OUSD After School Programs
 ASES and 21st Century Community Learning Center (21st CCLC) After School Program Plan
 Elementary & Middle Schools
 2016 – 2017

SECTION 1: School Site Information

School Site: Hoover Elementary	Lead Agency: Bay Area Community Resources
Principal Signature: 	Lead Agency Signature: 
After School Site Coordinator Name (if known at this time): Diana Magana Bolanos	Date: April 3 rd , 2016

SECTION 2: Alignment with Site Plan (SPSA), Major Improvement Priorities
 In collaboration with school leadership, identify the school's major improvement priorities where this after school program is identifying high leverage practices.

- Balanced Literacy and Literacy Across the Curriculum
- Linked Personal Learning
- Instructional Interventions
- Science, Technology, Engineering, and Mathematics (STEM)
- Extended Learning Time
- School Culture (including Meaningful Student Engagement)
- Health and Wellness
- Interrupting Chronic Absence (Attendance)
- Building Capacity and Leadership
- Family and Student Engagement

LCAP Strategic Priorities
in collaboration with school leadership, identify the specific LCAP goal(s) that this functional program will intentionally support

- College & Career Readiness (LCAP Goal 1)
- Literacy (Proficiency on Standards, Grade Level Reading, English Learners Reading Fluency-LCAP Goals 2, 3, 4)
- Mathematics/STEM Proficiency (Proficiency on State Standards—LCAP Goal 2)
- Student Engagement (LCAP Goal 5)
- Parent/Family Engagement (LCAP Goal 6)
- Safe, Healthy & Supportive Schools (LCAP Goal 7)

State 3 – 4 primary goals of the After School Program and intended impacts for participating students.
Describe how these after school goals align with the school's Major Improvement Goals and Strategies identified in its SPSA plan.

1. STEM Academic Focus: use curriculum (such as Techbridge/Fetch) that will support alignment with science and engineering class that the school offers. Continue to participate in the Science Learning Community to receive additional support and professional development for staff.
2. Continue focus on literacy and math through a strong partnership with the school day. Our Academic Liaison will be identified ASAP to help provide support through observations and professional development to help support these areas. We will continue to use Math Hoops Curriculum for math and Reader's Workshop Activities to support literacy.
3. We will focus on safety, healthy, and supportive schools through activities such as cooking, Building Intentional Communities, and sports/dance.

SECTION 3: OUSD Strategic Questions Complete the matrix for at least two of the following four OUSD Strategic questions.			
Strategic Questions/Desired Outcomes	Strategic Activities <i>What after school strategic activities will support the desired outcomes?</i>	Outcomes of Strategic Activities <i>What short-term outcomes will you expect from your efforts by the end of the school year?</i>	Data used to assess the strategic activities <i>What data will be collected to measure these outcomes?</i>
<p>As a result of our ASP efforts...</p> <p>High School Graduation: How many more Oakland children are graduating from high school?</p> <p>Satisfactory School Day Attendance: How many more Oakland children are attending school 95% or more?</p>	<p>Our program provides recognition and awards for good attendance and intervenes when a student is showing a pattern of poor attendance. We communicate directly with families and the families to ensure that students are at school on a daily basis.</p>		<p>School day will share attendance data with after school and this data will be compared to note any possible patterns of attendance behaviors of students who attend the after school program in hopes of decreasing it as the year advances.</p>
<p>Job Skills/Career readiness: How many more students have meaningful internships and/or paying jobs?</p>	<p>Our program supports students to develop their ability to work within a diverse environment, appreciate differences and collaborate successfully with others. These skills are specifically reinforced in our leadership class and team building activities. These are skills we believe are necessary to be successful in any job/career.</p>	<p>Satisfactory attendance will be achieved through our reinforcement of good attendance rewards and constant communication with the parents.</p> <p>Students will focus on general goal setting, visioning and working collaboratively to solve problems/conflicts, while learning to appreciate diversity.</p>	<p>Data will come from our daily reflection and debriefing activities.</p>

