**Background**  
*A one paragraph explanation of why the consultant's services are needed.*

The After School Education and Safety (ASES) is the result of the 2002 voter approved initiative, Proposition 49. This proposition amended California Education Code 8482 to expand and rename the former Before and After School Learning and Safe Neighborhood Partnerships Program. The ASES Program funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe, constructive alternatives for students in kindergarten through ninth grade. The ASES program is defined within the language of SB 638 and Education Code (EC) sections 8482 and 8484.6.

The general purpose of the 21<sup>st</sup> Century Community Learning Centers (21<sup>st</sup> CCLC) program is to establish or expand community learning centers that provide students with academic enrichment opportunities along with activities designed to complement the students' regular academic program. California Education Code (EC) section 8421 further defines the purpose of the 21<sup>st</sup> CCLC High School ASSETS program as (1) creating incentives for establishing locally driven after school enrichment programs that partner schools and communities to provide academic support and safe, constructive alternatives for high school pupils in the hours after the regular school day, and (2) assisting pupils in passing the high school exit examination for public school programs.

**Is Vendor a local Oakland business?** Yes  No

**Why was this Vendor selected?**

This organization has demonstrated experience and capacity serving in the after school lead agency role. This organization successfully met all requirements of OUSD's Lead Agency Request for Qualifications process and has been approved as a qualified lead agency partner for the OUSD Expanded Learning Office.

**Summarize the services this Vendor will be providing.**

This organization will provide comprehensive after school services for Oakland students, following the requirements set forth by OUSD and the California Department of Education's ASES and/or 21st Century Community Learning Centers grant programs. Daily after school services will include academic support, enrichment, and physical activity for students, as well as family engagement activities. This organization will work in close partnership with the host school site to align after school programming with the goals and priorities of the school's SPSA. This organization will also work in close partnership with the OUSD Expanded Learning Office to ensure the program meets attendance targets, fulfills compliance requirements, and achieves youth development quality standards.

**Was this contract competitively bid?** Yes  No

If No, answer the following:

1) How did you determine the price is competitive?

The California Department of Education allocates site-specific grant funding to OUSD schools. The lead agency partner works in collaboration with the school site administrator to complete an after school budget plan specifying the requested after school services and agreed upon cost of services. The final contract amount for the agency is approved by the school site administrator and the OUSD Expanded Learning Office, once budget plans are approved for compliance and program plans meet CDE requirements. The lead agency leverages additional funding and in-kind resources to augment the contracted amount from OUSD to support high quality program implementation.

2) Please check the competitive bid exception relied upon:

Memorandum of Understanding 2018-2019  
Between Oakland Unified School District and  
Safe Passages**

---

1. **Intent.** This Memorandum of Understanding ("MOU") establishes the Oakland Unified School District's ("OUSD") intent, contingent upon OUSD's receipt of California Department of Education and/or U.S. Department of Education after school grant funds, to contract with Safe Passages ("AGENCY") to serve as the lead agency to provide after-school and/or summer educational programs and to serve a sufficient number of students and run services for a sufficient number of days to earn the core grant allocation of funding at 228/United for Success Academy under the following grants:
  - After School Education and Safety Program ("ASESP")
  - California Department of Education ("CDE") 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC)
  - Oakland Fund for Children and Youth - This MOU will also outline services provided on OUSD school grounds through the Oakland Fund for Children and Youth ("OFCY") After-School Initiative funds that shall be utilized as matching funds to CDE ASESP and 21<sup>st</sup> CCLC funds.
  - Private grants
  
2. **Term of MOU.** The term of this MOU shall be August 1, 2018 through July 31, 2019. The term may be extended by written agreement of both parties.
  
