Information Needed	School or Department Response
How will this grant contribute to sustained student achievement or academic standards?	After school programs provide opportunities to expand student learning outside of the regular school day, and to reinforce and complement classroom learning. Programs provide academic and enrichment activities that are aligned with school and district goals, and support content standards. Programs provide opportunities to engage students in expanded learning opportunities that support college and career readiness goals, support students' social and emotional learning, and foster increased student and family connectedness to school that can support improved school day attendance. Physical activity, gardening, and nutrition education programming will support district goals for student health and wellness.
How will this grant be evaluated for impact upon student achievement? (Customized data design and technical support are provided at 1% of the grant award or at a negotiated fee for a community-based fiscal agent who is not including OUSD's indirect rate of 5.17% in the budget. The 1% or negotiated data fee will be charged according to an Agreement for Grant Administration Related Services payment schedule. This fee should be included in the grant's budget for evaluation.)	The After School Programs Office conducts an annual external evaluation of all ASES and 21 st Century after school programs in OUSD. Student attendance data, test scores, and grades, along with survey results from students, parents, teachers, and principals, will be collected and analyzed to determine the impact of after school programming on students' academic performance, social-emotional development, school attendance and school engagement. Formal site visits will be conducted to monitor program quality.
Does the grant require any resources from the school(s) or district? If so, describe.	Yes. This grant will be supported by the After School Programs Office and Family, Schools, and Community Partnerships Dept.
Are services being supported by an OUSD funded grant or by a contractor paid through an OUSD contract or MOU? (If yes, include the district's indirect rate of 5.0% for all OUSD site services in the grant's budget for administrative support, evaluation data, or indirect services.)	Yes. This grant will augment the school district's current ASES after school grants, and will expand after school services at 5 OUSD schools and 1 partnering charter school.
Will the proposed program take students out of the classroom for any portion of the school day? (OUSD reserves the right to limit service access to students during the school day to ensure academic attendance continuity.)	No
Who is the contact managing and assuring grant compliance? (Include contact's name, address, phone number, email address.)	Julia Ma After School Programs Office 746 Grand Avenue Oakland, CA 94610 (510) 273-1541 Julia.Ma@ousd.k12.ca.us