<p>Health and Well-being: How many more Oakland children have access to, and use, the health services they need?</p>	<p>Activities such as cooking/nutrition, team sports, and garden have been a strong aspect of our program in past school years. Students enjoy these activities and health/wellness is discussed and learned in hands-on activities.</p>	<p>We will continue to run health and wellness activities that have been successful in the past</p>	<p>Focus groups are typically done at the end of the school year for data in this area or based on students' choice.</p>

SECTION 4: Program Model and Lead Agency Selection

For 2016-2017, my site will operate the following program model:

- ⚙️ **Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
- ⚙️ **Extended Day Program:** *additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)*
- ⚙️ **Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full-Service Community School development

The BACR philosophy about after school programs extends far beyond keeping children safe. We believe in providing a nurturing and enjoyable environment where students can improve not only their academic, but also their life skills. We believe in integrating the principles and practices of youth development into all activities. Just as important, we see the schools, students, and parents as our partners and believe it is our responsibility to thoughtfully collaborate in meeting their needs.

SECTION 5: Attendance, Program Dates, Minimum Days, and Program Schedule

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm on every regular school day for elementary and middle schools. (EC 84883)

High school programs are required to operate a minimum of 15 hours per week.

A CDE allows programs to close for a maximum of 3 of their days during the school year for unplanned development. Completion of a method of those program closure dates in advance, and the lead agency must maintain documentation of program development activities.

<i>offered on these dates, including training agenda and staff sign in sheets.</i>	
Required # of Program Days your program will operate during School Year 2016-2017 (programs are required to operate between 177 – 180 days of the school year)	180
Projected Daily Attendance during School Year 2016-2017	127
Programs are allowed up to three days of program closure during the school year to offer staff professional development. Please list the three days (if any) your program plans to close this year for PD.	June 7-9, 2017
Minimum Days Elementary and middle school after-school programs are required to operate from the end of the school day to 6pm. When a school holds minimum days, the after school program must begin early and run a long day until 6pm. Minimum days have significant impact on the after school staffing and budget. Thus, during the program planning process, school leadership and the lead agency partner must discuss the anticipated number of minimum days for the program year, and discuss shared resources to fund minimum day programming when the number of minimum days exceeds the typical OUSD schedule of one minimum day per week for the school year.	
Projected Number of Minimum Days for School Year 2016-2017	50
Describe funding plan to operate program on minimum days, including additional school resources (if any), to support full program implementation on all minimum days:	
Budget reflects minimum days for each staff member.	
SECTION 6: Program Schedule	
1. Submit program schedule as an attachment, using the standard program schedule template. The after school schedule must indicate the school name and the program year.	
2. Submit a copy of the school bell schedule for the 2016-17 school year.	

Important Notes: The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned. (i.e. If the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm. The same is true on minimum days.)

Additionally, programs must operate at least until 6pm daily AND must operate at least 3 hours per day. (i.e. if the school bell schedule ends at 3:10 pm, then the after school program must begin at 3:10 pm and run until 6:10 pm)

Please make sure program schedule clearly shows when the following program requirements will take place:

Elementary requirements:

- One hour/week of literacy instruction for students in grades K-5
- One hour/week of math instruction for students in grades K-5

Middle School requirements:

- Youth Leadership
- Academic intervention (ELA and math)
- Middle school athletics (recommended)
- College and career readiness programming

SECTION 7: Transitions Support for High Need Populations of Students

Schools have students transitioning in and out over the course of the school year. This includes transitional youth such as foster youth and Newcomers who may enter the school year mid-year. It is an LCAP priority in OUSD that we provide services to these high need populations of foster youth and English language learners including Newcomers.

