Subject Application for Provisional Internship Permit – California Commission on Teacher Credentialing – Named Employees for School Year 2021-2022

Action Requested Approval by the Board of Education of Resolution No. 2122-0059 - Application for Provisional Internship Permit – California Commission on Teacher Credentialing – Named Employees for School Year 2021-2022:

1. Tristan Murray, 9th – 12th Grade Education Specialist Mild/Moderate, Skyline;
2. Messiah Sanchez, K – 5th Grade Multiple Subject Prep, Hoover; and
3. Ingrid Gabriel, K – 5th Grade Multiple Subject, Rise.

Background According to Title 5 Sections 80021-80021.1, the Provisional Internship Permit (PIP) was created in response to the phasing out of emergency permits and became effective on July 1, 2005. It allows an employing agency to hire an individual who has not yet met the subject matter competence requirement needed to enter an internship program. Prior to requesting a PIP, the employing agency must verify that a diligent search has been made, and a fully credentialed teacher cannot be found.

The PIP is only available at the request of an employing agency. Individuals may not apply directly to the Commission for this document. Holders of the PIP are restricted to service with the employing agency requesting the permit. An employing agency is defined as a California public school district, county office of education, non-public school, charter school, or statewide agency.

The PIP is available in the areas of Multiple Subject, Single Subject, and Education Specialist. Individuals who were issued four or fewer emergency permits may be issued one PIP as long as the employer requirements have been met. Individuals who were issued five emergency permits do not qualify for the PIP.
