Subject Professional Services Contract Amendment No. 1 -

Zachary Reidman -

922/Community Schools and Student Services Department (site/department)

Action Requested Ratification by the Board of Education of Amendment No. 1 to the Professional Services Contract between Oakland Unified School District and Zachary Reidman. Services to be primarily provided to 922/Community Schools and Student Services Department for the period of 09/01/2014 through 06/30/2015.

Background
A one paragraph explanation of why an amendment is needed.

The OUSD has a large & diverse refugee and newcomer student population many of whom have had significant gaps in their education prior to coming to the U.S. (in addition to acute & on-going trauma in many cases) and many of whom speak little to no English when they arrive. In order to engage in school & succeed academically, they require supplemental support (as described in Title III Immigrant supplemental funds). Funded by the US Office Of Refugee Resettlement and Title III Immigrant Funds, the OUSD'S Refugee and Asylee Student Assistance Program (RASAP) provides supportive educational services to newly- arrived refugee families who have arrived under the auspices of the US government, and through federally-contracted resettlement agencies. Independent contractor, Zack Reidman, has experience starting refugee community gardens in Oakland that provide healthy, productive, safe spaces for immigrant families to grow their own food, utilize their skills, build cross cultural friendships, and strengthen cross generational ties. In addition to focusing on healthy activities and growing healthy food, the community gardens will incorporate a garden based ELD curriculum, as well as a school-connectedness component that will serve to better connect newly resettled linguistically isolated refugee families to their children's education. Combining healthy activities, productive gardening, ELD, and educationally focused activities will allow the participating families to build important connections to their new community and build important skills to support their children's education and adjustment to the U.S. This program will have a positive impact on the social, emotional and physical health, academic success, and acculturation of participating families.

Discussion
One paragraph summary of the amended scope of work.

EXHIBIT "A" SCOPE OF WORK

[IF A CONTRACTOR PROVIDES AN ACCEPTABLE DESCRIPTION OF SERVICES AS PART OF A PROPOSAL, THAT DESCRIPTION OF SERVICES MAY BE ATTACHED WITHOUT ANY TERMS, CONDITIONS, LIMITATIONS, ETC., FROM THAT PROPOSAL.]

1. **Description of Services to be Provided:** Provide a description of the service(s) the contractor will provide. Be specific about what service(s) OUSD is purchasing and what *this* Contractor will do.

Zack Reidman is being hired to expand a community garden at OUSD's International High School at 4521 Webster St. and the OUSD's Lakeview office. Mr. Reidman will coordinate with bilingual community navigators (Karen/English, Karenni/English, and Nepali/English) to support newcomer refugee families with garden plots and affiliated programming and will coordinate and consult with FSCP staff member Nate Dunstan. Mr. Reidman will oversee family outreach and "on-boarding", building of the garden beds, planting, necessary materials and donations, and the development and implementation of a garden based ELD and health curriculum. Refugee families who participate in the garden will have a plot of rich soil to grow their own food and work with their family and others from the community. They will practice and improve their English and increase their comfort and experience interfacing with OUSD staff and an OUSD building which, in turn, will increase their comfort interacting with their child's school. Finally, they will be able to spend a significant amount of time outside each week, taking part in a healthy, productive activity that will benefit their family in a variety of ways.

Professional Services Contract

- 2. Specific Outcomes:** What are the expected outcomes from the services of this Contract? Be specific. For example, as a result of the service(s): 1) How many more Oakland children are graduating from high school? 2) How many more Oakland children are attending school 95% or more? 3) How many more students have meaningful internships and/or paying jobs? 4) How many more Oakland children have access to, and use, the health services they need? Provide details of program participation (Students will...) and measurable outcomes (Participants will be able to...). NOT THE GOALS OF THE SITE OR DEPARTMENT.

Independent contractor, Zack Reidman, has experience starting refugee community gardens in Oakland that provide healthy, productive, safe spaces for immigrant families to grow their own food, utilize their skills, build cross cultural friendships, and strengthen cross generational ties. In addition to focusing on healthy activities and growing healthy food, the community gardens will incorporate a garden based ELD curriculum, as well as a school-connectedness component that will serve to better connect newly resettled linguistically isolated refugee families to their children's education. Combining healthy activities, productive gardening, ELD, and educationally focused activities will allow the participating families to build important connections to their new community and build important skills to support their children's education and adjustment to the U.S. This program will have a positive impact on the social, emotional, emotional and physical health, academic success, and acculturation of participating families.
