SECTION 4: Program Model and Lead Agency Selection

For 2013-2014, my site will operate the following program model:

- ☒ **Traditional After School:** *voluntary program open to all students, with enrollment priorities targeting certain students*
☐ **Extended School Day:** *additional class periods added to the bell schedule during after school hours for students of a particular grade and/or all students of the school*
☒ **Blended/Hybrid:** *combination of some extended day and some traditional after school programming*

Description and Rationale for Selection of Lead Agency

Describe how the selected Lead Agency partner will support the school's plans for Full Service Community School development.

The BACR philosophy about after school programs extend far beyond keeping children safe. We believe in providing a nurturing and enjoyable environment where students can improve their academic and life skills. We believe in integrating the principles and practices of your development into all activities. Just as important, we see the schools, students and parents as our customers, and we believe it is our responsibility to understand and meet their needs.

This approach to after school program is consistent with the BACR mission of serving youth and families, fostering volunteerism and building community. As a large, diverse community agency, BACR has the organizational capacity and infrastructure to maintain a high quality while expanding our services.

SECTION 5: ATTENDANCE, PROGRAM DATES, AND PROGRAM SCHEDULE

In order to remain in compliance and meet minimum funding requirements, the after school program must commence immediately upon the conclusion of the regular day and operate at least until 6pm *on every regular school day* for elementary and middle schools. (EC 8483)

High school programs are required to operate a minimum of 15 hours per week.

Required # of Program Days your program will operate during School Year 2013-2014:	180 days required*
--	--------------------

Projected Daily Attendance during School Year 2013-2014:	83
--	----

Program Schedule

Submit program schedule as an attachment, using the standard program schedule template.

* CDE allows programs to close for a maximum of 3 of these days during the school year for professional development. Families must be notified of these program closure dates in advance, and the lead agency must maintain documentation of professional development activities offered on these dates.

1) Targeted Interventions 2) Skill-Building 3) Homework Support 4) Tutoring

Other possible supports may include computer lab, library exploration, project-based learning, coordination with SES tutoring.

SECTION 8: FAMILY ENGAGEMENT / FAMILY LITERACY

After school provides an excellent context to foster parent involvement, connect families to the larger school community, and share important information related to the after school and regular school day programs. After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21st Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development.

Type of Activity	CSSSP goal(s) or school need supported by activity	Brief Description	Measurable Outcome	Alignment with school day family engagement / family literacy efforts or resources
------------------	--	-------------------	--------------------	--

Family Celebrations/ Performances	<i>ESP will build the school's and parents' capacity for parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve academic achievement.</i>	At least twice a year parents can attend the ASP showcase to view their child's achievements. Students will showcase their work during these events.	80% to 90% of families will attend events. Attendance will be tracked with sign-in sheets for each event.	Staff, Students and Families from the ASP Program and regular school day will be invited to attend events. Schedules of events will be aligned with the regular school day calendar so as not to conflict with other events. Adequate availability of space and equipment will be provided for both the school and ASP Program events.
Family Reading Nights	<i>ESP will build the school's and parents' capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement.</i>	Families will attend/ participate in reading to students in order to promote the importance of Literacy.	80% to 90% of families will attend events. Measured attendance will be tracked with sign-in sheets for each event.	Staff, Students and Families from the ASP Program and regular school day will be invited to attend/participate in events.
Parent Orientation	<i>ESP/ASP will ensure information relating to the school and parents- programs, meetings, events and other activities- is sent to the parents of participating children in a language that parents can understand.</i>	Families will attend an orientation to learn more about the program, its offerings, and the guidelines for participation, including, but not limited to: program schedule, policies, and types of activities. Orientation will be provided in English and Spanish.	80% to 90% of families will attend events, orientation; and 50-60% will attend parent workshops.	Student and families will be notified of event with information and packets both English and Spanish.