3. **Termination by OUSD.** OUSD may at any time terminate this MOU for any or no reason upon not less than five (5) days written notice to AGENCY. OUSD shall compensate AGENCY for services satisfactorily provided through the date of termination. In addition, OUSD may terminate this MOU for cause should AGENCY fail to perform any part of this MOU. In the event of termination for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, AGENCY shall pay the additional cost.
  - a) **No Premature Termination by AGENCY** AGENCY hereby certifies that it is willing and able to provide required services for the full term of the MOU. AGENCY will not be permitted to unilaterally terminate the MOU or cease providing required services prior to completing the full term unless OUSD approves any change and/or unless OUSD deems immediate removal of AGENCY is necessary for cause. In the event AGENCY ceases to provide required services prior to the end of the MOU term, or is terminated for cause, OUSD may secure the required services from another contractor. If OUSD's cost of procuring services from another contractor exceeds the cost of providing the services pursuant to this MOU, or OUSD is unable to secure required services from another contractor, AGENCY shall pay any additional cost. If OUSD suffers any loss of funding or other program consequences attributable to AGENCY's premature termination, AGENCY shall pay any additional cost in addition to any damages otherwise due under this MOU.
  - b) **Advance Notice by AGENCY for Coming School Year.** AGENCY must provide advance notice to Principal and OUSD After School Programs Office by the end of the first semester if AGENCY cannot continue providing after school lead agency services for the succeeding school year. This date allows the school site to have sufficient time to find a new lead agency partner, and enables OUSD to work to preserve after school grant funding (including OFCY city funding) for the school.
  
4. **Compensation. Contingent on OUSD receipt of** California Department of Education and/or U.S. Department of Education after school grant funds and subject to grant funding levels, the ASESP and 21<sup>st</sup> CCLC grant award amount for Safe Passages is \$ 180,637.00 . AGENCY shall be entitled to compensation from these funds in accordance with the following terms and conditions:

- 4.1. **Total Compensation.** Subject to the provisions of 4.2 Positive Attendance and the provisions of 4.3 Administrative Fee and subject to AGENCY compliance with MOU requirements, AGENCY shall receive the amount of the grant award less OUSD's administrative fees and other site costs agreed to by the Site Administrator and AGENCY. Penalties may be assessed or payments withheld for non-compliance, including but not limited to MOU requirements, attendance reporting, fiscal invoicing, full participation at OUSD required meetings and trainings and in continuous quality improvement efforts.
- 4.2. **Positive Attendance.** Payment for services rendered related to the ASEP and 21st CCLC grants shall be based on actual student attendance rates (\$8.19 a day per student through ASEP and \$7.50 a day per student through 21st CCLC), not estimates, as those programs are "positive attendance based." OUSD reserves the right to modify the annual core allocation based on reported attendance. In the event that payments made to AGENCY exceed the reported attendance for the Core grant, the AGENCY will return payments to OUSD at the rate of \$8.19 a day for ASEP and \$7.50 a day for 21st CCLC per student. Documentation of attendance must be submitted through the OUSD/OCY attendance systems in order for invoices for payment of services for the ASEP and 21st CCLC grants to be processed. Exhibit A ("Attendance Reporting Schedule 2018-2019")
- 4.2.1. **Reconciliation Process for Positive Attendance Based Grant Funds.** OUSD will adjust the payment of the "positive attendance based" grants based on quarterly review of monthly invoices and attendance for services rendered related to the ASEP, 21ST CCLC (Core Grant) for any adjustments resulting from the reconciliation of the attendance reports for that quarter's months. The attendance reconciliation process will assess the program's performance with respect to the required compliance with the grant mandated attendance rates. Based on the review, financial adjustments of additional payment or additional withholding will be made. Any remaining balance(s) will be forwarded to AGENCY or OUSD. Any adjustment required in excess of the withholding will necessitate additional adjustments to future invoices and payments.
- 4.2.2. **Administrative Charges and Reconciliation.** Reconciliation process for positive attendance based grants must factor in the subtraction of administrative and other OUSD central charges, as outlined in section 4.3, from any grant amounts earned through attendance (OUSD indirect, custodial, evaluation, and After School Programs Office administrative and training/technical assistance fees).
- 4.3. **OUSD Administrative Fees.** OUSD shall charge and withhold up to 14% from the overall ASEP and 21st Century grant awards for central indirect, administrative, custodial, evaluation, and direct service training and technical assistance.
- 4.4. **AGENCY Administrative Fees.** AGENCY understands and agrees that it may not charge more than 4% of the total contract amount as administrative fees and that its administrative fees must be set at an appropriate dollar amount to keep the ASEP and 21st Century grants within the grant-mandated allowable 15% for total indirect/administrative costs. The agency administrative fees charged to the ASEP and 21st CCLC grants must be used for direct administrative costs and cannot be used for agency indirect costs. Direct administrative costs consist of expenditures for administrative activities that provide a direct benefit to the ASEP and 21st CCLC programs. Indirect costs consist of expenditures for administrative activities that are necessary for the general operation of the agency, but that cannot be tied to the ASEP and 21st CCLC programs.
- 4.5. **Program Budget.** The grant will remain as part of the site budget. Funds will be encumbered from the site budget on behalf of AGENCY for the school year 2018-2019 and will not exceed \$ 180,637.00 in accordance with Exhibit B. **Exhibit B** ("ASEP/21st CCLC Planning Tool/Comprehensive After School Program Budget for AGENCY 2018-2019").
- 4.6. **Modifications to Budget.** Any modifications to the approved grant budget must be approved by OUSD, AGENCY, and CDE before expenditures of funds for modified line items are authorized. Except as expressly set forth herein, OUSD shall not be liable to AGENCY for any costs or expenses paid or incurred by AGENCY in performing services for OUSD. The granting of any payment by

