INTEREST  
CODE  
(Effective February 24, 2016)

REVISED APRIL 13, 2016

## FILING OFFICER

The Conflict of Interest Code Filing Officer for all matters dealing with this Code is Edgar Rakestraw, Executive Assistant, Board of Education, Oakland Unified School District, 1000 Broadway, Suite 680, Oakland, CA 94607 or successor.

## INTRODUCTION

The Oakland Unified School District adopted a Conflict of Interest Code on or about August 28, 1991, pursuant to the requirements of the Political Reform Act of 1974 as amended. (Gov. Code, § 81000 et seq.) In the interest of keeping the Code current with amendments to the Act and to regulations as they occur, the Fair Political Practices Commission has adopted a standard Conflict of Interest Code. This standard Code follows.

## OAKLAND UNIFIED SCHOOL DISTRICT CONFLICT OF INTEREST CODE

The Political Reform Act of 1974 as amended, Government Code sections 81000 et seq. requires state and local government agencies to adopt and promulgate Conflict of Interest Codes. The Fair Political Practices Commission has adopted a regulation, Title 2, California Code of Regulations, section 18730, which contains the terms of a standard Conflict of Interest Code, which can be incorporated by reference, and which may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act of 1974 after public notice and hearings. Therefore, the terms of Title 2, California Code of Regulations, section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission, along with the attached Appendix in which officials and employees are designated and disclosure categories are set forth, are hereby incorporated by reference and constitute the Conflict of Interest Code of the Oakland Unified School District ("District").

Pursuant to section 4 of the standard Code, designated employees shall file Statements of Economic Interests (Form 700) with the District who will make the statements available for public inspection and reproduction. (Gov. Code, § 81008.)

## REGULATIONS OF THE FAIR POLITICAL PRACTICES COMMISSION

(Title 2, Division 6 of the California Code of Regulations)

Section 18730 Provisions of Conflict of Interest Codes (Gov. Code, §§ 87300, 87302, 89501, 89502 and 89503)

## CONFLICT OF INTEREST CODE

Incorporation by reference of the terms of this regulation along with the designation of employees and the formulation of disclosure categories in the Appendix referred to below constitute the adoption and promulgation of a Conflict of Interest Code within the meaning of Government Code section 87300 or the amendment of a Conflict of Interest Code within the meaning of Government Code section 87306 if the terms of this regulation are substituted for terms of a Conflict of Interest Code already in effect. A Code so amended or adopted and promulgated requires the reporting of reportable items in a manner substantially equivalent to the requirements of Article 2 of Chapter 7 of the Political Reform Act of 1974 as amended, Government Code sections 81000, et seq. The requirements of a Conflict of Interest Code are in addition to other requirements of the Political Reform Act of 1974 as amended, such as the general prohibition against conflicts of interest contained in Government Code section 87100, and to other state or local laws pertaining to conflicts of interest.

## TERMS OF CONFLICT OF INTEREST CODE

The terms of a Conflict of Interest Code amended or adopted and promulgated pursuant to this regulation are as follows:

### (1) SECTION 1. DEFINITIONS.

The definitions contained in the Political Reform Act of 1974 as amended, regulations of the Fair Political Practices Commission (2 Cal. Code of Regs., §§ 18100, et seq.), and any amendments to the Act or regulations, are incorporated by reference into this Conflict of Interest Code.

### (2) SECTION 2. DESIGNATED EMPLOYEES.

The persons holding positions listed in the Appendix are designated employees. It has been determined that these persons make or participate in the making of decisions which may foreseeably have a material affect on economic interests.

### (3) SECTION 3. DISCLOSURE CATEGORIES.

This Code does not establish any disclosure obligation for those designated employees who are also specified in Government Code section 87200 if they are designated in this Code in that same capacity or if the geographical jurisdiction of this agency is the same as or is wholly included within the jurisdiction in which those persons must report their financial interests pursuant to Article 2 of Chapter 7 of the Political Reform Act of 1974 as amended, Government Code sections 87200, et seq.