SECTION 9: Chronic Absence Action Plan

Improving school day attendance for all students and reducing chronic absenteeism is one of the key OUSD strategic goals. The district goal is that all students will attend school at least 95% of the required school days or more, thereby achieving satisfactory attendance. Students who attend school 90% or less of required days are considered chronically absent. Students whose attendance falls in the "grey zone" between 90% - 95% are considered at risk of chronic absenteeism.

In partnership with the school day, after school programs can play an important role in supporting student attendance by doing things like celebrating good attendance, informing parents about the importance of attendance, uncovering what challenges students/families are facing that cause them to miss school, regularly monitoring student attendance data, contacting families to let them know their child was missed at school, etc., in addition to providing meaningful after school learning experiences that help keep students engaged and coming.

Below are several key strategies that after school programs can implement in partnership with the school day, in order to promote positive attendance, and support students and families who are struggling with attendance. Select **at least two** of the following strategies below, and identify specific action steps that your program will implement for each strategy.

Strategies to Support Attendance	Action Steps
a) Recruit and address the needs of students who are at risk of chronic absenteeism.	Talk with the principal, day teachers, and parents, to review absent data. Talk about family support with parents and refer them to appropriate resources when needed. Work with district, school, Success Office, and BACR to find services/resources.
b) Inform parents about the importance of attendance and encourage parents to help each other get their students to class.	Discuss the importance of attendance at family events, orientations, workshops, and family meetings. Refer parents to appropriate resources if needed.
c) Track students with poor program attendance and reach out to find out why and how attendance could be improved.	Work with Principal, MH team, COST team, and attendance clerk to better understand the cause of the absences and develop strategies.
d) Celebrate good attendance and/or offer meaningful incentives to attract and reward students for attending our program.	Recognize students and families for good attendance with awards and certificates.

SECTION 10: Transforming School Culture and Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

a) The following are paths that OUSD schools are taking to change discipline and transform school culture and climate. What strategy/strategies is your school utilizing to transform school culture and climate?

- ☐ PBIS (Positive Behavioral Interventions and Support)
- ☒ Restorative Justice
- ☐ Social and Emotional Learning
- ☒ Bullying Prevention

2013-14 After School Enrollment Policy for Esperanza Academy

OUSD has established district-wide guidelines for Target Population and Enrollment in ASES and 21st Century After School Programs. Within these guidelines, each school will create a site-specific After School Enrollment Policy that will be made public to the school community through the following methods:

- Enrollment policy will be included in After School Enrollment Packet and program materials.
- Enrollment policy will be discussed at after school parent orientation/meetings.
- Enrollment policy will be shared with school faculty.

Target Population: (Describe targeted student populations in order of priority. Specify data that will inform student selection.)

Target Population(s)	Specific Data to Inform Selection of Program Participants	(High School Only) Indicate if participation is <i>Optional</i> or <i>Mandatory</i> for each target population
Students in need of academic support and Intervention	Applications, school data, parent information, previous family knowledge.	
Students from socio-economically disadvantaged families/backgrounds	Applications, school data, parent information, previous family knowledge.	
English Language Learners	Applications, school data, parent information, previous family knowledge.	
Students with Chronic Absenteeism	School Data, attendance Records	
Students with siblings in the program	Applications, school data, parent information, previous family knowledge.	

Grade levels prioritized for programming: 1st – 5th

Note: The ASES and 21st CCLC grants require that programs are open to all students of the school, if space remains after outreach is done to targeted students. (For example, if program slots remain open after you have reached out to fill slots with target populations identified above, then by law, you must accept a kindergarten family that desires program services, even if your program prioritizes students in grades 1-5.)

Additional Notes:

- Successful after school programs are heterogeneous and include several target populations.
- Sites cannot simply utilize a first come-first serve process for enrolling students; sites should establish priorities for participation.
- Programs are intended to help close the achievement gap by serving a variety of students with academic and other needs.
- In alignment with OUSD's strategic goal to reduce chronic absenteeism, programs should consider targeting students at risk of chronic absenteeism, as determined by individual attendance rates between 90 – 95% during the current school year. (Programs should collaborate with school site leadership to obtain student attendance data.)