OUSD, or the receipt thereof by AGENCY, shall in no way lessen the liability of AGENCY to correct unsatisfactory work, although the unsatisfactory character of that work may not have been apparent or detected at the time a payment was made. Work, which does not conform to the requirements of this Agreement, may be rejected by OUSD and in that case must be replaced by AGENCY without delay.

- 4.7. **Program Fees.** The intent of the ASESP and 21<sup>st</sup> CCLC programs is to establish local programs that offer academic assistance and enrichment for students in need of such services regardless of their ability to pay. Though it is not against the rules to charge fees for participation in programs, the CA Department of Education discourages it because it could exclude students in need from attending and taking advantage of the after school program. Fees should not create a barrier to participation in the after school program. After school services must be equally accessible to all students targeted for services regardless of their ability to pay. Programs that propose to charge fees may not prohibit any family from participating based on their inability to pay and must offer a sliding scale of fees and scholarships for those who could not otherwise afford to participate. Any income collected from fees must be used to fund program activities specified in the grant application. AGENCY shall do full accounting of fees collected, and documentation shall be kept for 5 years for auditing purposes. If AGENCY decides to charge fees, this decision shall be made collaboratively with the Site Administrator, and AGENCY shall work collaboratively with the Site Administrator and parent leaders to develop an appropriate program fee structure for the school community. AGENCY shall provide the OUSD After School Programs Office with written documentation of the program fee structure prior to charging any program fees, and shall provide OUSD with additional documentation upon request, to ensure grant compliance. Programs that charge program fees will waive or reduce these fees for students who are eligible for free or reduced-priced meals. Programs cannot charge fees if the child is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec.1143a), newcomers (refugee, asylee, and unaccompanied minor), or if the child is in foster care.
5. **Scope of Work.** AGENCY will serve as lead agency at 228/United for Success Academy, will be responsible for operations and management of the ASESP, 21<sup>st</sup> CCLC, OFCY, and private grants contracted to AGENCY by OUSD for fiscal year 2018-2019. ### Modifications For High Need Transitional Students

How will you **modify your enrollment and attendance policies** to make your program accessible for foster, homeless, and newcomer students who transition into the school mid-year? (1,150 Characters)

The program will tailor enrollment and attendance policies to the needs of foster, homeless, and newcomer students who transition into the school mid-year. Available after school program slots will be offered to these priority target groups of students. 5-10 program slots will be reserved for transitional students who enroll in the school mid-year. Appropriate attendance waivers will be completed to address the mobility of these students. Program staff will work with the appropriate parent, family member, foster parent, and/or guardian as needed towards creating a seamless partnership between the school/after school program and "home." The After School Coordinator will work closely with the Principal to wrap regular day and after school supports around these priority students to ease the transition into the school community.