In addition, this Code does not establish any disclosure obligation for any designated employees who are designated in a Conflict of Interest Code for another agency, if all of the following apply:

- (A) The geographical jurisdiction of this agency is the same as or is wholly included within the jurisdiction of the other agency;
- (B) The disclosure assigned in the Code of the other agency is the same as that required under article 2 of chapter 7 of the Political Reform Act of 1974 as amended, Government Code section 87200; and
- (C) The filing officer is the same for both agencies. <sup>1</sup>

Such persons are covered by this Code for disqualification purposes only. With respect to all other designated employees, the disclosure categories set forth in the Appendix specify which kinds of financial interests are reportable. Such a designated employee shall disclose in his or her Statement of Economic Interests those financial interests he or she has which are of the kind described in the disclosure categories to which he or she is assigned in the Appendix. It has been determined that the financial interests set forth in a designated employee's disclosure categories are the kinds of financial interests which he or she foreseeably can affect materially through the conduct of his or her office.

---

<sup>1</sup> Designated employees who are required to file Statements of Economic Interests under any other agency's Conflict of Interest Code, or under article 2 for a different jurisdiction, may expand their Statement of Economic Interests to cover reportable interests in both jurisdictions, and file copies of this expanded Statement with both entities in lieu of filing separate and distinct Statements, provided that each copy of such expanded Statement filed in place of an original is signed and verified by the designated employee as if it were an original. See Government Code section 81004.

(4) SECTION 4. STATEMENTS OF ECONOMIC INTERESTS: PLACE OF FILING.

Thereafter, each person already in a position when it is designated by an amendment to this Code shall file an Initial Statement within 30 days after the effective date of the amendment.

(B) Assuming Office Statements. All persons assuming designated positions after the effective date of this code shall file statements within 30 days after assuming the designated positions, or if subject to State Senate confirmation, 30 days after being nominated or appointed.

(D) Leaving Office Statements. All persons who leave designated positions shall file statements within 30 days after leaving office.

(5.5) SECTION 5.5. STATEMENTS FOR PERSONS WHO RESIGN PRIOR TO ASSUMING OFFICE. Such persons shall not file either an Assuming or Leaving Office Statement.

Any person who resigns a position within 30 days of the date of a notice from the filing officer shall do both of the following:

(A) File a written resignation with the appointing power; and

(B) File a written statement with the filing officer declaring under penalty of perjury that during the period between appointment and resignation he or she did not make, participate in the making, or use the position to influence any decision of the agency or receive, or become entitled to receive, any form of payment by virtue of being appointed to the position.

(6) SECTION 6. CONTENTS OF AND PERIOD COVERED BY STATEMENTS OF ECONOMIC INTERESTS.

(A) Contents of Initial Statements, Initial statements shall disclose any reportable investments, interests in real property and business positions held on the effective date of the Code and income received during the 12 months prior to the effective date of the Code.

---

<sup>2</sup> See Government Code section 81010 and Title 2, California Code of Regulations, section 18115 for the duties of filing officer and persons in agencies who make and retain copies of statements and forward the originals to the filing officer.

(C) Contents of Annual Statements. Annual statements shall disclose any reportable investments, interests in real property, income and business positions held or received during the previous calendar year provided, however, that the period covered by an employee's first Annual Statement shall begin on the effective date of the Code or the date of assuming office whichever is later.

(D) Contents of Leaving Office Statements. Leaving Office Statements shall disclose reportable investments, interests in real property, income and business positions held or received during the period between the closing date of the last statement filed and the date of leaving office.

(7) SECTION 7. MANNER OF REPORTING.

(A) Investments and Real Property Disclosure. When an investment or an interest in real property<sup>3</sup> is required to be reported<sup>4</sup> the statement shall contain the following:

(2) The name of the business entity in which each investment is held, and a general description of the business activity in which the business entity is engaged;

(3) The address or other precise location of the real property;

(4) A statement whether the fair market value of the investment or interest in real property equals or exceeds two thousand dollars (\$2,000), exceeds ten thousand dollars (\$10,000), exceeds one hundred thousand dollars (\$100,000), or exceeds one million dollars (\$1,000,000).

(B) Personal Income Disclosure. When personal income is required to be reported<sup>5</sup> the statement shall contain:

(3) A description of the consideration, if any, for which the income was received;

---

<sup>3</sup> For the purpose of disclosure only (not disqualification), an interest in real property does not include the principal residence of the filer.

<sup>4</sup> Investments and interests in real property which have a fair market value of less than \$2,000 are not investments and interests in real property within the meaning of the Political Reform Act. However, investments or interests in real property of an individual include those held by the individual's spouse and dependent children as well as a pro rata share of any investment or interest in real property of any business entity or trust in which the individual, spouse and dependent children own, in the aggregate, a direct, indirect or beneficial interest of 10 percent or greater.

