**BACKGROUND:**

According to Title 5 Sections 80021-80021.1, the Provisional Internship Permit (PIP) was created in response to the phasing out of emergency permits and became effective on July 1, 2005. It allows an employing agency to hire an individual who has not yet met the subject matter competence requirement needed to enter an internship program. Prior to requesting a PIP, the employing agency must verify that a diligent search has been made, and a fully credentialed teacher cannot be found.

The PIP is only available at the request of an employing agency. Individuals may not apply directly to the Commission for this document. Holders of the PIP are restricted to service with the employing agency requesting the permit. An employing agency is defined as a California public school district, county office of education, non-public school, charter school, or statewide agency.

The PIP is available in the areas of Multiple Subject, Single Subject, and Education Specialist. Individuals who were issued four or fewer emergency permits may be issued one PIP as long as the employer requirements have been met. Individuals who were issued five emergency permits do not qualify for the PIP.

**DISCUSSION:**

The Board of Education, exercising the power of the Governing Board, may approve an application seeking a Provisional Internship Permit from the Commission on Teacher Credentialing, as may be necessary for certain certificated employees of the District so they may work in the District for the 2020-2021 school year, as follows:

The current request for the 2020-2021 school year, a Provisional Internship Permit is being sought for the following employees:

1. Grace Smith graduated from University of California, Santa Barbara with a Bachelor's of Arts in Sociology. This Provisional Internship Permit will allow candidate time to complete the CSET exams and the requirements for a University Internship Multiple Subject teaching credential.
2. Jennifer Rosen graduated from Wayne State University with a Bachelors in Journalism. This Provisional Internship Permit will allow candidate time to complete the CSET exams and the requirements for a University Internship teaching credential: Multiple Subject teaching credential.

5. Troy Garrett graduated from University of California, Los Angeles, with a Bachelor's in Political Science. This Provisional Internship Permit will allow candidate time to complete the CSET exam and the requirements for a University Internship Multiple Subject teaching credential.

**CORRECTION:**

This Provisional Internship Permit will allow candidate time to complete the CSET exams and the requirements for a University Education Specialist: Mild/Moderate teaching credential. (Corrected from 06/24/2020, Resolution 1920-2033, which showed the candidate requesting a Provisional Internship Permit for 9<sup>th</sup> – 12<sup>th</sup> Grade Mild/Moderate, Skyline High School and it should have been a Provisional Internship Permit for 9<sup>th</sup> – 12<sup>th</sup> Grade Mild/Moderate, Castlemont High School).