## SECTION 2: PROGRAM DESIGN & PRIORITIES

### Addressing Needs of Underserved/Vulnerable Populations

Reducing the disproportionate suspension rates of African American students is a key priority for OUSD.

**Please describe any special efforts** your after school program is taking to support the school engagement, social-emotional well-being, and/or academic success of African American students at your school (*ie. Manhood Development, Ethnic Studies curriculum, recognition ceremonies for student accomplishments, Black professionals as role models or mentors, etc.*). (3940 Characters)

Safe Passages has over twenty years of experiencing supporting African American students using strategies that have proven to reduce the disproportionate suspension rates of African American students and increase academic success. The after school program will work with the principal and school day staff to identify students that are struggling and provide them with support during the after school program. Specific support will align with the following school day strategies articulated in the UFSA SPSA for 2018-19:

1. Small group work;
2. Mentoring and other one-on-one support;
3. Leverage COST process;
4. Rigorous academic support services;
5. Engagement in enrichment activities that prove a rich cultural experience, including gender specific;
6. Restorative Practices; and
7. Family engagement events to support student success.

In addition, the After School curriculum integrates Ethnic Studies and youth development principals that promote agency for African American students and connections to caring adults. The staff is culturally competent and uses culturally responsive instructional practices to facilitate the engagement of all students, including African American students. Finally, the staff is trained in SEL and youth development and will mirror those skills for students to support the social-emotional well-being of African American students.

## SECTION 3: ALIGNMENT WITH DISTRICT & SCHOOL PRIORITIES

### OUSD Strategic Targets

In OUSD's Pathway to Excellence Strategic Plan, ultimately the entire OUSD school system is working toward the goal to prepare all students to be college, career, and community ready. To meet this strategic goal, middle schools must prepare their students to be *high school ready* by the time they graduate from the 8<sup>th</sup> grade.

#### High School Readiness

OUSD measures high school readiness by the percentage of 8th graders who meet the following criteria at the end of the 8<sup>th</sup> grade:

- a 2.5 or better GPA;
- no Ds or Fs in Math or English; no suspensions; and
- at least a 96% attendance rate for their 8th grade year.

**Complete the matrix** to indicate how your after school program will work collaboratively with your school partner to make progress toward achieving this target for the 2018-19 school year.

District Strategic Target	Describe the ASP activities that will support this district strategic target (444 Characters)	Target Population (300 Characters)	Measurable Outcomes (444 Characters)
High School Readiness	Academic support classes provided to all AS participants to build academic skills in ELA and Math.	Grades 6th-8th	Increase scores on formative and summative assessments.  Increase student engagement  Increase attendance.
	Youth Leadership Exploration and Development	Grades 6th-8th	Increase school engagement and leadership.  Increase attendance

On a daily basis, staff will utilize their SEL skills to support SEL skill development for students.

### Coordination to Support the Whole Child

In the Full Service Community School model, the school becomes a hub of services where various types of service providers come together, work together, and coordinate their efforts to meet the holistic needs of students and families.

### Culture & Climate

After school programs can play a critical role in support the school's efforts to transform school culture and climate, helping to make schools positive, supportive places for all students to stay engaged, be successful, and thrive.

The following are strategies that OUSD schools are taking to create positive school culture and climate. **Select** at least one strategy to implement:

- Positive Behavioral Intervention and Supports (PBIS)
- Restorative Justice/Restorative Practices (RJ)

What practices does your program have to **support culture and climate**? **How will you align** these practices with school day efforts? (1,955 Characters)

The AS program is an active collaborator in UFSA's efforts to support a positive and supportive place for all students to succeed and thrive. To this end, the program staff is actively engaged in implementing the following strategies in alignment with UFSA's SPSA.

