

**RESOLUTION
OF THE
STATE ADMINISTRATOR
OF THE
OAKLAND UNIFIED SCHOOL DISTRICT
COUNTY OF ALAMEDA, STATE OF CALIFORNIA**

Res. No. 0809-0234

RESOLUTION PRESCRIBING THE TERMS OF SALE OF BONDS OF OAKLAND UNIFIED SCHOOL DISTRICT, REQUESTING THE BOARD OF SUPERVISORS OF THE COUNTY OF ALAMEDA TO ISSUE AND SELL NOT TO EXCEED \$185,000,000 OF SAID BONDS BY A NEGOTIATED SALE PURSUANT TO ONE OR MORE BOND PURCHASE CONTRACTS, APPROVING THE FORMS OF AND AUTHORIZING THE EXECUTION AND DELIVERY OF ONE OR MORE PAYING AGENT AGREEMENTS, AND BOND PURCHASE CONTRACTS FOR SAID BONDS, AND AUTHORIZING THE EXECUTION OF NECESSARY DOCUMENTS AND CERTIFICATES RELATING TO SAID BONDS

WHEREAS, an election was duly called and regularly held in the Oakland Unified School District, County of Alameda, California (herein called the "District"), on June 6, 2006, pursuant to Section 15100 and following of the Education Code of the State of California, at which the following proposition was submitted to the electors of the District:

"To repair and modernize elementary, middle and high schools and pre-schools, including renovating classrooms, restrooms and other facilities to meet current safety standards, and repairing electrical, plumbing and other building systems; and to build libraries, classrooms, and science and computer labs, shall Oakland Unified School District issue \$435 million in bonds at interest rates within the legal limit and establish a Citizens' Oversight Committee to monitor expenditures, with no money for administrator salaries?"

and

WHEREAS, at least 55% of the votes cast on said proposition were in favor of issuing said bonds; and

WHEREAS, on November 28, 2006, a series of said bonds designated "Oakland Unified School District General Obligation Bonds, Election of 2006, Series 2006" in the aggregate principal amount of \$130,000,000 was issued by the District; and

WHEREAS, I, Vincent Mathews, the administrator of the District duly appointed by the State Superintendent of Public Instruction pursuant to Article 2.5 of Chapter 3 of Part 24 of Division 3 of the Education Code of the State of California (Sections 41325, *et. seq*) (the "State Administrator"), deem it necessary and desirable that the Board of Supervisors of the

County of Alameda (the "County") shall authorize and consummate the sale and issuance of a portion of said bonds in one or more series designated the "Oakland Unified School District 2009 General Obligation Bonds, Election of 2006, Series __," with appropriate series designation, in an aggregate principal amount not exceeding \$185,000,000, according to the terms and in the manner hereinafter set forth; and

WHEREAS, the American Recovery and Reinvestment Act of 2009 (the "Recovery Act") grants a national allocation of \$11 billion to provide for the issuance of qualified school construction bonds, in accordance with the qualified tax credit bond program (the "Tax Credit Program") found in Section 54A of the Internal Revenue Code of 1986, as amended (the "Code"), and a portion of said allocation may be granted to the District (the "District Allocation") to provide financing for the construction, reconstruction or repair of public school facilities, or the acquisition of land on which such facilities are to be constructed with part of the proceeds of such issue; and

WHEREAS, the State Administrator deems it necessary and desirable to use all or a portion of the District Allocation to issue and sell a portion of its Bonds pursuant to the Tax Credit Program if it is determined by an Authorized District Representative (as defined below) to be in the best interest of the District; and

WHEREAS, the State Administrator may deem it necessary and desirable to issue a portion of the Bonds as tax credit or tax subsidy "Build America Bonds" under the Recovery Act if an Authorized District Representative (as defined below) determines that it will be in the best interest of the District; and

WHEREAS, the State Administrator recognizes that KNN Public Finance has been engaged to act as financial advisor (the "Financial Advisor") to the District and Orrick, Herrington & Sutcliffe LLP has been engaged as bond counsel ("Bond Counsel") and disclosure counsel ("Disclosure Counsel") to the District with respect to said bonds; and