How will your program collaborate with the school day to support high need students who are transitioning into the school? [How will your program collaborate with the school day to support high need students who are transitioning into the school?](#)

The after school program supports our students in every way possible. Slots are left open or will be arranged for students who are classified as high priority students, this includes students who are new to our school community. Students are integrated and paired with students who speak their native language and also receive additional support from instructors on a one-to-one basis.

SECTION 8: Academics

Your site should plan to offer a range of academic supports including:

- 1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

Other possible supports may include computer lab, library exploration, and project-based learning.

Academic activities should be aligned with school goals and support specific student achievement needs defined by the school. Activities should be based on sound instructional strategies aligned with the regular school day program.

Please include the following requirements:

- **Required Elementary Academic Programming:** Elementary programs are required to provide at least 1 hour of literacy instruction per week for all students and 1 hour of math instruction per week for all students. (Curriculum and PD will be provided by OUSD.)
- **Required for Middle school Academic Programming:** Math and ELA academic intervention should be provided by teachers on extended contract, in order to support students struggling academically.

SECTION 9: ENRICHMENT & PHYSICAL ACTIVITY / RECREATION
 Enrichment activities and physical activity/recreation are required components of the ASES and 21st Century grants. Enrichment activities should provide students with the opportunity to apply their classroom learning in a real, hands-on way. Enrichment activities should intentionally and creatively build skills that support students' success in school and in life. Enrichment activities often support school goals for health and wellness, positive school climate, arts learning, and student engagement.
 Please include the following required and recommended Middle School Program Components: Youth leadership, middle school athletics, and college and career readiness programming.

SECTION 10: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development. For 21st Century grantees who receive Family Literacy funding: *The activities listed below must align to your 21st Century Family Literacy budget plan.*

SECTION 11: Chronic Absence Action Plan
 Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at

school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	ASP staff will recruit students who have a risk of chronic absenteeism to help improve their overall attendance for both ASP and day school.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	ASP staff will hold a mid-year meeting to remind parents about the importance of good attendance, cover attendance policies, and help parents understand why attendance is so important.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	ASP will help communicate with families of students who have been identified as at risk of being chronically absent.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	ASP staff will continue to publically acknowledge good attendance with certificates and recognition during special events.

SECTION 12: Transforming School Culture and Climate
After school programs can play a critical role in supporting the school's efforts to transform school culture and climate, helping to meet students' needs, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are strategies that OUSD schools are taking to change discipline and transform school culture and climate. Which of the following school strategies will your after school program work to intentionally align with, in order to support positive school culture and climate?

X PBIS (Positive Behavioral Interventions and Support)
 Restorative Justice
 Social and Emotional Learning
 Bullying Prevention: including online safety and creating climate of safety for all youth including foster youth, homeless, LGBTQ, disabilities, etc

____ Other: (please specify) _____

b) How will the school and lead agency partner work together to ensure that the after school program is aligned with these efforts, and helping to transform school culture and climate? (ie. shared professional development, curriculum, coaching, planning meetings, COST meetings, etc.)

Program Coordinator will attend planning meetings with Principal and Program Manager. Line Staff will receive coaching to ensure that the BIC curriculum, Restorative Practices and other activities are used throughout all grades and classes.

c) Reducing the disproportionate suspension rates of African American students is a key priority for OUSD. Please describe any special efforts your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (ie. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.):

Students will participate in recognition ceremonies for their accomplishments in different areas such as advancement in academic performance, perfect attendance, ASP sports teams, completion of culminated hands-on project or performance and outstanding leadership/citizenship.

d) Please mark other strategies your after school program and school site are using to support all students and address disproportionality:

- Using Restorative practice to address disproportionality related to discipline
- Trauma informed practices
- Using PBIS to address discipline

SECTION 13: Social and Emotional Learning (SEL)

Developing SEL skills in students and in the adults who work in the Oakland school system is a key priority for OUSD. SEL includes the following skills: self-management, self-awareness, social awareness, relationship skills, and responsible decision-making.