1. Positive Behavioral Intervention and Supports (PBIS)- The AS program staff align with the PBIS framework used during the regular day to reinforce SEL skill development. Referrals are made to the RJ Coordinator, Mental Health Therapist, and the clinical case manager as appropriate.
2. Restorative Justice/Restorative Practices (RJ)- AP staff coordinate and collaborative with the RJ Coordinator to support students and families.
3. Social and Emotional Learning (SEL)- All AS staff are trained in youth development and practice SEL skills to model for students and align with the school day.

### Family Engagement / Family Literacy

Please list any additional family engagement activities your program will offer, that are not already listed in Sections 4 above.

After school programs can help foster parent involvement, connect families to the larger school community, and communicate important information related to the regular school day programs.

After school family engagement efforts should be aligned with school day efforts, and support school goals for family involvement. A variety of activities may be offered, including: parent workshops, family celebrations, parent-and-child-together activities, parent leadership and volunteer opportunities.

Family literacy is a required component of all 21<sup>st</sup> Century after school programs. Family literacy services support the educational goals of adult family members, connect them to resources and services in the community, and increase their ability to support their student's learning and development.

## SECTION 5: CONTINUOUS QUALITY IMPROVEMENT PROCESS

OUSD ASPO's utilize a Continuous Quality Improvement (CQI) process to improve staff practices with students. We utilize a cycle of assess, plan, and improve to observe staff behavior and student experiences, identify areas of strength and improvement, and then provide staff support to improve.

Respond to the following prompts based upon your 2017-18 Program Quality Assessment (PQA) observations and Quality Action Plan (QAP) goals.

What areas did your program identify as **strengths**?

(880 Characters)

1. As identified in our 2017-18 YPQA observation summary, the overall program score was 3.07. Staff was noted as being prepared for lesson plans and supplies were prepared and ready for the students to use. Youth also had opportunities to have hands on activity.
2. Supervision of inside and outside spaces was also noted as a strength.

What areas did your program identify as **needing improvement**?

(880 Characters)

1. Providing more opportunities for students to engage on the topics with on another was noted as needing improvement. In addition, the program needed to provide more opportunities for students to get to know each other.
2. Engaging students in open-ended reflective questions was noted as an area needing improvement.

## SECTION 6: PROGRAM SCHEDULE & MODEL

### Program Schedule

  **Submit your program schedule for 2018-19** as an attachment, using the standard program schedule template. The after school schedule must indicate the school name, program name, and the program year. *Please note that programs will be asked to submit updated program schedules at the beginning of both the Fall and Spring semesters. The Program Schedule must clearly show when all after school activities listed in this program plan will be taking place.*

Make sure program schedule clearly shows when the following middle school program requirements will take place:

- MESA programming one hour/week
- STEM programming one hour/week
- Career exploration programming

  Also submit a copy of the **school bell schedule** for the 2018-19 school year.

**Important Notes:** *The after school schedule must commence immediately the minute the school day bell schedule ends on all program days. Before submitting, compare the school bell schedule with the after school schedule to ensure that the times are aligned (i.e., if the school bell schedule ends at 2:55 pm, then the after school schedule must begin at 2:55 pm; the same is true on minimum days).*

### Program Model

For 2018–2019, **my site will operate** the following program model:

- Traditional After School:** voluntary program open to all students, with enrollment priorities targeting certain students
- Extended Day Program:** additional class periods offered to students after the end of the regular bell schedule, for targeted grades and/or for all students of the school (Note: extended day classes must not appear on the school bell schedule)
- Blended/Hybrid:** combination of some extended day and some traditional after school programming

### Teachers on Extended Contract for Direct Service

In addition to a Quality Support Coach, some schools choose to have teachers on extended contract to provide direct service to students after school, such as math or literacy intervention and ELL instruction.