WHEREAS, the State Administrator further deems it necessary and desirable to authorize the sale of said bonds by a negotiated sale to J.P. Morgan Securities, Inc., as senior manager and representative of its co-managers (collectively, the "Underwriter") pursuant to one or more Bond Purchase Contracts (each, a "Bond Purchase Contract"), and pursuant to Section 15146 of the Education Code, has found and determined the following reasons therefor: (1) provide more flexibility in the timing of the sale of the Bonds, (2) provide more flexibility in the debt structure; (3) allow the District to work with participants familiar with the District; and (4) increase the opportunity to pre-market the Bonds for sale to local residents and other investors; and

WHEREAS, in accordance with Section 15146 of the Education Code, estimates of the costs associated with the issuance of said bonds are attached hereto as Appendix A; and

WHEREAS, there have been submitted and are on file with the Secretary of the Board of Education and State Administrator one or more proposed forms of Bond Purchase Contracts, Paying Agent Agreements, and Disclosure Dissemination Agent Agreements, all with respect to not to exceed \$185,000,000 aggregate principal amount of Oakland Unified School

District 2009 General Obligation Bonds, Election of 2006, Series __, with appropriate series designation, proposed to be sold;

NOW, THEREFORE, THE STATE ADMINISTRATOR OF OAKLAND UNIFIED SCHOOL DISTRICT DOES HEREBY FIND, RESOLVE, DETERMINE AND ORDER, AS FOLLOWS:

Section 1. Recitals: All of the above recitals are true and correct.

Section 2. Request for Sale of Bonds; County Resolution and Paying Agent Agreement: The Board of Supervisors of the County (the "Board of Supervisors") is hereby requested, pursuant to Section 15140 and following of the Education Code of the State of California, to sell not later than December 31, 2009, by negotiated sale to the Underwriter, not to exceed \$185,000,000 aggregate principal amount of bonds of the Oakland Unified School District, in one or more series, and to designate said bonds as the "Oakland Unified School District 2009 General Obligation Bonds, Election of 2006, Series __," with appropriate series designation (herein called the "Bonds"). With respect to such necessary or desirable terms as are not finally determined by the County Resolution, the Board of Supervisors is hereby requested to provide for such terms to be finally determined and set forth in one or more purchase contracts approved in Sections 5 and 6 hereof upon consultation with the State Administrator, the Superintendent or the Chief Financial Officer of the District or such other officer of the District designated for the purpose (each an "Authorized District Representative").

The Current Interest Bonds, Capital Appreciation Bonds, Convertible Capital Appreciation Bonds and Qualified School Construction Bonds may mature in the same year or years as any other Current Interest Bonds, Capital Appreciation Bonds, Convertible Capital Appreciation Bonds, or Qualified School Construction Bonds. The aggregate principal amount

of the Bonds issued as Current Interest Bonds, Capital Appreciation Bonds, Convertible Capital Appreciation Bonds and Qualified School Construction Bonds shall not exceed \$185,000,000.

(d) Interest Payment. (i) The Current Interest Bonds shall bear interest at an interest rate not to exceed 12.00% per annum, computed on the basis of a 360-day year of twelve (12) 30-day months, first payable on February 1, 2010, and semiannually thereafter on February 1 and August 1 in each year (or on such other initial and semiannual interest payment dates as shall be set forth in the related Bond Purchase Contract).

(ii) The Capital Appreciation Bonds shall not bear current interest; each Capital Appreciation Bond shall increase in value by the accumulation of earned interest from its initial principal (denominational) amount on the date of issuance thereof to its stated maturity value at maturity thereof, at a compounded interest rate which shall not exceed 12.00% per annum, assuming in any semiannual period that the value increases in equal daily amounts on the basis of a 360-day year of twelve (12) 30-day months. The interest on the Capital Appreciation Bonds shall be compounded commencing on February 1, 2010, and semiannually thereafter on February 1 and August 1 in each year (or on such other initial and semiannual interest compounding dates as shall be set forth in the related Bond Purchase Contract), and shall be payable only upon maturity or prior redemption thereof.