- Program must enroll adequate numbers of students to meet CDE attendance targets.

Enrollment Process and Timeline: (Summarize your enrollment timeline below. Describe how your school will identify and recruit students beginning in Spring 2013. Indicate how families will be notified of 2013-14 enrollment before the last day of school, June 13, 2013.)

Timeline	After School Enrollment Steps/Process	Individual(s) responsible
May	Schedule a Parent Orientation with parents of current students in ASP	Program Coordinator
	Flyer and announce Parent Orientation to recruit new families	Program Coordinator
	Outreach to parents, teachers and community	Program Coordinator, Principal
June	Hold Parent Orientation and distribute and collect application packets	Program Coordinator, ASP Staff
	Give ASP overview as well as important updates like ASP attendance and pick up policies	Program Coordinator
	Review applications	Program Coordinator
	Send program acceptance, denial or waitlist notices	Program Coordinator, ASP Staff

Important dates to include in your timeline:

- April – June: Spring enrollment for 2013-14 programs.
- Families will be notified of 2013-14 after school enrollment before the last day of school, June 13, 2013.
- After school programs begin on 1st Day of school, with enrollment at a minimum 75% capacity.
- August – September: New school year enrollment of families for remaining program slots.
- Remaining program slots will be filled by September 30, 2013.
- All programs must maintain waitlists after program slots are filled.

Academic Liaison/Quality Support Coach

After school research clearly shows that high quality programs result in increased youth outcomes. The higher the program quality, the more youth outcomes are achieved. The Academic Liaison (now called "Quality Support Coach") is a required position and plays a critical role in supporting after school program quality through the following high leverage staff capacity-building activities:

- Provide classroom observations, coaching support, and trainings to improve staff practices and program quality.
- Support the after school program's *Assess – Plan – Improve* program quality improvement cycle by helping after school programs gather and review data on program quality, make plans for improvement, and receive training and coaching supports aligned to improvement plans.
- Bridge the after school program with school day goals, priorities, curriculum, pedagogy, and data.
- Provide lesson planning support and lesson modeling to strengthen after school instruction.
- Help develop/design after school academic offerings and curriculum, and support alignment of after school activities with the Common Core standards

The Academic Liaison/Quality Support Coach can be a credentialed teacher from the school faculty or other qualified professional working with the school (for example, a Literacy Specialist, Math Coach from LCI, BTSA Coach, etc.). This individual will receive training and specific direction on the Academic Liaison/Quality Support Coach role from the OUSD After School Programs Office. The After School Programs Office will provide specific deliverables aligned with the key job duties listed above. The required budget allocation for this position is \$2,500 for the year, equivalent to 83 hrs/year at a Paid-In-Service contract rate of \$30.12/hour.

Academic Liaison/Quality Support Coaching Planning

a) Please identify who will fulfill the Academic Liaison/Quality Support Coach role for 2013-14:

If known, please specify the name of the person who will fill the Academic Liaison role, and identify his/her role in the school: Lead hasn't been identified yet.

Teachers on Extended Contract for Direct Service

In addition to an Academic Liaison/Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as after school intervention, support with programs like Achieve 3000 or Fast Forward, and academic enrichment.

Please list specific after school classes/activities that will be facilitated by teachers paid on extended contract.

Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$23.16/hr (per OEA contract). After school grant funds can be utilized for this direct service work. Beginning in 2013-14, the Academic Liaison/Quality Support Coach cannot provide direct service to students. The Academic Liaison is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$30.12 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract.