<sup>5</sup> A designated employee's income includes his or her community property interest in the income of his or her spouse but does not include salary or reimbursement for expenses received from a state, local or federal government agency.

(1) The name, address, and a general description of the business activity of the business entity;

(2) The name of every person from whom the business entity received payments if the filer's pro rata share of gross receipts from such person was equal to or greater than ten thousand dollars (\$10,000).

(D) Business Position Disclosure. When business positions are required to be reported, a designated employee shall list the name and address of each business entity in which he or she is a director, officer, partner, trustee, employee, or in which he or she holds any position of management, a description of the business activity in which the business entity is engaged, and the designated employee's position with the business entity.

(E) Acquisition or Disposal During Reporting Period. In the case of an annual or Leaving Office Statement, if an investment or an interest in real property was partially or wholly acquired or disposed of during the period covered by the statement, the statement shall contain the date of acquisition or disposal.

#### (8) SECTION 8. PROHIBITION ON RECEIPT OF HONORARIA.

(A) No member of a state board or commission, and no designated employee of a state or local government agency, shall accept any honorarium from any source, if the member or employee would be required to report the receipt of income or gifts from that source on his or her statement of economic interests. This section shall not apply to any part-time member of the governing board of any public institution of higher education, unless the member is also an elected official.

#### (8.1) SECTION 8.1. PROHIBITION ON RECEIPT OF GIFTS IN EXCESS OF \$440.

---

<sup>6</sup> Income of a business entity is reportable if the direct, indirect or beneficial interest of the filer and the filer's spouse in the business entity aggregates a 10 percent or greater interest. In addition, the disclosure of persons who are clients or customers of a business entity is required only if the clients or customers are within one of the disclosure categories of the filer.

(A) No member of a state board or commission, and no designated employee' of a state or local government agency, shall accept gifts with a total value of more than four hundred forty dollars (\$440) in a calendar year from any single source, if the member or employee would be required to report the receipt of income or gifts from that source on his or her statement of economic interests. This section shall not apply to any part-time member of the governing board of any public institution of higher education, unless the member is also an elected official.

(A) No elected officer of a state or local government agency shall, from the date of his or her election to office through the date that he or she vacates office, receive a personal loan from any officer, employee, member, or consultant of the state or local government agency in which the elected officer holds office or over which the elected officer's agency has direction and control.

(B) No public official who is exempt from the state civil service system pursuant to subdivisions (c), (d), (e), (f), and (g) of section 4 of Article VII of the Constitution shall, while he or she holds office, receive a personal loan from any officer, employee, member, or consultant of the state or local government agency in which the public official holds office or over which the public official's agency has direction and control. This subdivision shall not apply to loans made by banks or other financial institutions or to any indebtedness created as part of a retail installment or credit card transaction, if the loan is made or the indebtedness created in the lender's regular course of business on terms available to members of the public without regard to the elected officer's official status.

(D) No public official who is exempt from the state civil service system pursuant to subdivisions (c), (d), (e), (f), and (g) of section 4 of Article VII of the Constitution, shall, while he or she holds office, receive a personal loan from any person who has a contract with the state or local government agency to which that elected officer has been elected or over which that elected officer's agency has direction and control. This subdivision shall not apply to loans made by banks or other financial institutions or to any indebtedness created as part of a retail installment or credit card transaction, if the loan is made or the indebtedness created in the lender's regular course of business on terms available to members of the public without regard to the elected officer's official status. This subdivision shall not apply to loans made to a public official whose duties are solely secretarial, clerical, or manual.

(B) This section shall not apply to the following types of loans:

(1) Loans made to the campaign committee of the elected officer.

(2) Loans made to the elected officer by his or her spouse, child, parent, grandparent, grandchild, brother, sister, parent-in-law, brother-in-law, sister-in-law, nephew, niece, aunt, uncle, or first cousin, or the spouse of any such person, provided that the person making the loan is not acting as an agent or intermediary for any person not otherwise exempted under this section.

(3) Loans made, or offered in writing, before January 1, 1998.

(C) Nothing in this section shall exempt any person from any other provision of Title 9 of the Government Code.

b. The date the last payment of one hundred dollars (\$100) or more was made on the loan.

(1) A loan made to the campaign committee of an elected officer or a candidate for elective office.

(2) A loan that would otherwise not be a gift as defined in this title.

(3) A loan that would otherwise be a gift as set forth under subdivision (A), but on which the creditor has taken reasonable action to collect the balance due.

