

East Oakland Leadership Academy

Overview

East Oakland Leadership Academy has served the Seminary Point Community of East Oakland for 14 years providing quality education children in grades K-8. Our fundamental belief is that all children can learn and that Failure is Not an Option. We strive to fulfill our beliefs by providing a safe environment where children can learn and progress academically and socially. We integrate Visual Performing and Martial Arts in our curriculum giving our students the opportunity to demonstrate their aptitude in a variety of ways so that diverse learning styles needs are met. Our school is located in District 6. In spring 2016 our enrollment consisted of 27% EL and 96% socioeconomically disadvantaged families. Some of the ways we serve students and the community includes free tutoring, Culture Days, Community Clean Up Days, Public Exhibitions, and with Community Partners.

Greatest Needs

There was one grade in particular that did not perform as well as the other grades in ELA, but especially in Math. Our goal this year is to use our resource math teacher to work with smaller groups according to need, to increase proficiency in the areas of need. Our students performed 18 points below Level 3 in ELA and 36 points below Level 3 in Math. This indicates that while we have to focus on ELA we need to focus twice as much in Math. We will utilize the Math and ELA aides and volunteer to work with individuals and groups in the areas of need. We will also focus on the areas of need during tutoring.

Greatest Progress

East Oakland Leadership Academy is proud of our performance review in many areas. We would like to mention a few including local-self-assessment tools, stakeholders, and support for students. Our parent engagement increased significantly through reorganization and monthly meetings. Our EPO Parent Group facilitated and supported several events including Culture Day, Concordia Park Clean-up Day, Movie Night, and an Art Auction. This year we hired a part time reading specialist for K-3 who provided extra small group support. For additional support we hired a part time aide and volunteer for reading and math