OAKLAND UNIFIED
SCHOOL DISTRICT

Community Schools, Thriving Students

OAKLAND UNIFIED SCHOOL DISTRICT
Office of the Board of Education
June 26, 2013

TO: Board of Education

FROM: Dr. Anthony Smith, Ph.D., Superintendent *Maria Santos for Tony Smith*

SUBJECT: Master Memorandum of Understanding between OUSD and Bay Area Community Resources

ACTION REQUESTED

Authorize the President and Secretary of the Board to enter into and execute a Memorandum of Understanding with Bay Area Community Resources, on behalf of the District to provide services to students. This establishes a one year relationship with Bay Area Community Resources, and a Not-To-Exceed amount of \$4,271,386.00. This amount is projected using historical cost data, known changes to the number of sites served and expected available grant funding allowable.

BACKGROUND

The Oakland Unified School District enters into contracts each year to provide professional services that support the District's academic mission. The Master MOU establishes all terms and conditions, a defined menu of services with negotiated rates, and allows for the gathering of necessary supporting documentation to further streamline the process of receiving necessary services, while keeping the integrity of checks and balances, as well as maintaining oversight by the Governing Board.

A Menu of Services was established that would allow a principal to "Order" from the Menu using the Individual Service Agreement (ISA). This is essential to promoting transparency of services, and the costs of those services, between like schools. Each Individual Service Agreement is submitted to the board for approval. In the event that this vendor receives more orders for service than anticipated, an amendment to this MOU will request a new not-to-exceed amount.

DISCUSSION

Vendor: Bay Area Community Resources

Overview of Services: Bay Area Community Resources contracts with schools to be a lead agency to provide high quality after school programming consisting of academic enrichment and recreational physical activities, family literacy and targeted Equitable Access services to students that are high risk.

Not-To-Exceed Amount: \$4,271,386.00

Determination of the Not-to-Exceed Amount is based on historical data and projections for the coming school year, it is anticipated that Bay Area Community Resources will provide services to 26 school sites.

The District contracts with agencies to provide various activities and after school programs. Chosen by the number of sites served with District and the long standing relationship with the agencies, the Master Memorandum of Understanding establishes a relationship with Bay Area Community Resources, defining terms and conditions as well as setting a maximum not-to-exceed ceiling amount. This ceiling is derived from historical cost data, and known changes in sites to be served, as well as expected grant funding.

In addition, the District has been working with agencies to provide a Menu of Service, which delivers a clear and measurable scope of work. Analogous to ordering from a common table menu, each product is described and the price is clearly quoted, establishing and promoting a more perfect competition where the consumer, here the principal, is informed of the services offered, and the price for those services. This allows the principal to easily compare services and prices, and plan for programmatic needs.

FISCAL IMPACT

There is no funding associated with the Master Memorandum of Understanding or the Amendment to the Master Memorandum of Understanding herewith. The Master Memorandum of Understanding establishes a relationship, as well as setting the terms and conditions with Bay Area Community Resources. The funding source for each Individual Service Agreement will be determined separately and individually. Funding for the Individual Service Agreement is verified through a review of the BDT budget process, and a review of State and Federal compliance funding when applicable.

RECOMMENDATION

Approval of the Amendment to the Master MOU between Bay Area Community Resources and the Oakland Unified School District authorizing the President and Secretary of the Board to enter into and execute an Amendment to the Master Memorandum of Understanding and Individual Service Agreement(s) with Bay Area Community Resources in an amount Not-To-Exceed \$4,271,386.00.

The Secretary of the Governing Board shall place said Individual Service Agreements on the Consent Calendar for Approval.

Our programs promote successful youth development by providing opportunities for young people to acquire new skills, learn, share their talents, and make a mark in their community.

We have two management roles at elementary, middle or high schools:

1. BACR is the lead community agency—managing the entire program, providing staff, and delivering services—24 schools in Oakland, 13 in San Francisco, 5 in Alameda, 5 in San Rafael, 2 in San Leandro Unified, 15 in West Contra Costa County, and 12 in Mt. Diablo Unified in Contra Costa County..
2. BACR is the fiscal sponsor—managing human resources, payroll and fringe benefits