(4) A loan that would otherwise be a gift as set forth under subdivision (A), but on which the creditor, based on reasonable business considerations, has not undertaken collection action. Except in a criminal action, a creditor who claims that a loan is not a gift on the basis of this paragraph has the burden of proving that the decision for not taking collection action was based on reasonable business considerations.

(5) A loan made to a debtor who has filed for bankruptcy and the loan is ultimately discharged in bankruptcy.

(C) Nothing in this section shall exempt any person from any other provisions of Title 9 of the Government Code.

#### (9) SECTION 9. DISQUALIFICATION.

No designated employee shall make, participate in making, or in any way attempt to use his or her official position to influence the making of any governmental decision which he or she knows or has reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, on the official or a member of his or her immediate family or on:

(A) Any business entity in which the designated employee has a direct or indirect investment worth two thousand dollars (\$2,000) or more;

(B) Any real property in which the designated employee has a direct or indirect interest worth two thousand dollars (\$2,000) or more;

(C) Any source of income, other than gifts and other than loans by a commercial lending institution in the regular course of business on terms available to the public without regard to official status, aggregating five hundred dollars (\$500) or more in value provided to, received by or promised to the designated employee within 12 months prior to the time when the decision is made;

(D) Any business entity in which the designated employee is a director, officer, partner, trustee, employee, or holds any position of management; or

#### (9.3) SECTION 9.3. LEGALLY REQUIRED PARTICIPATION.

No designated employee shall be prevented from making or participating in the making of any decision to the extent his or her participation is legally required for the decision to be made. The fact that the vote of a designated employee who is on a voting body is needed to break a tie does not make his or her participation legally required for purposes of this section.

#### (9.5) SECTION 9.5. DISQUALIFICATION OF STATE OFFICERS AND EMPLOYEES,

In addition to the general disqualification provisions of section 9, no state administrative official shall make, participate in making, or use his or her official position to influence any governmental decision directly relating to any contract where the state administrative official knows or has reason to know that any party to the contract is a person with whom the state administrative official, or any member of his or her immediate family has, within 12 months prior to the time when the official action is to be taken:

(10) SECTION 10. DISCLOSURE OF DISQUALIFYING INTEREST.

When a designated employee determines that he or she should not make a governmental decision because he or she has a disqualifying interest in it, the determination not to act may be accompanied by disclosure of the disqualifying interest.

(11) SECTION 11. ASSISTANCE OF THE COMMISSION AND COUNSEL.

Any designated employee who is unsure of his or her duties under this Code may request assistance from the Fair Political Practices Commission pursuant to Government Code section 83114 or from the attorney for his or her agency, provided that nothing in this section requires the attorney for the agency to issue any formal or informal opinion. (12) SECTION 12. VIOLATIONS.

This Code has the force and effect of law. Designated employees violating any provision of this Code are subject to the administrative, criminal and civil sanctions provided in the Political Reform Act of 1974 as amended, Government Code sections 81000-91014. In addition, a decision in relation to which a violation of the disqualification provisions of this Code or of Government Code section 87100 or 87450 has occurred may be set aside as void pursuant to Government Code section 91003.

**Leaving Office Statement-** The document filed with the Filing Officer by a designated official after he or she leaves office.

**Legally Required** -California Code of Regulations, title 2, section 18708 defines "legally required participation" as follows:

(a) A public official is not legally required to make or participate in the making of a governmental decision within the meaning of Government Code section 87101 unless there exists no alternative source of decision consistent with the purposes and terms of the statute authorizing the decision.

(b) Whenever a public official who has a financial interest in a decision is legally required to make or to participate in making such a decision, he or she shall state the existence of the potential conflict as follows:

(1) The public official shall disclose the existence of the conflict and describe with particularity the nature of the economic interest. "Particularity" as used in this regulation shall be satisfied if the official discloses;

(A) Whether the conflict involves an investment, business position, interest in real property, or the receipt of income, loans or gifts;

(B) If the interest is an investment, the name of the business entity in which each investment is held; if the interest is a business position, a general description of the business activity in which the business entity is engaged; if the interest is real property, the address or another indication of the location of the property, unless the property is the official's principal or personal residence, in which case the official shall disclose this fact. For income, loans or gifts, the official shall disclose the person or entity that is the source.

(2) The public official or another officer or employee of the agency shall give a summary description of the circumstances under which he or she believes the conflict may arise.

(3) Either the public official or another officer or employee of the agency shall disclose the legal basis for concluding that there is no alternative source of decision.