(iii) The Convertible Capital Appreciation Bonds, prior to their respective Conversion Dates, shall not bear current interest; each Convertible Capital Appreciation Bond shall accrete in value from its initial principal (denominational) amount on the date of issuance thereof to its stated value at the Conversion Date thereof, at a compounded interest rate which shall not exceed 12.00% per annum, computed on a 360-day year of twelve (12) 30-day months, such interest to be compounded commencing on February 1, 2010, and semiannually thereafter on February 1 and August 1 in each year prior to the respective Conversion Dates (or on such other initial and semiannual interest dates as shall be set forth in the Bond Purchase Contract). From and after the respective Conversion Date of a Convertible Capital Appreciation Bond, such Convertible Capital Appreciation Bonds shall bear current interest on the accreted value thereof at an interest rate not to exceed 12.00% per annum, computed on the basis of a 360-day year of twelve (12) 30-day months, payable commencing on the February 1 or August 1 following its Conversion Date, and thereafter on February 1 and August 1 in each year (or on such other initial and semiannual interest payment dates as shall be set forth in the related Bond Purchase Contract).

(iv) The Qualified School Construction Bonds shall bear interest as provided in the Qualified School Construction Bonds Paying Agent Agreement. Each Qualified School Construction Bond Owner may be eligible to receive tax credits in accordance with the qualified school construction tax credit bond program under Section 54F of the Code.

(e) Obligation. The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of property taxes in each year sufficient to pay all principal and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The District hereby requests the Board of Supervisors to annually levy a tax upon all taxable property in the District sufficient to redeem the Bonds, and to pay the principal, redemption premium, if any, and interest thereon as and when the same

become due. To the extent that the Qualified School Construction Bonds are issued with a schedule of mandatory sinking fund set-aside payments, as permitted under the Tax Credit Program, the District also hereby requests the Board of Supervisors to levy a tax upon all taxable property in the District sufficient to satisfy such sinking fund set-aside obligations for the Qualified School Construction Bonds.

Section 4. Redemption and Defeasance Provisions: The Bonds shall be subject to redemption prior to their respective stated maturity dates at the option of the District as set forth in the Bond Purchase Contract or the Qualified School Construction Bonds Paying Agent Agreement and in the Bonds. The Bonds shall also be subject to mandatory sinking fund redemption, as specified in the Bond Purchase Contract or the Qualified School Construction Bonds Paying Agent Agreement and in the Bonds. The Bond Purchase Contract or the Qualified School Construction Bonds may provide that the Bonds shall not be subject to optional or mandatory sinking fund redemption, and may provide separate and distinct redemption provisions for the Current Interest Bonds, Capital Appreciation Bonds, Convertible Capital Appreciation Bonds and Qualified School Construction Bonds. The Bonds shall also be subject to defeasance in the manner provided in the resolution of the County authorizing issuance of the Bonds or as set forth in the Bond Purchase Contract or the Qualified School Construction Bonds Paying Agent Agreement.