*Important note: Teachers on extended contract who are providing direct services to students after school must be paid at the negotiated rate of \$26.61/hr (per OEA contract). After school grant funds can be utilized for this direct service work. The Quality Support Coach cannot provide direct service to students. The Quality Support Coach is primarily responsible for providing coaching and training, and is paid at the negotiated Paid-In-Service rate of \$34.67 for their staff capacity-building services. Teachers doing direct service work after school must be paid with an extended contract. Note these pay rates may change if there are district pay raises next year.*

**List after school classes/activities** that will be facilitated by teachers on extended contract. INCLUDE ANTICIPATED HRS/WK. (550 Characters)

## SECTION 7: PROGRAM FEES

Will your after school program **charge program fees** for the 2018–19 school year?  Yes  No

If, "YES, program fees will be charged," please **complete** the following assurances.

*Both the Principal and Lead Agency partner should initial.*

Principal	Lead Agency	Assurances

## Continuous Quality Improvement (CQI)

Engaging in continuous quality improvement (CQI) processes is an OUSD expectation for all schools and after school programs, and is a condition for ongoing after school grant funding from the California Dept. of Education. The OUSD Expanded Learning Office has adopted a research-based *Assess-Plan-Improve* CQI process utilizing national quality standards for youth development. All OUSD after school programs are expected to fully engage in and complete the following steps of the CQI cycle each year, and submit corresponding CQI deliverables to the school district on a timely basis:

- self-assessment using Youth Program Quality Assessment (YPQA)/School Age Program Quality Assessment (SAPQA) tool
- planning with data (using self-assessment and external assessment PQA data, and other program data as available)
- development of quality action plan (QAP) with goals for program improvement
- QAP progress check

The CQI cycle is intended to be a collaborative process involving program staff, and can include other stakeholders (ie. youth leaders, school partners, parents, other community partners).

CQI: Continuous quality improvement  
QAP: Quality action plan  
SAPQA: School Age Program Quality Assessment  
YPQA: Youth Program Quality Assessment

### Review and mark all commitments:

*Our lead agency and school partner understand district expectations regarding the after school program's participation in the Continuous Quality Improvement (CQI) process summarized above. We agree to the following expectations:*

- Lead agency will budget adequately to ensure program staff participate collaboratively in each step of the CQI process.
- Site coordinator will participate in CQI trainings to develop his/her leadership in leading continuous quality improvement processes.
- Lead agency director will provide coaching support and monitoring to Site Coordinator to ensure completion of a meaningful CQI process, and thoughtfully completed CQI deliverables.
- Site coordinator will share CQI data with Site Administrator and school staff.
- Lead agency and school partner will work collaboratively to support the implementation of the program's Quality Action Plan, including providing staff with adequate training and resources to improve the quality of their practices.

EAST BAY REGIONAL PARK DISTRICT

WAIVER AND RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

Waiver and Release of Liability. In consideration of being allowed to use and participate in activities at East Bay Regional Park District's facilities, including but not limited to its pools, lakes, shorelines and swimming lagoons ("Recreational Activity"), I, for myself and my spouse, my child, heirs, personal representatives, next of kin, and assigns, voluntarily agree to release, waive, discharge, and promise not to sue the East Bay Regional Park District, its officers, directors, agents, volunteers, and employees (collectively the "District") from any and all liability for any accident, illness, injury, death, wrongful death, or property damage/loss arising out of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether occurring on or off District property, and whether caused by any negligence of the District or otherwise, excepting only to the extent caused by District's gross negligence.

Assumption of Risk. I understand that participation in the Recreational Activity and the use of District facilities, equipment, and transportation carry inherent risks that cannot be eliminated regardless of the care taken to avoid injury. These risks may result in injuries that include, but are not limited to, disease, cuts, eye injuries, blindness, broken bones, concussions, heart attacks, heat stroke, dehydration, joint or back injuries, slipping on uneven surfaces, brain injuries, drowning, paralysis, and death, as well as damage/loss of personal property. I also understand that these risks might arise for a variety of reasons, including but not limited to, actions, inaction or negligence of other parties, participants, or the District. I further understand that there may be other risks that are not known to me or reasonably foreseeable at this time. By signing below, I acknowledge that participation in the Recreational Activity and the use of District facilities, equipment, and transportation is voluntary and that I knowingly assume any and all risks, known and unknown.

