Greetings Ms. Bradford,

Thank you for your time and thoughtful input regarding our petitions on behalf of the Castlemont Community Transformation Schools (CCTS). Upon reflection, we have decided to temporarily withdraw our Castlemont Junior Academy petition and resubmit to more clearly articulate our education and leadership capacity

Again, thank you for your thoughtful input and processing of our Castlemont Primary Academy petition for a decision on August 27th.

Thank you!

In Service,

Olis Simmons
Board Chair
