shall provide, with their bid, a listing of all SPAB certified drivers that will be employed under this contract and shall include expiration dates.** Any drivers not listed at the time of bid opening may not be used until approved by the District. You must submit any and all new drivers immediately upon employment. A contractor may subcontract only with a vendor that is on the OUSD approved vendor list. NO other subcontracted approvals will be granted without the Director of Transportation approval via writing. The District will not work with a broker or brokerage company for Transportation.

- B. All work performed and all equipment used by bidders shall meet all applicable "Regulations and Laws Relating to Pupil Transportation in California" as published by the California State Department of Education. Your signed bid will be considered a declaration that such equipment does, in fact, meet all safety regulations. If the vendor utilizes another carrier for whatever reason, the transportation department must be advised before said trip.
- C. Trip Award: Publicly funded trips; privately funded trips (Contractor to be advised of funding source)
- a. Publicly Funded Trips. The District will be prudent in awarding trips. District sites will be given a list of vendors to contact. Bids, both oral and written, when requested will have a closing date and time by which said bid is due in the office of the District's Director of Transportation. Only carriers from the Approved Charter Bus Contractor List will be considered.
 - b. Privately Funded Trips. All conditions required in Part C.1 above shall apply herein for privately funded trips except that requestors may specify to the Director of Transportation which carrier they wish to use.
 - c. Approved Charter Bus Contractor List. Such a list is informal in that it may or may not physically exist in any form other than the Bid Summary which is sent to all bidders.
 - d. Services from Non-Bidding Contractor. The District may require charter bus transportation services at a time when all bidding contractors are unable to service the request. In such an event the District shall have the right to contract with any non-bidding contractor on a per trip basis provided the non-bidding contractor meets all requirements of the bid specifications as determined by the Director of Transportation.

- A. The District reserves the right to assess the contractor damages should the Contractors fail to provide equal notice of cancellation of equipment and/or trip. The amount of the damages which may be assessed to the contractors shall be equal to the charges to be paid by Oakland Unified School District for cancellation, plus any costs incurred by District in obtaining an alternate carrier to include the difference in trip fees. In addition, Contractors must pay added cost to the District for booking with another company.
- B. The District may request transportation services verbally or in writing. However, verbal orders must be acknowledged by the contractor within five (5) calendar days from the date of the order on the Contractors standard confirmation form.
- C. The District recognizes its liability toward vandalism of the contractor's property by its passengers. However, the District demands the right to inspect all damage claimed by the Contractor to have been caused by District passengers. Said inspection will be made not later than the next school work day following notification by the Contractor. No compensation will be given to the Contractor for such damage unless authorized by the Director of Transportation. The District will make every effort to be reasonable in its evaluation.
- D. The term of the contract shall be **for three (3) years from date of Board award**, with an option to extend for two (2) additional one (1) year periods.
- E. Rate Adjustments. The prices set forth in the Bid Form, which the District shall pay the Contractor, shall be firm for the initial contract period. In the event the District exercises its option to extend the contract beyond the initial term, the Contractor may request a rate adjustment. Any request for rate adjustment shall be made in writing and presented 30 days prior to the anniversary date of each contract year (Board award date). In no event shall the amount of increase granted by the District, exceed two (2) percent annually. The District will allow annual rate adjustments to be submitted formally in writing to the Director of Transportation.
- F. Equipment Summary. Bidders shall furnish with their bid, a summary of all vehicles that may be provided to the District for use (Equipment Summary Form). In addition, Bidders shall furnish vehicle inspection approval certificates. All buses contracted by the District will be only Charter Coaches. See Bus List – Equipment Summary.
- G. The District shall be allowed to book and cancel athletic teams involved in "playoffs," on short term notice. This privilege will be limited and should not amount to more than 5-6 bookings annually. The definition of "short term notice" shall mean within 18 hours of the event for booking and within 24 hours of event for cancellation.

- H. Charter Buses must arrive at Pick-Up locations at least fifteen (15) minutes prior to departure time.
- I. Awarded Carriers must immediately contact the Director of Transportation, Requestor or designee for any of the following while contracted for an event: Bus accident (all types, minor and major); Breakdowns (All incidents in which the bus is not able to precede); Delays (Any delay which will impair the departure/arrival). After hours, contact the School District's Security Office.
- J. All buses provided under the awarded contract must be California Highway Patrol (CHP) SPAB (School Pupil Activity Bus) certified. All buses must be in full operating condition (i.e. air condition, heating).
- K. All contract bus drivers will present themselves in a professional manner with both students and staff at all times during the contract event period. Failure to do so will disqualify said driver from further contracts with the district. OUSD Transportation will review all complaints.

Evaluation Process

Upon receipt of proposals, the District's personnel also known as the Selection Committee will review each provider's response to the solicitation. Proposals will be opened privately to assure confidentiality and to avoid disclosure of the contents to competing providers prior to and during the review and evaluation process.

The District reserves the right to issue other contracts to meet its requirements. Contract award does not preclude the District from using any other service providers for the same contracted services as those secured through this solicitation. An underlying principle of this solicitation is best value. Best value is determined through a process that evaluates strengths, weaknesses, risks and exemplary customer service.

Selection Process

Upon conclusion of the evaluation process, the District will combine the scores for each of the providers value categories. Following selection of a provider(s) pursuant to this solicitation, proposals may be subject to disclosure in accordance with applicable law and may post the final scoring tabulation results online at <https://www.ousd.org/procurement>. Notice(s) of "Intent of Award" will be emailed to the awardee(s) and notice(s) of "Not To Award" will be emailed to the non award provider(s).

Protest Selection Procedure

Any provider may protest the District's issuance of a notice of "Not To Award" if it believes that the District has incorrectly selected another proposer for award. Notice of protest shall be filed with the District within five (5) business days after the notice of "Not to Award" is received. The notice of protest must include the name of the protesting bidder, a detailed description of specific grounds for protest, and copies of all supporting documents. Provider should submit the protest electronically by email to:

Rosaura M. Altamirano

Senior Manager, Supply Chain & Logistics, rosaura.altamirano@ousd.org

Providers will receive a written notice of the outcome of their appeal within five (5) business days after submitting the protest to the District.