<p>Describe how you will work intentionally to develop SEL skills in program staff:</p>	<p>The Building Intentional Communities curriculum will be used on a weekly basis to help reinforce the SEL skills. Instructors will also partner with staff to develop different behavior management and relationship building skills among students.</p>
<p>Describe how you will work intentionally to develop SEL skills in students:</p>	<p>Building Intentional Communities will be part of the weekly schedule to reinforce the SEL Skills.</p>
<p>SECTION 14: Coordination with Other Service Providers In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.</p>

2016-17 After School Enrollment Policy for Hoover Elementary School

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Students in need of academic support and intervention to improve or sustain academic performance.	Data from F & P, SRI testing and other online programs will be used to identify students who need additional academic support. Referrals and recommendations made by teachers, counselors and other school staff.	
Students in need of being engaged in learning (including students who have already learned regular school day content and need additional academic enrichment).	Data from F & P, SRI testing and other online programs will be used to identify students who need additional academic support. Referrals and recommendations made by teachers, counselors and other school staff.	
Students with siblings already enrolled in after school program based on above priorities.	Referrals and recommendations made by teachers, and other school staff. Parents will also provide this information.	
Students in need of social-emotional support.	Referrals and recommendations made by teachers, and other school staff. Parents will also provide this information.	
Students from socio-economically disadvantaged families/backgrounds	Referrals and recommendations made by teachers, and other school staff.	

support.	teachers, and other school staff. Parents will also provide this information.
Students from socio-economically disadvantaged families/backgrounds	Referrals and recommendations made by teachers, and other school staff. Parents will also provide this information.

Which grade levels will you serve in this program? _____ K-5 _____

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD’s strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)
- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2016. Indicate how families will be notified of 2016-17 enrollment before the last day of school, June 9, 2016.)

Timeline	After School Enrollment Steps/Process	Individual responsible

	applications will be given out to students and families.

School Support for Program Recruitment

Describe how the school will support after school program recruitment efforts. Specify how school staff will help promote the after school program, refer students, and communicate with families about program opportunities:

To Whom It May Concern:

It is the Bay Area Community Resources policy to ensure to the best of our abilities that everyone we bring into our BACR programs to work with our clients are properly screened so as to minimize any risk, either physical or emotional, to the children and other clients we serve. We achieve this through FBI and DOJ fingerprint background checks on all our employees, independent contractors, subcontractors and volunteers working in our OUSD school programs. We are set up to receive subsequent arrest records. In addition, all staff must turn in a negative TB clearance before they begin working with our students.

We certify that all staff meet our staff qualifications including TB clearance, and FBI/DOJ clearance before they begin working with the students. We can provide verification upon demand from OUSD. On a monthly basis this information is submitted to our district after school programs office with our invoices, indicating ATI numbers.

Sincerely,

Marisa Ramirez

Memo

To Board of Education

From Antwan Wilson, Superintendent

Board Meeting Date August 10, 2016
(To be completed by Procurement)

Subject Master Memorandum of Understanding between Oakland Unified School District and Bay Area Community Resources

Action Requested Authorize the President and Secretary of the Board to enter into and execute a Memorandum of Understanding with Bay Area Community Resources, on behalf of the District to provide services to students. This establishes a one year relationship with Bay Area Community Resources, and a not-to-exceed amount of \$3,967,560.95. This amount is projected using historical cost data, known changes to the number of sites served and expected available grant funding allowable.

Background
A one paragraph explanation of why the consultant's services are needed.

The Oakland Unified School District enters into contracts each year to provide professional services that support the District's academic mission. The Master MOU establishes all terms and conditions, a defined menu of services with negotiated rates, and allows for the gathering of necessary supporting documentation to further streamline the process of receiving necessary services, while keeping the integrity of checks and balances, as well as maintaining oversight by the Governing Board.