Section 5. Bond Purchase Contract; Sale of Bonds. The Bond Purchase Contract for the Bonds, in substantially the form submitted to the Secretary of the Board of Education and State Administrator, is hereby approved, and any District Authorized Representative is hereby authorized and directed on behalf of the District to execute and approve the Bond Purchase Contract providing for the sale by the Board of Supervisors of the County and the purchase by the Underwriter of the Bonds at a purchase price to be set forth therein; provided, that (i) said purchase price shall not be less than 100% of the principal amount of the Bonds (taking into account the purchase price and principal amount of any Bonds sold on the same date pursuant to any other Bond Purchase Contract); (ii) the true interest cost for the Bonds shall not be in excess of 8.0% per annum (taking into account the true interest cost of any Bonds sold on the same date pursuant to any other Bond Purchase Contract); (iii) the maximum interest rate on the Current Interest Bonds, the Qualified School Construction Bonds and, after the Conversion Date, the Convertible Capital Appreciation Bonds, shall not be in excess of 12.00% per annum; (iv) the effective compounded rate of interest on each Capital Appreciation Bond and, before the Conversion Date, each Convertible Capital Appreciation Bond, shall not exceed 12.00% per annum; (v) the Underwriter's discount shall not exceed 1.25% of the aggregate principal amount of the Bonds sold thereunder (excluding any costs of issuance the Underwriter agrees to pay pursuant to the respective Bond Purchase Contract); and (vi) the Bonds shall otherwise conform to the limitations specified herein; and provided further, that such execution and approval shall constitute conclusive evidence of the approval by the State Administrator and the District of any changes or revisions therein from the form of Bond Purchase Contract submitted herewith. The Authorized District Representative is hereby authorized and directed to execute and deliver one or more Bond Purchase Contracts relative to one or more series of Bonds, as necessary, including for the sale of Qualified School Construction Bonds if such Authorized District Representative determines that the sale of such bonds is in the best interests of the District; provided that, any such Bond Purchase Contract so executed and delivered shall conform to the limitations provided in this Section 5. The Board of Supervisors of the County is

hereby requested to cause the Bond Purchase Contract to be executed and delivered on behalf of the County, subject to such changes or revisions therein as may be acceptable to the State Administrator and the District officer executing the same and to the Board of Supervisors of the County.

Section 6. Qualified School Construction Bonds Paying Agent Agreement.

The Qualified School Construction Bonds Paying Agent Agreement providing for the issuance of the Qualified School Construction Bonds, in substantially the form submitted to the Secretary of the Board of Education and State Administrator, is hereby approved with such changes, additions and corrections as the State Administrator and any Authorized District Representative may hereafter approve. The State Administrator or any Authorized District Representative is hereby authorized to execute and deliver the Qualified School Construction Bonds Paying Agent Agreement in its final form, and such execution shall constitute conclusive evidence of the approval of the Qualified School Construction Bonds Paying Agent Agreement by the State Administrator and the Board of Education of the District. Pursuant to Section 5922 of the Government Code of California (the "Government Code"), the State Administrator hereby finds and determines that the Qualified School Construction Bonds Paying Agent Agreement will result in a reduction in the amount or duration of payment and lower the cost of borrowing when used in combination with the Qualified School Construction Bonds. The Board of Supervisors of the County is hereby requested to cause the Qualified School Construction Bonds Paying Agent Agreement to be executed and delivered on behalf of the County, subject to such changes or revisions therein as may be acceptable to the State Administrator and the District officer executing the same and to the Board of Supervisors of the County.

Section 7. Investment of Funds. The proceeds of sale of the Bonds, exclusive of any premium and accrued interest received, shall be deposited in the County treasury to the credit of the building fund of the District. Any net premium and accrued interest received by the District shall be deposited upon receipt in the interest and sinking fund of the District within the County treasury.

All funds held by the Treasurer-Tax Collector of the County (the "County Treasurer") hereunder shall be invested by the County Treasurer in the County Investment Pool, the Local Agency Investment Fund, any investment authorized pursuant to Sections 53601 and 53635 of the Government Code, or in the sole discretion of the District, in investment agreements, including guaranteed investment contracts, float contracts or other investment products (hereinafter collectively referred to as "Investment Agreements"); provided that such agreements comply with the requirements of Section 148 of the Code, and with the requirements of each rating agency then rating the Bonds necessary in order to maintain the then-current rating on the Bonds. The County Treasurer shall assume no responsibility in the reporting, reconciling or monitoring in the investment of proceeds related to the Bonds.

