Subject Professional Services Contract - Pro Arts of Oakland  
 - ALLIANCE ACADEMY #224 (site/department)

Action Requested Ratification of professional services contract between Oakland Unified School District and Pro Arts of Oakland. Services to be primarily provided to ALLIANCE ACADEMY #224 for the period of 08/25/14 through 06/30/15.

Background  
 A one paragraph explanation of why the consultant's services are needed.

In addition to a rigorous curriculum in Language Arts, Mathematics, Science, and History, Alliance students need the enrichment provided by integrating the arts into their core academic classes. The support provided by Pro Arts allows teachers to deepen connections between the content areas they teach and expressive elements of their students' lives. Students are more engaged and their learning is more profound when they have access to artistic media as a form of academic expression.

Discussion  
 One paragraph summary of the scope of work.

Pro Arts services are needed at Alliance Academy in our school day program to provide students with access to visual arts and professional working artist teachers. Students at Alliance Academy otherwise have little or no access to visual arts as a cultural form of expression and as an opportunity to a career students will learn how to work creatively to promote thoughts, ideas and designs. Pro Arts proposes to provide visual arts programming for grades 6th-8th, with 5 sessions per week with a total of 180 sessions for the academic year of 2014-2015. The program includes an end-of-semester public exhibition for an audience of family, peers, teachers and the school community. This budget will incorporate all fees pertaining to program administration, coordination, and production.

Recommendation Ratification of professional services contract between Oakland Unified School District and Pro Arts of Oakland. Services to be primarily provided to ALLIANCE ACADEMY #224 for the period of 08/25/14 through 06/30/15.

**RE: Statement of Qualification**

Pro Arts is an Oakland-based regional organization that encourages change in and through the arts to invigorate our communities. Our vision is to inspire creativity, community and change. Celebrating our 40th Anniversary in 2014, we've evolved into a vital artistic hub for Oakland and the Bay Area. We engage public audiences, artists, and youth in and through the arts via three key program areas: Visual Arts, Arts Education and Artist Services. Annually, Pro Arts produces over 20 exhibitions, exhibits over 600 artists, and conducts over 700 art classes for youth.

Pro Arts was founded in 1974 as the Alameda County Neighborhood Arts Program, and soon became a national model for utilizing CETA funds for artists and arts projects. By 1983 the organization was renamed and the focus area was further developed in the visual arts including residencies, exhibitions, and public art projects. In the years that followed exhibitions and artist services became the cornerstone of programming.

Our arts education programming fosters creativity, self-expression, and civic participation for youth. Pro Arts' Youth Arts programming includes Youth Fellows Arts Training Intensives, collaborations with Youth Speaks on youth-directed performance in the gallery, and the management of Opera Piccola's Art Gate artists-in-the-schools programming providing service to eight Oakland Public Schools.

Pro Arts is committed to supporting access, inclusion and the development of audiences for artistic expression to ensure arts engagement as a means to safe, healthy and vibrant communities. Our Youth Arts program integrates arts education, exhibition opportunities, professional arts training, and youth development for underserved youth in eight Oakland public schools. Providing art instruction in Oakland public schools fills gaps in limited arts programming and nurtures creativity in Oakland's next generation. 2013 sample activities: Youth Fellows (high school after-school programming); Arts Integration Residencies (elementary and middle school programming); Professional Development on Arts Integration (teacher training); Summer Art Intensives (scholarships for pre-college classes for high school juniors)