A Menu of Services was established that would allow a principal to "Order" from the Menu using the Individual Service Agreement (ISA). This is essential to promoting transparency of services, and the costs of those services, between like schools. Each Individual Service Agreement is submitted to the board for approval. In the event that this vendor receives more orders for service than anticipated, an amendment to this MOU will request a new not-to-exceed amount.

Discussion
One paragraph summary of the scope of work.

Vendor: Bay Area Community Resources

Overview of Services: Bay Area Community Resources contracts with schools to be a lead agency to provide high quality after school programming consisting of academic enrichment and recreational physical activities, family literacy and targeted Equitable Access services to students that are high risk.

Not-To-Exceed Amount: \$3,967,560.95

Determination of the Not-to-Exceed Amount is based on historical data and projections for the coming school year, it is anticipated that Bay Area Community Resources will provide services to 25 school sites.

The District contracts with agencies to provide various activities and after school programs. Chosen by the number of sites served with District and the long standing relationship with the agencies, the Master Memorandum of Understanding establishes a relationship with Bay Area Community Resources, defining terms and conditions as well as setting a maximum not-to-exceed ceiling amount. This ceiling is derived from historical cost data, and known changes in sites to be served, as well as expected grant funding. In addition, the District has been working with agencies to provide a Menu of Service, which delivers a clear and measurable scope of work. Analogous to ordering from a common table menu, each product is described and the price is clearly quoted, establishing and promoting a more perfect competition where the consumer, here the principal, is informed of the services offered, and the price for those services. This allows the principal to easily compare services and prices, and plan for programmatic needs.

Fiscal Impact

There is no funding associated with the Master Memorandum of Understanding or the Amendment to the Master Memorandum of Understanding herewith. The Master Memorandum of Understanding establishes a relationship, as well as setting the terms and conditions with Bay Area Community Resources. The funding source for each Individual Service Agreement will be determined separately and individually. Funding for the Individual Service Agreement is verified through a review of the BDT budget process, and a review of State and Federal compliance funding when applicable.

Recommendation

Approval of the Master MOU between Bay Area Community Resources and the Oakland Unified School District authorizing the President and Secretary of the Board to enter into and execute the Master Memorandum of Understanding and Individual Service Agreement(s) with Bay Area Community Resources in an amount not-to-exceed \$3,967,560.95.

To Whom It May Concern:

It is the Bay Area Community Resources policy to ensure to the best of our abilities that everyone we bring into our BACR programs to work with our clients are properly screened so as to minimize any risk, either physical or emotional, to the children and other clients we serve. We achieve this through FBI and DOJ fingerprint background checks on all our employees, independent contractors, subcontractors and volunteers working in our OUSD school programs. We are set up to receive subsequent arrest records. In addition, all staff must turn in a negative TB clearance before they begin working with our students.

We certify that all staff meet our staff qualifications including TB clearance, and FBI/DOJ clearance before they begin working with the students. We can provide verification upon demand from OUSD. On a monthly basis this information is submitted to our district after school programs office with our invoices, indicating ATI numbers.

Sincerely,

Marisa Ramirez
Program Director

The After School Lead Agency Memorandum of Understanding (MOU) templates for both Elementary and Middle Schools and the High Schools are included as addendums to the Master MOU because they outline all the specific grant requirements for the after school funding. The Master MOU has general language, but the lead agency MOU addendums spell out in detail all the programmatic and grant-specific requirements for after school service provision.

Pursuant to Paragraph 9.2 of the Master Memorandum of Understanding, CONTRACTOR and the District further agree to all of the terms of the following lead agency Memorandum of Understanding templates for Elementary/Middle School and High School sites. The grant amounts and schools referenced in the MOU templates are found in the matrix of the Bay Area Community Resources Anticipated Contract Amounts for 2016-2017 attached to the Master MOU.

On behalf of our respective institutions or organizations, we hereby execute this Addendum to the Master Memorandum of Understanding.

