Through implementation of the Facilities Master Plan, the District intends to improve the District's facilities in terms of structural integrity, safety, reliability of operating (mechanical) systems, access to modern resources, number and type of appropriate laboratories and specialized instruction rooms, opportunities for physical education, and attractiveness, such that the Oakland

Public Schools are second to none. Operation of the District schools under the planned approach is intended to ensure safety, cleanliness, and orderliness for all individuals participating in the learning process.

The basic facility needs of students such as proper lighting, functional roofs, noise control and well maintained buildings, not only convey the message that we value our students and teachers but may foster a sense of school pride and community ownership which may improve attitudes towards learning. DRUG/SMOKE-FREE WORKPLACE CERTIFICATION

The District and all District projects are "drug-free" and "smoke-free" workplaces and, as such, require that the Project Manager be subject to the requirements mandated by California Government Code Section 8340, et seq., when on the Project site. ESTIMATED CONSTRUCTION COST AND PROPOSED FEE

Per documentation in the OUSD Student Restroom Renovations RFQ and a preliminary meeting with OUSD management the estimated construction cost for the project is \$923,890.00.

School Site	Estimated Construction Cost	Estimated Fee 13.5%
Elmhurst Middle School	\$393,990	\$53,188.65
Fruitvale Elementary	\$390,000	\$52,650
Sobrante Park Elementary	\$139,900	\$18,886.50
Total Estimated Construction Cost Budget	\$923,890.00	\$124,725.15

Per DSA Bulletin BU 13-02 "Effective July 1, 2013, projects submitted to DSA for review shall be limited in scope to construction on a single site only. Applications for "various" sites will no longer be accepted by the DSA; such applications will be returned to the project owner by the DSA intake team... For project applications filed with DSA on or after July 1, 2013: DSA-1 must only contain work on a single site and indicate the estimated cost of work on that site only. DSA 168 shall indicate final actual project cost for work on a single site. If construction contract(s) included work on multiple sites, the contract amounts must be itemized per site, to enable reporting of construction costs for each site." Discussions can be had with DSA early in schematic phase to see if the four submittals can be bundled for the same reviewers.

With work being completed on three sites and three (3) separate submittals to DSA with the potential of (3) separate back check appointments being required we propose a thirteen and a half percent (13.5% fee) fee based on percentage of construction cost budget, including all Studio Perez consultants' fees. As of the date of this proposal, based on information provided by the District, the estimated construction cost budget is understood to be Nine hundred twenty three, and eight hundred ninety dollars, (\$923,890.00) therefore the estimated fee is One hundred twenty four thousand, seven hundred twenty five dollars (\$124,725.00). ($923,890.00 \times 0.135 = \$124,725.00$).

DELIVERABLE EXPENSES

Per OUSD Exhibit "A" two hard copies of drawings and/or specifications, cost statements and other miscellaneous documents shall be submitted to the District at the end of schematic design, design development, 50% CD and 100% CD phases, and final DSA approved documents.

Reprographics costs - Billed at cost + 10%

Plots - 24 x 36 - \$5 per Sheet

Copies - Color 8.5x11 - \$0.75, 11x17 - \$1.50, B&W 8.5x11 - \$0.20, 11x17 - \$0.50

Renderings if required - to be determined.

We propose a printing budget of one thousand, seven hundred twenty-five dollars

(\$1,725.00) for this project. Please see proposed itemized printing budget per site below:

School Site	Estimated Reimbursable Deliverable Cost
Elmhurst Middle School	\$575
Fruitvale Elementary	\$575
Sobrante Park Elementary	\$575
Total Deliverable Cost Budget	\$1,725.00

ASSUMPTIONS AND EXCLUSIONS

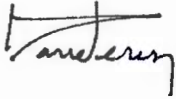

1. Construction contract for the three school sites will be completed by one contractor entity.

ADDITIONAL INSURED (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

NAME OF PERSON(S) OR ORGANIZATION(S):

Oakland Unified School District
Attn: Susie Butler Berkeley
955 High Street
Oakland, CA 94601

PROJECT/LOCATION OF COVERED OPERATIONS:

Oakland Unified School District, and the State and their agents, representatives, employees, trustees, officers, consultants, and volunteers

PROVISIONS

A. The following is added to WHO IS AN INSURED (Section II):

The person or organization shown in the Schedule above is an additional insured on this Coverage Part, but only with respect to liability for "bodily injury", "property damage" or "personal injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

- a. In the performance of your ongoing operations;
- b. In connection with premises owned by or rented to you; or
- c. In connection with "your work" and included within the "products-completed operations hazard".

Such person or organization does not qualify as an additional insured for "bodily injury", "property damage" or "personal injury" for which that person or organization has assumed liability in a contract or agreement.

The insurance provided to such additional insured is limited as follows:

- d. This insurance does not apply to the rendering of or failure to render any "professional services".
 - e. The limits of insurance afforded to the additional insured shall be the limits which you agreed in that "contract or agreement requiring insurance" to provide for that additional insured, or the limits shown in the Declarations for this Coverage Part, whichever are less. This endorsement does not increase the limits of insurance stated in the **LIMITS OF INSURANCE (Section III)** for this Coverage Part.
- B. The following is added to Paragraph a. of 4. Other Insurance in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):**
- However, if you specifically agree in a "contract or agreement requiring insurance" that, for the additional insured shown in the Schedule, the insurance provided to that additional insured under this

COMMERCIAL GENERAL LIABILITY

Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such additional insured which covers such additional insured as a named insured, and we will not share with the other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have entered into that "contract or agreement requiring insurance" for such additional insured. But this insurance still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when the additional insured is also an additional insured under any other insurance.

C. The following is added to Paragraph 8. Transfer Of Rights Of Recovery Against Others To Us in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):

We waive any rights of recovery we may have against the additional insured shown in the Schedule above because of payments we make for "bodily injury", "property damage" or "personal

injury" arising out of "your work" on or for the project, or at the location, shown in the Schedule above, performed by you, or on your behalf, under a "contract or agreement requiring insurance" with that additional insured. We waive these rights only where you have agreed to do so as part of the "contract or agreement requiring insurance" with that additional insured entered into by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense is committed.

D. The following definition is added to DEFINITIONS (Section V):

"Contract or agreement requiring insurance" means that part of any contract or agreement under which you are required to include the person or organization shown in the Schedule as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs, and the "personal injury" is caused by an offense committed:

- a. After you have entered into that contract or agreement;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.

Re: Worker's Compensation Insurance Coverage
OUSD Restrooms Modernization Projects; Elmhurst, Fruitvale, Sobrante Park, Allendale, Garfield,
Maxwell Park, and Parker

Dear Susie,

Studio Perez is a sole proprietorship and currently does not employ any full-time employees and therefore is not carrying Worker's Compensation insurance. Traditionally we have hired independent contractors on an as-needed basis. If our employment status changes to employing full-time employees we would move forward with providing Worker's Compensation Insurance as required by California Law. Please feel free to contact me with any additional questions.

Sincerely,

Daniel Perez, AIA
