## Interests & Experiences

**Please explain briefly your interest in serving on this Committee, Commission or Board:**

I was active in the campaigns for Measure J and Measure Y, and during the campaigns we made many promises to the citizens of Oakland about how the bond dollars would be spent in service of Oakland's children. I have seen some of those promises broken or bent over the years, while other promises such as the renovation of Fremont HS and the construction of the Claremont MPR have been beautifully fulfilled. I feel responsible to the voters to ensure that as much as possible, the projects are efficiently completed with high quality construction that also serves the economy of Oakland.

**Please indicate your other community involvement (work with public agencies, volunteering, other Committees, Commissions, Boards, groups, etc.):**

I served on the Oakland Board of Education for 4 years. Prior to that, I was active as a parent on the Claremont SSC. I served on the Board of Oakland Community Organizations, which then changed its name to Faith in Action East Bay (FIAEB) for 7 years. I am currently active in the state Democratic Party as an elected delegate, and I am the treasurer of the Friends of Oakland Public Schools, which under prior leadership was the primary committee advocating for Measures B, J and Y.