Indemnity Agreement. In consideration for the District's permission to participate in the Recreational Activity, I voluntarily agree to indemnify and hold harmless the District from all claims, demands, and causes of action brought by me or anyone else as a result of my participation in the Recreational Activity and/or use of District facilities and equipment (along with the use of transportation provided, arranged, or paid for by the District, including such transportation for medical treatment), whether caused by any negligence of the District or otherwise, and agree to reimburse the District for any resulting costs, expenses, and attorneys' fees

Severability. I understand and acknowledge that this Agreement is intended to be as broad and inclusive as permitted by law. If any portion of this Agreement is deemed invalid, it is agreed that the remaining portion of the Agreement shall continue in full legal force and effect.

Minor Participants. If Participant is under 18, Participant's custodial parent or legal guardian must sign below, warranting that he or she is the Participant's custodial parent or legal guardian, and is agreeing to the terms and conditions of this Agreement, on both his or her and the Participant's behalf. Parent or legal guardian acknowledges by their signature that they are giving up the same rights for the minor as they would be giving up if they signed this Agreement on their own behalf.

I have read this Agreement and understand that I am giving up substantial rights by signing it, but do so voluntarily and intend to completely release the District from the liability described above to the greatest extent allowed by law. I also understand that this Agreement is legally binding on me and my child (if applicable), spouse, heirs, personal representatives, assigns, and next of kin.

**ADDITIONAL INSURED  
PRIMARY AND NON-CONTRIBUTORY  
ENDORSEMENT FOR PUBLIC ENTITIES**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

**SCHEDULE**

**Name of Person or Organization:**

(Information required to complete this Schedule, if not shown above, will be shown in the Declarations.)

**A. Section II – Who Is An Insured** is amended to include any public entity as an additional insured for whom you are performing operations, who may be named in the schedule above, when you have agreed in a written contract or written agreement that such public entity be added as an additional insured(s) on your policy, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your negligent acts or omissions; or
2. The negligent acts or omissions of those acting on your behalf; in the performance of your ongoing operations:

No such public entity is an additional insured for liability arising out of the "products-completed operations hazard" or for liability arising out of the sole negligence of that public entity.

**B. With respect to the insurance afforded to these additional insured(s), the following additional exclusions apply.**

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

**C. The following is added to SECTION III — LIMITS OF INSURANCE:**

The limits of insurance applicable to the additional insured(s) are those specified in the written contract between you and the additional insured(s), or the limits available under this policy, whichever are less. These limits are part of and not in addition to the limits of insurance under this policy.

D. A. With respect to the insurance provided to the additional insured(s), **Condition 4. Other Insurance of SECTION IV — COMMERCIAL GENERAL LIABILITY CONDITIONS** is replaced by the following:

**4. Other Insurance**

**a. Primary Insurance**

This insurance is primary if you have agreed in a written contract or written agreement:

- (1) That this insurance be primary. If other insurance is also primary, we will share with all that other insurance as described in c. below; or
- (2) The coverage afforded by this insurance is primary and non-contributory with the additional insured(s)' own insurance.

Paragraphs (1) and (2) do not apply to other insurance to which the additional insured(s) has been added as an additional insured or to other insurance described in paragraph b. below.

**b. Excess Insurance**

This insurance is excess over:

1. Any of the other insurance, whether primary, excess, contingent or on any other basis:
  - (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
  - (b) That is fire, lightning, or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;
  - (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises temporarily occupied by you with permission of the owner; or
  - (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of **SECTION I — COVERAGE A — BODILY INJURY AND PROPERTY DAMAGE**.
  - (e) Any other insurance available to an additional insured(s) under this Endorsement covering liability for damages which are subject to this endorsement and for which the additional insured(s) has been added as an additional insured by that other insurance.
- (1) When this insurance is excess, we will have no duty under Coverages A or B to defend the additional insured(s) against any "suit" if any other insurer has a duty to defend the additional insured(s) against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the additional insured(s)' rights against all those other insurers.
- (2) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:
  - (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
  - (b) The total of all deductible and self-insured amounts under all that other insurance.
- (3) We will share the remaining loss, if any, with any other insurance that is not described in this **Excess Insurance** provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