(4) The disclosures required by this regulation shall be made in the following manner:

(A) If the governmental decision is made during an open session of a public meeting, the disclosures shall be made orally before the decision is made, by either the public official or by another officer or employee of the agency. The information contained in the disclosures shall be made part of the official public record either as a part of the minutes of the meeting or as a writing filed with the agency. The writing may be prepared by the public official and/or any officer or employee of the agency within 30 days after the meeting and shall be placed in a public file; or

(B) If the governmental decision is made during a closed session of a public meeting, the disclosures shall be made orally during the open session either before the body goes into closed session or immediately after the closed session. The information contained in the disclosures shall be made part of the official public record either as a part of the minutes of the meeting or as a writing filed with the agency. The writing may be prepared by the public official and/or any officer or employee of the agency within 30 days after the meeting and shall be placed in a public file; or

(C) If the government decision is made or participated in other than during the open or closed session of a public meeting, the disclosures shall be made in writing and made part of the official public record, either by the public official and/or by another officer or employee of the agency. The writing shall be filed with the public official's appointing authority or supervisor and shall be placed in a public file within 30 days after the public official makes or participates in the decision. Where the public official has no appointing authority or supervisor, the disclosure(s) shall be made in writing and filed with the agency official who maintains the records of the agency's statements of economic interests, or other designated office for the maintenance of such disclosures, within 30 days on the making of or participating in the decision.

(c) This regulation shall be construed narrowly, and shall:

(1) Not be construed to permit an official, who is otherwise disqualified under Government Code section 87100, to vote to break a tie.

(2) Not be construed to allow a member of any public agency, who is otherwise disqualified under Government Code section 87100, to vote if a quorum can be convened of other members of the agency who are not disqualified under Government Code section 87100, whether or not such other members are actually present at the time of the disqualification.

(3) Require participation by the smallest number of officials with a conflict that are "legally required" in order for the decision to be made. A random means of selection may be used to select only the number of officials needed. When an official is selected, he or she is selected for the duration of the proceedings in all related matters until his or her participation is no longer legally required, or the need for invoking the exception no longer exists.

(d) For purposes of this section, a "quorum" shall constitute the minimum number of members required to conduct business and when the vote of a supermajority is required to adopt an item, the "quorum" shall be that minimum number of members needed for that adoption.

Comment: Nothing in the provisions of subdivision (b)(4)(B) is intended to cause an agency or public official to reveal the confidences of a closed session contemplated by law.

For example, under the Brown Act (Gov. Code, §§ 54950, et. seq.) a city council may enter a closed session to discuss personnel matters and need not publicly disclose the name of the employee who is the subject of the meeting. (Gov. Code, § 54957.) This regulation does not require a city council person who is legally required to participate in that closed session to disclose that employee's name when the council member makes the report required by this regulation.

**Makes a Decision or Participates in the Making of a Decision** -California Code of Regulations, title 2, sections 18702 through 18702.4, in pertinent part, defines "makes a decision or participates in the making of a decision" as follows:

(a) A public official "makes a governmental decision," except as provided in California Code of Regulations, title 2, section 18702.4, when the official is acting within the authority of his or her office or position:

(1) Votes on a matter;

(2) Appoints a person;

(3) Obligates or commits his or her agency to any course of action;

(4) Enters into any contractual agreement on behalf of his or her agency;

(5) Determines not to act, within the meaning of subparagraphs (a)1, (a)2, (a)3, or (a)4 above, unless such determination is made because of his or her financial interest. When the determination not to act occurs because of the official's financial interest, the official's determination may be accompanied by an oral or written disclosure of the financial interest.

(b) A public official "participates in the making of a governmental decision" when, acting within the authority of his or her position, the official:

(1) Negotiates, without significant substantive review, with a governmental entity or private person regarding the decision;

(2) Advises or makes recommendations to the decision-maker, either directly or without significant intervening substantive review, by;

(A) Conducting research or making any investigation which requires the exercise of judgment on the part of the official and the purpose of which is to influence the decision; or

(B) Preparing or presenting any report, analysis or opinion, orally or in writing, which requires the exercise of judgment on the part of the official or designated employee and the purpose of which is to influence the decision.

(c) Making or participating in the making of a governmental decision shall not include:

(1) Actions of public officials which are solely ministerial, secretarial, manual or clerical;

(2) Appearances by a public official as a member of the general public before an agency in the course of its prescribed governmental function to represent himself or herself on matters related solely to his or her personal interests; or

(3) Actions by public officials relating to their compensation or the terms or conditions of their employment or contract.