The Authorized District Officer shall request the County Treasurer, subject to his fiduciary responsibilities, to invest funds held in the interest and sinking fund of the District and in the building fund of the District in specific investments (the "Investment Agreements"), so as to effectively coordinate the investments to the construction program of the District and the debt service payments on the Bonds. Pursuant to Section 5922 of the Government Code, this Board of Education hereby finds and determines that the Investment Agreements will reduce the

amount and duration of interest rate risk with respect to amounts invested pursuant to the Investment Agreements and are designed to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the Bonds or enhance the relationship between risk and return with respect to investments of proceeds of the Bonds and funds held to pay the Bonds.

Section 8. Tax Covenants:

(a) Current Interest Bonds, Capital Appreciation Bonds and Convertible Capital Appreciation Bonds. The Current Interest Bonds, the Capital Appreciation Bonds and the Convertible Capital Appreciation Bonds (the "Tax-Exempt Bonds") shall be issued as tax-exempt bonds under Section 103 of the Code.

(i) General. The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Tax-Exempt Bonds under Section 103 of the Internal Revenue Code of 1986 (the "Code"). Without limiting the generality of the foregoing, the District hereby covenants that it will execute and deliver and comply with the requirements of the Tax Certificate of the District with respect to the Tax-Exempt Bonds (the "Tax Certificate"), to be executed and delivered by the District on the date of issuance of the Tax-Exempt Bonds. The provisions of this subsection (a) shall survive payment in full or defeasance of the Tax-Exempt Bonds.

(ii) Yield Restriction. In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any moneys held by the County Treasurer on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the County Treasurer in writing, and the District shall make its best efforts to ensure that the County Treasurer shall take such action as may be necessary in accordance with such instructions.

(iii) Reliance on Opinion of Bond Counsel. Notwithstanding any provision of this Section, if the District shall provide to the County Treasurer an opinion of counsel of nationally recognized standing in the field of law relating to municipal bonds (an "Opinion of Bond Counsel") that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on the Tax-Exempt Bonds, the County Treasurer may conclusively rely on such Opinion of Bond Counsel in complying with the requirements of this Section and of the Tax Certificate, and the covenants hereunder shall be deemed to be modified to that extent.

(b) Qualified School Construction Bonds. (i) The District shall not take any action or inaction, or fail to take any action, or permit any action to be taken on its behalf or cause or permit any circumstances within its control to arise or continue, if such action or inaction would cause the Bonds to not be Qualified School Construction Bonds under Section 54A of the Code. Without limiting the generality of the foregoing, the District shall comply with the instructions and requirements of the Tax Certificate related to the Qualified School Construction Bonds. This covenant shall survive payment in full or defeasance of the Bonds.

(ii) In the event that at any time the District is of the opinion that for purposes of this subsection (b) it is necessary or helpful to restrict or limit the yield on the investment of any moneys held by the County under the County Resolution, or held by the Paying Agent under the Qualified School Construction Bonds Paying Agent Agreement, the District shall so instruct the County or the Paying Agent for the Qualified School Construction Bonds, as applicable, in writing, and the County and such Paying Agent shall take such action as may be necessary in accordance with such instructions.

(iii) Notwithstanding any provisions of this subsection (b), if the District shall provide to the Paying Agent for the Qualified School Construction Bonds an opinion of Bond Counsel that any specified action required under this subsection (b) is no longer required or that some further or different action is required in order for the Bonds to be Qualified School Construction Bonds under Section 54A of the Code, such Paying Agent may conclusively rely on such opinion in complying with the requirements of this subsection (b), and the covenants hereunder shall be deemed to be modified to that extent.

(c) Build America Bonds. (i) Notwithstanding any other provision of this Section 8, any portion of the Bonds may be sold as bearing interest that is taxable to the beneficial owner under the Code, including in the form of tax credit or tax subsidy "Build America Bonds", and to make provision in a paying agent agreement to be entered into among the District, the County and U.S. Bank National Association, as paying agent (the "Build America Bonds Paying Agent Agreement"), for the sale and issuance thereof as may be necessary to ensure that such Bonds may be sold and shall comply with the requirements of the Code. The Build America Bonds Paying Agent Agreement in the form submitted to the State Administrator is hereby approved with such changes, additions and corrections as the State Administrator and any Authorized District Representative may hereafter approve. The State Administrator or any Authorized District Representative is hereby authorized to execute and deliver the Build America Bonds Paying Agent Agreement in its final form, and such execution shall constitute conclusive evidence of the approval of the Build America Bonds Paying Agent Agreement by the State Administrator and the Board of Education of the District. Pursuant to Section 5922 of the Government Code, the State Administrator hereby finds and determines that the Build America Bonds Paying Agent Agreement will result in a reduction in the amount or duration of payment and lower the cost of borrowing when used in combination with the Build America Bonds.

