Memo

To: Board of Education
From: ANTWAN WILSON, EdD, SUPERINTENDENT
Board Meeting Date: 08/13/2014
Subject: Professional Service Contract
Contractor: Strategies of Success of Firebaugh, CA
Services for: 975-PROGRAMS FOR EXCEPTIONAL

Board Action Requested and Recommendation: Approval by the Board of Education of a Professional Services Contract between the District and Strategies of Success, Firebaugh, CA, for the latter to provide: support the District in defining priorities for addressing the continuing significant disproportionality related to the over-representation of African American students in special education under the category of emotionally disturbed; assist in developing the District's 2013-2014 CEIS Plan for submission to the CDE consistent with CDE requirements; and to ensure that proposed interventions and activities have a reasonable probability of reducing the number of African Americans identified as Emotionally Disturbed. for the period of 02/05/2014 through 04/01/2014 in an amount not to exceed \$5,000.00.

Background:
 (A one paragraph explanation of why the consultant's services are needed.)

The Oakland Unified School District(OUSD) was identified by the California Department of Education (CDE) as demonstrating "significant disproportionality" due to the over representation of African American students found eligible for special education under the category of Emotional Disturbance. Due to significant disproportionality, the OUSD is required to use 15% of Part B federal special education funds to provide Coordinated Early Intervening Services for students without disabilities. The District is required to engage in a process for systems change designed to provide District and school improvement teams with the knowledge and technical expertise to develop a thorough understanding of problems, issues, and concerns in their schools, and what needs to be done to address disproportionality. The District is required to submit a CEIS Plan to the CDE that includes elements to specifically address the District's current significant disproportionality status.

Discussion:
 (QUANTIFY what is being purchased.)

support the District in defining priorities for addressing the continuing significant disproportionality related to the over-representation of African American students in special education under the category of emotionally disturbed; assist in developing the District's 2013-2014 CEIS Plan for submission to the CDE consistent with CDE requirements; and to ensure that proposed interventions and activities have a reasonable probability of reducing the number of African Americans identified as Emotionally Disturbed.