Subsection (c) of title 2, California Code of Regulations section 18702.4 limits the definitions of "decision" and "governmental decision" as follows:

"Governmental decision" as used in Government Code section 87100 and "decision" as used in Government Code sections 87103 and 87302 does not include the following:

(a) Except as provided in subsection (b), neither disclosure of financial interests nor disqualification is required under Government Code sections 87100, 87302, or any Conflict of Interest Code, in connection with:

(1) Teaching decisions, including the selection by a teacher of books or other educational materials for use within his or her own school or institution, and other decisions incidental to teaching;

(2) Decisions made by a person who has teaching or research responsibilities at an institution of higher education to pursue personally a course of academic study or research, to apply for funds to finance such a project, to allocate financial and material resources for such academic study or research, and all decisions relating to the manner or methodology with which such study or research will be conducted. Provided, however, that the provisions of this subsection (2) shall not apply with respect to any decision made by the person in the exercise of institution- or campus-wide administrative responsibilities respecting the approval or review of any phase of academic research or study conducted at that institution or campus.

**Material Financial Effect-** To create a conflict of interest under the Act, the effect of an official's governmental decisions on the official's economic interests must be material. Initially the official must determine whether the economic interest is directly or indirectly involved in the decision. California Code of Regulations, title 2, section 18704 Determining Whether an

Economic Interest is Directly or Indirectly Involved in a Governmental Decision outlines the regulations that must be applied to make the determination. Title 2, California Code of Regulations section 18705 Standards for Determining Whether a Financial Effect on an Economic Interests is Material sets out a series of regulations which outline specific circumstances and monetary thresholds for determining when the effects of a decision are material. These regulations are complex and difficult to apply. The text of the regulations and assistance with their application are available from the Office of the General Counsel.

**Public Official** -Any administrator, member, officer, employee or consultant of the District. (Gov. Code, § 82048.)

**Other Public Officials Who Manage Public Investments-** Subsection (b)(1), title 2, California Code of Regulations section 18701, in pertinent part, defines "other public officials who manage public investments," as the term is used in Government Code section 87200, as follows:

(a) Members of boards and commissions, including pension and retirement boards and commissions, or of committees thereof, who exercise responsibility for the management of public investments;

(b) High-level officers and employees of public agencies who exercise primary responsibility for the management of public investments, such as chief or principal investment officers or chief financial managers. This category does not include officers and employees who work under the supervision of the chief or principal investment officers or the chief financial managers.

Note: Other relevant terms are defined in California Code of Regulations, title 2, section 18720(b) as follows:

(a) "Public investments" means the investment of public moneys in real estate, securities, or other economic interests for the production of revenue or other financial return.

(b) "Public moneys" means all money belonging to, received by, or held by, the state, or any city, county, town, district or public agency therein, or by an officer thereof acting in his or her capacity, and includes the proceeds of all bonds and other evidences of indebtedness, trust funds held by public pension and retirement systems, deferred compensation funds held for investment by public agencies, and public moneys held by a financial institution under a trust indenture to which a public agency is a party.

(c) "Management of public investments" means the following non-ministerial functions: directing the investment of public moneys; formulating or approving investment policies; approving or establishing guidelines for asset allocations; or approving investment transactions.

Note: Public officials coming within the definition of "other public officials who manage public investments" as set forth above are subject to the conflict-of-interest disclosure requirements of Article 2, Chapter 7 of the Political Reform Act (Gov. Code, § 87200) and are required to file a Form 700 Statement of Economic Interests. Public officials not covered by the definition may be subject to the conflict-of-interest disclosure requirements of Article 3, Chapter 7 of the Political Reform Act of 1974, as amended (Gov. Code, §§ 87300 and 87302) and are required to file a Form 700 Statement of Economic Interests, if their positions are designated in the Conflict of Interest Code of their agency.

For the purposes of disqualification, the five hundred dollars (\$500) or more must be received or promised within twelve (12) months prior to the time when the decision is made. For the purposes of reporting on a financial disclosure statement, the five hundred dollars (\$500) or more must have been received or promised during the preceding calendar year.

Source of income shall not include a former employer if (a) all income from the employer was received by or accrued to the designated official prior to the time he or she became a designated official; (b) the income was received in the normal course of the previous employment; and (c) there was no expectation by the designated official at the time he or she assumed office of renewed employment with the former employer.