**c. Methods of Sharing**

If all of the other insurance available to the additional insured(s) permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any other the other insurance available to the additional insured(s) does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

Statement of Qualifications

## Safe Passages - Agency History and Qualifications

*Safe Passages disrupts the cycle of poverty by engaging youth and families to build and drive a continuum of services that supports student success and community development.*

### **Who We Are:**

Safe Passages is a minority women led nonprofit that advocates for, researches, evaluates, develops and incubates culturally appropriate, cross-agency strategies designed to improve the lives of vulnerable populations, including youth at risk of dropping out of school, at risk or involved in gangs or the Juvenile Justice system, and likely to be involved in other risky behaviors. For more than 20 years, SP has worked with public and private partners to strengthen the safety net for poor people within and across systems by maximizing and leveraging resources to implement proven strategies.

### **Where We Work:**

We work with disadvantaged communities in Alameda County where up to 80% of children live in poverty, in neighborhoods with the highest levels of health disparities including the highest rates of hospitalization for asthma, teen birth rates, and hospitalization for assaults among youth; where students score far below proficiency and have high rates of school suspension, drop-outs and truancy. 98% of the populations served are students and families of color.

### **What We Do:**

Programs and services are woven together to serve the entire age continuum of children and youth, from birth to college/career, including economic development strategies to fuel economic self-sufficiency for youth and families.

**Early Childhood Initiative** – Promotes collaboration between multiple public systems and non-profit providers to create a citywide safety net for children (0-5), who are exposed to violence. Services include Baby Learning Playgroups and workshops, case management, mental health services and mental health consultations at pre-school sites.

**School Linked Services** – Aims to integrate education and social services at school sites to support school communities as catalysts for student success and social change within the larger neighborhood context. Through multiple funding streams, Safe Passages has led the effective development and sustainability of full service community schools (FSCS) across the Oakland flatlands. Initially, this work began as the Safe Passages Middle School Strategy, a multi-pronged approach to creating positive school climates and providing students and their families the support needed to be successful in school and life. Over time school linked strategy expanded to schools K-12. From the beginning, afterschool programming was a major prong of the strategy. The initial seven highest need middle schools were selected as partners in 2000 to implement the strategy: Havenscourt (CCPA) and Calvin Simmons (UFSA) were part of the first cohort of implementation schools and 18 years later continue in sustained partnership to work towards improved outcomes for students and families.

The partnership survived many changes in personnel, leadership, and the economy. Over the years, Safe Passages facilitated the development of the Coordination of Services Team (COST) system, case management and mental health services for students and parents, school based health centers at some target schools and afterschool programs. Several models developed by Safe Passages, like COST, were adopted by OUSD and replicated across the school district. Several of the Safe Passages schools, including those schools where Safe Passages serves as the lead afterschool agency are leading schools in OUSD's FSCS Initiative.

**Juvenile Justice Initiative** – Brings courts, school districts, police departments, probation officers, and service providers together to reduce disproportionate minority contact with law enforcement, and lower recidivism among juvenile offenders.

**Career Development** – Work closely with government, universities and private entities to develop new job opportunities for youth during and after school hours, in the summer time, and post-graduation. Students are provided opportunities to learn about diverse career tracks including careers in the arts, teaching, law enforcement, legal services, social work and in the mental health profession.

### **Successes:**

- 91% of students in the academic support programs experienced academic success.
- Implemented the Elev8 Oakland Initiative, a \$40 Million full service community school model at five high need middle schools in Oakland.
- Elev8 school based health centers reach 3,000 students plus their families annually.
- Quality after school programs serve over 1,000 students annually.
- 212 Safe Passages AmeriCorps members have served over 1170 high need students through intensive academic supports.
- Placed hundreds of young people in career pathways jobs through Mayor's Summer Jobs Program, AmeriCorps Programs and Safe Passages Career Pathways since 2011.

Safe Passages partnerships with the school communities that are the focus of the contracts currently before the OUSD Board embody 18 years of partnership.