(ii) In the case that any portion of the Bonds is sold as Build America Bonds, the District shall deliver a Tax Certificate regarding such Bonds containing necessary and appropriate representations and covenants as Bond Counsel shall require regarding compliance with the Code applicable to such Build America Bonds.

(iii) Pursuant to Section 5903 of the Government Code of the State, and notwithstanding any provisions of Sections 3 and 5 hereof to the contrary, any Bonds bearing taxable interest may, but need not, be offered by a separate official statement, sold in a separate series and pursuant to a separate paying agent agreement and bond purchase contract, and issued in such denominations, at such interest rates, maturing in such year or years (regardless of the maturity in the same year as any Bonds bearing tax-exempt interest issued hereunder), and with such payment and early redemption provisions as set forth in the Build America Bonds Paying

Agent Agreement, as the State Administrator and the County Treasurer shall determine is in the best interests of the District to achieve the desired overall tax rate basis and net interest cost for the Bonds, and such terms of sale, issuance, payment and redemption may be different from any Bonds issued hereunder bearing tax-exempt interest.

Section 9. Continuing Disclosure: The Authorized District Representative, or the designee thereof, is hereby authorized on behalf of the District to enter into that certain Disclosure Dissemination Agent Agreement, by and between the District and Digital Assurance Certification, L.L.C. (the “Continuing Disclosure Agreement”) in substantially the form included as an Appendix to the Official Statement to be submitted to State Administrator, with such changes thereto as deemed necessary in order to permit the Underwriters to comply with the requirements of Securities and Exchange Commission Rule 15c2-12. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of such Continuing Disclosure Agreement.

Section 10. Bond Insurance. The CFO or the Controller is hereby authorized to solicit proposals from municipal bond insurers, and, if such officer determines it is in the best interest of the District, to arrange for the issuance of a policy of municipal bond insurance for one or more maturities of the Bonds and to execute and deliver an insurance commitment and all other documents necessary in connection therewith.

Section 11. Approval of Actions: The State Administrator, the Superintendent of the District, the Chief Financial Officer, the Secretary of the Board of Education and State Administrator (each a “District Authorized Representative”), and any other officer of the District to whom authority is delegated by one of the named officers for the purposes of the Bonds, are hereby authorized and directed to execute and deliver any and all agreements, certificates and representations, including paying agent agreements, signature certificates, no-litigation certificates, certificates concerning the contents of one or more official statements relating to the Bonds, representation letters to The Depository Trust Company, the Tax Certificate and any other certificates or agreements proposed to be executed and delivered in connection with the sale of the Bonds, investment of the proceeds or compliance with the Tax Credit Program and the Recovery Act, as applicable, and to enter into any agreements, including depository agreements, commitment letters and agreements with bond insurers, investment agreements for proceeds of the Bonds, and any other agreements, letters, or representations, which any of them deem necessary or desirable to accomplish the transactions authorized herein.

Section 12. Notice to California Debt and Investment Advisory Commission: Orrick, Herrington & Sutcliffe LLP, bond counsel to the District, on behalf of this Board of Education is hereby authorized and directed to cause notices of the proposed sale and final sale of the Bonds to be filed in a timely manner with the California Debt and Investment Advisory Commission pursuant to Section 8855 of the Government Code.

Section 13. Filing with Board of Supervisors: The Secretary of the Board of Education and State Administrator is hereby authorized and directed to file a certified copy of this Resolution upon the adoption hereof with the Clerk of the Board of Supervisors.