**After School Template for Elementary and Middle Schools
Memorandum of Understanding 2016-2017
Between Oakland Unified School District and**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with _____ ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at _____ under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21st CCLC funds.
 - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2016 to August 20, 2017 and may be extended by written agreement of both parties.
3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
4. **Compensation.** The ASESP and 21st CCLC grant award amount for _____ is \$ _____. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
 - 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
 - 4.2. **Positive Attendance.** Payment for services rendered related to the ASESP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASESP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2016-2017")
 - 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASESP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the

review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

4.2.2. Administrative Charges and Reconciliation. Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).

4.3. OUSD Administrative Fees. OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.

4.4. AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.

4.5. Program Budget. The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2016-2017 and will not exceed \$_____ in accordance with Exhibit B. **Exhibit B** ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2016-2017").

4.6. Modifications to Budget. Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. Program Fees. The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

**After School Template for Elementary and Middle Schools
Memorandum of Understanding 2016-2017
Between Oakland Unified School District and**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with _____ ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at _____ under the following grants:
 - After School Education and Safety Program ("ASESP")
 - California Department of Education ("CDE") 21st Century Community Learning Center (21st CCLC)
 - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASEP and 21st CCLC funds.
 - Private grants
2. **Term of MOU.** The term of this MOU shall be July 1, 2016 to August 20, 2017 and may be extended by written agreement of both parties.
3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
4. **Compensation.** The ASEP and 21st CCLC grant award amount for _____ is \$ _____. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
 - 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.
 - 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$7.50 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$7.50 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A (Attendance Reporting Schedule 2016-2017")
 - 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the

review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

4.2.2. Administrative Charges and Reconciliation. Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).

4.3. OUSD Administrative Fees. OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.

4.4. AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.

4.5. Program Budget. The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2016-2017 and will not exceed \$_____ in accordance with Exhibit B. **Exhibit B** ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2016-2017").

4.6. Modifications to Budget. Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. Program Fees. The intent of the ASEP and 21st CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

Memorandum of Understanding 2016-2017
Between Oakland Unified School District and**

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent to contract with _____ ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at _____ under the following grants:
 - California Department of Education ("CDE") 21st Century High School ASSETS Program ("ASSETS Core Grant")
 - California Department of Education ("CDE") 21st Century Direct Access Grant ("Direct Access")
 - California Department of Education ("CDE") 21st Century Family Literacy Grant ("Family Literacy")

2. **Term of MOU.** The term of this MOU shall be July 1, 2016 to August 20, 2017 and may be extended by written agreement of both parties.

3. **Termination.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.

4. **Compensation.** The 21st Century ASSETS Core Grant, Family Literacy, and Direct Access grant award amount for _____ is \$_____. AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:
 - 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY.

 - 4.2. **Positive Attendance.** Payment for services rendered related to the ASSETS Core Grant shall be based on actual student attendance rates (\$10.00 a day per student), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$10.00 a day per student. Documentation of attendance must be submitted through the OUSD/OFCY attendance systems in order for invoices for payment of services for the ASSETS Core Grant to be processed. (**Exhibit A - Attendance Reporting Schedule 2016-2017**)).
 - 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASSETS Core Grant for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.

4.2.2. Administrative Charges and Reconciliation. Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).

4.3. OUSD Administrative Fees. OUSD shall charge and withhold up to 14% from the overall 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance costs.

4.4. AGENCY Administrative Fees. AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the 21st Century ASSETS Core Grant, Family Literacy grant, and Direct Access grant must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the 21st Century ASSETS program. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the 21st Century ASSETS program.

4.5. Program Budget. The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2016-2017 and will not exceed \$_____ in accordance with **Exhibit B** ("21st CCLC After School Program Plan" and "After School Budget Planning Spreadsheet").

4.6. Modifications to Budget. Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

4.7. Program Fees. The intent of the 21st Century ASSETS program is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance.

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property.
